**I Would Leave Me If I Could.** Penguin Award-winning songwriter Linda Thompson breaks her silence, sharing the extraordinary story of her life, career, and epic romances with two of the most celebrated, yet enigmatic, modern American superstars—Elvis Presley and Bruce Jenner For the last forty years, award-winning songwriter Linda Thompson has quietly led one of the most remarkable lives in show business. The longtime live-

in love of Elvis Presley, Linda first emerged into the limelight during the 1970s when the former beauty pageant queen caught the eye of the King. Their chance late-night encounter at a movie theater was the stuff of legend, and it marked the beginning of a whirlwind that would stretch across decades, leading to a marriage with Bruce Jenner, motherhood, and more drama than she ever could have imagined. Now, for the first time, Linda opens up about it all, telling the full story of her life, loves, and everything in between. From her humble beginnings in Memphis to her nearly five-year

relationship with Elvis, she offers an intimate window into their life together, describing how their Southern roots fueled and sustained Graceland's greatest romance. Going inside their wild stories and tender moments, she paints a portrait of life with the King, as raucous as it is refreshing. But despite the joy they shared, life with Elvis also had darkness, and her account also presents an unsparing look at Elvis's twin demons—drug abuse and infidelity—forces he battled throughout their time together that would eventually end their relationship just eight months before his

untimely death. It was in the difficult aftermath of Elvis's death that Linda found what she believed was her true home: the arms of Olympic gold medal—winner Bruce Jenner. Detailing her marriage to Bruce, Linda reveals the seemingly perfect life that they built with their two young sons—Brandon and Brody—before Bruce changed everything with a secret he'd been carrying his entire life, a secret that Linda herself kept for nearly thirty years, a secret that Bruce's transition to Caitlyn Jenner has finally laid bare for the world. Providing a candid look inside one of the most challenging moments of her life, Linda uncovers the struggles she went through as a woman and a mother, coming to terms with the reality of Bruce's identity and resolving to embrace him completely no matter what, even as it meant they could no longer be together. And yet, despite her marriage unraveling, her search for love was not over, eventually leading her to the legendary music producer and musician David Foster—a relationship that lasted for nineteen tumultuous years, resulting in a bond that spurred her songwriting career to new heights but also tested her like

never before. Filled with compelling and poignant stories and sixteen pages of photographs, *A Little Thing Called Life* lovingly recounts Linda's incredible journey through the years, bringing unparalleled insight into three legendary figures.

*Things I Should Have Said* Dial Press Trade Paperback

NEW YORK TIMES BESTSELLER Grammy Award-nominated, platinum-selling musician Halsey is heralded as one of the most compelling voices of her generation. In *I Would Leave Me If I Could*, she reveals never-before-seen poetry of longing, love, and the nuances of bipolar disorder. In this debut collection, Halsey bares her soul. Bringing the same artistry found in her lyrics, Halsey's poems delve into the highs and lows of doomed relationships, family ties, sexuality, and mental illness. More hand grenades than confessions, these autobiographical poems explore and dismantle conventional notions of what it means to be a feminist in search of power. Masterful as it is raw, passionate, and profound, *I Would Leave Me If I Could* signals the arrival of an essential voice. Book cover painting, *American Woman*, by

the author.

**Sweet Dreams Are Made of This** Grove Press

NATIONAL BESTSELLER • The personal and poignant debut poetry collection from the award-winning singer, songwriter, and producer revolves around the emotions, struggles, and experiences of finding your voice and confidence as a woman. "I've realized that some feelings can't be turned into a song . . . so I've started writing poems. Just like my songs, they are personal and honest. Just like my songs, they have hooks and rhymes. Just like my songs, they talk about what it's like to be twenty-something trying to navigate a wildly beautiful and broken world." Deeply emotional and candid, *Feel Your Way Through* explores the challenges and celebrates the experiences faced by Kelsea Ballerini as she navigates the twists and turns of growing into a woman today. In this book of original poetry, Ballerini addresses themes of family, relationships, body image, self-love, sexuality, and the lessons of youth. Her poems speak to the often harsh, and sometimes beautiful, onset of womanhood. Honest, humble, and ultimately hopeful, this collection reveals a

new dimension of Ballerini's artistry and talent.

*We're Pregnant! the First Time Dad's Pregnancy Handbook* Kings Road Publishing

Pop music surrounds us - in our cars, over supermarket speakers, even when we are laid out at the dentist - but how often do we really hear what's playing? Switched on Pop is the book based on the eponymous podcast that has been hailed by NPR, Rolling Stone, The Guardian, and Entertainment Weekly for its witty and accessible analysis of Top 40 hits. Through close studies of sixteen modern classics, musicologist Nate Sloan and songwriter Charlie Harding shift pop from the background to the foreground, illuminating the essential musical concepts behind two decades of chart-topping songs. In 1939, Aaron Copland published *What to Listen for in Music*, the bestseller that made classical music approachable for generations of listeners. Eighty years later, Nate and Charlie update Copland's idea for a new audience and repertoire: 21st century pop, from Britney to Beyoncé, Outkast to Kendrick Lamar. Despite the importance of pop music in contemporary

culture, most discourse only revolves around lyrics and celebrity. Switched on Pop gives readers the tools they need to interpret our modern soundtrack. Each chapter investigates a different song and artist, revealing musical insights such as how a single melodic motif follows Taylor Swift through every genre that she samples, André 3000 uses metric manipulation to get listeners to "shake it like a Polaroid picture," or Luis Fonsi and Daddy Yankee create harmonic ambiguity in "Despacito" that mirrors the patterns of global migration. Replete with engaging discussions and eye-catching illustrations, Switched on Pop brings to life the musical qualities that catapult songs into the pop pantheon. Readers will find themselves listening to familiar tracks in new ways and not just those from the Top 40. The timeless concepts that Nate and Charlie define can be applied to any musical style. From fanatics to skeptics, teenagers to octogenarians, non-musicians to professional composers, every music lover will discover something ear-opening in Switched on Pop.

*Queer Eye* Omnibus Press  
(Piano/Vocal/Guitar Songbook). 27

contemporary favorites for today's couples for piano, voice and guitar. This updated version includes: All of Me \* Can't Stop the Feeling \* From the Ground Up \* I Choose You \* I Get to Love You \* Love Someone \* Marry You \* Over and Over Again \* Perfect \* Rather Be \* Say You Won't Let Go \* A Thousand Years \* Yours \* and more.

**Toni Tennille** Rowman & Littlefield

The perfect gift for music lovers and Neil Young fans, telling the story behind Neil Young's legendary career and his iconic, beloved songs. "I think I will have to use my time wisely and keep my thoughts straight if I am to succeed and deliver the cargo I so carefully have carried thus far to the outer reaches."—Neil Young, from *Waging Heavy Peace* Legendary singer and songwriter Neil Young's storied career has spanned over forty years and yielded some of the modern era's most enduring music. Now for the first time ever, Young reflects upon his life—from his Canadian childhood, to his part in the sixties rock explosion with Buffalo Springfield and Crosby, Stills, Nash & Young, through his later career with Crazy Horse and numerous private challenges. An instant classic, *Waging Heavy Peace* is as

uncompromising and unforgettable as the man himself.

*Avedon* Hal Leonard Corporation

A portrait of singer Jerry Lee Lewis details his early life, music, controversial marriage, problems and decline, endurance, and revival in popularity.

**Life Will Be the Death of Me** Alien Ebooks

Close your eyes and picture -- just for a moment -- hell. Fire? Demons? Eternal torment? Well, yes -- that's the place, in one very hot nutshell. But that's not all there is to the forbidding world beneath us. For a few millennia now, we mortals have imagined and reimagined hell in countless ways: as a realm of damnation, as an inspiration for highest art, as a setting for the lowest of lowbrow comedy. One might conclude that for all our good intentions to enter paradise, we can't seem to get enough vivid details of its counterpart, hell. Provocative, colorful, and damned entertaining, *Go to Hell* takes readers on a tour of the underworld that is both darkly comical and seriously informative. From the frozen hell of the Vikings to the sun-drenched Cayman Islands' town of Hell (where tourists line up

to have their postcards aptly postmarked), from Dante's circles of hell to Buffy the Vampire Slayer's Hellmouth, *Go to Hell* embraces our evolving relationship with the sinner's final destination, revealing how we truly think of ourselves in this world. What's down below? Meet HEL, the hideous, half-rotting goddess of the Viking underworld. Beware the Egyptians' AM-MUT, an unsightly mix of lion, crocodile, and hippo parts, and insatiably hungry for wicked souls. Visit JIGOKU, a Buddhist realm of eight fiery hells and eight icy hells: an all-you-can-suffer hot-and-cold buffet. Step into the INFERNO for a tour of Dante's nine circles of the damned... Oxford University Press, USA

From the heart of one of the world's most beloved entertainers comes an engaging memoir of professional triumph, private heartbreak, and personal victory. It didn't take Wynonna Judd long to find her purpose—or her voice. She picked up her first guitar at nine and in less than ten years was performing with her mother Naomi in a celebrated, multiple-award-winning, platinum-selling duo—a phenomenal success story that would set the stage for an equally triumphant solo

career. Then came the turning point that forced the country music superstar to take a hard look at where she was, how she got there, and where she was headed. The result is *Coming Home to Myself*, an intimate look into the life of the chart-topping legend. From her humble roots to the career changes that would define the second half of her dynamic life, this memoir of survival, strength, family, and forgiveness will resonate with anyone who ever dreamed of finding themselves.

**Raw** Clarkson Potter

Selected as a Best Book of the Year by *Esquire* "Couldn't put it down." - Charlamagne Tha God "Mesmerizing." - Raekwon da Chef "Insightful, moving, necessary." - Shea Serrano "Cathartic." -The New Yorker "A classic." -The Washington Post The explosive, never-before-told story behind the historic rise of the Wu-Tang Clan, as told by one of its founding members, Lamont "U-God" Hawkins. "It's time to write down not only my legacy, but the story of nine dirt-bomb street thugs who took our everyday life—scrappin' and hustlin' and tryin' to survive in the urban jungle of New York City—and turned that into something

bigger than we could possibly imagine, something that took us out of the projects for good, which was the only thing we all wanted in the first place.” —Lamont “U-God” Hawkins The Wu-Tang Clan are considered hip-hop royalty. Remarkably, none of the founding members have told their story—until now. Here, for the first time, the quiet one speaks. Lamont “U-God” Hawkins was born in Brownsville, New York, in 1970. Raised by a single mother and forced to reckon with the hostile conditions of project life, U-God learned from an early age how to survive. And surviving in New York City in the 1970s and 1980s was no easy task—especially as a young black boy living in some of the city’s most ignored and destitute districts. But, along the way, he met and befriended those who would eventually form the Clan’s core: RZA, GZA, Method Man, Raekwon, Ol’ Dirty Bastard, Inspectah Deck, Ghostface Killah, and Masta Killa. Brought up by the streets, and bonding over their love of hip-hop, they sought to pursue the impossible: music as their ticket out of the ghetto. U-God’s unforgettable first-person account of his journey, from the streets of Brooklyn to

some of the biggest stages around the world, is not only thoroughly affecting, unfiltered, and explosive but also captures, in vivid detail, the making of one of the greatest acts in American music history.

[Back to the Kitchen](#) Simon and Schuster An empowering book on propelling profound social change by going inward, from a mindfulness teacher and activist who has turned personal practice into movements The practice of self-care is most often touted for its profound mind, body, and spirit benefits. Shelly Tygielski shows that self-care can also be a powerful tool for spurring transformative collective action. In a winning combination of memoir, manifesto, and how-to, Shelly shares her evolution from a Jerusalem-born child of traditional Sephardic Jewish parents to a middle-class American suburban youth who questioned her faith to a young executive in corporate America. As she used radical self-care practices to manage a serious chronic health issue, she had an epiphany: finding true health and peace is not a solo endeavor but one that lives in connection with others. Tygielski considers herself an

unlikely meditator, activist, and teacher. But as such, she is uniquely qualified to speak to all today who wonder, “What can I do?” or, “Will my actions even make a difference?” Tygielski’s work began as “me” work and transformed into “we” work. In *Sit Down to Rise Up*, she shows that this is possible for all of us.

[Shockaholic](#) Simon and Schuster (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

**My Thoughts Exactly** New World Library “This particular phase in my life is the most dangerous. My husband is planning ‘an accident’ in my car, brake failure and serious head injury in order to make the path clear for him to marry.” —Letter written by Princess Diana, late 1996 It is a moment that remains frozen in history. When the Mercedes carrying Diana, Princess of Wales, spun fatally out of control in the Pont de l’Alma tunnel in Paris in August 1997, the world was shocked by what appeared to be a terrible accident. But two decades later, the circumstances surrounding what really

happened that night—and, crucially, why it happened—remain mired in suspicion, controversy, and misinformation. Until now. Dylan Howard has re-examined all of the evidence surrounding Diana’s death—official documents, eyewitness testimony and Diana’s own private journals—as well as amassing dozens of new interviews with investigators, witnesses, and those closest to the princess to ask one very simple question: Was the death of Princess Diana a tragedy...or treason? Diana: Case Solved has uncovered in unprecedented detail just how much of a threat Diana became to the establishment. In these pages you will learn of the covert diaries and recordings she made, logging the Windsors’ most intimate secrets and hidden scandals as a desperate kind of insurance policy. You will learn how the royals were not the only powerful enemies she made, as her ground-breaking campaigns against AIDS and landmines drew admiration from the public, but also enmity from powerful establishment figures including international arms dealers, the British and American governments, and the MI6 and the CIA.

And, in a dramatic return to the Parisian streets where she met her fate, the two questions that have plagued investigators for over twenty years will finally be answered: Why was Diana being driven in a car previously written off as a death trap? And who was really behind the wheel of the mysterious white Fiat at the scene of the crash?

Conversations With Tom Petty Random House

“...the notoriously media-wary Petty responds...about his life, career, and craft...” Publishers Weekly Conversations with Tom Petty is the first authorized book to focus solely on the life and work of the man responsible for some of the most memorable rock anthems of our generation, including: American Girl, Breakdown, Don’t Come Around Here No More, I Won’t Back Down, Free Fallin’, Runnin’ Down a Dream, You Don’t Know How It Feels , and many others. He was inducted into The Rock and Roll Hall of Fame in 2002 and his work with Tom Petty & the Heartbreakers, as well as his solo albums and those with the Traveling Wilburys, have been critically acclaimed the world over and have earned numerous

Platinum-status awards from the Recording Industry Association of America (RIAA), as well as Grammys, MTV Awards, a star on the Hollywood Walk of Fame, and many other honours. Author, Paul Zollo, conducted a series of in-depth discussions with Tom about his career, with special focus on his song writing. The conversations are reprinted with little or no editorial comment alongside rare photographs of the legend and represent a unique perspective on Tom’s entire career.

**Confessions of a Serial Songwriter**

Trine Day

Presents a memoir about the actress' relationship with her father, singer Eddie Fisher, her electroconvulsive therapy, and her past encounters with such recently-deceased celebrities as Michael Jackson, Elizabeth Taylor, and Senator Edward Kennedy.

**Beat of the Music** Penguin

“Fans of live music will get a kick out of” this Texas Country Music Hall of Famer’s “fond but brutally honest memories, playing gigs with Willie Nelson” (Publishers Weekly). When it comes to Texas honky-tonk, nobody knows the music or the scene better than Johnny Bush. Author of

Willie Nelson's classic concert anthem "Whiskey River," and singer of hits such as "You Gave Me a Mountain" and "I'll Be There," Johnny Bush is a legend in country music, a singer-songwriter who has lived the cheatin', hurtin', hard-drinkin' life and recorded some of the most heart-wrenching songs about it. He has one of the purest honky-tonk voices ever to come out of Texas. And Bush's career has been just as dramatic as his songs—on the verge of achieving superstardom in the early 1970s, he was sidelined by a rare vocal disorder. But survivor that he is, Bush is once again filling dance halls across Texas and inspiring a new generation of musicians. In *Whiskey River (Take My Mind)*, Johnny Bush tells the twin stories of his life and of Texas honky-tonk music. He recalls growing up poor and learning his chops in honky-tonks around Houston and San Antonio. Bush vividly describes life on the road in the 1960s as a band member for Ray Price and Willie Nelson. Woven throughout Bush's autobiography is the never-before-told story of Texas honky-tonk music, from Bob Wills and Floyd Tillman to Junior Brown and Pat Green. For everyone who loves

genuine country music, Johnny Bush, Willie Nelson, and stories of triumph against all odds, *Whiskey River (Take My Mind)* is a must-read.

### **Feel Your Way Through** Rockridge Press

A man with three different names ties together the stars of professional wrestling, country music, and the New York Mets. John Arezzi was a lifelong Mets fan who dreamed of a job in baseball. In 1981, he took a job with the Mets Class A team in North Carolina. But Arezzi had another love: professional wrestling. He ran a fan club for the villainous "Classy" Freddie Blassie as a teenager, then progressed to wrestling photographer, and finally even stepped into the ring himself as John Anthony. Eventually he escaped to pursue a new life in altogether different world: country music. After adopting a new name, John Alexander, his many accomplishments include discovering both Patty Loveless and (decades later) Kelsea Ballerini. But wrestling is tough to shake ... In the 1990s, Arezzi hosted the pioneering radio talk show *Pro Wrestling Spotlight*. He also ran the first major conventions, assembling a wrestling who's who to meet with fans. He promoted shows, both at

home and abroad, and was a key figure behind importing lucha libre into America. *Mat Memories* is Arezzi's chance to hold the mic, and he holds nothing back — he names names and tells the untold behind-the-scenes stories: from the ring, the stage, and the diamond.

### Sit Down to Rise Up Rodale Books

**#1 NEW YORK TIMES BESTSELLER** • The funny, sad, super-honest, all-true story of Chelsea Handler's year of self-discovery—featuring a nerdily brilliant psychiatrist, a shaman, four Chow Chows, some well-placed security cameras, various family members (living and departed), friends, assistants, and a lot of edibles **A SKIMM READS PICK** • "This will be one of your favorite books of all time."—Amy Schumer In a haze of vape smoke on a rare windy night in L.A. in the fall of 2016, Chelsea Handler daydreams about what life will be like with a woman in the White House. And then Donald Trump happens. In a torpor of despair, she decides that she's had enough of the privileged bubble she's lived in—a bubble within a bubble—and that it's time to make some changes, both in her personal life and in the world at large. At home, she

embarks on a year of self-sufficiency—learning how to work the remote, how to pick up dog shit, where to find the toaster. She meets her match in an earnest, brainy psychiatrist and enters into therapy, prepared to do the heavy lifting required to look within and make sense of a childhood marked by love and loss and to figure out why people are afraid of her. She becomes politically active—finding her voice as an advocate for change, having difficult conversations, and energizing her base. In the process, she develops a healthy fixation on Special Counsel Robert Mueller and, through unflinching self-reflection and psychological excavation, unearths some glittering truths that light up the road ahead. Thrillingly honest, insightful, and deeply, darkly funny, Chelsea Handler’s memoir keeps readers laughing, even as it inspires us to look within and ask ourselves what really matters in our own lives. Praise for *Life Will Be the Death of Me* “You thought you knew Chelsea Handler—and she thought she knew herself—but in her new book, she

discovers that true progress lies in the direction we haven’t been.”—Gloria Steinem “I always wondered what it would be like to watch Chelsea Handler in session with her therapist. Now I know.”—Ellen DeGeneres “I love this book not just because it made me laugh or because I learned that I feel the same way about certain people in politics as Chelsea does. I love this book because I feel like I finally really got to know Chelsea Handler after all these years. Thank you for sharing, Chelsea!”—Tiffany Haddish  
**Go to Hell** Rowman & Littlefield  
 From the Fab Five--the beloved hosts of Netflix's viral hit *Queer Eye*--comes a book that is at once a behind-the-scenes exclusive, a practical guide to living and celebrating your best life, and a symbol of hope. Feeling your best is about far more than deciding what color to paint your accent wall or how to apply nightly moisturizer. It's also about creating a life that's well-rounded, filled with humor and understanding--and most importantly, that suits you. At a cultural moment when we are all craving people to admire, *Queer*

*Eye* offers hope and acceptance. After you get to know the Fab Five, together they will guide you through five practical chapters that go beyond their designated areas of expertise (food & wine, fashion, grooming, home decor, and culture), touching on topics like wellness, entertaining, and defining your personal brand, and complete with bite-sized Hip Tips for your everyday quandaries. Above all else, *Queer Eye* aims to help you create a happy and healthy life, rooted in self-love and authenticity.

**Best Foot Forward** Simon and Schuster  
 Being a great first-time dad doesn't mean being perfect. It means having the tools you need to be a supportive partner during and after pregnancy--which is exactly what *We're Pregnant! The First-Time Dad's Pregnancy Handbook* is all about. From heartburn and headaches to birth and breastfeeding, *We're Pregnant!* features practical, action-oriented pregnancy advice from the author of the *Dad or Alive* blog, Adrian Kulp, a (once clueless) dad who's been there and done that--three times, in fact!
