Pocket Bully Written by a professional dog whisperer and dog owner, the Pocket Bully Complete Owner's Manual has the answers you may need when researching this easy to train and willing to please dog. Learn about this recently formed, sturdy companion breed and find out whether this adaptable and laid back, smaller bully breed, will be the best choice for you and your family. Learn everything there is to know, including little known facts and secrets and how to care for every aspect of the Pocket Bully's life. This manual contains all the information you need, from birth to the Rainbow Bridge, including transitioning through house breaking, care, feeding, training and end of life, so that you can make a well-informed decision about whether or not this dog is the breed for you. If you already have a Pocket Bully, this book will teach you everything you need to know to make your dog a happy dog and to make you a happy dog owner. The author George Hoppendale is an experienced writer and a true animal lover. He enjoys writing animal books and advising others how to take care of their animals to give them a happy home. Co-Author Asia Moore is a professional Dog Whisperer, Cynologist and Author, living on Vancouver Island, off the west coast of British Columbia, in Canada, who believes that all humans and dogs can live together in harmony. She and her dog whispering team, which includes an 8-year-old Shih Tzu named Boris, teach dog psychology to humans, to help alleviate problem behaviors that arise between humans and their canine counterparts so that everyone can live a happy and stress-free life together. Covered in this book: - Bad treats and snacks- Before you buy- Caring for your aging dog- Choosing the right dog- Daily care- Feeding- Finding a breeder- Good treats and snacks- Grooming- Health and common health problems- House training- Medical care & safety- Poisonous Foods & Plants- Pros and Cons- Puppy proofing your home- Temperament- The first weeks- Training- Vital statistics.... and much more

Puppy Socialization: What It Is and How to Do It defines and demystifies the most important thing you can do for your puppy: socialization. The authors don't just tell you what you need to know about socialization. They show you with dozens of photographs and exclusive linked videos (a live internet connection is needed to view the videos). You'll see other owners socialize their puppies under the guidance of a nationally certified dog trainer and behavior consultant. These real-life examples of socialization show you what to do when things go well and when they don't go so well. You'll learn about: • The magical time. Did you know that there is a special time in a puppy's life when he is primed to accept new things? The authors tell you when that time is, when that socialization window starts closing, and how a little effort by an owner during that time can save heartache later. • Canine body language. Puppies and dogs are talking all the time—with their body language. Learn to tell when a puppy or dog is relaxed and happy, a bit nervous about something, or outright fearful. • Myth-busting. There's a lot of advice out there about socialization and not all of it is good. Some common myths can

actually cause a puppy harm. The authors give you the most up-to-date information on puppy socialization and put some harmful myths to rest. • Socializing a puppy during COVID-19. Puppies have so much to get used to: people, environments, noises, and more. The authors provide strategies for keeping humans and puppies safe while socializing puppies, even during the COVID-19 pandemic. • What supplies are needed during socialization. The authors provide checklists of things owners need when socializing a puppy at home and away from home.

Cesar Millan—nationally recognized dog expert—helps you see the world through the eyes of your dog so you can finally eliminate problem behaviors. From his appearances on The Oprah Winfrey Show to his roster of celebrity clients to his reality television series, Cesar Millan is America's most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology. Tracing his own amazing journey from a clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In Cesar's Way, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying relationships with your canine companions. Cesar's formula for a contented and balanced dog seems impossibly simple: exercise, discipline, and affection, in that order. Taking readers through the basics of dog psychology and behavior, Cesar shares the inside details of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected. You'll learn: • What your dog really needs may not be what you're giving him • Why a dog's natural pack instincts are the key to your happy relationship • How to relate to your dog on a canine level • There are no "problem breeds," just problem owners • How to choose a dog who's right for you and your family • The difference between discipline and punishment • And much more! Filled with fascinating anecdotes about Cesar's longtime clients, and including forewords by the president of the International Association of Canine Professionals and Jada Pinkett Smith, this is the only book you'll need to forge a stronger, more rewarding

connection with your four-legged companion.

The celebrity dog trainer and Emmy-winning star of the CBS show Lucky Dog shares his training system to transform any dog—from spoiled purebred puppy to shelter-shocked rescue—into a model companion in just seven days. Each week on Lucky Dog, Brandon McMillan rescues an untrained, unwanted, "unadoptable" shelter dog. In the days that follow, these dogs undergo a miraculous transformation as they learn to trust McMillan, master his 7 Common Commands, and overcome their behavior problems—ultimately becoming well-mannered pets and even service dogs. With his labor of love complete, McMillan unites each dog with a forever family. Now, in his first book, McMillan shares the knowledge he has gained working with thousands of

dogs of every breed and personality to help readers turn their own pets into well-trained Lucky Dog graduates. Lucky Dog Lessons begins with the basics—building trust, establishing focus and control, and mastering training techniques. From there, McMillan explains his playful, careful, and kind approach to training the 7 Common Commands he teaches every dog: SIT, STAY, DOWN, COME, OFF, HEEL, and NO. Next, McMillan provides solutions to common canine behavior problems, including house training issues, door dashing, chewing, barking, and common mealtime misbehaviors. Lucky Dog Lessons includes easy-to-follow steps, illustrative examples, tried-and-true tips and tricks, and photographs to demonstrate each technique. Throughout the book, McMillan shares inspiring stories about his favorite students and gives fans a behind-the-scenes look at the show and some of his most unique and challenging canine encounters, including some never-before-seen outtakes. Brandon McMillan believes that no dog is beyond saving, and the loving, positive, successful methods he offers will work wonders with even the most challenging dog. How to raise the perfect puppy A revolution for dogs: Very few dog trainers have not been influenced by Dr. Ian Dunbar's dog-friendly philosophy. In the 1970s, Dr. Ian Dunbar sparked a dramatic shift in puppy training — away from leash corrections and drill-sergeant adult dog training classes based on competitive obedience and toward a positive approach using toys, treats, and games as rewards for teaching basic manners, preventing behavior problems, and modifying temperament. Before Dr. Dunbar there were no classes for puppy training, very few family dog classes, and not much fun in dog training. His positive approach revolutionized the dog training field, especially puppy training. Raising a great dog: Now, in *Before and After Getting Your Puppy*, Dr. Ian Dunbar combines his two popular puppy training manuals into one indexed, value-priced hardcover dog training book. In clear steps, with helpful photos and easy-to-follow puppy training milestones, he presents a structured yet playful and humorous plan for raising a wonderful dog. Dr. Dunbar's guide is based around six developmental milestones: Your doggy education Evaluating puppy's progress Errorless housetraining and chewtoy-training Socialization with People

The controversial story of one infamous breed of dog--a New York Times Bestseller ("Animals" list). When Bronwen Dickey brought her new dog home, she saw no traces of the infamous viciousness in her affectionate pit bull. Which made her wonder: How had the breed--beloved by Teddy Roosevelt and Helen Keller--come to be known as a brutal fighter? Dickey's search for answers takes her from nineteenth-century New York dogfighting pits to early twentieth-century movie sets, from the battlefields of Gettysburg to struggling urban neighborhoods. In this illuminating story of how a popular breed became demonized--and what role humans have played in the transformation--Dickey offers us an insightful view of Americans' relationship with their dogs.

Pit Bulls are an often misunderstood breed because of their strong physique and history of poor treatment. These dogs are commonly believed to be aggressive watchdogs when their true temperament is the complete opposite. Pitbulls are sweet, gentle dogs that make excellent family pets. They love to play and have fun, and with proper care, would never have a reason to hurt the humans in their life. In fact, Pitbulls are frequently referred to as "nanny dogs" because of how great they are with kids. Once you get to know a Pitbull, you'll find that they are a perfect addition to your family. The Complete Guide to Pit Bulls is written for the busy new owner who needs to quickly and easily learn everything they NEED to know as they embark on their ownership journey.

This comprehensive guide answers every question you may have including: Is a Pit Bull the right dog for me? I brought my Pit Bull

home. What now? How can I best train my Pit Bull? What are some common mistakes should I avoid? No matter how fun and easy-going this breed is, there's a lot you'll need to know about Pitbulls before you bring your new best friend home. The first few chapters will introduce you to the breed and help you find the perfect pup. You'll continue on reading to find out everything you'll need to know as a new owner, including: Choosing a Pit Bull Preparing your Household for your Pit Bull Bringing Your Pit Bull Home Puppy Parenting Housetraining Socializing with People and Animals Pit Bulls and Your Other Pets Exercise Training your Pit Bull Dealing With Unwanted Behaviors Basic Commands Advanced Commands Traveling with Pit Bulls Grooming your Pit Bull Nutrition and Healthcare If you've never owned a Pit Bull before, this book will guide you through every life stage. Bringing a new dog into your home can be a lot of work, but this book is full of tips and tricks for creating a great relationship between owner and dog. Before long, you'll become confident in your ability to be the best owner to your new Pit Bull, and this sweet dog will show you so much affection in return!
