Ever Considered Making a Switch To a Different Business? What If You Could Work From The Comfort of Your Own Home, What if You Had The Chance of Being Your Own Boss? People often confuse MLM with pyramid marketing; however there is very clear distinction between the two approaches: pyramid marketing is about getting your money and then using you to recruit other distributors; MLM, on the other hand, is about moving the product through a larger network of

distributors so that the business can increase sales volume. Another difference between MLM and pyramid marketing is that Pyramid marketing requires each level to DOUBLE before a new level is created so it isn't fair to people lower down in the levels and also unethical. MLM, however, awards a commission based upon the volume of product sold through own sales efforts as well as that of the down line organization. Since MLM faces the risks of initiating a business that has not been tested by the customers is not recognized, people prefer to wait a couple of years before joining. Hence, they also witness the company's track-record and reliability. Below are

generate 100+ free online MLM leads per day and put your network marketing business on the fast track to creating wealth. Leads are the lifeblood of your business. So here we will focus on...\* Automated lead generation, not MLM prospecting\* Online attraction marketing, not pestering family & friends\* High leverage systems, not MLM scripts and scriptbooks\* MLM software, tips, tricks and inside secrets. After all, you may represent the best product, service or network marketing business opportunity in the world... but if you do not tell anyone about it... if you do not find a way to get your offer in front of a steady stream of new

prospects on a daily basis... your business is dead in the water. Belly up in the fish bowl.\* Lack of leads is one of the top reasons why most people fail in MLM. Without leads you've got nothing.\* Lack of cash flow is another reason why most people fail in network marketing. Most people never make a dime in MLM, and most people quit within the first year... often walking away with less money in their pocket than they had to begin with. It's tragic, but true. And it certainly does not need to be that way. Since 1996, Rob Fore and his wife Lisa have built six profitable businesses working part-time in their spare time online. They have a team of over 11,000 active

MLM distributors in one network marketing company and a team earning tens of thousands per month in yet another. Want to know how to use the internet to make more money? This book will walk you through the easiest (and free!) methods to use to market your MLM business. Learn how to get more MLM leads and how to use MLM lead generation tactics.

The 5 Reasons Wiley  
 Fed up not having quality leads?Are you in a MLM company you love, but just can't find REAL prospects to talk to?Tried 'online' leads but found you just wasted your time and money?Many

networkers are well past the 'warm market' stage, and are struggling to find success. It seems the entire world has gone online and the problem that networkers face is sticking out in an ever increasing ocean of websites, mobile apps, opt-in forms, blog posts, Facebook Likes, Youtube movies and Tweets. It never ends. There is alternative. Because the world HAS gone online, good old fashioned Direct Mail works! Why? Because no one gets 'real' mail anymore. You have zero competition! And what's more real than a picture postcard? NOTE: What This Book is NOT about: this book in no way teaches you to send those ugly, tacky, pre-printed, glossy pictures of fast

expensive cars or mansions, or YELLOW 'print your own' postcards. NO, NO, NO! If you are engaged in postcard marketing, buying glossy tacky 'in your face' MLM style postcards and mailing them out - or worse - paying to have them mailed out - I'll show you a method that will increase your success by a massive amount - because I guarantee your message will be read if you use the method I teach. Or, if you are prospecting with one of those 'print your own' cards at the local Office Max, mailing out thousands until you're broke by sending ugly cards - you will be so happy switching to my method because it will save you time, money, you'll mail out less cards and get massive

more results. Again, because I guarantee your prospect will read your message. I will show you a method that combines two of the most important recruiting factors for success in MLM: Mass Recruiting and Personalization. And NO - this is not about using computer 'hand writing fonts'!!! No, I'll show you a method to recruit massively with postcards, in a very personalized way for your prospect to find it impossible to not read your message and make a call. This works. This book is based on my famous postcard seminars that were part of a \$10,000 MLM insider's weekend training. You will get this same information for less than \$20. Full Disclosure: This is a short, to the point

book. It's not full of padding or fluff, (however, I do trace for you how I discovered my introduction into Direct Mail for MLM Recruiting by a presidential fundraiser). It's a 'How To' book. You are paying for the system, the magic, and the fact that you won't need any other information to get started. I have included low or no budget methods as well. Please NOTE: This book is for MLM or Network Marketing recruiting. The information here is for network marketers who want to build downlines and offer a system to their team that does not rely on 'buying leads' from the internet and telemarketing 'survey leads', 'real time leads', 'fresh leads', or

any of the other scammy descriptions of absolutely terrible leads for sale by lead companies. Looking for a Low cost, but highly efficient network marketing tool way to get REAL leads? This is it. Forget Internet leads - recruit real people not virtual names. How to Prospect and Recruit using Postcards for your MLM or Network Marketing Business - The Low cost Prospecting and Recruiting Tool that Out Performs Online Methods is a complete method. Includes the way to personalize the cards, where to buy them at the best prices, how to produce them, where to get the lists to mail your cards to, as well as how to do this on a low or no budget. You will also get a '24 hour'

message to load up on your voice mail system to take all the calls you'll get from your prospects. How to create the personalized card Where to get your cards wholesale What to say on the card Where to get lists and how to deal with list brokers Low and no budget tricks and strategies Text for your 24 hour message your prospects calls after reading your card This system works in USA, Canada and Europe. *Become Millionaires* Createspace Independent Publishing Platform A contemporary approach to network marketing—from the author of the million-copy bestseller, *Your First Year in Network Marketing* This is a book about reality—an unpleasant reality that
