With a heartwarming story and tender illustrations, Jeanette Bradley's debut picture book *Love, Mama* is perfect for Valentine's Day, Mother's Day, and any day when a child needs a reminder of the strength of a mother's love. When Mama leaves her young penguin Kipling, he knows she'll return home soon—yet he still can't help but miss her. After all, Pillow Mama won't read, Picture Mama won't laugh, and Snow Mama is too cold to cuddle. But then Kipling receives a special delivery from Mama, including a note that reads: My love for you stretches across the wide ocean, through day and night, from earth to sky

and back again. And Kipling knows that no matter where Mama is, he is loved. Soon, Mama comes home, and Kipling ends the day where he belongs—right in her arms.

Children can turn the peek-through pages to help the little critters find their mommies -- a perfect bedtime read-along! Little critters such as a butterfly, snail, and ladybug tell readers what they love about their mommies. As children turn the peek-through pages, they'll help each baby find their mommy! Filled with gorgeous artwork that camouflages the moms, the pages are die-cut so that the found mom is a raised piece that kids can touch. When the page is turned, the piece fits into a scooped cutout on the opposite page. With sweet, rhyming text that details what the babies love about their mommies, this is an ideal read-aloud for Mother's Day, as well as a great gift for baby showers and first birthdays.

The work of the linguist Charles A. Ferguson spans more than three decades, and is remarkable for having been consistently at the forefront of scholarship on the relationship between language and society. This volume collects his most influential and seminal papers, each having expanded the parameters of sociolinguistics and the sociology of language. Taken together, they cover a wide range of topics and issues, and, more importantly, reflect the intellectual progress of a founder of the sociolinguistic field. The

volume is divided thematically into four sections, and an introduction by Thom Huebner outlines the evolution of Ferguson's ideas and the impact they have had on other scholars. This book is essential reading for everyone interested in the field of sociolinguistics.

A little girl stays home with Mama when Mommy goes off on a work trip in this tender, inviting story that will resonate with every child who has missed a parent. For one little girl, there's no place she'd rather be than sitting between Mama and Mommy. So when Mommy goes away on a work trip, it's tricky to find a good place at the table. As the days go by, Mama brings her to the library, they watch movies, and all of them talk on the phone, but she still misses Mommy as deep as the ocean and as high as an astronaut up in the stars. As they pass by a beautiful garden, the girl gets an idea . . . but when Mommy finally comes home, it takes a minute to shake off the empty feeling she felt all week before leaning in for a kiss. Michael L. Printz Award winner Nina LaCour thoughtfully renders a familiar, touching story of a child who misses a parent, illustrated by Kaylani Juanita, whose distinctive style brings charm and playfulness to this delightful family of three.

When a young boy and his mother travel overseas to her childhood home in Korea, the town is not as he imagined. Will he be able to see it the way Mommy does? This gentle, contemplative picture book about family origins invites us to ponder the meaning of home. A young boy loves listening to his mother describe the place where she grew up, a world of tall mountains and friends splashing together in the river. Mommy's stories have let the boy visit her homeland in his thoughts and dreams, and now he's old enough to travel with her to see it for himself. But when mother and son arrive, the town is not as he imagined. Skyscrapers block the mountains, and crowds hurry past. The boy feels like an outsider—until they visit the river where his mother used to play, and he sees that the spirit and happiness of those days remain. Sensitively pitched to a child's-

eye view, this vivid story honors the immigrant experience and the timeless bond between parent and child, past and present. English Spanish Books: My Mom Is the Best. Mi Mama Es la Mejor Candlewick Press

Amy had always wondered what it would be like to visit her Mom and Grandmas homeland. She had heard of her distant relatives, the place which was considered a majestic paradise and the strange folklore of a witch who eliminated her husband. More than all, she not only wanted to see but taste the rich, exotic food that had many times graced her table and been prepared by her Grandma Una. Amy longed to bask in the music that so often called her Mom and Grandma Una.
