This book is a career resource that contains a treasure trove of straightforward, pithy job search and career advice, 125 tips, and stories from an employment expert./ Economies had barely recovered from the Great Recession of 2008 when the COVID-19 pandemic moved swiftly around the world threatening to devastate global economies and their populations yet again. Inevitably, unemployment followed. Anyone looking for employment or a promotion in a mercurial economic environment can find useful tips and information in Your GPS to Employment Success: How to Find and Succeed in the Right Job. This book is a career resource that contains a treasure trove of straightforward, pithy job search and career advice, 125 tips, and stories from an employment expert. It is a career advancement and networking guide that also identifies inconvenient truths that are not commonly known but are helpful to have in your career toolkit. Your GPS to Employment Success also addresses: The importance of preparing mentally, physically, and emotionally for a roller-coaster job search. How to adopt NBA star forward LeBron James's career strategy for personal career goals. How to develop a career plan and strategy, and the need to execute a career strategy How to look for employment in a virtual world. How a former NFL athlete asked a stranger for help and changed the trajectory of his life. The author also provides a career toolkit that contains informative, time-saving material.

Go ahead . . . ask her anything Over the radio and now on her popular TV talk show, Wendy Williams has always been approached for her blunt, in-your-face words of advice. How's she doin'? "Ask Wendy" has become more than just a fan-favorite TV segment; it's her calling card. Wendy has helped her viewers cope with everything from backstabbing girlfriends and deadbeat boyfriends to crazy mothers-in-law and jealous coworkers. Fans trust Wendy, even when her advice is tough to hear. She's earned her reputation as "the friend in your head." On TV Wendy only has a few minutes to respond to each audience member, but in Ask Wendy she goes deeper, answering questions sourced from viewers across the country. No question is off-limits and no situation is too outrageous for her to take on. Wendy shoots straight from those womanly hips of hers to help you manage all the crazy that comes into your life— keepin' it real by drawing on the personal experiences that have shaped her unique perspective. Wendy reveals never-before shared intimate secrets about struggling with weight, navigating rough times in her

marriage, and learning to accept herself. Along with the usual girlfriend, boyfriend, and family drama, Wendy straight-talks on topics like style, body image, and office etiquette, and of course she tackles your wildest sex questions. If you've dealt with it, Wendy has a solution for it. Filled with fun personality quizzes, Wendy's laugh-out-loud anecdotes, and tons of spot-on advice, Ask Wendy will help readers to end the drama in their lives.

Faith Driven Entrepreneur Corwin Press

The definitive report on what caused America's economic meltdown and who was responsibleThe financial and economic crisis has touched the lives of millions of Americans who have lost their jobs and their homes, but many have little understanding of how it happened. Now, in this very accessible report, readers can get the facts. Formed in May 2009, the Financial Crisis Inquiry Commission (FCIC) is a panel of 10 commissioners with experience in business, regulations, economics, and housing, chosen by Congress to explain what happened and why it happened. This panel has had subpoena power that enabled them to interview people and examine documents that no reporter had access to. The FCIC has reviewed millions of pages of documents, and interviewed more than 600 leaders, experts, and participants in the financial markets and government regulatory agencies, as well as individuals and businesses affected by the crisis. In the tradition of The 9/11 Commission Report, "The Financial Crisis Inquiry Report" will be a comprehensive book for the lay reader, complete with a glossary, charts, and easy-to-read diagrams, and a timeline that includes important events. It will be read by policy makers, corporate executives, regulators, government agencies, and the American people.

Ridge Review McGraw Hill Professional

THE MUST-HAVE GUIDE TO MENTORING For managers. For entry level. For executives. For entrepreneurs. For everyone. With job mobility increasing, globalization expanding, and technology advancing, you need more than a steady job and a solid network to keep your career on track. You need mentors--to learn and to grow--whether you're just starting out, are firmly established, or at the top of your profession. Everyone has something to learn, and everyone has something to teach. Introducing Strategic Relationships at Work: The first comprehensive mentoring guide written specifically for 21st-century career building, this entrepreneurial approach to work relationships addresses the key issues of our time: Job Mobility: How to make personal connections you can transfer from job to job Globalization: What you can learn from new mentors in a larger global context Technology: How to engage with the latest advances in social media and technology Pace of Change: What you can do to keep up--with a little help from your friends Using simple tools and proven strategies, this essential guide shows you how to leverage the relationships you already have to map out a new

developmental network that grows with your career. You'll learn the secrets of companies with excellent developmental cultures, including IBM, Procter & Gamble, Sodexo, and KPMG. You'll discover the most effective ways to develop new talent in your workplace through formal programs that leverage mentors, sponsors, coaches, reverse mentors, and mentoring circles. You'll learn how leaders create work cultures where both formal and informal mentoring thrive. And you'll find handy charts and checklists to assess your work, your relationships, and your career path. MENTORING FOR THE NEW MILLENNIUM Whether you plan to move in and out of the workforce, make lateral or nontraditional career moves, or simply want to learn or teach new skills, Strategic Relationships at Work will help you take control of your destiny--and build the career or company that you envision. This powerful guide helps you leverage your interpersonal skills using the most effective tools available. You'll find ready-to-use checklists and worksheets, self-assessments, reflective exercises, graphs, charts, and other visual tools to map out your own personal network of developers inside and outside of work. This is how you build a career that grows along with you. This is Strategic Relationships at Work. "Receiving and providing mentoring are crucial for professional growth at any age, but too often we leave these learning opportunities to chance. This much-needed book offers a smart, practical plan for taking charge of our own development by building authentic relationships throughout our careers." -- JOHN R. RYAN, President and CEO, Center for Creative Leadership "Murphy and Kram show us why you can't go it alone--no matter how talented or hardworking you are--and that the best route to cultivating great mentors is learning to be a great mentee." -- SHEILA HEEN, coauthor of Thanks for the Feedback and Difficult Conversations "A perennial resource for people at all phases of their careers." -- RANDY EMELO, President and CEO, Triple Creek River "Life is tough enough--make it easier by reading this book and following the authors' insights." -- RICHARD BOYATZIS, PhD, coauthor of Primal Leadership

Strengthen programs of family and community engagement to promote equity and increase student success! When schools, families, and communities collaborate and share responsibility for students' education, more students succeed in school. Based on 30 years of research and fieldwork, the fourth edition of the bestseller School, Family, and Community Partnerships: Your Handbook for Action, presents tools and guidelines to help develop more effective and more equitable programs of family and community engagement. Written by a team of well-known experts, it provides a theory and framework of six types of involvement for action; up-to-date research on school, family, and community collaboration; and new materials for professional

development and on-going technical assistance. Readers also will find: Examples of best practices on the six types of involvement from preschools, and elementary, middle, and high schools Checklists, templates, and evaluations to plan goal-linked partnership programs and assess progress CD-ROM with slides and notes for two presentations: A new awareness session to orient colleagues on the major components of a research-based partnership program, and a full One-Day Team Training Workshop to prepare school teams to develop their partnership programs. As a foundational text, this handbook demonstrates a proven approach to implement and sustain inclusive, goal-linked programs of partnership. It shows how a good partnership program is an essential component of good school organization and school improvement for student success. This book will help every district and all schools strengthen and continually improve their programs of family and community engagement.

Feminism Confronts Homo Economicus Living in the Village Talking about money sucks; but so does being broke. Do your eyes glaze over just thinking about the mumbo-jumbo of finance? Do you break out into hives at the thought of money? Well, sister, you are not alone. In RICH BITCH, money expert and financial journalist Nicole Lapin lays out a 12-Step Plan in which she shares her experiences, mistakes and all, of getting her own finances in order. No lecturing, just help from a friend. And even though money is typically an off-limits conversation, nothing is off-limits here. Lapin rethinks every piece of financial wisdom you've ever heard and puts her own fresh, modern, sassy spin on it. Sure, there are some hard-and-fast rules about finance, but when it comes to your money, the only person who can spend it is you. Should you invest in a 401(k)? Maybe not. Should you splurge on that morning latte? Likely yes. Instead of nickel-and-diming yourself, Nicole's advice focuses on investing in yourself so you don't have to stress over the little things. But in order to do that, you have to be able to speak the language of money. After all, money is a language like anything else, and the sooner you can join the conversation, the sooner you can live the life you want, RICH BITCH rehabs whatever bad habits you might have and provides a plan you can not only sustain, but thrive with. It's time to go after the rich life you deserve, and confident enough to call yourself a RICH BITCH.

Middlebury College Magazine Business Expert Press

The personal, household, and consumer finance field is growing quite rapidly, especially as universities and policy makers see the need for additional research and clinical application in this dynamic area of study. Currently, the profession is advancing towards the stage where professional practice becomes increasingly evidenced-based. Financial Planning and Counseling Scales provides educators, researchers, students, and practitioners with a much needed review of reliable and valid personal assessment scales and instruments that can be used for both research and clinical practice. In addition to presenting actual scales and instruments with applicable psychometric details, the book also includes an overview of measurement issues and psychometric evaluation.

The Stanford Alumni Directory Marquis Who's Who

A groundbreaking look at marriage, one of the most basic and universal of all human institutions, which reveals the emotional, physical, economic, and sexual benefits that marriage brings to individuals and society as a whole. The Case for Marriage is a critically important intervention in the national debate about the future of family. Based on the authoritative research of family sociologist Linda J. Waite, journalist Maggie Gallagher, and a number of other scholars, this book's findings dramatically contradict the anti-marriage myths that have become the common sense of most Americans. Today a broad consensus holds that marriage is a bad deal for women, that divorce is better for children when parents are unhappy, and that marriage is essentially a private choice, not a public institution. Waite and Gallagher flatly contradict these assumptions, arguing instead that by a broad range of indices, marriage is actually better for you than being single or divorced—physically, materially, and

spiritually. They contend that married people live longer, have better health, earn more money, accumulate more wealth, feel more fulfillment in their lives, enjoy more satisfying sexual relationships, and have happier and more successful children than those who remain single, cohabit, or get divorced. The Case for Marriage combines clearheaded analysis, penetrating cultural criticism, and practical advice for strengthening the institution of marriage, and provides clear, essential guidelines for reestablishing marriage as the foundation for a healthy and happy society. "A compelling defense of a sacred union. The Case for Marriage is well written and well argued, empirically rigorous and learned, practical and commonsensical." -- William J. Bennett, author of The Book of Virtues "Makes the absolutely critical point that marriage has been misrepresented and misunderstood." -- The Wall Street Journal www.broadwaybooks.com

New York Times bestselling author Nicole Lapin is back with a sassy and actionable guide empowering women to be the boss of their lives and their careers. You don't need dozens of employees to be a boss, says financial expert and serial entrepreneur Nicole Lapin. Hell, you don't even need one. You just need to find your inner Boss Bitch — your most confident, savvy, ambitious self — and own it. A Boss Bitch is the she-ro of her own story. She is someone who takes charge of her future and embraces being a "boss" in all aspects of the word: whether as the boss of her own life, family and career, the literal boss at work, or, as the boss of her own company. Whichever she chooses (or all three), a Boss Bitch is someone who gets out there and makes her success happen — and so can you. Lapin draws on raw and often hilariously real stories from her own career — the good, the bad, and the ugly — to show what it means to be a "boss" in twelve easy steps. In her refreshingly accessible and relatable style, she first shows how to embrace the "boss of you" mentality by seizing the power that comes from believing in yourself and expanding your skillset. Then she offers candid no-nonsense advice for how to kill it at as the "boss at work" whether you have a high-up role or not. And finally, for those who want to take the plunge as an entrepreneur, she lays out the nuts and bolts of how to be the "boss of your own business" from raising money and getting it off the ground to hiring a kickass staff and dealing office drama to turning a profit. Being a badass in your career is something that should be worn as a badge of honor, says Lapin. Here, she inspires us to rise to the occasion and celebrate our successes — and then keep killing it like the Boss Bitches we are!

"I'm excited about Faith Driven Entrepreneur. Anyone who is following the example of their creator God can find echoes of their work in this book." --Lecrae Entrepreneurship can be a lonely journey. But it doesn't need to be. God has a purpose and a plan for all those entrepreneurial dreams and creative gifts he gave you. The work you do today—the company you've built, the employees you work with, the customers you serve, the shareholders you report to, all of it—serves as an active part of what God wants to accomplish on earth. You are not alone in this journey. Join other faith-driven entrepreneurs as, together, we identify the values, habits, and traits that empower us to successfully build businesses, serve our communities, and faithfully pursue a loving relationship with God; read stories that exemplify how those values, habits, and traits unfold in everyday life; and discover the potential God wants to unleash through our work. Each book purchase includes access to the eight-session Faith Driven Entrepreneur video series, a discussion guide to encourage conversation among peers, and an invitation to join a Faith Driven Entrepreneur Group to meet other like-minded entrepreneurs.

Writing Your Journal Article in Twelve Weeks Harlequin

"The essays in this volume confront the inroads that economics has made into the legal academy.... Law and Economics uses principles of neoclassical economics to develop laws and social policies that maintain if not bolster current allocations of power."—from the Introduction The Law and Economics school has had a significant impact on the legal and governmental landscape in the United States. It posits a perfectly rational "economic man"—homo economicus—who is unconstrained by familial and communal ties and who can and should make decisions solely in light of considerations of economic value. Feminism Confronts Homo Economicus offers a major intervention in debates about how law has come under the influence of economic principles. Drawing on the latest thinking in the fields of feminist legal theory, critical legal studies, and feminist economics, the essays critique the notion that legal and policy decisions should be made solely through the lens of economics. While the contributors question the wholesale incorporation of the neoclassical economic model into legal analysis, they do not all discard economic analysis and theory. Situated at the intersection of feminism, law, and economics, Feminism Confronts Homo Economicus will appeal to scholars and students of these disciplines as well as policy analysts and social theorists interested in family, education, labor, and welfare.

he Color of Women is a literary collage created by the personal journeys of nine women of faith who were transformed through their pain. The authors share emotionally charged and heart wrenching experiences of shame, abuse, and adversity that will forever change the way you perceive life challenges. The transparency of the authors and their willingness to share stories, which most of us would only share with a best friend, is a love offering that encourages hope in the midst of life's most daunting circumstances.
