[Meet Justin Herbert](#) Triumph Books
 Become a football trivia expert with these tough questions! The Ultimate Football Trivia Book tests and expands your knowledge on the sport of football—covering players' careers from Draft Day to the rookie season, the Pro Bowl, and beyond! In this collection of six hundred questions, seasoned football writer Chris Price tests your level of expertise on all things football. Some of the many questions that Price poses include: Who was the last player to collect an MVP and Super Bowl trophy in the same season? (Kurt Warner) Which rookie running back set the NFL record for most rushing yards in a season? (Eric Dickerson)

Who is the only quarterback in the top 10 in career playoff passing yards NOT to win a Super Bowl? (Dan Marino) What 2010 Pro Bowl quarterback never started a game in college? (Matt Cassel) Football stars and coaches past and present are represented, from Johnny Unitas to Peyton Manning, Randy Moss to Tom Brady, Bart Starr to Aaron Rodgers, Bill Parcells to Bill Belichick and everyone in between. The Ultimate Football Trivia Book is the definitive test for knowledgeable football fans!

Headslap Hachette Books
#1 NEW YORK TIMES BESTSELLER •
 "Prepare to be entranced by this addictively readable oral history of the great war between humans and zombies."—Entertainment Weekly We survived the zombie apocalypse, but how many of us are still haunted by that

terrible time? We have (temporarily?) defeated the living dead, but at what cost? Told in the haunting and riveting voices of the men and women who witnessed the horror firsthand, *World War Z* is the only record of the pandemic. The *Zombie War* came unthinkably close to eradicating humanity. Max Brooks, driven by the urgency of preserving the acid-etched first-hand experiences of the survivors, traveled across the United States of America and throughout the world, from decimated cities that once teemed with upwards of thirty million souls to the most remote and inhospitable areas of the planet. He recorded the testimony of men, women, and sometimes children who came face-to-face with the living, or at least the undead, hell of that dreadful time. *World War Z* is the result. Never before have we had access to a document

that so powerfully conveys the depth of fear and horror, and also the ineradicable spirit of resistance, that gripped human society through the plague years. **THE INSPIRATION FOR THE MAJOR MOTION PICTURE** “Will spook you for real.”—The New York Times Book Review “Possesses more creativity and zip than entire crates of other new fiction titles. Think Mad Max meets The Hot Zone. . . . It’s Apocalypse Now, pandemic-style. Creepy but fascinating.”—USA Today “Will grab you as tightly as a dead man’s fist.

A.”—Entertainment Weekly, EW Pick “Probably the most topical and literate scare since Orson Welles’s War of the Worlds radio broadcast . . . This is action-packed social-political satire with a global view.”—Dallas Morning News

The Ultimate Football Trivia Book

McFarland

Written by longtime Pro Football Weekly lead draft analyst Nolan Nawrocki, NFL Draft 2015 Preview is the most reliable and comprehensive guide to the NFL draft. Nawrocki produced the draft guide under the Pro Football Weekly brand for more than a decade, and the annual publication came to be regarded as the “Bible of the draft” by pro personnel, agents, and fans. This draft preview provides the detailed scouting reports, rankings, and position-by-position analysis that readers have come to rely on. Featuring detailed evaluations of more than 300 prospects, this 2015 edition includes fresh “buzz” from the NFL’s scouting trails, Nawrocki’s rankings of the top prospects at each position, and the latest combine measurables on each prospect.

Meet the Pittsburgh Steelers Penguin
NEW YORK TIMES BESTSELLER • The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcolm Gladwell • “The work of a true fan . . . it might just represent the next phase of sports commentary.”—The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN’s The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons’s one-of-a-kind five-level shrine

to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), The Book of Basketball offers every hardwood fan a courtside seat beside the game’s finest, funniest, and fiercest chronicler.

Invisibles University of Chicago Press Through her popular interactive Dharma Dialogues (dharmameaning “truth” or “the way”), Catherine Ingram has helped thousands of students in their quest for awakening by encouraging them to give up the quest and let their own “heart intelligence” guide them in life. Through her work, Ingram has found that most people are imbued with “passionate presence,” but often overlook it because they are searching for something more dramatic elsewhere. In this book, she invites readers to simply to relax into their own passionate presence and the innate awakened qualities that come with this relaxation: Silence, Tenderness, Discernment, Embodiment, Authenticity, Delight, and Wonder. With illuminating anecdotes and personal reflections, she describes the seven traits, imparting a sense of the mystery of the world through direct experience, rather than through expounding any particular belief or tradition. **Passionate Presence** takes us on a heart journey that is an immediate experience of seven awakened qualities, speaking directly to the inherent wisdom within each of us. Inspiring and profound, it is a sojourn into the timeless wisdom secretly known by all.

Bigger Than the Game ESPN
NEW YORK TIMES BESTSELLER • A FOOD52 BEST COOKBOOK OF THE YEAR • Join Brad Leone, star of Bon Appétit’s hit YouTube series It’s Alive, for a year of cooking adventures, tall tales, and fun with fire and fermentation in more than 80 ingenious recipes Come along with Brad Leone as he explores forests, fields, rivers, and the ocean in the hunt for great food and good times. These pages are Brad’s field notes from a year of adventures in the Northeast, getting out into nature to discover its bounty, and capturing memorable ideas for making delicious magic at home anytime. He taps maple trees to make syrup, and shows how to use it in surprising ways. He forages for ramps and mushrooms, and preserves their flavors for seasons to come. He celebrates the glory of tomatoes along with undersung fruits of the sea like squid and seaweed. Inspiration comes from

hikes into the woods, trips to the dock, and cooking poolside in the dead of summer. And every dish has a signature Brad Leone approach—whether that’s in Sous Vide Mountain Ribs or Spicy Smoked Tomato Chicken, Sumac Lemonade or Fermented Bloody Marys, Cold Root Salad, Marinated Beans, or just a few shakes of a Chile Hot Sauce that’s dead simple to make. This is a book about experimentation, adventure, fermentation, fire, and having fun while you’re cooking. And hey, you might just learn a thing or two. Let’s get going!

Convergent Books

The Princess of Darkness. Former NFL team executive Amy Trask has held many titles during her career &- including chief executive, analyst, and author &- but this nickname is what she is first and foremost known by to Raiders fans. Trask joined the Raiders as an intern during law school after the team moved from Oakland to Los Angeles &- the position the result of a cold call she made to the team. From there, she worked her way up through the ranks of the organization, to the post she would eventually hold as chief executive. Along the way, Trask worked extremely closely with the late Al Davis, a man who treated her and others on his team without regard to gender, race, and age. Trask may have been the highest-ranking female executive in the NFL during her tenure with the Raiders, but in **You Negotiate Like a Girl: Reflections on a Career in the National Football League**, she shares how she found success by operating without regard to gender. Replete with insider tales about being part of the Raiders’ front office, behind the closed doors of NFL owners meetings, and Davis himself, Trask’s book is a must-read not only for football fans, but anyone who wants to succeed in business.

A Case for Solomon Thomas Nelson
A provocative assessment of legendary UCLA coach John Wooden by the best-selling author of *When March Went Mad* draws on hundreds of interviews from all periods of his career to offer insight into his driving ambition, divided relationships and hard-won lessons. 60,000 first printing.

The Last Lecture “How Tall Are You?”
Former NFL wife Cyndy Feasel tells the tragic story of her family’s journey into chaos and darkness resulting from the damage her husband suffered due to football-related concussions and head trauma—and the faith that saved her. “If I’d only known what I loved the most would end up killing me and taking away everything I loved, I would have never done it.” – Grant Feasel
Grant Feasel spent

ten years in the NFL, playing 117 games as a center and a long snapper mostly for the Seattle Seahawks. The skull-battering, jaw-shaking collisions he absorbed during those years ultimately destroyed his marriage and fractured his family. Grant died on July 15, 2012, at the age of 52, the victim of alcohol abuse and a degenerative brain disease known as chronic traumatic encephalopathy, or CTE. Cyndy Feasel watched their life together become a living hell as alcohol became Grant's medication for a disease rooted in the scores of concussions he suffered on the football field. Helmet-to-helmet collisions opened the door to CTE and transformed him from a sunny, strong, and loving man into a dark shadow of his former self. In this raw and emotional memoir that takes a closer look at the destruction wrought by a game millions love, Cyndy describes in painful and excruciating detail what can happen to an NFL player and his family when the stadium empties and the lights go down. A powerful tale of warning for football moms and NFL wives everywhere, *After the Cheering Stops* is also a story of the hard-won hope found in God's presence when everything else falls apart.

Their Names Will Live On Simon and Schuster

A congresswoman and her son reveal how he survived a ten-year battle with opioid abuse—and what their family's journey to recovery can teach us about finding hope amid the unspeakable. "Beautiful and inspiring."—Maria Shriver's Sunday Paper (Book of the Week) When Madeleine Dean discovered that her son Harry was stealing from the family to feed a painkiller addiction, she was days away from taking the biggest risk of her life: running for statewide office in Pennsylvania. For years, she had sensed something was wrong. Harry was losing weight and losing friends. He had lost the brightness in his eyes and voice, changing from a young boy with boundless enthusiasm to a shadow of himself, chasing something she could not see. Now her worst fears had come to light. *Under Our Roof* is the story of a national crisis suffered in the intimacy of so many homes, told with incredible candor through the dual perspectives of a mother rising in politics and a son living a double life, afraid of what might happen if his secret is exposed. In this honest, bracing, yet ultimately uplifting memoir, they discuss the patterns of a family dealing with an unspoken disease, the fear that keeps addicts hiding in shame, and the moments of honesty, faith, and personal insight that led to Harry's recovery. In a country searching for answers to the devastating effects of

opioids and drug abuse, *Under Our Roof* is a ray of hope in the darkness. It is not only a love story between mother and son but also an honest account of a pressing national crisis by a family poised to make a difference.

Race and Football in America Hillcrest Publishing Group

The Golden Gladiator. . . Myth? Urban legend? Hero? Antihero? Myth or urban legend? Not at all. This is the true story of senior citizen Michael Lynch and his inspirational journey back to the gridiron and glory. In his mid-sixties, he played on one of the best semi-pro football teams in America, and was coached by a former NFL veteran. After seeing his nephew play in a high school All-Star game on Long Island during the summer of 2012, Michael Lynch had an epiphany. He wanted to play football again. In the late 60s and early 70s, he had been a football star in high school, college, and in the semi-pro leagues on Long Island. Forty years later, he decided to turn back the clock and risk life and limb to play football again in one of the toughest semi-pro leagues in America: the Florida Football Alliance. This is a story of courage, redemption, tragedy, and love as Lynch played for four years in over fifty football games. He was a game captain, an Honorable Mention on the 2014 Florida Football Alliances All-Star team, and was honored at the leagues' banquet in his final year in 2018 for his inspiration and dedication to the game he loves. He played on two championship teams, in 2015 and 2018. Michael Lynch was inducted into the Guinness World Records in 2019 as the oldest American football player ever, and the oldest American football player to catch a touchdown pass—which he did at the age of sixty-eight. Hero or antihero? You decide, but first read Michael Lynch's epic tale, his Iliad and Odyssey of football journeys—the true story of . . . the Golden Gladiator.

The Golden Gladiator: The True Story of the Oldest American Football Player's

Return to the Gridiron... and Glory: The True Story of the Old Simon and Schuster An introduction to the Pittsburgh Steelers professional football team. New money is like a newborn baby: it doesn't come with an instruction manual. You better learn how to deal with it, fast! Although they have a fiduciary duty, financial advisors should not care more about your money than you care about your money. And yes, your "fun friends" and family will view you as an endless ATM. You need to understand the difference between "I truly need it" and "I'd really like it" when dealing with those closest to you. *New Money* will help you understand when you're being an enabler. *New Money: Staying Rich* dispenses valuable advice, taken from first-hand experiences, to aspiring professional athletes, entrepreneurs, and anyone fortunate enough to be the beneficiary of rapid wealth. Learn from my errors; don't make the same mistakes I did. Have fun reading the entertaining and enlightening stories in the book, and learn how to live a sustainable life as a *New Money Millionaire!*

Plainwater Penguin

True crime.

World War Z Dutton Books

An inspiring look at the hidden stars in every field who perform essential work without recognition In a culture where so many strive for praise and glory, what kind of person finds the greatest reward in anonymous work? Expanding from his acclaimed Atlantic article, "What Do Fact-Checkers and Anesthesiologists Have in Common?" David Zweig explores what we can all learn from a modest group he calls "Invisibles." Their careers require expertise, skill, and dedication, yet they receive little or no public credit. And that's just fine with them. Zweig met with a wide

range of Invisibles to discover first hand what motivates them and how they define success and satisfaction. His fascinating subjects include: * a virtuoso cinematographer for major films. * the lead engineer on some of the world's tallest skyscrapers. * a high-end perfume maker. * an elite interpreter at the United Nations. Despite the diversity of their careers, Zweig found that all Invisibles embody the same core traits. And he shows why the rest of us might be more fulfilled if we followed their example.

The Dallas Cowboys Penguin

In the golden years of professional football, one team and one coach reigned supreme: the 1960s Green Bay Packers, and the fiery Vince Lombardi. *Run to Daylight!* is Lombardi's own diary of a week at the helm of that magnificent club. Together with legendary sports-journalist, W.C. Heinz, Lombardi takes us from the first review of game films on Monday right through the final gun on Sunday afternoon. We see the planning, the plotting, the practice and the pain as forty-plus men come together to form that precision unit that makes for winning football. Lombardi gives us his views on life, the game, coaching, success, family, and the famed "Lombardi Sweep." Now, in this anniversary edition, with a special foreword by David Maraniss, we are once again reminded of the passion and power behind America's greatest game. Written in W.C. Heinz's inimitable style, *Run to Daylight!* is part diary, part philosophy text, part coaches manual. Here, is professional football at its best.

Run to Daylight! Lerner Publications TM

A coloring book that invites readers to explore symmetry and the beauty of math visually. *Beautiful Symmetry* is a coloring book about math, inviting us to engage with mathematical concepts visually through coloring challenges and visual puzzles. We can explore symmetry and

the beauty of mathematics playfully, coloring through ideas usually reserved for advanced courses. The book is for children and adults, for math nerds and math avoiders, for educators, students, and coloring enthusiasts. Through illustration, language that is visual, and words that are jargon-free, the book introduces group theory as the mathematical foundation for discussions of symmetry, covering symmetry groups that include the cyclic groups, frieze groups, and wallpaper groups. The illustrations are drawn by algorithms, following the symmetry rules for each given group. The coloring challenges can be completed and fully realized only on the page; solutions are provided. Online, in a complementary digital edition, the illustrations come to life with animated interactions that show the symmetries that generated them. Traditional math curricula focus on arithmetic and the manipulation of numbers, and may make some learners feel that math is not for them. By offering a more visual and tactile approach, this book shows how math can be for everyone. Combining the playful and the pedagogical, *Beautiful Symmetry* offers both relaxing entertainment for recreational colorers and a resource for math-curious readers, students, and educators.

Faster, Higher, Stronger Hachette Books

The true story of the NFL's oldest rookie In 1976, Vince Papale was thirty, a former schoolteacher and part-time bartender, and a season ticket-holder for his beloved Philadelphia Eagles. When he heard that Coach Dick Vermeil was holding open tryouts, he decided to give it a shot. Shocking himself and the coaches, he ran an explosive 40-yard-dash in just 4.5 seconds--a world-class time--and was offered a contract on the spot. When he joined the team, Papale became the oldest

non-kicking rookie in NFL history, a fan favorite who played for four years and was named a team captain. *Invincible* is Vince Papale's story, and a tie-in to the Disney Pictures film of the same name starring Mark Wahlberg as Papale and Greg Kinnear as Vermeil. But more than just a tie-in, it tells Papale's story in his own words, covering subjects not included in the film. Like *Rudy*, *Glory Road*, and *Rookie*, it is the true story of an ordinary man who achieves an extraordinary goal. [The NFL's Official Encyclopedic History of Professional Football](#) Penguin

A mesmerizing look at the year when American athletics went corporate, villains replaced heroes, and sports stars became superstars. Greed and excess defined the 1980s, and the sports world was no exception. Shifting from the love of the game to the love of money, athletes made the transition from representing honor and humility to becoming brash and branded. Capturing the stories of headliners who capitalized on this trend, *Bigger Than the Game* charts the rise (and sometimes spectacular fall) of four athletes over the span of one of the most dramatic eras in sports. Meticulously researched, with stirring, you-are-there reporting, *Bigger Than the Game* assembles a cast that includes Jim McMahon, who took the Chicago Bears to Super Bowl glory despite his penchant for partying and his aversion to following the game plan; Brian Bosworth, the university of Oklahoma linebacker who mugged for the cameras while calling the NCAA a communist organization; Bo Jackson, who pursued promising careers in both pro football and baseball; and Len Bias, poised to ensure the Boston Celtics' dominance but died of a cocaine overdose just one day after the draft. Also packed with portraits of folk heroes such as "Refrigerator" Perry and Michael Jordan, *Bigger Than the Game* offers a riveting ride for every sports fan.
