There are four, six-week studies in this series: MasterLife 1: The Disciple's Cross; MasterLife 2: The Disciple's Personality; MasterLife 3: The Disciple's Victory; and MasterLife 4: The Disciple's Mission. It is recommended that participants complete all four studies in sequence. However, any of the four can be studied independently as a stand-alone study as well. The Leader Guide provides step-by-step guidance for facilitating a small-group study using all four MasterLife studies. Also includes instructions for leading brief workshops or retreats after each six-week study. Within the MasterLife process, participants will be encouraged to practice spending time with the Master; live in the Word; pray in faith; witness to the world; live victoriously; nurture new Christians; mature as a disciple; and learn other key disciplines of faith.

*Apprenticeship with Jesus* Zondervan

Discipleship is fundamental to the Christian experience. Jesus called and trained his disciples and commissioned them to go and make disciples of others (Matthew 28:19-20). That command compels Christians today and is the primary task of the Church. This course is designed to help you fulfill Christ's call to -come and follow me- (Matthew 16:24). These 34 lessons provide the foundational beliefs and behaviors of a mature disciple. Even though this course was created for new Christians, those who have not been intentionally disciplined will grow through these lessons. You can use this as a foundation for your own personal Bible study or better yet, study with another Christian or in a group of fellow believers to grow in your knowledge of the Bible and live as mature disciples of Jesus.

"Take time and trouble to keep yourself spiritually fit." — 1 Tim. 4:7, J. B. Phillips Translation As J. Oswald Sanders points out, true discipleship is more than intellectual assent to a belief in Christ; it involves the whole person and lifestyle. True disciples pursue their Master. They know that God is watching over their faith, but they also take Scripture's command seriously: "work out your own salvation with fear and trembling, for it is God who works in you." They take pains, by His power, to look more and more like Jesus. This book will help you to be such a disciple. It examines Jesus' teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. You'll learn: The profile of an ideal disciple Conditions for discipleship The tests that disciples endure How disciples pray and grow The posture and practices of a disciple And more For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. Includes questions for reflection, ideal for both individual and group study.

*Core 52* Lifeway Church Resources

If you are serious about being a disciple of Jesus Christ—really, truly serious—a discipleship group can help you achieve that goal. Jesus established this model for us by forming and leading the first discipleship group—and it worked. The men who emerged from that group took the gospel to the world and ultimately laid down their lives for Christ. Discipleship groups can create an atmosphere for fellowship, encouragement, and accountability—building an environment where God can work. In *Growing Up: How to Be a Disciple Who Makes Disciples*, Robby Gallaty presents a practical, easy-to-implement system for growing in one's faith. This guide offers a manual for making disciples, addressing the what, why, where, and how of discipleship. D-Groups, as Gallaty calls them, can teach you and others how to grow your relationship with God, how to defend your faith, and how to guide others in their relationships with God. *Growing Up* provides you with an interactive manual and resource for creating and working with discipleship groups, allowing you to gain positive information both for yourself and for others as you learn how to help others become better disciples for Christ.
