**The Florida Lighthouse Trail** Pineapple Press Inc

From Amelia Island to the Keys to Pensacola in the Panhandle, the coast of Florida is dotted with lighthouses of all sizes, shapes, materials, and - best of all - histories. The Florida Lighthouse Trail is a compilation of short histories, written by expert contributors from around the state. Each chapter has fascinating details about these great sentinels. Chock-full of information on dates of construction and operation, changes over time, and Fresnel lenses, this book also serves as a travel guide with directions and contact information for their support organizations. Paul Bradley's beautiful artwork richly illustrates each lighthouse. This new edition features substantially updated information, with the most up-to-date information for history buffs and prospective visitors. The Florida Lighthouse Trail also includes a history of the Florida Lighthouse Association, an extensive glossary, short biographies of the contributors, suggested reading, and an index.

**An American Association for State and Local History Guide to Making Public History**

Pineapple Press Inc

America's oldest city, St. Augustine, has its fair share of things that go bump in the night. With such a long and varied history, its no surprise that a few restless souls have stayed on long after their lives ended.

Lighthouse Secrets Pineapple Press Inc

Florida's lighthouses guide shipping south from the St. Marys River to the tip of the Keys, then north to Pensacola Bay. See some of Florida's oldest and most historic structures, with diverse styles of architecture and daymark designs, including the black-and-white bands of the St. Augustine Lighthouse and the spider-legged iron structures along the Florida Reef. This guide has been revised and updated from previous edition, with new photos of renovated lighthouses. It discusses four lighthouses not included in first edition.

**Submerged History** Charlesbridge

St. Johns County and St. Augustine are some of the earliest settled areas in the United States, and both are home to fascinating history. The area's story is filled with tales from Native Americans, early European settlers and modern-day Floridians. In some places, the habitants of those

historical moments have remained. From the Castillo de San Marcos to the Huguenot Cemetery and the authentic old drugstore, the city and the county are filled with fascinating and terrifying stories of lingering spirits. Join photojournalist couple Elizabeth and Bob Randall as they recount the stories of the things that haunt one of America's oldest regions.

**The Book Lover's Guide to Florida** Fyddeye Media

Using many photographs, the author reveals a fascinating piece of geography, Key Biscayne - America's southernmost barrier island.

**The Ancient City** HowExpert

This heavily illustrated book is written by top archaeologists who study Florida's sunken heritage in unique underwater sites. Learn from them the secrets at the bottom of springs and rivers, discover drowned prehistoric waterfront neighborhoods, paddle into the past on ancient canoes, swim across wrecked Spanish galleons and slave ships, record the contents of a Civil War troop transport, and study waterlogged artifacts in the laboratory. Submerged History takes readers on professionally guided tours along the broad spectrum of Florida's hidden, watery past to illustrate what these fascinating sites can reveal about the people who came before us.

This multi-functional reference is a useful tool to find information about history-related organizations and programs and to contact those working in history across the country.

*Wicked St. Augustine* Visible Ink Press

"Here is the book lover's literary tour of Florida, an exhaustive survey of writers, books, and literary sites in every part of the state. The state is divided into ten areas and each one is described from a literary point of view. You will learn what authors lived in or wrote about a place, which books describe the place, what important movies were made there, even the literary trivia which the true Florida book lover will want to know. You can use the book as a travel guide to a new way to see the state, as an armchair guide to a better understanding of our literary heritage, or as a guide to what to read next time you head to a bookstore or library."--Publisher.

**St. Augustine** Arcadia Publishing

The history and legends behind a number of Florida's haunted locations, including thorough background information on each locale and biographies of its ghostly residents, plus bone-chilling accounts taken from firsthand witnesses of spooky phenomena. Volume 1 locations include Key West's La Concha Hotel, the Everglades, Stetson University, and the Sunshine Skyway Bridge.

**National Parks** Rowman & Littlefield

Some of the oldest historic sites in the United States are in and around St. Augustine, Florida—the Ancient City. From Fort San Diego in the north to Dixie Highway in the south, this book will guide you to all the best places in mainland St. Johns County—as well as many more on Anastasia Island. And in the Ancient City itself, discover more than fifty sites—from the Castillo de San Marcos and the City Gate to the National Cemetery and Lincolnville. Based on professional historic surveys, this guide provides maps and directions as well as visitor information and accurate historical narrative for each site. You can easily follow the trail of four hundred years of history, as each section is organized geographically.

*Hidden History of Civil War Florida* Rowman & Littlefield

This is the heralded “definitive history” of Florida. No other book so fully or accurately captures the highs and lows, the grandeur and the craziness, the horrors and the glories of the past 500 years in the Land of Sunshine. Twenty-three leading historians, assembled by renowned scholar Michael Gannon, offer a wealth of perspectives and expertise to create a comprehensive, balanced view of Florida's sweeping story. The chapters cover such diverse topics as the maritime heritage of Florida, the exploits of the state's first developers, the astounding population boom of the twentieth century, and the environmental changes that threaten the future of Florida's beautiful wetlands. Celebrating Florida's role at the center of important historical movements, from the earliest colonial interactions in North America to the nation's social and political climate today, *The History of Florida* is an invaluable resource on the complex past of this dynamic state.

**Florida Lighthouses** Rowman & Littlefield

When Pedro Menéndez de Avilés founded St. Augustine in 1565, his New World survival kit included gambling, liquor and ladies for hire. For the next four hundred years, these three industries were vital in keeping the city financially afloat. With the cooperation of law enforcement and politicians, St. Augustine's madams, bootleggers and high-rollers created a veritable Riviera where tourists, especially the wealthy, could indulge in almost every vice and still bring the family along for a wholesome vacation picking oranges and gawking at alligators. Join historian Ann Colby's tour of spots not on the standard tourist map to discover hidden-in-plain-sight bordellos, speakeasies, casinos and the occasional opium den.

The Fyddeye Guide to America's Maritime History is a one-of-a-kind directory for tall ships, lighthouses, historic warships, maritime museums, and other attractions you can visit today that preserve, protect, and interpret our nation's maritime history. Use the Guide to plan a family trip, map out a heritage travel experience, research your local history, or find a heritage organization to help you discover the sea captain in your family tree. The Guide covers maritime history attractions in the Lower 48 states, Alaska, Hawaii, Puerto Rico, and the Virgin Islands. More than 200 authentic tall ships, many offering travel excursions and educational experiences lasting from an hour to several weeks. More than 300 historic commercial vessels, such as ferries, tugs, and steamboats, as well as warships, including battleships, aircraft carriers, destroyers, and small craft dating from the 18th century to the middle 20th century that you can visit. More than 750 photogenic lighthouses and lightships grouped by East Coast, West Coast, the Gulf Coast, and the Great Lakes. More than 260 family-friendly maritime museums in 37 states and the District of Columbia. Three maps with suggested itineraries for discovering lighthouses in New England, California, and Michigan. Special articles on the tall ship Lady Washington, forgotten steamboats on the Okanogan River, the best lighthouse books, and major maritime festivals. Twenty-five professional photos of key ships and other attractions. The Fyddeye Guide to America's Maritime History complements Fyddeye, <http://www.fyddeye.com>, the Internet's most comprehensive website dedicated to maritime history and heritage. Fyddeye also features an online community that discusses news about maritime history and current issues, including preservation of historic ships. You can also share photos and vote in polls on current events. Visit Fyddeye's pages on Facebook and follow Fyddeye on Twitter.

*St. Augustine and the Civil War* Rowman & Littlefield

The 2 volume-set of LNCS 12190 and 12191 constitutes the refereed proceedings of the 12th International Conference on Virtual, Augmented and Mixed Reality, VAMR 2020, which was due to be held in July 2020 as part of HCI International 2020 in Copenhagen, Denmark. The conference was held virtually due to the COVID-19 pandemic. A total of 1439 papers and 238 posters have been accepted for publication in the HCI 2020 proceedings from a total of 6326 submissions. The

71 papers included in these HCI 2020 proceedings were organized in topical sections as follows: Part I: design and user experience in VAMR; gestures and haptic interaction in VAMR; cognitive, psychological and health aspects in VAMR; robots in VAMR. Part II: VAMR for training, guidance and assistance in industry and business; learning, narrative, storytelling and cultural applications of VAMR; VAMR for health, well-being and medicine.

*Lighthouses of the South* Pineapple Press Inc

For more than two centuries, lighthouses have helped sailors find their way through treacherous waters, guiding them home or taking them safely through passages on their way to adventure. These historic towers and houses form a sparkling chain of lights along our coasts, a reminder of the past echoing with adventure and mystery, a lure for travelers looking for a glimpse into a romantic past. *American Lighthouses* offers more than just a tour of over 450 beautiful and historic navigational beacons dotting the coasts and lakes of the United States. This fully illustrated, one-of-a-kind handbook details their history and architecture and provides full information on visiting or viewing them.

**American Ghost Stories** Rowman & Littlefield

Gary Sanchez's teacher is taking their fourth-grade class 100 miles from home to the oldest city in the United States. Gary has so much fun, he wants his parents to bring him back for another visit! Established by Spain in 1565, St. Augustine, Florida, has a huge stone fort built over 300 years ago. Visitors to that fort get to see where the great Seminole war chief, Osceola, was kept prisoner. They also get to crawl into the old, windowless gunpowder room discovered when the United States took over the fort from Spain. Cannons still fire in this city, just as they did when invaders burned St. Augustine to the ground. On special days, men dressed as pirates and Spanish soldiers pretend to fight in the streets. Cool cemeteries, the oldest wooden schoolhouse in America, and a lighthouse with 219 steps make this ancient city one of the most interesting in the country.

**Florida's Ghostly Legends and Haunted Folklore: South and central Florida** Arcadia Publishing

The unique and often turbulent history of St. Augustine, America's oldest city, has spawned more than four hundred years' worth of ghosts. *Virtual, Augmented and Mixed Reality. Industrial and Everyday Life Applications* Arcadia Publishing Sporting the second-longest coastline in the United States, Florida has over 8,000 miles of sparkling beaches and waterfront property. This valuable landscape and the region's position between the Atlantic Ocean and the Gulf of Mexico made Florida key in the early expansion of American trade routes, but the state's several capes and dangerous reefs, rocks, and shoals made travel quite perilous to unwary mariners. When commerce and traffic began to grow between ports on the East Coast and along the Gulf of Mexico in the nineteenth century, it became necessary to construct aids to navigation along the state's long and treacherous coast. Lighthouses were the solution. Constructed in a variety of styles and sizes, Florida's lighthouses were erected on what, at the time, were some of the most desolate regions of the southeastern United States and included lonely offshore islands. Manned and inhabited by vigilant keepers and their families, these towers illuminated the dark seas and provided the beacon that guided lost travelers. Large brick structures watched over St. Augustine, Pensacola, and Ponce de Leon Inlet; iron skeletons towered over Crooked River and Hillsboro Inlet; and screwpile lighthouses stood as sentinels in the waters off the Florida Keys.
