Kaplan's MCAT Complete 7-Book Subject Review 2021-2022 includes updates across all 7 books to reflect the latest, most accurate, and most testable materials on the MCAT. New layouts make our books even more streamlined and intuitive for easier review. You'll get efficient strategies, detailed subject review, and three full-length online practice tests—all authored by the experts behind the MCAT prep course that has helped more people get into medical school than all other major courses combined. Efficient Strategies and In-

Depth Review Guided Examples with Expert Thinking in our Behavioral Sciences, Biochemistry, and Biology books present scientific articles and walk you through challenging open-ended questions. Entirely revamped CARS content with updated methods for the latest exam challenges High Yield badges indicate the most testable content based on AAMC materials Concept summaries that boil down the need-to-know information in each chapter, including any necessary equations to memorize Full-color, 24-page MCAT Quicksheets emphasize the most important information in visual form Chapter Profiles indicate the degree to which each chapter is tested and the testmaker content categories to which it aligns Charts, graphs, diagrams,

and full-color, 3-D illustrations from Scientific American help turn even the most complex science into easy-to-visualize concepts. Realistic Practice One-year online access to 3 full-length practice tests, instructional videos, practice questions, and quizzes Hundreds of practice questions in the books show you how to apply concepts and equations 15 multiple-choice "Test Your Knowledge" questions at the end of each chapter for all books except CARS Learning objectives and concept checks ensure you're focusing on the most important information in each chapter Expert Guidance Sidebars illustrate connections between concepts and include references to more information, real-world tie ins, mnemonics, and MCAT-specific tips

Comprehensive subject review written by top-rated, award-winning Kaplan instructors who guide you on where to focus your efforts and how to organize your review. All material is vetted by editors with advanced science degrees and by a medical doctor. We know the test: The Kaplan MCAT team has spent years studying every MCAT-related document available, and our experts ensure our practice questions and study materials are true to the test

That means 150 of the questions you answer will count toward your score. Scoring You cannot pass or fail

the TEAS exam. Instead, you will receive a score report that details the number of questions you got right in each section and also gives your percentile rank, which shows how you did in comparison with other test takers. Each school has its own entrance requirements, so be sure to check the requirements of the institutions you want to attend, so you can set appropriate goals for yourself. About Trivium Test Prep Trivium Test Prep's study materials are created by industry and educational experts. Other TEAS exam prep study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium's TEAS exam book is different. Our dedicated professionals know how people think and learn, and have created our TEAS test book based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our TEAS exam study guide are specifically tailored for your exact needs.
