Times have changed—and with them, so have the rules. Introducing a mini ebook for today's gay and lesbian weddings and commitment ceremonies, covering what to call the event, who pays for what, and the right way to word a same-sex wedding invitation. From the nitty-gritty (what are your state's requirements for making it legal?) to the fun-and-pretty (what to wear!), THE NEW GAY WEDDING is a handy one-stop shop for gay couples planning their big day.

Packed with Q&As from brides- and grooms-to-be and their families and friends, this adaptation from STEVEN PETROW'S COMPLETE GAY & LESBIAN MANNERS covers what's unique about gay weddings (how to find LGBT-friendly wedding vendors, the roles of family members), but also provides a practical overview of the parts that aren't: how to save money on the venue, the purpose of rehearsal dinner, and the art and timing of the thank-you note. Steven Petrow, former president of the National Gay & Lesbian Journalists Association, is a syndicated writer on LGBT manners for The Huffington Post, Yahoo! Shine, LOGO, and the "Q" Syndicate. The same-sex wedding expert for The New York Times, he has also written for The Advocate, The Los Angeles Times, Salon,

The Daily Beast, and Out.com. His previous books include The Essential Book of Gay Manners & Etiquette and When Someone You Know Has AIDS. He lives in Chapel Hill, North Carolina. HOLINESS ISN'T JUST WHAT YOU SEE ON SUNDAYS. "I see you over there worshipping but, you know, you're going to have to get that piercing out of your eyebrow." —CHURCHGOER The Bible says God looks at the heart (1 Sam. 16:7) and we are called to do the same. But there are still Christians who look at

the piercings, clothes, and tattoos of people before even looking at their hearts. Not only do their relationships suffer, but their churches do too, as attendance declines and a culture of appearance-based morality creeps in. Apostle Matthew L. Stevenson III exposes the traditions that root us in religiosity and prevent us from spreading the good news. Learn how to: Avoid judging others based on their appearances Extend the grace God has so richly extended to us Recognize the difference between judgment and discernment Demonstrate the Gospel in a way that draws others to Jesus Known for reaching people from all walks of life, Stevenson dives into the Word of God and unpacks what it really means to be holy.

INTERNATIONAL BESTSELLER • Inspired by her popular TED Talk, the founder and CEO of Girls Who Code urges women to embrace imperfection and live a bolder, more authentic life. “A timely message for women of all ages: Perfection isn’t just impossible but, worse, insidious.”—Angela Duckworth, bestselling author of *Grit* Imagine if you lived without the fear of not being good enough. If you didn’t care how your life looked on Instagram. If you could let go of the guilt and stop beating yourself up for making human mistakes. Imagine if, in every decision you faced, you took the bolder path? As women, too many of us feel crushed under the weight of our own expectations. We run ourselves ragged trying to please everyone, pass up

opportunities that scare us, and avoid rejection at all costs. There’s a reason we act this way, Saujani says. As girls, we were taught to play it safe. Well-meaning parents and teachers praised us for being quiet and polite, urged us to be careful so we didn’t get hurt, and steered us to activities at which we could shine. As a result, we grew up to be women who are afraid to fail. It’s time to stop letting our fears drown out our dreams and narrow our world, along with our chance at happiness. By choosing bravery over perfection, we can find the power to claim our voice, to leave behind what makes us unhappy, and to go for the things we genuinely, passionately want. Perfection may set us on a path that feels safe, but bravery leads us to the one we’re authentically

meant to follow. In Brave, Not Perfect, Saujani shares powerful insights and practices to help us let go of our

need for perfection and make bravery a lifelong habit. By being brave, not perfect, we can all become the authors of our best and most joyful life.
