Living your dreams is the hard part . . . Sunday Tolliver has a mega-smash album up for major awards--and her first few months as a college freshman are everything she hoped for. But juggling all this and her long-distance romance with boyfriend Sam is taking drama to mad-crazy levels. Hot up-and-coming video star DeShawn isn't letting Sunday's relationship keep him from getting close. And relentless online gossip is seriously shaking Sunday's

trust in Sam. On top of that, her jealous diva cousin, Drea, just won't stay out of Sunday's face--especially now that she's in the running for the same music awards. The only way Sunday can stop the madness and get back on track is to trust her instincts--and get a little help from her friends. . . "This series is poised to 'blow up'. . ." --Kirkus Praise for Nikki Carter ". . . plenty of reality show-type drama." --Romantic Times on Doing My Own Thing "Nikki Carter is a fresh, new voice." ?ReShonda Tate Billingsley, Essence® bestselling author

Why Do Men Cheat? Inspire Magic

In the story of every great company and career, there is one defining moment when luck and skill collide. This book is about making that moment happen. According to Frans Johansson's research, successful people and organizations show a common theme. A lucky moment occurs and they take advantage of it to change their fate. Consider how Diane von Furstenberg saw Julie Nixon Eisenhower on TV wearing a matching skirt and top, and created the timeless, elegant wrap-dress. That was a "click moment" of unexpected opportunity. Johansson uses stories from throughout history to illustrate the specific actions we can take to create more click moments, place lots of high-potential bets, open ourselves up to chance encounters, and harness the complex forces of success that follow.

Popular YouTubers the Labrant Fam share their inspiring love story of how Savannah, a young, single mom, fell in love with Cole, a 19-year-old from Alabama, highlighting the redemptive, surprising nature of God at work in our lives. The Labrant Fam—Cole, Savannah, and their daughter, Everleigh—have laughed, pranked, and danced their way into the hearts of millions of viewers. But by all accounts, Cole and Savannah shouldn't have met each other—let alone fallen in love. Sav was a 23-year-old from Southern California who had grown up with the pain of her parents' broken marriage. As a single mother with a history of unhealthy relationships, she had all but given up on a happily ever after. Cole was a 19-year-old from a small town in Alabama who had never dated seriously but held high hopes for marriage. Cole was slowly learning how to trust life's twists and turns. Then, through a surprise encounter, their lives changed

forever. In this heartwarming memoir, you'll discover: The heartbreak Savannah faced as a young, single mom before she met Cole Their individual stories growing up Savannah's pregnancy at 19 and how she found fame on social media How they met and fell in love With their signature charming and engaging style, Cole and Sav take you behind the camera and open up about past heartaches and mistakes; painful secrets and difficult expectations; the joys and challenges of raising their daughter, Everleigh; and the spiritual journey that changed their hearts—and relationship—forever.

**The Physics of Quantum Mechanics** Sullivan Group Publishing  
The first comprehensive biography ever published about America's favorite living pop icon, Beyonce, from New York Times bestselling biographer J. Randy Taraborrelli. Beyonce Knowles is a woman who began her career at the age of eight performing in pageant shows and talent contests, honing her craft through her teenage years until, at the age of 16, she had her first number one record with Destiny's Child. That hit-making trio launched Beyonce's successful solo career, catapulting her, as of 2014, to #1 on Forbes annual list of most wealthy celebrities--the same year she made the cover of Time. Becoming Beyonce is not only the story of struggle, sacrifice, and what it takes to make it in the cut-throat record industry, it's the story of the great rewards of such success and the devastating toll it often takes on the human spirit.

Candace Lyons is a business woman. She was raised in Raleigh, NC but, moved to Atlanta, GA to continue her chain of hair salons. As a child, she despised men after her dad cheated on her mom and her ex cheated on her. But, at her grand opening she meets the Porter brothers who are billionaires and known as playboys. Javion Porter was the one who caught her eye and she knew she had to have him. But when DeMeechie, an old flame comes back into her life, she willingly gives him a chance instead. Sadly, she finds out the hard way about her old flames evilness and deceitful ways. Mikayla a.k.a Kay or Kayla is Candace's best friend and DeMeechie's little sister. She doesn't give a care in the world but, she loves her best friend and is obsessed with Zanier Porter. She never thought she would be able to call him her man but, that all changed at her best friend's grand opening. She also didn't know that he had a few secrets he kept from her and from his own brother. Javion Porter and his brother started off in the streets and realized that they didn't want their lives to end in their. They decided to invest their money the legal way and started a management company called JZ Porters. His girlfriend Nayomi, introduced him to Candace Lyons for a purpose but he doesn't know that and Nayomi wasn't expecting them to like each other.

Javion doesn't love his girlfriend but, he feels obligated to do whatever she says, because she helped him and his brother fund the management company. She got him an interview with Mr. Z the loan shark, and he doesn't know what she did to make that happen. But, he will surely find out that the person he calls his woman is the devil herself. Zanier Porter is definitely a ladies' man. He has a 4-year-old daughter, named Za'Nya, and a baby mama, named Allison, who he thinks is cool with him dating other women. He soon finds out that she's not. He is a hit it and quit it kind of guy, until he meets Mikayla. When he met her, he was not expecting to feel the way he did and he wasn't expecting his secrets to hurt the ones he loved. DeMeechie, also known as Meech, was raised in the streets all his life. His parents left him to raise his sister Mikayla and he didn't know how to survive until he met the infamous drug lord, named Deadly, who changed his life. Deadly wants Javion and Zanier dead and DeMeechie will do everything in his power to make that happen, even if he has to pretend to love his old flame, Candace Lyons.

#### **On the Flip Side** Simon and Schuster

Tracing the careers of hip-hop's three most dynamic stars, this deeply reported history brilliantly examines the entrepreneurial genius of the first musician tycoons: Diddy, Dr. Dre, and Jay-Z. Being successful musicians was simply never enough for the three kings of hip-hop. Diddy, Dr. Dre, and Jay-Z lifted themselves from childhood adversity into tycoon territory, amassing levels of fame and wealth that not only outshone all other contemporary hip-hop artists, but with a combined net worth of well over \$2 billion made them the three richest American musicians, period. Yet their fortunes have little to do with selling their own albums: between Diddy's Ciroc vodka, Dre's \$3 billion sale of his Beats headphones to Apple, and Jay-Z's Tidal streaming service and other assets, these artists have transcended pop music fame to become lifestyle icons and moguls. Hip-hop is no longer just a musical genre; it's become a way of life that encompasses fashion, film, food, drink, sports, electronics and more - one that has opened new paths to profit and to critical and commercial acclaim. Thanks in large part to the Three Kings-who all started their own record labels and released classic albums before moving on to become multifaceted businessmen-hip-hop has been transformed from a genre spawned in poverty into a truly global multibillion-dollar industry. These men are the modern

embodiment of the American Dream, but their stories as great thinkers and entrepreneurs have yet to be told in full. Based on a decade of reporting, and interviews with more than 100 sources including hip-hop pioneers Russell Simmons and Fab 5 Freddy; new-breed executives like former Def Jam chief Kevin Liles and venture capitalist Troy Carter; and stars from Swizz Beatz to Shaquille O'Neal, 3 Kings tells the fascinating story of the rise and rise of the three most influential musicians in America.

Analytic combinatorics aims to enable precise quantitative predictions of the properties of large combinatorial structures. The theory has emerged over recent decades as essential both for the analysis of algorithms and for the study of scientific models in many disciplines, including probability theory,

statistical physics, computational biology, and information theory. With a careful combination of symbolic enumeration methods and complex analysis, drawing heavily on generating functions, results of sweeping generality emerge that can be applied in particular to fundamental structures such as permutations, sequences, strings, walks, paths, trees, graphs and maps. This account is the definitive treatment of the topic. The authors give full coverage of the underlying mathematics and a thorough treatment of both classical and modern applications of the theory. The text is complemented with exercises, examples, appendices and notes to aid understanding. The book can be used for an advanced undergraduate or a graduate course, or for self-study.

*Endless Knight* Houghton Mifflin Harcourt

An irreverent yet deeply researched biography about the always offbeat, suddenly meme-able, and wildly popular actor When did you first encounter Jeff Goldblum? Maybe as a deranged killer in his 1974 screen debut in *Death Wish*? Maybe as a cynical journalist in 1983s *The Big Chill*? Or a brilliant if egotistical scientist-turned-fly in 1986s *The Fly*? Perhaps as the wise-cracking skeptical mathematician in 1993s *Jurassic Park*? Or maybe you're not a film buff but noticed his face as part of one of the Internet's earliest memes. Who knows? Whenever it was, you've probably noticed that Goldblum has become one of Hollywood's most enduring actors, someone who only seems to grow more famous, more heralded, more beloved through the decades, even though he's always followed his own, strange muse. The guy primarily plays jazz music these days, but is more

famous than ever. Actor, pianist, husband, father, style icon, meme. Goldblum contains multitudes, but why? What does he mean? The Washington Post's Travis M. Andrews decided to find out. And so he set out on a journey through Goldblum's career, talking to directors like Lawrence Kasdan and Philip Kaufman, colleagues like Harry Shearer and Billy Crudup, and pop culture experts like Chuck Klosterman and Sean Fennessey, to get to the bottom of this whole Goldblum thing. And then he took what he learned and he wrote this book, which is titled *Because He's Jeff Goldblum* and is the best thing written since *The Brothers Karamazov* and slightly easier to follow. But you should already know that. In this new semi-biography, semi-rumination, and semi-ridiculous look at the career of Goldblum, Andrews takes you behind the scenes of his iconic movies, explores the shifting nature of fame in the twenty-first century, and spends far too much time converting Goldblum's name into various forms of speech. Want to hear how Goldblum saved a script supervisor from an amorous baboon? Or what he would write on the mirror after taking showers when he was a teenager? How about his feelings on various brands of throat lozenges? (That one could be an entire book unto itself.) Then this is the book for you!
