This book offers insights, knowledge and perspectives on Asian brands and branding as a strategic tool and provides a comprehensive framework for understanding Asian branding strategies and Asian brands, including success stories and challenges for future growth and strengths. The book includes theoretical frameworks and models and up-to-date case studies on Asian brands
Asian Brand Strategy Running Press Adult

The author takes us on a flight into a dangerous world - a world where death overtook him and yet, somehow, he cheated it. This is the amazing and miraculous story of a young man who went up against the odds to claw his way back to normality. From A levels to a party in celebration of his continuing life, through his work with horses and time spent in three hospitals - straight across the brink of his own existence - Philip Watling's true account takes us down paths we wouldn't normally wish to follow and into places we never knew existed. This harrowing tale of life and death transcends everyday living and defies the imagination. With humour and mysticism throughout, this thought-provoking book teaches us the value of the one life we are given, and will help light our way towards survival after experiencing a traumatic event.

How a Show, and the Support of Its Fandom, Changed—and Saved—Lives
Supernatural, a three-time People's Choice Award winner for Favorite Sci-

Fi/Fantasy TV Show and Tumblr's 2015 Most Reblogged "Live Action TV," has made a name for itself by supporting and encouraging its fans to "always keep fighting," and a memorable line from early in the show's run, "Family don't end with blood," became an inspiring mantra for many who found community in the fandom. In 25 powerful chapters written by Supernatural's actors and fans, including series lead Jared Padalecki, plus special messages from Jensen Ackles, Misha Collins, and Mark Sheppard, *Family Don't End with Blood: Cast and Fans On How Supernatural Has Changed Lives* examines the far reach of the show's impact for more than a decade. Supernatural has inspired fans to change their lives, from getting "sober for Sam" to escaping a cult to pursuing life-long dreams. But fans aren't the only ones who have been changed. The actors who bring the show to life have also found, in the show and its community, inspiration, courage, and the strength to keep going when life seemed too hard. Including essays and special messages from Supernatural's cast: • Jared Padelecki ("Sam Winchester") • Jensen Ackles ("Dean Winchester") • Misha Collins ("Castiel") • Mark Sheppard ("Crowley") • Jim Beaver ("Bobby Singer") • Ruth Connell ("Rowena MacLeod") • Osric Chau ("Kevin Tran") • Rob Benedict ("Chuck Shurley aka God") • Kim Rhodes ("Sheriff Jody Mills") • Briana Buckmaster ("Sheriff Donna Hanscum") • Matt Cohen ("Young John Winchester") • Gil McKinney ("Henry Winchester") • Rachel Miner ("Meg Masters") Collected and edited by Lynn S. Zubernis, a clinical psychologist, professor, and passionate Supernatural fangirl, *Family Don't End with Blood* provides an insightful and often uplifting look into the way international fan

communities become powerful, positive forces in the lives of so many. In keeping with the show's message to "always keep fighting," a portion of the proceeds from the book will be donated to RANDOM ACTS, a nonprofit founded by Misha Collins, and AT TITUDES IN REVERSE, whose mission is to educate young people about mental health and suicide prevention.

The Next Step: Exponential Life presents essays on the potential of what are known as "exponential technologies"--those whose development is accelerating rapidly, such as robotics, artificial intelligence or industrial biology--considering their economic, social, environmental, ethical and even ontological implications. This book's premise is that humanity is at the beginning of a technological revolution that is evolving at a much faster pace than earlier ones--a revolution is so far-reaching it is destined to generate transformations we can only begin to imagine. Contributors include Aubrey D.N.J. de Grey, Jonathan Rossiter, Joseph A. Paradiso, Kevin Warwick, Huma Shah, Ramón López de Mántaras, Helen Papagiannis, Jay David Bolter, Maria Engberg, Robin Hanson, Stuart Russell, Darrell M. West, Francisco González, Chris Skinner, Steven Monroe Lipkin, S. Matthew Liao, James Giordano, Luciano Floridi, Seán Ó Héigeartaigh and Martin Rees.

Optimism Ballantine Books

The inspiration for the film starring Anthony Hopkins, journalist Matt Baglio uses the astonishing story of one

American priest's training as an exorcist to reveal that the phenomena of possession, demons, the Devil, and exorcism are not merely a remnant of the archaic past, but remain a fearsome power in many people's lives even today. Father Gary Thomas was working as a parish priest in California when he was asked by his bishop to travel to Rome for training in the rite of exorcism. Though initially surprised, and slightly reluctant, he accepted this call, and enrolled in a new exorcism course at a Vatican-affiliated university, which taught him, among other things, how to distinguish between a genuine possession and mental illness. Eventually he would go on to participate in more than eighty exorcisms as an apprentice to a veteran Italian exorcist. His experiences profoundly changed the way he viewed the spiritual world, and as he moved from rational skeptic to practicing exorcist he came to understand the battle between good and evil in a whole new light. Journalist Matt Baglio had full access to Father Gary over the course of his training, and much of what he learned defies explanation. The Rite provides fascinating vignettes from the lives of exorcists and people possessed by demons, including firsthand accounts of exorcists at work casting out demons, culminating in Father Gary's own confrontations with the Devil. Baglio also traces the history of exorcism, revealing its rites and rituals, explaining what the Catholic Church really teaches about demonic possession, and delving into such related topics as the hierarchy of angels and demons, satanic cults, black masses, curses, and the various theories used by modern scientists and anthropologists who seek to quantify such phenomena. Written with an investigative eye that

will captivate both skeptics and believers alike, *The Rite* shows that the truth about demonic possession is not only stranger than fiction, but also far more chilling.

AN INSTANT NEW YORK TIMES BESTSELLER AN INSTANT INDIE BESTSELLER ONE OF 2022'S MOST ANTICIPATED READS: * BUZZFEED * EPIC READS * GOODREADS * THE NERD DAILY * UNITED BY POP * "An utterly transportive read, unfolding into a world of crumbling manors and ancient forests. Allison Saft crafts a deliberate, intricate romance that will have you as unmoored as the characters." —Chloe Gong, New York Times bestselling author of *These Violent Delights* A romantic YA fantasy perfect for fans of Erin A. Craig and Margaret Rogerson, about two people who find themselves competing for glory—and each other's hearts—in a magical fox hunt. When Margaret Welty spots the legendary hala, the last living mythical creature, she knows the Halfmoon Hunt will soon follow. Whoever is able to kill the hala will earn fame and riches, and unlock an ancient magical secret. While Margaret is the best sharpshooter in town, only teams of two can register, and she needs an alchemist. Weston Winters isn't an alchemist—yet. He's been fired from every apprenticeship he's landed, and his last chance hinges on Master Welty taking him in. But when Wes arrives at Welty Manor, he finds only Margaret. She begrudgingly allows him to stay, but on one condition: he must join the hunt with her. Although they make an unlikely team, they soon find themselves drawn to each other. As the hunt looms closer and tensions rise, Margaret and Wes

uncover dark magic that could be the key to winning the hunt—if they survive that long. In *A Far Wilder Magic*, Allison Saft has written an achingly tender love story set against a deadly hunt in an atmospheric, rich fantasy world that will sweep you away. "Innovative, romantic, and intoxicating. *A Far Wilder Magic* is a diamond of the YA fantasy genre, with a fresh and artfully layered world and extraordinary characters to match."

—Amanda Foody, author of *Ace of Shades*

Nobody's Perfect U of Minnesota Press
 Fifteen years. Two brothers. Angels and demons. A story like no other. And one of the most passionate fan bases of all time. That's *Supernatural*. *There'll Be Peace When You Are Done: Actors and Fans Celebrate the Legacy of Supernatural* is an emotional look back at the beloved television show *Supernatural* as it wraps up its final season after fifteen unprecedented years on air. With heartfelt chapters written by both the series' actors and its fans—plus full-color photos and fan illustrations—*There'll Be Peace When You Are Done* traces *Supernatural*'s evolution, the memorable characters created by its writers and brought to life by its talented actors, and the many ways in which the show has inspired and changed the lives of both its viewers and cast. Both a celebration of *Supernatural* and a way of remembering what made it so special, this book is a permanent reminder of the legacy the show leaves behind and a reminder to the SPN Family to, like the series' unofficial theme song says, "carry on." Featuring chapters from Jared Padalecki ("Sam Winchester") and Jensen Ackles ("Dean Winchester"), which include some of the most heartfelt and emotional things they've previously said about *Supernatural* that they want

fans to remember—plus new reflections about Sam and Dean's legacy, *There'll Be Peace When You Are Done* also includes original contributions from: • Richard Speight, Jr. ("Gabriel") • Chad Lindberg ("Ash") • Julie McNiven ("Anna Milton") • Tahmoh Penikett ("Gadreel") • Shoshannah Stern ("Eileen Leahy") • Rick Worthy ("Alpha Vamp") • David Haydn-Jones ("Arthur Ketch") • Lauren Tom ("Linda Tran") • And many more, including a special message from Misha Collins ("Castiel") Edited by Lynn S. Zubernis, a clinical psychologist, professor, and passionate Supernatural fangirl, *There'll Be Peace When You Are Done* is the ultimate send-off for this iconic show that has touched and changed the lives of so many fans across all walks of life.

* NOW A MAJOR NEW FILM * FIVE KILLERS. ONE JOURNEY. BUT WHO WILL SURVIVE? Discover the original and propulsive thriller from the massive Japanese bestselling author. Satoshi looks like an innocent schoolboy but he is really a viciously cunning psychopath. Kimura's young son is in a coma thanks to him, and Kimura has tracked him onto the bullet train heading from Tokyo to Morioka to exact his revenge. But Kimura soon discovers that they are not the only dangerous passengers onboard. Nanao, the self-proclaimed 'unluckiest assassin in the world', and the deadly partnership of Tangerine and Lemon are also travelling to Morioka. A suitcase full of money leads others to show their hands. Why are they all on the same train, and who will get off alive at the last station? (*Bullet Train* was originally published in Japan with the title *Maria Beetle*.) 'A locked-room crime drama played out at 200mph' *The Times* 'A

high-octane thriller... Thoroughly enjoyable' *Guardian Readers* are OBSESSED with *Bullet Train*: 'Original, quirky and highly entertaining' 'A dark-humoured, twisty thriller that's a lot of fun' 'One of the most addictive thrillers I've ever read... smart and cinematic' 'What an original novel! Exciting from beginning to end' 'A whole lot of darkly comic fun' 'A thrilling ride'

Louder and Faster New Generation Publishing

Ivory Coast, 1978. It's a golden time, and the nation, too—an oasis of affluence and stability in West Africa—seems fueled by something wondrous. Aya is loosely based upon Marguerite Abouet's youth in Yop City. It is the story of the studious and clear-sighted 19-year old Aya, her easy-going friends Adjoua and Bintou, and their meddling relatives and neighbors. It's wryly funny, breezy account of the simple pleasures and private troubles of everyday life in Yop City. Clément Oubrerie's warm colors and energetic, playful line connect expressively with Marguerite Abouet's vibrant writing. This reworked edition offers readers the chance to immerse themselves in the lively world of Aya and her friends, bringing together the first three volumes of the series in *Book One*. Drawn & Quarterly has release volumes four through six of the original French series (as yet unpublished in English) in *Aya: Love in Yop City*. Aya is the winner of the Best First Album award at the Angouleme International Comics Festival, the Children's Africana Book Award, and the Glyph Award; was nominated for the Quill Award, the YALSA's Great Graphic Novels list, and the Eisner Award; and was included on "best of" lists from *The Washington Post*, *Booklist*, *Publishers Weekly*, and *School Library Journal*. *Aya: Life in Yop City* has

been translated from the French by Helge Dascher. Dascher has been translating graphic novels from French and German to English for over twenty years. A contributor to *Drawn & Quarterly* since the early days, her translations include acclaimed titles such as *Hostage* by Guy Delisle and *Beautiful Darkness* by Fabien Vehlmann and Kerascoët. With a background in art history and history, she also translates books and exhibitions for museums in North America and Europe. She lives in Montreal.

Troublemaker Scholastic Inc.

Helen Keller closed this essay, concerning the practice of optimism by stating that "to bear this faith above every tempest which overflows it, and to make it a principle in disaster and through affliction. Optimism is the harmony between man's spirit and the spirit of God pronouncing His works good."

5 Centimeters per Second + Children Who Chase Lost Voices New York : T.Y. Crowell

This Proceedings contains over 260 papers on cutting-edge research presented at the 9th International Conference on Coastal Sediments 2019 (CS19), held in Tampa/St. Petersburg, Florida, USA from May 27-31, 2019. This technical specialty conference is devoted to promoting an interdisciplinary exchange of state-of-the-art knowledge among researchers in the fields of coastal engineering, geology, oceanography, and related disciplines. With the theme of 'Advancing Science & Engineering for Resilient Coastal Systems', this Proceedings covers a wide range of research topics on coastal sediment processes from nearshore sediment transport and modelling to beach processes, shore

protection, and coastal management. *Infinity Gauntlet* BenBella Books
Now a Netflix film starring Florence Pugh: In this "old-school page turner" (Stephen King, New York Times Book Review) by the bestselling author of *Room*, an English nurse is brought to a small Irish village to observe what appears to be a miracle—a girl said to have survived without food for months—and soon finds herself fighting to save the child's life. Tourists flock to the cabin of eleven-year-old Anna O'Donnell, who believes herself to be living off manna from heaven, and a journalist is sent to cover the sensation. Lib Wright, a veteran of Florence Nightingale's Crimean campaign, is hired to keep watch over the girl. Written with all the propulsive tension that made *Room* a huge bestseller, *The Wonder* works beautifully on many levels -- a tale of two strangers who transform each other's lives, a powerful psychological thriller, and a story of love pitted against evil. Acclaim for *The Wonder*:
"Deliciously gothic.... Dark and vivid, with complicated characters, this is a novel that lodges itself deep" (USA Today, 3/4 stars) "Heartbreaking and transcendent"(New York Times) "A fable as lean and discomfiting as Anna's dwindling body.... Donoghue keeps us riveted" (Chicago Tribune) "Donoghue poses powerful questions about faith and belief" (Newsday)

Ghibliothèque Drawn & Quarterly
Helen Keller worked for AFB from 1924 until her death in 1968. Her responsibilities included advocating for more and better services, fighting discrimination and negative attitudes, and fundraising. Helen Keller's and Anne Sullivan Macy's photos and unpublished papers today form the Helen Keller Archives at AFB. For information about

access to the Helen Keller Archives or permission to use photos and writings from the collection, contact Permissions, M.C. Migel Memorial Library, in writing, at AFB headquarters in New York City. The intimate story of two women whose lives were bound together in a unique relationship marked by genius, dependence, and love. Lash traces Anne Sullivan's early years in a Massachusetts poorhouse, describes her meeting with Helen Keller in Alabama, and goes on to recount the joint events of their lives: Helen's childhood experiences, education at Radcliffe, and work in vaudeville, politics, and for the blind.

There'll Be Peace When You Are Done

First Second Books

Volume II of The Cambridge History of War covers what in Europe is commonly called 'the Middle Ages'. It includes all of the well-known themes of European warfare, from the migrations of the Germanic peoples and the Vikings through the Reconquista, the Crusades and the age of chivalry, to the development of state-controlled gunpowder-wielding armies and the urban militias of the later middle ages; yet its scope is world-wide, ranging across Eurasia and the Americas to trace the interregional connections formed by the great Arab conquests and the expansion of Islam, the migrations of horse nomads such as the Avars and the Turks, the formation of the vast Mongol Empire, and the spread of new technologies - including gunpowder and the earliest firearms - by land and sea.

Springer

5 Centimeters per Second When Takaki meets Akari in elementary school, they are as thick as thieves. She always teaches him the important things, while he does his best to protect her. After they are separated in middle school,

though, they have to find their paths in life without each other... Director Makoto Shinkai delicately depicts the internal landscapes of his characters through three chapters in the life of one boy.

Children Who Chase Lost Voices Asuna is a shy and diffident girl who lives in the mountain town of Mizunofuchi. One day, she meets Shun, a boy who claims to be from a mythical land known as Agartha. However, just as a bond is beginning to form between them, Shun vanishes. As Asuna wishes she could see him again, she encounters Shin, another boy who looks just like Shun, and Morisaki, a teacher searching for Agartha. The three of them set out for the legendary country, each with their own goal in mind—and their own lessons to learn along the way .

Dreadstar Returns University of Iowa Press

An expertly crafted, full-color, oversized volume showcasing the creative forces behind the hotly anticipated animated anthology series! Star Wars: Visions, an original series of animated short films, celebrates the Star Wars galaxy through the lens of the world's best Japanese anime creators. Coming in 2021 to Disney+. Dark Horse Books and Lucasfilm invite fans to enjoy the universe of Star Wars from a thrilling new point of view with The Art of Star Wars: Visions.

The Wonder Wednesday Books

Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years' experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights

on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover:

- How you can get your dog to come when called by acting less like a primate and more like a dog
- Why the advice to “get dominance” over your dog can cause problems
- Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief
- How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!”

Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

The Art of Star Wars: Visions Little, Brown

This open access book offers the first comprehensive account of the pan-genome concept and its manifold implications. The realization that the genetic repertoire of a biological species always encompasses more than the genome of each individual is one of the earliest examples of big data in biology that opened biology to the unbounded. The study of genetic variation observed within a species challenges existing views and has profound consequences for our understanding of the fundamental mechanisms underpinning bacterial biology and evolution. The underlying rationale extends well beyond the initial prokaryotic focus to all kingdoms of life and evolves into similar concepts for metagenomes, phenomes and epigenomes. The books respective chapters address a range of topics, from the serendipitous emergence of the pan-genome concept and its impacts on the fields of microbiology, vaccinology and antimicrobial resistance, to the study of microbial communities, bioinformatic applications and mathematical models that tie in with complex systems and economic theory. Given its scope, the book will appeal to a broad readership interested in population dynamics, evolutionary biology and genomics.
