MURRAY HARRISON

How to Respond to the Science Religions Macmillan
 A comprehensive reference work containing a thorough analysis of all the major cults and the significant minor cults.

The Doctor's Daughter Macmillan
 The present collection examines the many different ways in which religions appeal to the authority of science. The result is a wide-ranging and uniquely compelling study of how religions adapt their message to the challenges of the contemporary world.

The Future of Religion BRILL
 NATIONAL BESTSELLER • NATIONAL BOOK AWARD AND NATIONAL BOOK CRITICS CIRCLE AWARD FINALIST • From the Pulitzer Prize-winning author of *The Looming Tower* comes "an utterly necessary story" (*The Wall Street Journal*) that pulls back the curtain on the church of Scientology: one of the most secretive organizations at work today. • The Basis for the HBO Documentary. Scientology presents itself as a scientific approach to spiritual enlightenment, but its practices have long been

shrouded in mystery. Now Lawrence Wright—armed with his investigative talents, years of archival research, and more than two hundred personal interviews with current and former Scientologists—uncovers the inner workings of the church. We meet founder L. Ron Hubbard, the highly imaginative but mentally troubled science-fiction writer, and his tough, driven successor, David Miscavige. We go inside their specialized cosmology and language. We learn about the church's legal attacks on the IRS, its vindictive treatment of critics, and its phenomenal wealth. We see the church court celebrities such as Tom Cruise while consigning its clergy to hard labor under billion-year contracts. Through it all, Wright asks what fundamentally comprises a religion, and if Scientology in fact merits this Constitutionally-protected label.

Handbook of Scientology Oxford University Press
 Traces the growth of the Christian Science Church from its foundation by Mary Baker Eddy; explains its philosophy towards sickness, medical care, and death; and discusses the legal controversies surrounding the church.

Cults and New Religions Rose Publishing Inc

The author explores the theology and hierarchical structure of the Church of Scientology providing information on its founder, L. Ron Hubbard, the church's social reform programs, and a summary of the major points of controversy.

The Gospel According to Science Fiction Ballantine Books

The best-selling Denominations Comparison ebook contains a side-by-side comparison of what 12 Christian denominations believe about God, the Trinity, Jesus, and other spiritual issues. This easy-to-read ebook summarizes the beliefs of the different denominations on key topics and includes a "Family Tree of Denominations" which reveals the roots of today's denominations. Denominations Comparison includes a look at: Catholic, Orthodox, Lutheran, Anglican, Presbyterian, Methodist, Anabaptist, Congregational, Baptist, Presbyterian, Churches of Christ, Adventist, and Pentecostal churches. Each denomination believes in the deity of Christ and the importance of Scripture, so how are the groups different? The Denominations Comparison shows what denominations have in common as well as where they differ. The Denominations Comparison ebook compares 12 denominations on 11 different topics, such as: •When it was founded and by whom •The number of adherents in 2000 •How Scripture is viewed •Who God is •Who Jesus is •How individuals are saved •What happens after death •The definition of the Church •How each looks at the Sacraments •Other practices and beliefs •The major divisions and trends today. The Denominations Comparison ebook is an excellent source for pastors and teachers who want to present denominational beliefs in a concise and focused manner. The full color ebook organizes the denominations comparisons in the order in which they came to be, first covering the six liturgical denominations followed by the six non-liturgical denominations. The Liturgical Churches compared are: •Catholic •Orthodox •Lutheran (Evangelical Lutheran Church of America; The Lutheran Church-Missouri Synod) •Anglican (Episcopal Church; Reformed Episcopal Church) •Presbyterian (The Presbyterian Church (USA) or PCUSA; The Presbyterian Church in America or PCA) •Methodist Churches (United Methodists Church; African Methodist Episcopal; Free Methodists) The Non-Liturgical Churches compared are: •Anabaptist (The Mennonite Church; Church of the Brethren; Amish) •Congregational (United Church of Christ: The National Association of Congregational Christian Churches; The Conservative Congregational Christian Conference) •Baptist (Southern Baptists, American Baptists; National Baptists) •Churches of Christ (Christian Church, Disciples of Christ) •Adventist (Seventh-Day Adventist Church, SDA, 7th Day Adventist) •Pentecostal Churches (Assemblies of God; Church of God in Christ) In addition to the side-side comparison of the 12 Christian denominations, the Denominations Comparison ebook contains a list of 42 "Helpful Words to Know" for studying denominational differences. This list defines words such as: Anabaptist, apocrypha, canon, Eucharist, incarnate, pope, predestination, and puritan. The Denominations Comparison ebook also contains several helpful references, such as: •Official web sites for major denominations •General online references •Other web sites for the major traditions. Denominations Comparison also contains a short summary on the following Christian groups, their founders, size, and denominational ties (if applicable): •Calvary Chapel •Christian and Missionary Alliance •Church of God •Church of the Nazarene •Evangelical Covenant Church •Evangelical Free Church of America •International Church of the Foursquare Gospel •Salvation Army •Vineyard Ministries International Topical index: Adventists, African Methodist Episcopal, Anglican, Assemblies of God, Baptists, Calvary Chapel, Catholic Church, Charismatic, Church of Christ,

Church of England, Church of God, Congregational Churches, Episcopal Church, Evangelical Church, Foursquare Church, Free Methodists, Holiness Churches, liberal denominations, Lutheran Churches, Methodist Church, Orthodox Church, Pentecostal Church, Presbyterian Church, Quakers, Reformed Church, Roman Catholicism, Salvation Army, Trinity, United Methodist Church, Vineyard Churches, Westminster Confession.

Christian Deviations Baker Books

A definitive reference volume on cults, major fundamentalist religions, and non-Christian faiths includes coverage of the Jehovah's Witnesses, Mormonism, and Hinduism, outlining their major beliefs while offering advice on countercult ministry.

The Church of Scientology Zondervan

An in-depth presentation of Study Technology. Learn the reasons for academic failures, as well as how to identify the barriers to learning and vital remedies for handling each of them. Fully illustrated.

The Challenge of the Cults and New Religions New Leaf Publishing Group

Albert Einstein said: We are using only 10% of our mental potential. Dianetics tells you how you can free a significantly larger part of your potential. Self confidence, harmonic relationships and a positive attitude towards life can absolutely be achieved. It makes Positive Thinking a reality. You can achieve your goals with more certainty if you are able to find the cause of upsets, unwanted reactions or emotions. The human mind is not a mysterious puzzle - impossible to resolve. Read and work with Dianetics, see how it works for you and make up your own mind. The book gives a clear description of what is happening in the mind and explains a practical method, enabling you to explore your own subconscious, and rid yourself of what holds you down, resulting in increased IQ and well-being. Watching the DVD called 'How to Use Dianetics' along with the book is recommended to have a visual illustration of the concepts and the practical application.

The Pastor's Son HarperCollins Christian Publishing

This unparalleled introduction to cults and new religious movements has been completely up-dated and expanded to reflect the latest developments; each chapter reviews the origins, leaders, beliefs, rituals and practices of a NRM, highlighting the specific controversies surrounding each group. A fully updated, revised and expanded edition of an unparalleled introduction to cults and new religious movements Profiles a number of the most visible, significant, and controversial new religious movements, presenting each group's history, doctrines, rituals, leadership, and organization Offers a discussion of the major controversies in which new religious movements have been involved, using each profiled group to illustrate the nature of one of those controversies Covers debates including what constitutes an authentic religion, the validity of claims of brainwashing techniques, the implications of experimentation with unconventional sexual practices, and the deeply rooted cultural fears that cults engender New sections include methods of studying new religions in each chapter as well as presentations on 'groups to watch'

Going Clear Science and Health How to Respond to the Science Religions The Doctor's Daughter Marginal Medicine

Religions in today's culture seem to be multiplying. Have you ever wondered why certain religions believe and practice what they do? Or how they view the Bible? This volume delves into these and other engaging questions, such as: How can a Christian

witness to people in these religions? Do these other religions believe in creation and a Creator? How do we deal with these religions from a biblical authority perspective? Many religions and cults discussed in this first volume openly affirm that the Bible is true, but then something gets in their way. And there is a common factor every time—man’s fallible opinions. In one way or another the Bible gets demoted, reinterpreted, or completely ignored. Man’s ideas are used to throw the Bible’s clear teaching out the window while false teachings are promoted. This book is a must for laymen, church leaders, teachers, and students to understand the trends in our culture and around the world where certain religions dominate, helping you discern truth and guard your faith. When you understand a religion’s origins and teachings, you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions.

After Doubt Galaxy Press LLC

Religion is alive and well in the modern world, and the social-scientific study of religion is undergoing a renaissance. For much of this century, respected social theorists predicted the death of religion as inevitable consequence of science, education, and modern economics. But they were wrong. Stark and Bainbridge set out to explain the survival of religion. Using information derived from numerous surveys, censuses, historical case studies, and ethnographic field expeditions, they chart the full sweep of contemporary religion from the traditional denominations to the most fervent cults. This wealth of information is located within a coherent theoretical framework that examines religion as a social response to human needs, both the general needs shared by all and the desires specific to those who are denied the economic rewards or prestige enjoyed by the privileged. By explaining the forms taken by religions today, Stark and Bainbridge allow us to understand its persistence in a secular age and its prospects for the future,

Perfectly Clear Indiana University Press

What constitutes a cult? How does it contrast with what the Bible says? These colorful and concise brochures will answer seven fundamental questions of life and belief. Contrasted with the truth of God's Word are cults such as Christian Science, Spiritualism, Jehovah's Witness, Scientology, Mormonism, Eastern Mysticism, Unification Church, Wicca, and others. Perfect for training or for keeping by your front door. * Formerly titled *The Spirit of Truth and the Spirit of Error*.

Stuff You Should Know Cambridge University Press

Scientology is arguably the most persistently controversial of all contemporary New Religious Movements. James R. Lewis has assembled an unusually comprehensive anthology, incorporating a wide range of different approaches. In this book, a group of well-known scholars of New Religious Movements offers an extensive and evenhanded overview and analysis of all of these aspects of Scientology, including the controversies to which it continues to give rise.

Beyond Belief Flatiron Books

#1 NEW YORK TIMES BESTSELLER • An eye-opening, no-holds-barred memoir about life in the Church of Scientology, now with a new afterword by the author—the outspoken actress and star of the A&E docuseries Leah Remini: Scientology and the Aftermath Leah Remini has never been the type to hold her tongue. That willingness to speak her mind, stand her ground, and rattle the occasional cage has enabled this tough-talking girl from Brooklyn to forge an enduring and successful career in Hollywood. But being a troublemaker has come at a cost. That was never more evident than in 2013, when Remini loudly and publicly broke with the Church of Scientology. Now, in this frank, funny, poignant memoir, the former King of Queens star opens up about that

experience for the first time, revealing the in-depth details of her painful split with the church and its controversial practices. Indoctrinated into the church as a child while living with her mother and sister in New York, Remini eventually moved to Los Angeles, where her dreams of becoming an actress and advancing Scientology’s causes grew increasingly intertwined. As an adult, she found the success she’d worked so hard for, and with it a prominent place in the hierarchy of celebrity Scientologists alongside people such as Tom Cruise, Scientology’s most high-profile adherent. Remini spent time directly with Cruise and was included among the guests at his 2006 wedding to Katie Holmes. But when she began to raise questions about some of the church’s actions, she found herself a target. In the end, she was declared by the church to be a threat to their organization and therefore a “Suppressive Person,” and as a result, all of her fellow parishioners—including members of her own family—were told to disconnect from her. Forever. Bold, brash, and bravely confessional, *Troublemaker* chronicles Leah Remini’s remarkable journey toward emotional and spiritual freedom, both for herself and for her family. This is a memoir designed to reveal the hard-won truths of a life lived honestly—from an author unafraid of the consequences. Praise for *Troublemaker* “An aggressively honest memoir . . . *Troublemaker* is the most raw and revealing Scientology memoir to date.”—*Entertainment Weekly* “Leah’s story is a juicy, inside-Hollywood read, but it’s more than that. It’s a moving story about the value of questioning authority and how one woman survived a profound crisis of faith.”—*People Handbook of Religion and the Authority of Science* Peter Owen Limited

Jenna Miscavige Hill, niece of Church of Scientology leader David Miscavige, was raised as a Scientologist but left the controversial religion in 2005. In *Beyond Belief*, she shares her true story of life inside the upper ranks of the sect, details her experiences as a member Sea Org—the church's highest ministry, speaks of her "disconnection" from family outside of the organization, and tells the story of her ultimate escape. Piercing the veil of secrecy that has long shrouded the world of Scientology, this insider reveals unprecedented firsthand knowledge of the religion, its obscure rituals, and its mysterious leader—David Miscavige. From her prolonged separation from her parents as a small child to being indoctrinated to serve the greater good of the Church, from her lack of personal freedoms to the organization's emphasis on celebrity recruitment, Jenna goes behind the scenes of Scientology's oppressive and alienating culture, detailing an environment rooted in control in which the most devoted followers often face the harshest punishments when they fall out of line. Addressing some of the Church's most notorious practices in startling detail, she also describes a childhood of isolation and neglect—a childhood that, painful as it was, prepared her for a tough life in the Church's most devoted order, the Sea Org. Despite this hardship, it is only when her family approaches dissolution and her world begins to unravel that she is finally able to see the patterns of stifling conformity and psychological control that have ruled her life. Faced with a heartbreaking choice, she mounts a courageous escape, but not before being put through the ultimate test of family, faith, and love. At once captivating and disturbing, *Beyond Belief* is an eye-opening exploration of the limits of religion and the lengths to which one woman went to break free.

Marginal Medicine John Wiley & Sons

This updated text takes an interdisciplinary look at eight extraordinary groups of people throughout American history. Each chapter is organized around a sociological principle which is then illustrated by a descriptive explanation of the lifestyles of these unique groups.

Rudimental Divine Science Brazos Press

By using copyright in sacred texts, American religious organizations help to create, manage, and control emerging spiritual communities.

God's Perfect Child Crown

A study of all the methods of relief and treatment that exist outside the network of the organized medical profession, including faith healers, Scientologists, osteopaths, Christian Scientists, and much else.
