Within these pages wait violent fights, disease, death, controversy, sexuality, tragedy and crime. This journal documents a hateful young man's path to darkness. Many events that occur are based on real events. You will find many moments from the authors own life sewn into the life of Arthur Gale. You can only go so far before all hope of return is lost; this book reaches that

point, and goes even farther. James represented the light, Arthur is the dark. There is no hero. There is only Arthur.

----- Far Cry 6 is a massive game, presenting players with a dizzying array of systems, mechanics, and activities to engage with. Alongside the expected slate of story missions and side quests are races, base-building, treasure hunts, cock fights (seriously), and more. There's a lot going on, and a lot to keep track of. If you're planning to dive into this huge game, we have some tips to help you make the most of the experience. Whether it's leaning into the

game's loud, brash elements, picking the right guns, building up a base, or making the most of your Amigos, check out our suggestions below and let us know what you'd suggest to other players. Also be sure to check out our guides to solving all of the game's treasure hunts and unique weapon locations. Far Cry 6 is finally here after a nearly year-long delay, and the game is one of the most expansive shooters in Ubisoft's series to date. Because of that, there are a whole bunch of things you'll need to learn when getting started, as well as tons of different collectibles to discover and activities to do. It can be a bit overwhelming, particularly if you're new to the series, and

looking up a new guide every time you need help isn't the most convenient. To give you some help, we've compiled together all the guides and tips we've written on Far Cry 6 so far, including beginner's advice as well as guides to locate some of the most elusive collectibles. You can also read our Far Cry 6 review-in-progress for more on the game. You can also check out the Far Cry 6 PC specs to see if your rig can run the game. -

*Stolen Land Piggyback*  
 The official novel of Naughty Dog's award-winning videogame franchise! In the ancient world there was a myth about a king, a treasure, and a hellish labyrinth. Now the doors to that hell

are open once again. Nathan Drake, treasure hunter and risk taker, has been called to New York City by the man who taught him everything about the "antiquities acquisition business." Victor Sullivan needs Drake's help. Sully's old friend, a world-famous archaeologist, has just been found murdered in Manhattan. Dodging assassins, Drake, Sully, and the dead man's daughter, Jada Hzuajak, race from New York to underground excavations in Egypt and Greece. Their goal: to unravel an ancient myth of alchemy, look for three long-lost labyrinths, and find the astonishing discovery that got Jada's father killed. It appears that a fourth labyrinth was built in another land and another

culture—and within it lies a key to unmatched wealth and power. An army of terrifying lost warriors guards this underground maze. So does a monster. And

what lies beyond—if Drake can live long enough to reach it—is both a treasure and a poison, a paradise and a hell. Welcome to The Fourth Labyrinth.
