Medicine and Business Stupid Things I  
Won't Do When I Get Old

Best-selling author Chris Guillebeau presents a full-color ideabook featuring 100 stories of regular people launching successful side businesses that almost anyone can do. This unique guide features the startup stories of regular people launching side businesses that almost anyone can do: an urban tour guide, an artist inspired by maps, a

travel site founder, an ice pop maker, a confetti photographer, a group of friends who sell hammocks to support local economies, and many more. In 100 Side Hustles, best-selling author of The \$100 Startup Chris Guillebeau presents a colorful "idea book" filled with inspiration for your next big idea. Distilled from Guillebeau's popular Side Hustle School podcast, these case studies feature teachers, artists, coders, and even entire families who've found ways to create new sources of income. With insights, takeaways, and photography that reveals the human element behind the

hustles, this playbook covers every important step of launching a side hustle, from identifying underserved markets to crafting unique products and services that spring from your passions. Soon you'll find yourself joining the ranks of these innovative entrepreneurs--making money on the side while living your best life.

**Disability and Business** Springer  
In *Business Simplified*, former business executive, Michel A. Bell demystifies business with simple, helpful ideas from his experience and research. Business is about people. The right people unified in the correct positions, headed in the proper direction to delight customers and create value for stakeholders. Straightforward, practical solutions from Michel's vast global business experience

and research will enable cooperation, pinpoint suitable path to gain customers for life, and build shareholder value. Further insights to design and implement strategies for a competitive edge appear throughout the book. Michel cautions against so-called five-yearly strategic plans, which usually excludes tough choices - the essence of strategy - necessary to steer the entity to its mission.

Are you looking for an alternative to a career path at a big firm? Does founding your own start-up seem too risky? There is a radical third path open to you: You can buy a small business and run it as CEO. Purchasing a small company offers significant financial rewards—as well as personal and professional fulfillment. Leading a firm means you can be your own boss, put your executive skills to work, fashion a company environment that meets your own needs, and profit directly from your success. But finding the right business to buy and closing the deal isn't always easy. In the HBR Guide to Buying a Small Business, Harvard Business School professors Richard Ruback and Royce Yudkoff help you: Determine if this path is right for you Raise capital for your acquisition Find

and evaluate the right prospects Avoid the pitfalls that could derail your search Understand why a "dull" business might be the best investment Negotiate a potential deal with the seller Avoid deals that fall through at the last minute *Technologies for Active Aging* Mokwena Sagwadi Independent Publishing House "In Stupid things I won't do when I get old, Petro candidly addresses the fears, frustrations, and stereotypes that accompany aging. He offers a blueprint for the new old age, and an understanding that aging and illness are not the same. As he writes, 'I meant the list as a pointed reminder--to me--to make different choices when I eventually cross the threshold to 'old'" -- Excerpt from jacket flap. 6 Simple Steps to Credit Repair

**BE RELATIONAL IN A TRANSACTIONAL WORLD** If you want your seniors' care home to be one where staff are happy and engaged, and your residents' families rave about you to their friends and families...even when most days it

feels like you are just managing and the challenges may never end... If you want a powerful way to set a strong foundation of trust and respect from the first interaction with your families and build a path to exceptional outcomes and experiences... **RECIPE FOR EMPATHY IS FOR YOU** While working in Seniors Care, Deborah Bakti's personal and professional lives collided when her husband was diagnosed with a rare disease and became a resident in long-term care, while she stepped into the role of "resident's wife". Now, in her first book, **RECIPE for Empathy**, Deborah discusses her experience from both perspectives: the business side and the customer side. The **RECIPE for Empathy** is a powerful framework which care providers can immediately apply to help

bring a more relational, empathetic approach to the workplace and also to their personal lives. The RECIPE provides new ways of thinking, being, communicating and connecting, that will enhance the lives of seniors' care residents and families. The RECIPE is a blueprint for approaching a new admission experience, one that focuses on connection by design, not by default. Deborah Bakti is a former Seniors' Care executive who now consults, coaches and delivers keynotes and training to the Seniors' Care sector through her company THINK Breakthrough Inc. She lives in Burlington, Ontario with her pug Kobe and cat Charlie, and is the proud mom of Taylor and Logan. Learn more at [www.deborahbakti.com](http://www.deborahbakti.com)

Harvard Business Review Press  
A career guide that rethinks the golden years, this handbook offers 50+ income models for creating flexible, fulfilling, and profitable work during the encore stage of one's career. **RETHINK YOUR RETIREMENT** For many people, retirement is no longer a trifecta of golf, grandkids, and gardening—it's an opportunity for new pursuits that involve both earning income and exploring personal passions. If you're planning for retirement or already at "retirement age" but want to continue working—whether to supplement your income or to stay mentally and physically active—veteran career coach Nancy Collamer shows how to identify your favorite interests and expertise and repackage them into more than fifty

ways to earn income. These second acts range from the traditional (part-time employment, consulting) to newer Internet-based options (teaching online, writing a blog). With a prescriptive approach to securing second-act careers that are flexible, fulfilling, and fun, this book offers a wide variety of income-generating examples as well as exercises to clarify your lifestyle goals and help you plan for your next move. *Second-Act Careers* shows how to create a profitable and meaningful semi-retirement on your own terms and in your own way.

Job Hunters! You put hours and hours of hard work into your job search and the companies you've contacted never call. It's a story all too common in the fast-paced, highly competitive world of job hunting. Nothing is more discouraging than sending one resumé after another into the job-hunting void. Eventually, you expect silence from the other end. The *Unwritten Rules of the Highly Effective Job Search* was written so this never happens to you again. These techniques, developed by author Orville Pierson, have been used successfully for ten years by Lee Hecht Harrison (LHH), the world's premier career services company. Here, Pierson provides you with the job-search techniques that up to now have been limited to the LHH consultants he trains. Orville Pierson has

helped thousands of job hunters during his career, taking note of the characteristics that have led to success as well as failure. In *The Unwritten Rules of the Highly Effective Job Search*, he supplies key information on how professional job search consultants structure the job search project so you can apply the same winning strategies to your own search. You'll also be privy to inside information on how decision makers operate, enabling you to get the inside track on job openings before they are announced. This insider's guide covers every phase of the job search, leading you step by step through the process of creating a clear-cut plan-essential to every job search. Using the Pierson Method, you'll learn how to Develop a Target List (the key ingredient

to every job search) Measure your progress Create a "core message" about yourself that decision makers won't forget Present yourself in the best possible light to prospective employers Using these strategies, Orville Pierson and LHH have helped 600,000 people land great new jobs. Employ the Pierson Method in your hunt for employment and you'll soon be doing what you love in the company that's right for you.

This book is designed to provide physicians with the information they need in applying business management skills to their medical practice. It covers management and leadership practices, financial planning and execution, hospital governance, managed care, marketing activities, and medical

business law. Written for the physician in easily understandable language, it describes each concept, delineates its applications in various practice environments and provides insight into the future developments in each sector.

Second-Act Careers Morgan James Publishing

If you are an aspiring entrepreneur or a newly initiated one trying to figure out the path to traverse in the course of an uncertain entrepreneurial journey, then this book is for you. If you are a manager looking to innovate and improve your offerings, you will likely find some useful tips in this book. This book aims to guide entrepreneurs and managers on how to go about identifying business opportunities through innovation. It presents lessons and insights gleaned

from original research, conducted amongst hundreds of global entrepreneurs, that explored how they went about identifying business opportunities and developing effective business strategies. Besides appropriate business examples from around the world that illustrate some important principles of ideation and execution, we also discuss how companies transform themselves in the face of challenges and difficulties. This book will equip aspiring entrepreneurs and business managers as well as students of entrepreneurship with the necessary skill sets to emerge successful in this turbulent economic climate. Effective tips on identifying potential business opportunities, systematic steps for developing business ideas, as well as strategies for sustaining

a business through the adoption of emerging technologies are covered with examples in the book. In these pandemic ridden times, this book will no doubt be a useful resource for entrepreneurs and managers looking to ride out the key challenges and emerge as survivors.

**The Normal Pointer** Simon and Schuster

A business minded person sees many things in life as purely transactional. A business minded person is expected to be direct, open, and fair. That way that person saves time, effort, and the relationship. A business minded person is expected to know how to use almost everything for profit.
