Physical therapist and sports conditioning expert

Gray Cook has proven the effectiveness of his approach through the performances of athletes in the NFL, NBA, NHL, WNBA, and Reebok® University's sports training system. Cook's methods will help you identify functional weaknesses; correct imbalances; explore your potential; and refine sport-specific movement skills such as jumping, kicking, cutting, and turning. You will see where conditioning is breaking down and how to get your

body back on track. Whereas other books concentrate on maximizing your strengths, Athletic Body in Balance focuses on exposing and overcoming your weaknesses to form a foundation for long-term training gains.
