*The Gospel According to
Matthew* Christian Faith
Publishing, Inc.
Is it heaven or is it hell?
Therefore, God elevated
him to the place of
highest honor and gave
him the name above all
other names, that at the

name of Jesus every knee
should bow, in heaven
and on earth and under
the earth, and every
tongue confess that Jesus
Christ is Lord, to the glory
of God the Father.
Philippians 2:9-11
Therefore I want you to
know that no one who is
speaking by the Spirit of
God says, "Jesus be
cursed," and no one can
say, "Jesus is Lord,"

except by the Holy Spirit.
1 Corinthians 12:3 That
sounds like one day
everyone, everywhere,
will by the power of the
Holy Spirit not by some
brute force, joyfully
confess Jesus is Lord!
Love really does win!
Then death and Hades
were thrown into the lake
of fire. The lake of fire is
the second death. If
anyone's name was not

found written in the book of life, he was thrown into the lake of fire. Revelation 20:14-15 Great! That sounds like some will burn. God desires none to perish but the cowardly, the unbelieving, the vile, the murderers, the sexually immoral, those who practice magic arts, the idolaters and all liars—they will be consigned to the fiery lake of burning sulfur. This is the second death. Does God not get what he wants? Some say that they can't believe in God if he sends people to hell. Others say they can't

believe in him if he doesn't. What do I do? Revelation 21 Red Wheel/Weiser
This book consists of sixty-two chapters of Bible controversies resolved with total objectivity by the writer. Subjective feelings were left out. The writer speaks of the most taboo of subjects. Pastors and theologians have argued these controversies for centuries. In actuality, these controversies are not controversies at all; people just made arguments out of what

they believe are questionable. This book explains, in plain language, these issues that have become so argumentative. The writer is “on board” with almost all of them; he disagrees with about 2 percent of these issues but cannot argue with scriptural truths. When discerning facts from fiction concerning these issues, the writer successfully suppresses his subjective feelings and is willing to admit that his prior thinking might not have been correct; he can

admit when he is wrong. Most people cannot do this because of pride, stubbornness, tradition, the clergy, and ignorance. In this book, the writer attempts to open the eyes, ears, and minds of the readers. Just because churches have done it the same way for centuries, it doesn't make the churches right. Just because a bunch of PhDs and theological experts have put their stamps of approval on the issues, it doesn't make them right. PhD stands for "piled higher and deeper."

Someone once said that the definition of an expert is "one who learns more and more about less and less; pretty soon, he knows everything about nothing." In the book, the writer backs up what he says with scriptural references. In the book, the reader can explore one revelation after another about supposedly controversial subjects. *Fire Bible-NIV-Global Study* Cambridge University Press

This book is the author's second book. Let There Be Light refers to the fact that the Bible teaches us to walk in the light and be children of light. We walk in the light when we try our best to do and say things as if Jesus was doing and saying them. The old saying "What would Jesus do?" is a

perfect example. The beginning of the book teaches us what it means to live in the light and how to continue to strive to live in the light. The book then moves on to the problems facing Christians today. Christians are being persecuted both in other countries of the world and in our own country, the United States of America. In chapter 9, God directed the author to write based on a vision he received one night. It was about what will happen if we are not successful in changing

our culture's direction. It is currently turning away from God and heading in the direction inspired by Satan. Satan preys on us by studying our weaknesses and our desires. He promises to give those to us just as he promised Eve things based on her desires—that is, to be more like God. Jesus said that Satan is the father of lies and all that is evil. Please keep that in mind. It just may save you.

Defining 'magic' is a maddening task. Over the last century numerous philosophers, anthropologists, historians, and theologians have attempted to pin down its essential meaning, sometimes analysing it in such complex and abstruse depth that it all but loses its sense altogether. For this reason, many people often shy away from providing a detailed definition, assuming it is generally understood as the human control of

supernatural forces. 'Magic' continues to pervade the popular imagination and idiom. People feel comfortable with its contemporary multiple meanings, unaware of the controversy, conflict, and debate its definition has caused over two and a half millennia. In common usage today 'magic' is uttered in reference to the supernatural, superstition, illusion, trickery, religious miracles, fantasies, and as a simple superlative. The literary confection known as 'magical

realism' has considerable appeal and many modern scientists have ironically incorporated the word into their vocabulary, with their 'magic acid', 'magic bullets' and 'magic angles'. Since the so-called European Enlightenment magic has often been seen as a marker of primitivism, of a benighted earlier stage of human development. Yet across the modern globalized world hundreds of millions continue to resort to magic - and also to fear it. Magic provides explanations and

remedies for those living in extreme poverty and without access to alternatives. In the industrial West, with its state welfare systems, religious fundamentalists decry the continued moral threat posed by magic. Under the guise of neo-Paganism, its practice has become a religion in itself. Magic continues to be a truly global issue. This Very Short Introduction does not attempt to provide a concluding definition of magic: it is beyond simple definition. Instead it explores the

many ways in which magic, as an idea and a practice, has been understood and employed over the millennia. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. Revelation Revealed is a study of the book of Revelation. It is not an "end-times" book in that it does not seek to identify current events in the light of Bible prophecy; rather, Revelation Revealed examines the book of Revelation itself--what are its key imagery and symbols? What do they mean? What are the timelines of the book?

What is the sequence of events? What are the Days of Noah? Who is "the Beast" and how do we understand him? What is the "mark of the Beast"? How do we understand "Babylon the Great, the Mother of Prostitutes"? Is there a rapture? All of these questions, and many more, are addressed, with all questions being approached exclusively from the standpoint of Scripture itself--it is Scripture which answers these questions for us, and clear conclusions are

reached. The events outlined in the book of Revelation are the most-prophesied events in the Bible, and Revelation Revealed shows that the book of Revelation is understandable, for God has given us all that we need in order to understand it.

The Christian Witch is a magical manual that explores the practice and way of life of being a true Christian Witch. Is it even possible to be a Christian and a witch at the same time? The answer is a resounding yes. In fact, in antiquity, many of the new Christians were witches. They happened to be witches who simply fell in love with Jesus. They continued to practice their magical craft as they embraced Jesus and His divine teachings. This handbook

also reveals how you can continue to practice the craft without transgressing the word of God. Indeed, you can be a true Christian while continuing to practice the magical arts at the same time. It is also interesting to note that when Jesus was born, He was visited by three wise men -- the magi. The word magi is the plural of magus, which means magician, also from which the word magic came from. The Christian Witch is a holy key that can open the door for you, so that you

can enjoy a meaningful and magical life with Jesus. These days, it is sad that many people frown upon those who practice the craft of magic and follow the teachings of Jesus at the same time. This is mainly because the thinking of most people is based on fear and interprets by the letter that kills, and not by the Spirit that gives life. Love casts out all fear, and if you truly walk with Jesus, then you shall be pure and holy. As a Christian witch, the teachings of the Lord Jesus Christ shall

be the sole foundation of your spiritual life. As such, you can be sure that you are taking the path of righteousness and holiness. This handbook also teaches essential magical practices that you can do as a Christian witch, and how you can live a holy life with Jesus Christ. It should be noted that Jesus was and is not a witch or a magician, for He is the Lord, the Son of the living God. However, this does not mean that you cannot love Him if you are a witch, for love knows no bounds --

especially the love of God. It is my sincere hope that this handbook be your guiding light and show you the magical path of love to Jesus Christ.

Always with love and with light, fear not; have faith, and love our Lord Jesus Christ.
