In one night, his mother was bedridden, his father vanished, and his sister was kidnapped by

the queen. Three little boys were left to pick up the pieces. But that was twenty years ago. Now Naruto and his brothers are ready to rescue their sister. She's trapped in Verona's castle, a mysterious mist in their way. They think battling the queen is their greatest threat. They're wrong. Their greatest threat is Verona's memories. Her memories are breaking free and invading Naruto's mind. When all is revealed, he'll discover his mother's dark secret and his father's unthinkable act. Their lives will never be the same.

These students—African-American and Latino teenagers—are more than interested in the art and medium of manga. They have become completely engrossed in Japanese language, culture, and society. *Manga High* is highlighted by reproductions and content analysis of students' original art and writing. An appendix includes guidelines for educators on starting a comic book club.

Their love story sets in motion events that will have profound repercussions for everyone involved. Here *Henríquez* seamlessly interweaves the story of these star-crossed lovers, and of the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America.
