An essential companion to Michael Jackson's music, films, and books, this work offers 21 original, academic essays on all things Jackson—from film, music, and dance to fashion, culture, and literature. Michael Jackson is regarded as one of the most important musicians of our time. Going well beyond the average celebrity biography, this comprehensive book looks at why that is true, offering insights into every facet of Jackson's art, life, and artistic afterlife. It looks at the methods by which his work was created, presented, received, and appropriated; discusses Jackson's varied personas along with his public and private appearances, albums, conceptual art, short films, and dance; and considers his use of costume, makeup, and reinvention. To help readers understand the phenomenon that was—and is—Michael Jackson, the book focuses on Jackson's historical context through an analysis of his films,

songs, and books, examining him as an artist and shedding light on the political and ideological debates that surrounded him. Not shying away from the controversial aspects of Jackson's life and legacy, it also tackles questions of sexuality and racism, gender, and class, comparing Jackson to artists ranging from J. S. Bach to Andy Warhol. Through its examination of Jackson's entire catalog, the work connects all the aspects of his art and life to exemplify—and explain—the performer's unparalleled influence in the 20th and 21st centuries.

The Amityville Horror Gallery Books

On March 17, 1699, a group of French explorers under Pierre le Moyne, Sieur d'Iberville, were making their way up the Mississippi River from New Orleans when they spotted a red pole on a high bluff overlooking the river. The pole marked the boundary between the hunting grounds of the Houma and the Bayagoula Indians, and the Frenchmen christened it le baton rouge. The name Baton Rouge has survived, despite several attempts to change it, and

today it designates the capital of a state whose people, by 1812, had lived under four flags -- French, English, Spanish, and American. Despite its tiny size, the settlement at Baton Rouge was a strategic outpost on the Mississippi River, and a number of fierce contests were waged for its control. In fact, the only battle of the American Revolution fought in Louisiana took place at Baton Rouge in 1779. In *A History of Baton Rouge* Rose Meyers has gathered, evaluated, and set down the stories, legends, facts, and circumstances of the founding of Baton Rouge; its troubled history under the colonial governments of France, England, and Spain; and its eventual entry into the Union in 1812. Featured in the book are portraits of early civil and military leaders and maps dating back to the French colonial period.

Positive Psychology: A Workbook for Personal Growth and Well-Being Planet Ann Rule

From the row houses of Baltimore to the stoops of Brooklyn, the New York Times bestselling author of *The Cook Up* lays bare the voices of the most vulnerable and allows

their stories to uncover the systematic injustice threaded within our society. Honest and eye-opening, the pages of *We Speak for Ourselves* “are abundant with wisdom and wit; integrity and love, not to mention enough laughs for a stand-up comedy routine” (Mitchell S. Jackson, author of *Survival Math*). Watkins introduces you to Down Bottom, the storied community of East Baltimore that holds a mirror to America’s poor black neighborhoods—“hoods” that could just as easily be in Chicago, Detroit, Oakland, or Atlanta. As Watkins sees it, the perspective of people who live in economically disadvantaged black communities is largely absent from the commentary of many top intellectuals who speak and write about race. Unapologetic and sharp-witted, D. Watkins is here to tell the truth as he has seen it. *We Speak for Ourselves* offers an in-depth analysis of inner-city hurdles and honors the stories therein. We sit in underfunded schools, walk the blocks burdened with police corruption, stand within an audience of Make America Great Again hats, journey from

trap house to university lecture, and rally in neglected streets. And we listen. “Watkins has come to remind us, everyone deserves the opportunity to speak for themselves” (Jason Reynolds, New York Times bestselling author) and serves hope to fellow Americans who are too often ignored and calling on others to examine what it means to be a model activist in today’s world. *We Speak for Ourselves* is a must-read for all who are committed to social change.

Love and Jello Chicago Review Press

Despite depictions to the contrary, the mafia is not a cadre of noble and righteous warriors, a class of citizens working in the shadows but upholding traditional values. Instead, the authors argue, it is a brutal, violent, and ignoble organization that ultimately violates the boundaries of acceptable behavior both within the family and without.

Gone 'Til November

Princeton University Press
From Tyler Henry, clairvoyant and star of E!’s hit reality series *Hollywood Medium with Tyler Henry*, comes *Between Two Worlds*, a captivating memoir about his journey as a medium thus far. “Dying doesn’t

mean having to say goodbye.” Tyler Henry discovered his gift for communicating with the departed when he was just ten years old. After experiencing a sudden, accurate premonition of his grandmother’s death—what Tyler would later describe as his first experience of “knowingness”—life would never be the same. Now in his twenties, Tyler is a renowned, practicing medium, star of the smash hit E! reality show, *Hollywood Medium with Tyler Henry*, and go-to clairvoyant of celebrities, VIP’s, and those simply looking for closure and healing. He has worked with some of Hollywood’s biggest names including Khloe Kardashian, Amber Rose, Margaret Cho, Jaime Pressly, and Monica Potter. Despite struggling to accept his rare talent, Tyler grew to embrace it, and finally found the courage to share it with—and ultimately change—the world. For the first time, Tyler pulls back the curtain on living life as a medium in his first memoir, in which he fearlessly opens up about discovering his gift as an adolescent, what it’s truly like to communicate with those who have passed, the power of symbolism in

his readings, and the lessons we can learn from our departed loved ones. With unparalleled honesty, Tyler discusses how his complex and fascinating gift has changed his perception of the afterlife, and more importantly, how readings can impact our relationships with our closest friends and family once they're gone.

100 Hip-Hop Facts (1973-2000) Hoosiers and the American Story
 "A story of surviving and thriving with passion, compassion, wit, and style."—Maya Angelou "In America, we have a tradition of black writers whose autobiographies and memoirs come to define an era. . . . Buck may be this generation's story."—NPR A coming-of-age story about navigating the wilds of urban America and the shrapnel of a self-destructing family, Buck shares the story of a generation through one original and riveting voice. MK Asante was born in Zimbabwe to American parents: his mother a dancer, his father a revered professor. But as a teenager, MK was alone on the streets of North Philadelphia, swept up in a world of drugs, sex, and

violence. MK's memoir is an unforgettable tale of how one precocious, confused kid educated himself through gangs, rap, mystic cults, ghetto philosophy, and, eventually, books. It is an inspiring tribute to the power of literature to heal and redeem us.

The Godmother Rowman & Littlefield Publishers
 A supplemental textbook for middle and high school students, *Hoosiers and the American Story* provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so

doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past.

The story of Tekashi 6ix9ine one of the most controversial figures in all of hip-hop history, *Dummy Boy* tells the tale his meteoric rise to fame. In tracing Danny "Tekashi 6ix9ine" Hernandez's life from Bushwick to the heights of the rap scene, Complex reporter Shawn Setaro illuminates the story of the young rapper who forged an alliance with a notorious street gang to bolster his image and boost his internet clout. Before long, Tekashi's antics and affiliations caught up with him, leading to a major police investigation that tore apart his team and saw him squarely behind bars, facing a life in prison. A thrilling true crime narrative set in the

contemporary hip-hop world, Dummy Boy draws on dozens of exclusive interviews with collaborators, associates, and witnesses, to provide a detailed account of the most beguiling and intriguing story in modern music. More than a biography, Dummy Boy is an American crime story, a critical examination of internet trolling in the Trump era, and an exploration of the long-running connection between rap, gangs, and police in New York City.

The Virgin Encyclopedia of Fifties Music Bloomsbury Publishing USA

"Las Vegas. A city built on obscene wealth and corrupt deals, cunning entrepreneurs, and the ruthless mob. The Cartel's plan to open a casino will rake in cash, but comes with great sacrifice. The stakes have never been this high, and rules of the game have never been this hard to manipulate. And when one dead girl, one scorned wife, and one hole in the desert launch a chain of catastrophic events, The Cartel is sent on a downward spiral as they battle the Arabian mob and fight traitors within their circle."

**We Speak for
Ourselves** Penguin

Based on a true story, this edition of *Devil's Knot* will tie-in to a major motion picture starring Academy Award winners Reese Witherspoon and Colin Firth. This riveting portrait of a small Arkansas town recounts the all-too-true story of a brutal triple murder and the eighteen-year imprisonment of three innocent teenagers. For weeks in 1993, after

the grisly murders of three eight-year-old boys, police in West Memphis, Arkansas, seemed stumped. Then suddenly, detectives charged three teenagers - alleged members of a satanic cult - with the killings. Despite the witch-hunt atmosphere of the trials and a case that included stunning investigative blunders, the teenagers, who became known as the West Memphis Three, were convicted. Jurors sentenced Jason Baldwin and Jessie Misskelley to life in prison and Damien Echols, the accused ringleader, to death. The guilty verdicts were popular in their home state - even upheld on appeal - and all three remained in prison until their unprecedented release in August 2011. In *Devil's Knot*, award-winning investigative journalist Mara Leveritt presents the most comprehensive, insightful reporting ever done on this story - one of the greatest miscarriages of justice in American legal history. In-depth research, meticulous reconstruction of the investigation and close-up views of its key participants unravel the many tangled knots of this endlessly shocking case.

The School-to-Prison Pipeline Penguin

“Transfixing...[Wayne’s] prison diary is, above all, a testament to the irrepressibility of his charisma—his is a force that can never go dormant, even when it’s not plainly on display.”

–The New Yorker From rap superstar Lil Wayne comes *Gone ‘Til November*, a deeply personal and revealing account of his time spent incarcerated on Rikers Island for eight months in 2010. In 2010, recording artist Lil Wayne was at the height of his career. A fixture in the rap game for more than a decade, Lil Wayne (aka Weezy) had established himself as both a prolific musician and a savvy businessman, smashing long-held industry records, winning multiple Grammy Awards, and signing up-and-coming talent like Drake and Nicki Minaj to his Young Money label. All of this momentum came to a halt when he was convicted of possession of a firearm and sentenced to a yearlong stay at Rikers Island. Suddenly, the artist at the top of his game was now an inmate at the mercy of the American penal system. At long last, *Gone ‘Til November* reveals the

true story of what really happened while Wayne was behind bars, exploring everything from his daily rituals to his interactions with other inmates to how he was able to keep himself motivated and grateful. Taken directly from Wayne’s own journal, this intimate, personal account of his incarceration is an utterly humane look at the man behind the artist.

The Dangerous Philosophies of Michael Jackson Atria Books

“A fascinating and frightening book” (Los Angeles Times)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that

gripped the nation about an American dream that turned into a nightmare beyond imagining—“this book will scare the hell out of you” (Kansas City Star).
