The Weekend Book  
Proposal Groundwood  
Books Ltd  
An enthralling novel  
about love, loss,  
secrets, friendship, and  
the healing power of  
literature, by the  
bestselling author of  
The Knitting Circle.  
Ava's twenty-five-year

marriage has fallen  
apart, and her two  
grown children are  
pursuing their own  
lives outside of the  
country. Ava joins a  
book group, not only  
for her love of reading  
but also out of sheer  
desperation for  
companionship. The  
group's goal  
throughout the year is  
for each member to  
present the book that  
matters most to them.  
Ava rediscovers a

mysterious book from her childhood—one that helped her through the traumas of the untimely deaths of her sister and mother. Alternating with Ava's story is that of her troubled daughter Maggie, who, living in Paris, descends into a destructive relationship with an older man. Ava's mission to find that book and its enigmatic author takes her on a quest that unravels the secrets of her past and offers her and Maggie the chance to remake their lives. DIY MFA W. W. Norton & Company Insight is the superpower that drives innovation and enables us to understand the world from other peoples' points of view, be they customers or colleagues, advocates or competitors. This

new book from data storyteller Sam Knowles explains how to ask smarter questions – questions that, by design, stimulate more useful answers. This is the shortcut to better productivity, fast-tracked innovation, and organisational success – for businesses, universities, charities, and governments. For too long, the simple act of asking questions has been overlooked as almost too trivial to contemplate. Asking Smarter Questions seeks to champion the art of curiosity by setting out a framework to make every question count. The fundamental building blocks of insight are data and information, joined together in new and

often unpredictable ways. The way we surface new data and information and make meaningful connections between data points is by asking smarter questions. By taking this approach, you can make your organisation a less confrontational, more collaborative, and more productive environment in which to work - particularly in the more distributed and remote settings that will characterise the 2020s. Managers, directors, and leaders will find the universal principles, expert interviews, and data-driven recommendations a source of inspiration to share with their teams. Asking Smarter Questions is aimed at professionals in businesses and

organisations across all sectors, and will help those working in many functions, including market research, intelligence, insight, analytics, strategy, marketing, communications, planning, product development, and innovation.

### **A Book of Questions**

Bloomsbury Publishing  
USA

"If I could give an aspiring writer one piece of advice, it would be to read this book." — Hugh Howey, New York Times best selling author of Wool  
"Tim Grahl is fast becoming a legend, almost single-handedly changing the way authors around the world spread ideas and connect with readers. If you've got a book to promote, stop what you're doing right now

and start reading Your First 1000 Copies." — Daniel H. Pink, New York Times bestselling author of Drive and When "Your First 1000 Copies is a must-read for authors trying to build a connection with their readers." — Dan Heath & Chip Heath, co-authors of Made to Stick, Switch, and Decisive "I watched in awe as Tim Grahl had 5 clients on the New York Times bestseller list in the same week. There is no one I trust more to learn about book marketing." - Pamela Slim, Author, Body of Work "Tim was an early pioneer in teaching book authors how Internet marketing actually works." - Hugh MacLeod, author of Ignore Everybody and Evil Plans Imagine if you had a direct connection with

thousands of readers who loved reading your books. And imagine if those readers eagerly awaited the launch of your next book. How would that direct relationship with your readers change your writing career? How would you feel knowing that every time you started a new book project, you already had people excited to buy it and ready to recommend it to others? In Your First 1000 Copies, seasoned book marketing expert Tim Grahl walks you through how successful authors are using the online marketing tools to build their platform, connect with readers and sell more books. Tim has worked with over 100 different authors from top best sellers such as Hugh Howey, Daniel Pink,

Barbara Corcoran  
 Charles Duhigg, Chip  
 and Dan Heath, Ramit  
 Sethi and Pamela Slim  
 to authors just get  
 started on their first  
 writing project. He has  
 worked with authors  
 across all fiction and  
 non-fiction genres.  
 Along with his client  
 work, he has studied  
 many other successful  
 authors to learn what  
 works and what  
 doesn't. The result is  
 Your First 1000 Copies  
 where he walks you  
 through the Connection  
 System, a plan that  
 every author can  
 immediately start  
 using. The plan looks  
 like this: - Permission -  
 How to open up  
 communication with  
 your readers where  
 you can reliably  
 engage them and  
 invite them to be  
 involved. - Content -  
 How to use content to

engage with current  
 readers and connect  
 with new ones. -  
 Outreach - How to  
 ethically and politely  
 introduce yourself to  
 new readers. - Sell -  
 How all of these steps  
 can naturally lead to  
 book sales without  
 being pushy or  
 annoying This is a  
 system that any author  
 can immediately put in  
 place to start building  
 their platform. Whether  
 you're a seasoned  
 author looking to step  
 into the new publishing  
 landscape, or you're a  
 brand new author, Your  
 First 1000 Copies will  
 give you the tools to  
 connect with readers  
 and sell more books.  
300 Questions to Ask  
 Your Parents: Before  
 it's Too Late Penguin  
 A world-wide success  
 story, this is the first  
 popular B-format  
 edition of this self-help

classic. This book is for people wanting a happy fulfilled life. Fun to use and very easy to read, this book gives you the necessary principles of self-help. Experienced psychotherapist Alyss Thomas has closely observed what goes wrong in people's lives and, applying the principles of psychology in a positive way, she provides you with the tools to achieve the outcomes you really desire. Each section of the book is laid out in a clear quiz format, to give you your own complete workout in such key areas of life as your personal values, anxiety, stress, time, confidence, self-esteem, relaxation, dealing with the past, depression, loss, grief, joy, creativity and

happiness. You will find that you will refer back to this book many times and enjoy reading and dipping into it.

*Ask Powerful Questions*  
Orion Dash

What might happen if "small talk" was replaced with conversations that matter? In their Bestselling book, Will Wise and Chad Littlefield explain how the questions we traditionally ask are often meaningless when it comes to establishing a connection. Introducing a set of practice tools for understanding others by changing the way we ask questions, Will and Chad show how to transform "How are you? -I'm fine, thanks" into conversations that change not only how

you lead but who you are as a person. Educators, business professionals, personal coaches, and anyone in a position of leadership will relate to the personal successes and failures Will shares. He unpacks the art of asking questions that lay the foundation for trust, psychological safety, productivity, and impact. Chad complements Will's personal stories and examples with fascinating facts and nuances in neuroscience that are behind the art of asking. Together, the art of asking and the science behind it join to create a simple and powerful framework for leaders to build a culture of connection. In his book, Will and Chad break it down into six simple steps

for all of us to be able to understand. The Asking Powerful Questions Pyramid? shows you how to build: Intention Rapport Openness Listening Empathy Powerful questions can be used everywhere: from the board room to the city park, the dinner table to the grocery store. If you want to connect with employees at a team building retreat, hone your leadership skills as a new boss, improve the company culture where you work...this book is for you. If you want to navigate difficult conversations with your spouse or a friend, or practice presence-based listening with your kids...this book is for you. If you want to become a better educator and facilitate

an ice breaker conversation with colleagues...this book is for you. Ask Powerful Questions invites the reader on a journey that explores: the clarity of intent, connecting through rapport, creating openness, reflective listening, and empathy. How can we explore the space between ourselves and others, and exchange meaningful perspectives? Just ask-powerfully.

201 Questions to Ask Your Kids Exisle Publishing

Snuggle up with your favorite little one to share this sweet offering. Includes traditional rhymes, such as "Monday's Child," as well as original poems. A die-cut, flocked number "one" graces the cover

of this sweetly illustrated title perfect for one year olds! *1001 Questions to Ask Before You Get Married* Cedar Fort Publishing & Media  
Slow-burn historical women's fiction with a splash of romance—think: the love child of books like *Bridgerton* mixed with *Pirates of the Caribbean*. As the first full-length novel in The White Sails Series, *DISCERNING GRACE* captures the spirit of an independent woman whose feminine lens blows the ordered patriarchal decks of a 19th century tall ship to smithereens. Wilful Grace Baxter, will not marry old Lord Silverton with his salivary incontinence and dead-mouse stink. Discovering she is a pawn in an

arrangement between slobbery Silverton and her calculating father, Grace is devastated when Silverton reveals his true callous nature. Refusing this fate, Grace resolves to stow away. Heading to the docks, disguised as a lad to ease her escape, she encounters smooth-talking naval recruiter, Gilly, who lures her aboard HMS Discerning with promises of freedom and exploration in South America. When Grace's big mouth lands her bare-bottomed over a cannon for insubordination, her identity is exposed. The captain wants her back in London but his orders, to chart the icy archipelago of Tierra del Fuego, forbid it. Lieutenant Seamus Fitzwilliam gallantly

offers to take Grace off the fretting captain's hands by placing her under his protection. Grace must now win over the crew she betrayed with her secret, while managing her feelings towards her taciturn protector, whose obstinate chivalry stifles her new-found independence. But when Grace disregards Lieutenant Fitzwilliam's warnings about the dangers of the unexplored archipelago, it costs a friend his life and she realises she is not as free as she believes. DISCERNING GRACE is historical women's fiction that will appeal to fans of Claire Fraser from *Outlander* and Demelza Poldark from *Poldark*—in other words, fans of feisty historical female leads.

It is a B.R.A.G. Medallion Honoree. The White Sails Series complete collection box set features one sassy heroine aboard a ship full of sailors. Prepare for historical romance full of strong alpha males with a trace of vulnerability, superstitious sailors, epic sea adventures that take you from the cobbled streets of London to a tall ship setting, and ultimately a happy ending. If you love a man in uniform, strong women who don't like being told what to do, fated mates, and happily-ever-afters, hop aboard the boxset of The White Sails Series: - Discerning Grace - Grace on the Horizon - Grace Arising - Christmas at Gilly Downs Also available

as audiobooks narrated by Siobhan Waring. Now I Am One Workman Publishing From the bestselling author of A More Beautiful Question, hundreds of questions that harness the magic of inquiry to tackle challenges we all face- at work, in our relationships, and beyond. When we're confronted with almost any demanding situation, the act of questioning can help guide us to smart decisions in the face of uncertainty. But the questions must be the right ones; the ones that cut to the heart of complexity or enable us to see an old problem in a fresh way. In The Book of Beautiful Questions, expert "questionologist" Warren Berger shares

illuminating stories and compelling research on the power of inquiry. Drawing from the insights and expertise of psychologists, innovators, effective leaders, and some of the world's foremost creative thinkers, he presents the essential questions readers need to make the best choices when it truly counts, with a particular focus in four key areas: decision-making, creativity, leadership, and relationships. The powerful questions in this book can help you:

- Identify opportunities in your career or industry
- Generate fresh ideas in business or in your own creative pursuits
- Check your biases so you can make better judgments and decisions
- Do a better job of

communicating and connecting with the people around you Thoughtful, provocative, and actionable, these beautiful questions can be applied immediately to bring about change in your work or your everyday life.

*Enabling Next Generation Legacies*  
Cartwheel Books

"One of the most anticipated YA debuts of 2018, *Brightly Burning* is a gothic, romantic mystery with hints of *Jane Eyre*, *Marissa Meyer*, and *Kiera Cass*."

—Entertainment Weekly "Brightly Burning delivers a brooding gothic mystery and a swoony romance, all set in space. Donne's atmospheric, twisty update of a cherished classic will keep you up

late into the night!”  
—Elly Blake, NYT  
bestselling author of  
the Frostblood Saga  
Stella Ainsley leaves  
poverty behind when  
she quits her  
engineering job aboard  
the Stalwart to become  
a governess on a  
private ship. On the  
Rochester, there’s no  
water ration, more  
books than one person  
could devour in a  
lifetime, and an AI who  
seems more friend  
than robot. But no one  
warned Stella that the  
ship seems to be  
haunted, nor that it  
may be involved in a  
conspiracy that could  
topple the entire  
interstellar fleet.  
Surrounded by  
mysteries, Stella finds  
her equal in the  
brooding but kind  
nineteen-year-old  
Captain Hugo. When  
several attempts on his

life spark more  
questions than  
answers, and the  
beautiful Bianca  
Ingram appears at  
Hugo’s request, his  
unpredictable behavior  
causes Stella’s  
suspicions to mount.  
Without knowing who  
to trust, Stella must  
decide whether to  
follow her head or her  
heart. Alexa Donne’s  
lush and enthralling  
reimagining of the  
classic Jane Eyre, set  
among the stars, will  
seduce and beguile  
you.

#### Any Questions?

Bloomsbury Publishing  
USA

201 Questions to Ask  
Your Kids Do you have  
trouble talking to your  
kids? Does a successful  
conversation with your  
child consist of one-  
word responses or  
abrupt physical  
acknowledgments?

Does your son or daughter get upset at the most innocent questions? Join the club. Unfortunately, communicating well with kids is something every parent desires but few achieve. We love our children, but talking to them in a meaningful manner isn't always easy. The questions in this book are designed to help. No matter what age or sex your children, no matter how many children you have, no matter how good or bad your current parent/child relationship, this simple "game" will get your family talking more. And when you're talking--really talking about emotions and fears and attitudes--you'll be learning about each other as individuals and

growing closer together as a group. An Introduction For Kids Wouldn't it be fun to find out more about what your father or mother was like when he or she was a kid? Or get to tell your parents which of their friends you think looks dorkiest? Wouldn't conversation be more interesting if you and your family traded unexpected questions and answers at dinner rather than just talked about what homework did or didn't get done? There are a lot of great things to talk about that no one ever brings up because we usually think conversation is serious rather than a way of being playful. Of course, conversation should be about serious things some of the time-- some of the questions

in this book are about very serious topics. But other times, questions should be asked just to create new ways to think about things, look back on our lives, or imagine what life would be like if we could design in any way we wanted. In fact, I wrote this book because I think talking can be terrific fun, and even talking to your parents and brothers or sisters can be a kind of great game. Everyone can get to know each other and laugh a lot--and be amazed from time to time. No one wins or loses, but there is an element of surprise in finding out personal information about parents--and sharing some of your ideas, daydreams, and opinions with them. My idea is to think of some

of the world's most interesting questions that parents and kids could talk about and give everyone the chance to pick the ones they'd like to hear about. Each person picks a question to ask and then answers a question when his or her turn comes around. All you have to do is choose from the list under 201 Questions to Ask Your Parents and ask any question you want. Your parents can take as long or as short a time they want to answer. Any you can all discuss the topic if you like. But then they go into their section of the book and ask you questions. Some of them might not be so interesting, but others--like asking you who is the meanest kid you know--might be cool to think about and share

with them. They'll learn a lot about what you think are ways kids act nasty! You can wiggle out of any two questions that don't interest you or are embarrassing--but no more than that. It's good if a question makes you squirm a little; that means you either haven't thought about it before, or you have but you haven't wanted to deal with it. But why not try out and answer? Pick a set length of time to play for--and my guess is you'll want to extend it. These questions get addictive! You can play them at the dinner table, or after dinner, or on a car trip, or anytime you feel like hearing what your parents say about something. So, this is a book about how to have interesting and

often funny conversations with your family. It's a way to avoid dead, boring silences and fill the time instead with questions and answers that everyone will enjoy thinking about. I know that in my family, it is too easy for us to get stuck talking about practical things like who has to be taken where the next day. That isn't particularly fun. It doesn't let me in on what my kids are thinking, and it doesn't help my two teenagers learn things that might help them understand me a little better. An ingenious book that speaks to both parents and their kids. 201 QUESTIONS TO ASK YOUR KIDS/201 QUESTIONS TO ASK YOUR PARENTS is two books in one. Open it from one side, and it

provides parents with 201 questions for their children intended to spark discussion, help reveal who their children really are, and help children think about themselves and the world in new and useful ways. Turn it over, and there are 201 questions children can ask back to their parents. Devised as an interactive "game," this is a book that can get any family talking--really talking about facts and fears and attitudes. An ingenious book that speaks to both parents and their kids. 201 QUESTIONS TO ASK YOUR KIDS/201 QUESTIONS TO ASK YOUR PARENTS is two books in one. Open it from one side, and it provides parents with 201 questions for their children intended to spark discussion, help

reveal who their children really are, and help children think about themselves and the world in new and useful ways. Turn it over, and there are 201 questions children can ask back to their parents. Devised as an interactive "game," this is a book that can get any family talking--really talking about facts and fears and attitudes.

*Asking Smarter Questions* Story Grid Publishing LLC

From the bestselling author of *A More Beautiful Question*, hundreds of big and small questions that harness the magic of inquiry to tackle challenges we all face--at work, in our relationships, and beyond. When confronted with almost any demanding

situation, the act of questioning can help guide us to smart decisions. By asking questions, we can analyze, learn, and move forward in the face of uncertainty. But "questionologist" Warren Berger says that the questions must be the right ones; the ones that cut to the heart of complexity or enable us to see an old problem in a fresh way. In *The Book of Beautiful Questions*, Berger shares illuminating stories and compelling research on the power of inquiry. Drawn from the insights and expertise of psychologists, innovators, effective leaders, and some of the world's foremost creative thinkers, he presents the essential questions readers need to make the best

choices when it truly counts, with a particular focus in four key areas: decision-making, creativity, leadership, and relationships. The powerful questions in this book can help you:

- Identify opportunities in your career or industry
- Generate fresh ideas in business or in your own creative pursuits
- Check your biases so you can make better judgments and decisions
- Do a better job of communicating and connecting with the people around you

Thoughtful, provocative, and actionable, these beautiful questions can be applied immediately to bring about change in your work or your everyday life.

**Just Ask!** Pembroke Publishers Limited

The Open Access version of this book, available at [www.taylorfrancis.com](http://www.taylorfrancis.com), has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license. Being a good board member is not about knowing everything; it is about asking the right questions and challenging appropriately. *Effective Directors: The Right Questions To Ask (QTA)* is a reference book for board members and executives globally to support them in their work. With chapters written by senior company board members and respected figures in corporate governance, the questions have been drawn together to offer food for thought

and useful prompts that take boards beyond operational discussions. The book clearly presents key areas to be considered by the board (there are over 50 in total) and range from board composition, to data security, diversity and inclusion, and succession planning. The questions are ones that boards, in any organisation, should be asking themselves, their fellow board members, service providers, executives, and other stakeholders to ensure that the right issues are raised, transparency and effective oversight are achieved, and the board is fulfilling its role in governing the organisation. In addition to being invaluable for board members, the book is

also a very useful tool for executives in understanding the kind of questions their board members are likely to ask, and the kind of questions that should be asked and discussed in the boardroom.

*The Book Thief* New Riders

Includes sixty questions which are alphabetically arranged and illustrated covering various topics such as nature, technology, personal relations, and cultural customs.

**The Power** Knopf

Books for Young Readers

To get the best answer-in business, in life-you have to ask the best possible question. Innovation expert Warren Berger shows that ability is both an art and a science. It

may be the most underappreciated tool at our disposal, one we learn to use well in infancy-and then abandon as we grow older. Critical to learning, innovation, success, even to happiness-yet often discouraged in our schools and workplaces-it can unlock new business opportunities and reinvent industries, spark creative insights at many levels, and provide a transformative new outlook on life. It is the ability to question-and to do so deeply, imaginatively, and "beautifully." In this fascinating exploration of the surprising power of questioning, innovation expert Warren Berger reveals that powerhouse businesses like Google,

Nike, and Netflix, as well as hot Silicon Valley startups like Pandora and Airbnb, are fueled by the ability to ask fundamental, game-changing questions. But Berger also shares human stories of people using questioning to solve everyday problems—from “How can I adapt my career in a time of constant change?” to “How can I step back from the daily rush and figure out what really makes me happy?” By showing how to approach questioning with an open, curious mind and a willingness to work through a series of “Why,” “What if,” and “How” queries, Berger offers an inspiring framework of how we can all arrive at better solutions, fresh possibilities, and

greater success in business and life.

**The Book of Questions** Writing Irresistible Kidlit Perfect for fans of David Arnold and Jeff Zentner, this young adult novel from the author of *Playlist for the Dead* is an intriguing mystery about family, secrets, and how to move forward when the past keeps pulling you back. Patrick “Pack” Walsh may not know where he’s going in life, but he’s happy where he is. He’s got a job lined up for himself after graduation. A great girlfriend. And can’t really see himself ever leaving his small town. Then, on his eighteenth birthday, a letter from his mother changes everything. Because she’s dead. At least, that’s what he

always believed. As Pack begins a journey to uncover the truth about the parents he thought he knew, the family he didn't know he had, and the future he never realized he wanted, he starts to have a whole different understanding of his life—and where he wants to go from here. *Questions I Want to Ask You* is a contemporary realistic coming-of-age story with an emotionally-driven mystery at its core. Kirkus praised it as "a well-rounded, much-needed portrait." Simon and Schuster  
**NEW YORK TIMES BESTSELLER** • From the bestselling author of *Before We Were Yours* comes a dramatic historical novel of three young women searching for family amid the

destruction of the post-Civil War South, and of a modern-day teacher who learns of their story and its vital connection to her students' lives. "An absorbing historical . . . enthralling."—Library Journal Bestselling author Lisa Wingate brings to life startling stories from actual "Lost Friends" advertisements that appeared in Southern newspapers after the Civil War, as newly freed slaves desperately searched for loved ones who had been sold away. Louisiana, 1875: In the tumultuous era of Reconstruction, three young women set off as unwilling companions on a perilous quest: Hannie, a freed slave; Lavinia, the pampered heir to a now destitute

plantation; and Juneau Jane, Lavinia's Creole half sister. Each carries private wounds and powerful secrets as they head for Texas, following roads rife with vigilantes and soldiers still fighting a war lost a decade before. For Lavinia and Juneau Jane, the journey is one of stolen inheritance and financial desperation, but for Hannie, torn from her mother and siblings before slavery's end, the pilgrimage west reignites an agonizing question: Could her long-lost family still be out there? Beyond the swamps lie the limitless frontiers of Texas and, improbably, hope. Louisiana, 1987: For first-year teacher Benedetta Silva, a subsidized job at a poor rural school

seems like the ticket to canceling her hefty student debt—until she lands in a tiny, out-of-step Mississippi River town. Augustine, Louisiana, is suspicious of new ideas and new people, and Benny can scarcely comprehend the lives of her poverty-stricken students. But amid the gnarled live oaks and run-down plantation homes lie the century-old history of three young women, a long-ago journey, and a hidden book that could change everything.

*Effective Directors*  
Shambhala  
Publications

"I closed my eyes and held on tight to Hank. That's when I decided that going to the very first day of school was NOT a good idea." When a child gets ready for the first day

of school, it feels very exciting. But doing something new for the first time can also feel somewhat scary. With great affection and humor, Robie H. Harris and Jan Ormerod, creators of the award-winning picture book *Goodbye Mousie*, tell the captivating story of a child who decides that skipping the very first day of school is a very good idea. But with help from his favorite stuffed animal, Hank, and his parents, he discovers that going to the very first day of school can be fun and exciting -- and once you have done something new, it's not quite so new and scary anymore.

**Writing Irresistible Kidlit** AMACOM

Answering the most pressing thirty-five questions of Next

Generation members in a short and concise, yet competent way—leading academics, practitioners, and enterprising families come together to empower Next Generation legacies. Masterfully detangling the intricate dynamics of the family, ownership, business, and wealth, the authors share best practices, real-life examples, and critical questions for reflection. Part 1: Family Defining family · Managing family dynamics · Dealing with conflicts · Family communication · Preparing generational transitions · Keeping the family united Part 2: Ownership Responsibilities and rights · Preparation of future owners · Dealing

with non-active owners · Ownership transfers · Board expectations and roles · Owner networks Part 3: Business Preparing business entry · Working with nonfamily executives · Hiring family members · Promoting family members · Letting go of family members · Engaging family business consultants Part 4: Wealth Dealing with wealth · Pursuing a vocation outside of the family enterprise · Leaving the family enterprise · Selling the family business · Starting a family office · Pursuing philanthropy and impact investing Enabling Next Generation Legacies is a powerful guide for Next Generation members and their families to ask better questions, make better

decisions, live better lives, and build stronger legacies. *Ask Again*, Yes Penguin #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she

learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today

**DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

*Ask More Tiger Tales*

The authors of *Make Just One Change* argue

that formulating one's own questions is “the single most essential skill for learning”—and one that should be taught to all students. They also argue that it should be taught in the simplest way possible. Drawing on twenty years of experience, the authors present the Question Formulation Technique, a concise and powerful protocol that enables learners to produce their own questions, improve their questions, and strategize how to use them. *Make Just One Change* features the voices and experiences of teachers in classrooms across the country to illustrate the use of the Question Formulation Technique across grade levels and subject areas and with different kinds of learners.
