Don't miss the inspirational biography behind the exciting new Lifetime movie *Aaliyah: The Princess of R&B*, starring Alexandra Shipp as the extraordinary singer Aaliyah. Aaliyah Dana Haughton was that music business rarity: a teen idol who transformed herself into a critically acclaimed hip-hop soul artist, a singer who successfully made the transition to actress, and a beautiful woman who never let the trappings of celebrity go to her head. Following her impressive debut at age fourteen with the album *Age Ain't Nothin' but a Number*, Aaliyah raised the bar with her hugely influential and bestselling follow-up, *One in a Million*. She then took her talents to Hollywood, starring in the action thriller *Romeo Must Die* and the highly anticipated horror film *The Queen of the Damned*. But soon after the release of her third album in the summer of 2001, Aaliyah's life was cut short in a tragic plane crash. Here is the inspirational story of the star *The Washington Post* dubbed "Hip-Hop's Lady Di"—a woman who, by the time of her death at age twenty-two, touched legions of fans around the world with her haunting voice and gentle spirit.

Gimme Some Sugar Scarecrow Press

There were good times and bad times, but in the beginning there were more good times. When I first met Candy those were the days of juice, when

everything was bountiful. Only much later did it all start to seem like sugar and blood, blood and sugar...It's like you're cruising along in a beautiful car on a pleasant country road with the breeze in your hair and the smell of eucalyptus all around you. The horizon is always up there ahead, unfolding towards you, and at first you don't notice the gradual descent, or the way the atmosphere thickens. Bit by bit the gradient gets steeper, and before you realise you have no brakes, you're going pretty fucking fast.' Candy is a love story. It is also a novel about addiction. From the heady narcissism of the narrator's first days with his new lover, Candy, and the relative innocence of their shared habit, Candy charts their decline. Candy becomes a prostitute, the narrator becomes a scam artist, and smack becomes the total and only focus of their lives. But this is not just another junkie novel: Davies is a very fine writer and Candy is confronting, painful, sexy, tender and at times darkly hilarious. A remarkable novel.

Encyclopedia of Sports Films Garden City, N.Y. : Doubleday, Doran, Incorporated

In 1971, Egil "Bud" Krogh was summoned to a closed-door meeting by John Ehrlichman, his mentor and key confidant of President Richard Nixon, in a secluded office in the Western White House. Krogh thought he was walking into a meeting to discuss the drug control program launched on his most recent trip to South Vietnam. Instead, he was handed a file and the responsibility for the SIU, Special Investigations Unit, later to become notorious as "The Plumbers." The unit was to investigate the leaks of top-secret government documents, particularly the Pentagon Papers, to the press. The president

considered this task critical to national security. Nixon said he wanted the unit headed up by a "real son of a bitch." He got the studious, zealous, and loyal-to-a-fault Bud Krogh instead. In that instant, Krogh was handed the job that would lead to one of the most famous conspiracies in presidential history and the demise of the Nixon administration. Integrity is Krogh's memoir of his experiences—of what really went on behind closed doors, of how a good man can lose his moral compass, of how exercising power without integrity can destroy a life. It also tells the moving story of how he turned his life back around. For anyone interested in the ethical challenges of leadership, or of professional life, Integrity is thought-provoking and inspiring reading.

Disney A to Z Vintage

What it's really like on the frontline of humanitarian aid It's the early 1990s and three young people are looking to change their lives, and perhaps also the world. Attracted to the ambitious global peacekeeping work of the UN, Andrew, Ken and Heidi's paths cross in Cambodia, from where their fates are to become inextricably bound. Over the coming years, their stories interweave through countries such as Rwanda, Bosnia, Somalia and Haiti - war-torn, lawless places where the intervention of the UN is needed like nowhere else. Driven by idealism, the three struggle to do the best they can, caught up in an increasingly tangled web of bureaucracy and ineffectual leadership. As disillusionment sets in, they attempt to keep hold of their humanity through black humour, revelry and 'emergency sex'. Brutal and moving in equal measure, *Emergency Sex (And Other Desperate Measures)* explores pressing global issues while never losing a sense

of the personal. Deeply critical of the West's indifference to developing countries and the UN's repeated failure to intervene decisively, the book provoked massive controversy on its initial publication. Kofi Annan called for the book to be banned, and debate was sparked about the future direction of the UN. Brilliantly written and mordantly funny, it is a book that continues to make waves.

City Primeval Emerge Publishing Group Llc

In this reference volume, more than 200 fictional feature-length movies with a primary focus on an athletic endeavor are discussed, including comedies, dramas, and biopics. Brief summaries and credit information are provided for an additional 200 films, and appendixes include made-for-television movies and documentaries.

Coming in December 2020, *Acursian* is the first comic featuring John Barrowman, who stars in the comic as Charlie, from his many on-screen roles, including as Captain Jack Harkness on

Torchwood and *Doctor Who*. In addition to John Barrowman, the series features a creative team that includes Carole Barrowman, John's older sister, as well as Erika Lewis, who has previously collaborated with the Barrowman siblings as a producer on G4's "Attack of the Show!" *Acursian* also features art by Beni Lobel as well as designs by Tommy Lee Edwards. Starring John Barrowman, *Acursian* is a time-traveling magical journey set between 1745 and present day that follows Charlie Stewart, a dislikeable lawyer whose bloodline is cursed by the Gods after Charlie's ancestor, Prince Charles Edward Stewart, makes a deal with Bregon, the god of war. The exchange quickly backfires with Bregon stealing three talismans from his sisters, the goddesses of fate and time, and a battle soon ensues. Until the talismans are returned, the three sisters can no longer control fate and time, and Charles Edward Stewart and his descendants are cursed to lose everything on their 40th birthdays

* #1 NEW YORK TIMES BESTSELLER * #1 INTERNATIONAL BESTSELLER * MORE THAN 2 MILLION COPIES SOLD! A

heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She

endured extensive at-home makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn’t tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I’m Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I’m Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

One of the most successful and popular artists to work in comics, Jim Lee is revered by fans worldwide thanks to his hyper-dynamic artwork and innovative character and costume design. Now, his work on *Batman* and *Superman* — not to mention his legion of *WildStorm* heroes including *WildC.A.T.s*, *Divine Right* and *Deathblow* — is celebrated in this beautiful hardback, which includes an exclusive interview with Jim Lee, a tour of his studio and hundreds of full-colour illustrations and pencils spanning his entire career! Plus an all-new cover by

Lee and an exclusive, all-new eight-page comic strip, written by Paul Levitz (*Legion of Super-Heroes*) with art by Lee! *Aaliyah* Crown

They say Bethany Hamilton has saltwater in her veins. How else could one explain the tremendous passion that drives her to surf? How else could one explain that nothing - not even the loss of her arm in a horrific shark attack - could come between her and the waves? That Halloween morning in Kauai, Hawaii Bethany responded to the shark's stealth with a calmness beyond belief. Pushing pain and panic aside, she immediately thought: 'Get to the beach...' Rushed to the hospital, where her father, Ted Hamilton, was about to undergo knee surgery, Bethany found herself taking his spot in the operating theatre. When the first thing Bethany wanted to know after surgery was 'When can I surf again?' it became clear that her unfaltering spirit and determination were part of a greater story - a tale of courage and faith that this modest and soft-spoken girl would come to share with the world.

The Adventures of the Gray Hat Hacker Independently Published

"Thoughtfully traces [Mara Wilson's] journey from child actress to Hollywood dropout...Who is she now? She's a writer." —NPR's "Guide To 2016's Great Reads" "Growing up, I wanted to be Mara Wilson. *Where Am I Now?* is a delight." —Ilana Glazer, cocreator and star of *Broad City* Named a best book of the month by GoodReads and Entertainment Weekly A former child actor best known for her starring roles in *Matilda* and *Mrs. Doubtfire*, Mara Wilson has always felt a little young and out of place: as the only kid on a film set full of adults, the first daughter in a house full of boys, a Valley girl in New York and a neurotic in California, and a grown-up

the world still remembers as a little girl. Tackling everything from what she learned about sex on the set of *Melrose Place*, to discovering in adolescence that she was no longer “cute” enough for Hollywood, these essays chart her journey from accidental fame to relative (but happy) obscurity. They also illuminate universal struggles, like navigating love and loss, and figuring out who you are and where you belong. Candid, insightful, moving, and hilarious, *Where Am I Now?* introduces Mara Wilson as a brilliant new chronicler of the experience that is growing up female.

Worldviews Allen & Unwin

In 2008, the broadcast networks, cable channels and syndication produced nearly 1,100 new and continuing entertainment programs—the most original productions in one year since the medium first took hold in 1948. This reference book covers all the first run entertainment programs broadcast over the airwaves and on cable from January 1 through December 31, 2008, including series, specials, miniseries, made-for-television movies, pilot films, Internet series and specialized series (those broadcast on gay and lesbian channels). Alphabetically arranged entries provide storylines, performer/character casts, production credits, day/month/year broadcast dates, type, length, network(s), and review excerpts.

You Look Like That Girl PublicAffairs
Kirkus Reviews, "11 Debuts You Need to Pay Attention To" HelloGiggles, "Books you don't want to miss" Bustle, "Books you need to know" An ambitious debut, at once timely and timeless, that captures the complexity and joys of modern womanhood. This novel is gem like—in its precision, its many facets, and its containing multitudes. Following in the footsteps of Virginia Woolf, Rona

Jaffe, Maggie Shipstead, and Sheila Heti, Jana Casale writes with bold assurance about the female experience. We first meet Leda in a coffee shop on an average afternoon, notable only for the fact that it's the single occasion in her life when she will eat two scones in one day. And for the cute boy reading *American Power* and the *New Mandarins*. Leda hopes that, by engaging him, their banter will lead to romance. Their fleeting, awkward exchange stalls before flirtation blooms. But Leda's left with one imperative thought: she decides she wants to read Noam Chomsky. So she promptly buys a book and never—ever—reads it. As the days, years, and decades of the rest of her life unfold, we see all of the things Leda does instead, from eating leftover spaghetti in her college apartment, to fumbling through the first days home with her newborn daughter, to attempting (and nearly failing) to garden in her old age. In a collage of these small moments, we see the work—both visible and invisible—of a woman trying to carve out a life of meaning. Over the course of her experiences Leda comes to the universal revelation that the best-laid-plans are not always the path to utter fulfillment and contentment, and in reality there might be no such thing. Lively and disarmingly honest, *The Girl Who Never Read Noam Chomsky* is a remarkable literary feat—bracingly funny, sometimes heartbreaking, and truly feminist in its insistence that the story it tells is an essential one.
