The Land of Beginning Again CreateSpace

The Gospel written by the Beloved Disciple St. Augustine once said about the Gospel of John, that, "It is shallow enough for a child not to drown, yet deep enough for an elephant to swim in it." John contains the Bible's favorite verse - John 3:16. John's themes are essential to our understanding of Jesus as Son of God and Messiah. Here we learn about the Holy Spirit, the Counselor who lives within us to guide and empower us. We learn about the Father's love and eternal life. Some of the most beloved stories of Jesus' ministry are found only in the Fourth Gospel -- changing the water into wine, the woman at the well, the woman taken in

adultery, raising Lazarus, washing the disciples' feet, and many more. In John's Gospel you find Jesus as the Bread of Life; the Light of the World; the Good Shepherd; the Way, the Truth, and the Life. John's Gospel is lengthy - 21 chapters, but rich and deep. Each chapter concludes with a summary of lessons for disciples to ponder. This study's helpful thought and discussion questions make it useful for personal enrichment and by small groups and classes. Extensive research contained in the footnotes makes it a goldmine for teachers and a boon to preachers involved in sermon preparation.

Understanding Jesus Thomas Nelson

Like the best-selling Touch and Feel Bible Stories, this book combines bright colors and intriguing textures and is perfect for interactive learning.

The Homeric Epics and the Gospel of Mark Canongate Books

Why would anyone think Jesus never existed? Isn't it perfectly reasonable to accept that he was a real first century figure? As it turns out, no. NAILED sheds light on ten beloved Christian myths, and, with evidence gathered from historians across the theological spectrum, shows how they point to a Jesus Christ created solely through allegorical alchemy of hope and imagination; a messiah transformed from a purely literary, theological construct into the familiar figure of Jesus ' in short, a purely mythic Christ.

The Nag Hammadi Library in English Canongate U.S.

In his latest book, *Writing in the Sand*, Thomas Moore finds striking new meaning in the rich stories and imagery of the Gospels, recasting Jesus not as a teacher of morals and beliefs but as a spiritual visionary with a radical vision for humanity. This highly original take on the Gospels offers a fresh, new way of imagining human life and society. It presents Jesus not as the founder of a religion but as a world reformer offering a spiritual path to everyone, from every background. It offers a personal spirituality fit for the twenty-first century, where the individual bears responsibility for meaning and for a creative, convivial way of life. In his examination of the original Greek texts, Moore dismisses the cautionary voice of tradition and explores the deeper significance of language, stressing the origins of words and the many levels of meaning in stories and imagery. Through his study, Moore shows that the teachings of Jesus are challenging in a far different way than the moralism often associated with them. Based on being open to life, deepening your understanding, and giving up all defensiveness around your convictions, the Gospels can be the source of a new kind of

certainty and stability that cannot be codified and enshrined in a list of rules. *Writing in the Sand* presents the essence of Jesus' teachings and offers a way of understanding them intelligently and devotedly in the twenty-first century.

Mark as Story Crossway

Perhaps Dietrich Bonhoeffer's most radical book, this reading of the Sermon on the Mount has influenced many Christians throughout the world over the last 50 years.

Writing In the Sand B&H Publishing Group

Retells the events of Jesus's life, reflecting on the five themes of birth, identity, love, miracles, and resurrection, and aims to help the reader recognize the truths Jesus experienced in their own lives

Pearl in the Sand Thomas Nelson

Why should we care about heaven? -- What is heaven like? -- When does a person go to heaven? -- Where is heaven? -- Who goes to heaven?

Scribbling in the Sand Lulu.com

Written by an L. A. County homicide detective and former atheist, *Cold-Case Christianity* examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In *Cold-Case Christianity*, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that

validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

The Footprints of God Jesus Footprints in the Sand David C Cook

Tim Sledge pulls back the curtain on Southern Baptist life as he chronicles nearly four decades of ministry in this highly personal, sometimes painful, and frequently provocative spiritual autobiography. Part memoir, part exposé, part polemic-this is an account of failures as well as accomplishments-and very nearly a case study in how faith may begin, how it evolves, and how it can fall apart. Sledge traces the childhood origins of his sincere faith, his efforts at spiritual obedience, his theological education, his climb up the ladder in ministry, his insights into the challenges of growth-oriented leadership, and his pioneering work in faith-based recovery ministries that ultimately guided participants in 20,000 support groups across the U.S. A recurring theme in his story is coming to grips with the significance of being an adult child of an alcoholic. After a fall from grace and a growing awareness that faith no longer worked for him, his journey took a new direction that required examining alternatives to his former belief system including Deism, agnosticism, humanism, and atheism. Ultimately, he found new ways to live a positive, value-driven life and emerged as a new version of the same person he had always been, still interested in creating avenues for personal growth in the lives of others. Goodbye Jesus is a relatable and thoughtful read for those seeking to better understand the evangelical mindset, for Christians who are questioning their

faith, for ministers trying to decide whether to stay or go, and for those who have left their faith and are dealing with its loss.

God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.

Scribbling in the Sand A&C Black

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

She Reads Truth SCM Press

When God Met a Girl portrays vivid snapshots of the loving meetings between Jesus and the women he encountered. Jesus was never dominant or insensitive, but was a healer who encouraged and empowered these women. Be encouraged to imitate Jesus in your relationships with others and to have a

deeper understanding of grace, God's life-changing love for women, and the realization that true self-esteem can only come from a committed relationship with him.

The Desire of Ages Harvard University Press

In this ninth and final biographical study in the bestselling Great Lives from God's Word series, beloved pastor and Bible teacher Charles Swindoll introduces you to the carpenter from Nazareth as you have never seen Him before. Jesus is, without question, the most influential person in history. Millions of people claim the truths of the religion that bears His name. But who exactly is Jesus? A popular religious teacher? An ancient martyr? Many today are still unsure. Even scholars debate whether the Jesus of history is the Christ of faith. Now, more than ever, we need a clear understanding of the person and work of the man millions call Savior. This fascinating biography, filled with biblical and historical insights, takes you on an unforgettable journey through the complex and provocative life of Jesus of Nazareth. Along the way, Swindoll's trademark warmth and insight offer up life application for the reader drawn straight from the words and works of Jesus. Swindoll traces Jesus' life through five distinct phases: His unique birth His astonishing power His controversial teaching His shocking death His world-changing resurrection Refreshingly honest and deep, this in-depth profile reveals Jesus with a never-before-seen clarity, offering practical applications for your own life. Whether you're just curious about Jesus or a longtime follower of His life and teachings join Swindoll as you experience His life in a brand-new light.

Cold-Case Christianity Tyndale House Publishers, Inc.

This is a volume of cross-disciplinary essays focused on the

enigmatic story of the woman taken in adultery (John 7.53--8.11). Explorations of the background, history and interpretation of the passage are offered, including investigations of the adulterous woman motif in Old Testament, New Testament, rabbinic, patristic and mediaeval writings. There are also treatments of the motif as it appears in other cultural expressions, such as Nathaniel Hawthorne's *Scarlet Letter*, and assessments of the theme's significance for contemporary theologies, in particular for feminist and pastoral approaches. The contributors represent a wide range of professional and ecclesiological backgrounds.

Revelation Prometheus Books

A "groundbreaking reinterpretation of the Gospels" that "shines a new light on the profound teachings of Jesus," recasting him as a spiritual visionary with a radical vision for humanity (Deepak Chopra) This highly original take on the Gospels offers a fresh, new way of imagining human life and society. It presents Jesus

not as the founder of a religion but as a world reformer offering a spiritual path to everyone, from every background. It offers a personal spirituality fit for the twenty-first century, where the individual bears responsibility for meaning and for a creative, convivial way of life. In his examination of the original Greek texts, author Thomas Moore dismisses the cautionary voice of tradition and explores the deeper significance of language, stressing the origins of words and the many levels of meaning in stories and imagery. Through his study, Moore shows that the teachings of Jesus are challenging in a far different way than the moralism often associated with them. Based on being open to life, deepening your understanding, and giving up all defensiveness around your convictions, the Gospels can be the source of a new kind of certainty and stability that cannot be codified and enshrined in a list of rules. Writing in the Sand presents the essence of Jesus' teachings and offers a way of understanding them intelligently and devotedly in the twenty-first century.

Lost In Transmission? InterVarsity Press

This book began as a set of bible studies in the late 1990s. It was designed to be used as a set of daily talks while I was the guest speaker on a variety of summer and winter Christian holidays. Thanks to the holiday company I learned to sail and ski but more importantly these stories of Jesus were received with enthusiasm and excitement. It is my hope that in publishing these stories they will enable others to share in the joy of encountering Jesus. This book is aimed at: • Those who want to go slightly deeper into gospel stories but are not sure how. • Those who want to meditate and imagine that they were really there. To smell the

salt in the air and hear the banter of the disciples. • Providing resources for preachers, leaders and small groups. Each chapter is broken down into three sections; the story, study and questions. I had in mind something that would bring the bible alive, empower discussion and provide thought provoking questions that were open ended, accessible to all and at times be slightly uncomfortable hope and pray that this book will help and challenge young and old to look again at the gospels and in so doing find refreshment and direction. I have enclosed a detailed bibliography at the rear of this book which reflects not only my influences but also the period in which this book was conceived and developed.

Touch and Feel Baby Jesus Is Born Hay House, Inc

Poet and critic are well met, as one of our best writers on poetry takes up one of the world's great poets. Whereas other books on the Nobel laureate Seamus Heaney have dwelt chiefly on the biographical, geographical, and political aspects of his writing, this book looks squarely and deeply at Heaney's poetry as art. Godseed BRILL

Michael Card shows how, because we are created in God's image, creativity is an integral part of discipleship for every Christian.

Footprints in the Sand Journal Quest Books

Is your faith built on the Rock or on Sand? Jesus' parable about two houses, one built on a rock and the other built on sand, has provided encouragement and warning for students of God's Word. In Phil Sanders' newest book, *A Faith Built on Sand*, he examines the dangers inherent in a faith that has no foundation more substantial than sand. Sanders confronts such current movements and positions as society's influence on Christianity,

cultural morality, tolerance, the emerging church and synthetic Christianity. He explores the flaws evident in each of these when

compared with God's inspired Word. He insists the only viable solution to this sand-based faith is finding your way back to the cross.
