Demystifying the buzz words of gut health and microbiome, this book explains clearly the importance of fiber in our diets. Most people now know just how important the gut is to our health and wellbeing, including its impact on our digestive and immune systems and on diseases such as cancer, Alzheimer's, Parkinson's and even mental health, but so much of the information out there is hard to understand or

doesn't offer realistic solutions. Alana and Lisa Macfarlane have spent the past few years interviewing top-notch gut pros: scientists, academics, chefs and foodies to get the real scoop and science behind what we eat. The book offers practical and achievable advice in a fun and accessible way and explains what gut health is and why it is so relevant today. The science behind mind and body and how they are linked, including the gut's effect on sleep, anxiety, immunity, and skin are covered, along with practical advice on what can be done to

improve gut health. Memlinc Icon Books
The action-packed official adaptation of Alien: Isolation and a revealing look into the lives of Ellen Ripley and her daughter, Amanda Ripley. THE OFFICIAL VIDEO GAME ADAPTATION--AND MUCH MORE! From birth, Amanda Ripley's life is riddled with hardship. Her parents live on the edge of poverty, so her mother--Ellen Ripley--seeks off-world contracts that lead to a position aboard the commercial hauler Nostromo. Then when the deep-space vessel disappears, Amanda passes into adulthood focused on discovering one thing. WHAT HAPPENED TO ELLEN RIPLEY? Amanda's quest pulls her into the underbelly of society,

where few can be trusted. On Luna she meets someone who seems the exception--Private Zula Hendricks of the Colonial Marines but their relationship is short-lived. Just as Amanda appears to hit rock bottom... a lead appears. To follow it, she must travel to the remote Sevastopol Station. There she hopes to find the answers she seeks. But the station is in ruins, and death stalks the corridors in the form of a deadly alien the likes of which she never could have imagined.

The Southern League team of Weymouth FC were in dire straits: nearly half a million in the red, dogged by boardroom squabbles, a decrepit ground, falling turnouts and an

end of season performance that saw them lose 5-1 to arch enemies, Yeovil Town. Join Ridley on his rollercoaster journey as he shows just what can be done with a dose of obsessive commitment and unstinting optimism. It's a story of political backstabbing and petty rivalry; of euphoric highs and personal pain; of a man that thought that it should be simpler. Who thought that football - that Weymouth - deserved better. Brilliantly observed, infused with Ridley's trademark wit and peppered with fascinating insights into the machinations of boardroom football, FLOODLIT DREAMS is a compelling journey into the hinterland of the beautiful game.

When summer is at its zenith and the fallow foliage develops a bluish tinge, a giant butterfly - beautiful, bold and brazen - flies powerfully over the tree canopy. Females of this species, wary yet determined, haunt the fallow thickets, depositing their eggs, while the males establish treetop territories and descend to the woodland floor in search of delicacies to feed upon. Mysterious, elusive and enthralling in equal measure, this is the butterfly that Victorian collectors yearned for above all others: His Imperial Majesty, the Purple Emperor. A wondrous enigma, the Purple Emperor is our most elusive and least-

known butterfly - we glimpse it only through fissures in its treetop world, yet this giant insect has fascinated us for centuries and has even inspired its own 'Emperoring' language. Matthew Oates became captivated by the Purple Emperor following his first sighting as a boy. He has studied it assiduously ever since, devoting his life to trying to unravel the Emperor's secrets. His Imperial Majesty takes us on a journey, beginning with a dalliance into the bizarre history of our engagement with the butterfly, with daring doings and gross eccentricities from the Victorian and Edwardian eras. Subsequent chapters explore all aspects of

this remarkable butterfly's life cycle, including behaviour, habitat preferences, life history and conservation, all relayed in Matthew's unique, informative and witty style. Not so long ago, our knowledge of the Emperor was largely based on a blend of mythology and assumption. This book dispels the fabrications and reveals all about the Purple Emperor - the king of British butterflies.

In recent years, discussions about reparations for Black Americans have gone from the abstract to the possible. While critics claim that reparations are unnecessary because those who deserve compensation are long dead, others argue that in the years since the end of the Civil War the United States enacted many harmful laws and policies that prevented its Black

citizens from leading enriched lives. The viewpoints in this volume examine whether reparations are the best way to right a wrong, how other countries have handled similar matters, and how reparations could be executed on a practical level.

'This delightful memoir is an inspiring account of changing direction in mid-life, and a passionate plea on behalf of the honeybee.' Daily Mail
'A light-hearted account of midlife, a yearning for adventure, the plight of bees, the quest for "liquid gold" and, above all, friendship.' Sunday Telegraph
After a chance meeting in the

pub, Roger Morgan-Grenville and his friend Duncan decide to take up beekeeping. Their enthusiasm matched only by their ignorance, they are pitched into an arcane world of unexpected challenges. Coping with many setbacks along the way, they manage to create a colony of beehives, finishing two years later with more honey than anyone knows what to do with. By standing back from their normal lives and working with the cycle of the seasons, they emerge with a newfound understanding of nature and a respect for the honeybee and the threats it faces. Wryly humorous and surprisingly moving, *Liquid Gold* is the story of a friendship between two unlikely men at

very different stages of their lives. It is also an uplifting account of the author's own midlife journey: coming to terms with an empty nest, getting older, looking for something new. 'A great book. Painstakingly researched, but humorous, sensitive and full of wisdom.' Chris Stewart, author of *Driving Over Lemons* 'Beekeeping builds from lark to revelation in this carefully observed story of midlife friendship. Walking one day in the woods behind her cottage in Devon, nature illustrator and blogger Jo Brown became captivated by the sight of a Green Dock Beetle on a leaf and took a photograph of it in order to be able to draw it. That first tiny emerald bug was followed by more insects, and then birds, fungi, plants and flowers. The result is Secrets of a Devon Wood, a rich illustrated memory of her discoveries in the order in which she encountered them, so that the book flows smoothly with the seasons and the

emergence of different wildlife. In enchanting, minute detail she zooms in on a bog beacon mushroom, a buff-tailed bumblebee, or a native bluebell. And she notes facts about their physiology and life history: "The flowers are narrow & darker than *H. hispanica* & *H.x. mossartiana*," she writes. "Drooping stem. Almost all flowers are on one side. Sweet scent." This journal is a treat for the senses, both a hymn to the intricate beauty of the natural world and a quiet call to arms for all of us to acknowledge and preserve it. Progetto Prada Arte From cult comedy icon and beloved radio host Tom Scharpling, an inspiring, funny, and thoughtful memoir It Never Ends is Tom Scharpling's harrowing memoir of his coming of age, a story he has never told before. It's the heartbreaking account of his attempt at suicide, two stays in a mental hospital, and the memory-wiping electroshock therapy that saved his life.

After his rehabilitation, Scharpling committed himself to reinvention through the world of comedy. In this book he will lift the curtain on the turmoil that still follows him, despite all of his accolades and achievements. In the vein of candid memoirs from comedians like Mike Birbiglia's Sleepwalk with Me and Norm Macdonald's Based on a True Story, It Never Ends is a revealing book by a beloved comedy icon.

Stop Painting is an exhibition conceived by artist Peter Fischli . Described as a kaleidoscope of repudiated gestures, the project explores a series of specific ruptures within the history of painting in the last 150 years, intertwined with the emergence of new social factors and cultural values. The exhibition also intends to understand if the current digital revolution can also cause a new crisis of painting or, on the contrary, contribute to its renewal. Fischli identified five radical ruptures caused by technological and social changes that marked artistic

paradigm shifts through rejection and reinvention of painting. Stop Painting is accompanied by an illustrated book published by Fondazione Prada. It includes essays by Diedrich Diederichsen, Eva Fabbris, Arthur Fink, Peter Fischli, Mark Godfrey, Boris Groys, John Kelsey, Sarah Lehrer-Graiwer, and Hanna Magauer, as well as an interview by Mario Mainetti with the exhibition curator.  WOULD YOU TAKE A CHANCE AND SET SOMETHING IN MOTION THAT COULD CHANGE EVERYTHING? The Grey House is the final piece in the jigsaw of Alice Jordan's perfect life. It seems to be the ultimate achievement of her outwardly happy marriage - a loyal, if dull husband, three children, two cars and now the house. So why does she feel as if something is missing? As Alice and her family settle themselves into village life, the something missing

becomes something huge and then breaks, scandalizing the village and opening up old wounds. But because of it, Alice begins to feel that there is hope and humour and understanding and compassion in the new life she must build for herself.
