The Bible History of the Holy Land Wipf and Stock Publishers  
What better way is there to become configured to Christ than by following in His footsteps? A pilgrimage to the Holy Land allows one to follow,

quite literally, in Our Lord's footsteps, to discover His homeland and the cultural, linguistic, historical, and topographical landscapes that reveal so much about Jesus Christ. Come and See: A Catholic Guide to the Holy Land accompanies pilgrims through holy sites in Galilee, the Dead Sea, and Jerusalem.

Contemplate the mysteries of Our Lord's earthly life and ministry with appropriate biblical texts and the testimonies of both Roman historians and early Christian witnesses and writers. This uniquely Catholic travel guide features: Vibrant, full-color pictures Almost every page features photographs of the holy sites, as well as

sacred art and even diagrams for historical context. Scripture on Site See the place the Lord's Ascension actually occurred while reading about it in the Book of Acts. Experience the Jordan River while contemplating Christ's baptism in that very place. Bring both the sites and the Scriptures to life by reading the Scripture on Site suggestions. Reflection sections with specific reflections for seminarians Not only is this guide informative, it is devotional. The

reflection sections are perfect journaling prompts, group discussion questions, or simply guides for quiet reflection. Seminarians particularly will benefit from questions focused on their formation and future priestly ministry. Special durable cover and compact travel size This is one guide that can stand up to the rigors of travel! The cover is tear-resistant and the size is perfect for taking along on day trips to holy sites. Fr. Charles Samson's *Come and See* will be a welcome companion for

all who journey to the Holy Land to better know and love Christ. *The Bible History of the Holy Land* Yale University Press

What is a homeland? When does it become a national territory? Why have so many people been willing to die for such places throughout the twentieth century?

What is the essence of the Promised Land? Following the acclaimed and controversial *The Invention of the Jewish People*, Shlomo Sand examines the mysterious sacred land that has become the site of the longest-running national struggle of the twentieth and twenty-first centuries. *The Invention of the Land of Israel* deconstructs the age-old legends surrounding the Holy Land and the prejudices that continue to suffocate it. The invention of the modern concept of the

"Land of Israel" in the nineteenth century, he argues, not only facilitated the colonization of the Middle East and the establishment of the State of Israel, it is also what is threatening Israel's existence today. Eisenbrauns Excerpt from *The Holy Land in Geography and in History*, Vol. 1 What is needed is a good *Geography of the Holy Land and a Biblical History* for practical every-day use. There are numerous histories of Israel and of the time of Christ, but

they are voluminous and costly works. The ordinary maps of Palestine, the limited number in our teachers' Bibles, or the folded ones in books of travel, do not meet the want. They either are not adapted to the period under consideration, or they contain so much and so many details as to be confusing, or they are too large for practical purposes, and ill adapted for use in teaching. The *Geography* should be based upon the results of an actual survey. It should present the natural

features of the land in a plain and attractive manner, showing especially those things which the ordinary reader of the Bible most often wishes to find. With this should be an identification, as far as known, of the Biblical sites. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we

concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Historical Geography of the Holy Land Indiana University Press  
At the Chautauqua Institution in New York, visitors could walk down Palestine Avenue to "Palestine" and a model of Jerusalem, or along Morris Avenue to a scale model of the "Jewish Tabernacle." At the St. Louis World's Fair of 1904, a replica of Ottoman Jerusalem covered eleven acres, while today, 300 miles to the southeast, a seven-story-high Christ of the Ozarks stands above a modern re-creation of the

Holy Land set in the Arkansas hills."--BOOK JACKET.

**Discover the Holy Land**  
Bloomsbury Publishing  
A pilgrim spirituality for Holy Land travel, Jerusalem Bound resources the Christian traveler with biblical, historical, and contemporary images of the pilgrim life. Integrating historical sources, on-the-ground experience, and the voices of global pilgrims, Jerusalem Bound presents a fresh approach to pilgrimage, explores

pilgrim identity and the Holy Land experience, offers ideas for Holy Land travel, and encourages pilgrims to focus upon the Other as much as themselves. Unique among Holy Land resources, Jerusalem Bound discusses material that is seldom addressed on a Holy Land journey: the motives of Holy Land pilgrims, the history of the Christian Holy Land, understanding the holy sites, pilgrim practices, material objects, and the challenges of Holy Land pilgrimage. Emphasizing

the incarnational nature of lived experience, the book encourages pilgrims to derive meaning in both the highs and lows of religious travel. Attentive to the transformational nature of pilgrimage, Jerusalem Bound is ultimately interested in Christian formation and the aftermath of the Holy Land journey.

**Imagining the Holy Land** Lion Books

Spanning ten millennia from earliest civilisation to the Arab conquest this book is the definitive one-volume reference to the

ancient lands of the Bible, fusing scientific discovery and literary and religious tradition to produce a deeper understanding of the history of human culture. Here the settings of the world's three major religions are examined, incorporating the most up-to-date archaeological information with the biblical record of the Holy Land, the Encyclopaedia visits the ancient Near East site-by-site, with comprehensive descriptions of hundreds of discoveries as well as providing historical

commentary and relevant biblical citations. General articles on subjects such as burial, warfare, cult objects and clothing provide further insight into the material culture and social systems of the biblical period. More than 20 distinguished archaeologists have contributed articles in their areas of expertise complete with details from their own excavations. > Natural History of the Holy Land, and other places mentioned in the Bible ... With poetical illustrations,

original and selected, by Bernard Barton. [With plates.] Forgotten Books Excerpt from The Bible History of the Holy Land The History of the Hebrew people, may be most conveniently commenced with the call of Abraham, which, according to Hales, took place in the year of the world 3258, after the deluge 1062 years, and 2153 years before the birth of Christ. The ages which had passed since the deluge, concurring with the still long duration of human life, had again replenished with people

the regions around the original seats of the human race. That great event, the confusion of tongues, which occurred 600 years after the deluge, must have greatly accelerated, and even compelled, more energetic movements than had previously taken place. The descendants of Shem appear to have extended themselves gradually over the regions east and north-east of the river Tigris; the children of Japhet spread themselves into Asia Minor, whence it was their ultimate

destination to be impelled into Europe, and to fill the length and breadth of that continent. The posterity of Ham remained in chief possession of Mesopotamia; they also formed settlements at the head of the Persian Gulf, in Arabia, and in Canaan; they established empires in Assyria and Egypt; and, as their numbers multiplied, they advanced into Ethiopia, and other remoter parts of the African peninsula. See note at end of the chapter. The history of Japhet's race is a blank in

the early accounts of the Scriptures; and that of Shem's is little more. The sacred historian confines his notice to one family of Shem's descendants; and the intercourse of that family with the races of Ham, is the circumstance which evolves far more information concerning their early history and condition than we possess concerning any of the other descendants of Noah. From all that history tells, they appear to have been the first authors of the arts of civilisation and social life.

But, remembering the other races of which authentic history takes no occasion to speak, this need not be positively affirmed. That, however, very important advancements had, even in this remote age, been made by the posterity of Ham, appears very plainly in the early intercourse of the Hebrew patriarchs with Egypt. A division of the posterity of Canaan, the youngest son of Ham, left the Arabian shores of the Red Sea, and settled in the country whose history we have

undertaken to write; and they gave to it the name of their father, from whom also they are, collectively, called Canaanites. **A Survey of the Holy Land** Franklin Classics This 1894 book on the historical geography of Palestine was immediately recognised

as a major work of scholarship.

[The Holy Land \(Pocket Edition\)](#) Bethany House Publishers

Visit the Holy Land, wherever you might be-- with this beautifully illustrated guide to the history, culture, geography, and key sites of the Bible.

*Through the Eyes of the Beholder* Wipf and Stock Publishers

This book deals with many aspects of the land of Israel; not only with texts speaking directly about the land of Israel in the

Hebrew and Greek Bible but also with the reception of those texts, with theological-hermeneutical implications of taking the land traditions of the Bible seriously, and with the archaeology of Palestine. *Bible History of the Holy Land* Cambridge University Press  
A Fascinating and Informative Look at the Holy Land! After visiting Israel, many people understand why it is called the "fifth gospel." Just as the four Gospels of the New Testament

protray a different facet of Jesus' life and ministry, the land and culture of Israel bring revelation and added dimension to His humanity, divinity, and teachings. In *Israel: A Biblical Tour of the Holy Land you will: Walk the streets Jesus walked Visit the homes of biblical prophets Gain insights into ancient mysteries Unlock well-loved passages of the Bible Includes photos, maps and other helpful illustrations. Join Neal on this tour of a remarkable land!*

*The Bible and the Image* Emmaus Road Publishing  
This book demonstrates the complexity of nineteenth-century Britain's engagement with Palestine and its surrounds through the conceptual framing of the region as the Holy Land. British engagement with the region of the Near East in the nineteenth century was multifaceted, and part of its complexity was exemplified in the powerful relationship between developing and diverse Protestant

theologies, visual culture and imperial identity. Britain's Holy Land was visualised through pictorial representation which helped Christians to imagine the land in which familiar Bible stories took place. This book explores ways in which the geopolitical Holy Land was understood as embodying biblical land, biblical history and biblical typology. Through case studies of three British artists, David Roberts, David Wilkie and William Holman Hunt, this book provides a nuanced

interpretation of some of the motivations, religious perspectives, attitudes and behaviours of British Protestants in their relationship with the Near East at the time.

[The Bible History of the Holy Land. Second Edition](#)  
Zondervan

Drawing on both primary texts and archaeology, Wilken traces the Christian conception of a Holy Land from its origins in the Hebrew Bible to the Muslim conquest of Jerusalem in the seventh century.

**The Land of Israel in**

**Bible, History, and Theology** University of Pennsylvania Press  
Jesus, A Visual History, offers a unique vantage point into Jesus' story, introducing readers to the historical context of Gospel accounts. Its easy reading style, thorough research, and visual presentation will leave readers with a greater and lasting appreciation for Jesus the Messiah. Maps and charts summarize and visualize the events of Jesus' life, along with full-color photos and 19th-century

black-and-white images of the modern sites where biblical events took place. In addition, original artwork researched for accuracy illuminates Jesus' life and work. This engaging, visually-driven book will be valued by readers as an accessible yet accurate invitation to better understand both the Holy Land and the Savior who walked it. *The Historical Geography of the Holy Land* Oxford Illustrated History This travel guide focuses on places that Holy Land tour groups typically visit

and gives major attention to connections between the Bible and the land. The Holy Land is understood to overlap both present-day Israel and Jordan, so places like Gilead, Mount Nebo, Bethany-beyond-the-Jordan, and Petra are included. And while the biblical periods and biblical connections remain in the forefront, these are explored in the context of the Holy Land's long and fascinating history. Ancient "tells" dating back to the Bronze Age, colonnaded streets

and temples from Hellenistic and Roman times, early Christian pilgrimage destinations, Crusader castles, Mamluk and Ottoman fortifications--all illustrated with chronological charts, maps, site plans, and photographs.

**Archaeological Encyclopedia of the Holy Land** Barbour Books This year, learn to see Scripture in a whole new way as you embark on a deeper understanding of its history--and your faith's deep roots in the

land, events, people, and faith of Israel. The One Year Holy Land Moments Devotional contains 52 weeks of reflections from both a Jewish rabbi and a Christian theologian, demonstrating the timeless and universal themes in both the Hebrew Bible (Old Testament) and New Testament. Each day offers a fascinating glimpse into the Jewish faith, history, and perspective, while exploring the Christian interpretation of beloved biblical verses, places,

people, and events. Spend a reflective moment each day contemplating the history of God's work in the world, celebrating his word and love for you. [A Shilling Book of Old Testament History for National and Elementary Schools](#) Verso Books This book is a volume in the Penn Press Anniversary Collection. To mark its 125th anniversary in 2015, the University of Pennsylvania Press rereleased more than 1,100 titles from Penn Press's distinguished

backlist from 1899-1999 that had fallen out of print. Spanning an entire century, the Anniversary Collection offers peer-reviewed scholarship in a wide range of subject areas.

**The Holy Land in Geography and in History, Vol. 1 (Classic Reprint)** Fordham Univ Press

As the geographic heart and soul of Judaism, Islam, and Christianity, the Holy Land has immense significance for the millions of visitors each year. But since the

fifth century BC, enthusiastic and curious people have needed a guide as they travel to see the sites for themselves. This book is different because it not only gives the historical, archaeological descriptions wedded to the biblical text, but it is an appropriate resource for spiritual formation and cross-cultural dialog. Packed with the latest information, this book locates and introduces the reader to popular and less-familiar sites such as Bethlehem, Shepherds'

Field, Church of the Nativity, Roman Catholic Church of St. Catherine, the Herodium, Mount of Olives, Old City of Jerusalem, Wadi Kelt, Mt. Sinai, Church of the Holy Sepulchre, the site of Church of St. Mary of the Latins, Temple Mount, El-Aksa Mosque, Dome of the Rock, Hezekiah's Tunnel, the traditional place of the Last Supper, Siloam Pool, the traditional tomb of King David, the house of Caiphas the High Priest, Shrine of the Book,

Herod's Antonio Fortress, Golgotha, Bethany, Tomb of Lazarus, Bethphage, Pater Noster Church, Gethsemane, and many others. Each entry explains the history and topography of the site as well as its function and significance as it is linked to the relevant biblical passages. This book will not only inform you but help you better understand your faith. Journey to the Holy Land with indispensable archaeological information linked to the biblical story.
