Leave time for wonder. Walt Whitman's "When I Heard the Learn'd Astronomer" is an enduring celebration of the imagination. Here, Whitman's wise words are beautifully recast by New York Times #1 best-selling illustrator Loren Long to tell the story of a boy's fascination with the heavens. Toy rocket in hand, the boy finds himself in a crowded, stuffy lecture hall. At first he is amazed by the charts and the figures. But when he finds himself overwhelmed by the pontifications of an academic, he retreats to the great outdoors and does something as universal as the stars themselves... he dreams.

Literature Online includes the ProQuest Study Guides, a unique collection of critical introductions to major literary works. These high-quality, peer-reviewed academic resources are tailored to the needs of literature students and serve as a complement to the guidance provided by lecturers and seminar teachers.

King Leopold's Ghost Little, Brown

Many standardized tests, including high school entrance exams, PSAT, SAT, and GRE, professional and civil service qualifying exams, all use reading comprehension questions to test critical reading skills. This book includes short and long passages designed to help you become familiar with the passages found on your test, as well as the typical questions that you will be asked to answer. In this workbook, test-takers get immediate, focused practice on preparing for and answering questions based on critical reading passages. The Skill Builder in Focus method provides the targeted practice necessary to attain higher scores.

Strelbytsky Multimedia Publishing

First published on 24 October 1929, the essay was based on a series of lectures she delivered at Newnham College and Girton College, two women's colleges at Cambridge University in October 1928. While this extended essay in fact employs a fictional narrator and narrative to explore women both as writers of and characters in fiction, the manuscript for the delivery of the series of lectures, titled "Women and Fiction", and hence the essay, are considered non-fiction. The essay is generally seen as a feminist text, and is noted in its argument for both a literal and figural space for women writers within a literary tradition dominated by patriarchy. Virginia Woolf was one of the greatest authors of the twentieth century, transformed the art of fiction. The author of numerous novels and short stories, she was also an acknowledged master of the essay form, and an admired literary critic. Adeline Virginia Woolf (1882–1941) was an English writer who is considered one of the foremost modernists of the twentieth century and a pioneer in the use of stream of consciousness as a narrative device.

J.K. Rowling, one of the world's most inspiring writers, shares her wisdom and advice. In 2008, J.K. Rowling delivered a deeply affecting commencement speech at Harvard University. Now published for the first time in book form, VERY GOOD LIVES presents J.K. Rowling's words of wisdom for anyone at a turning point in life. How can we embrace failure? And how can we use our imagination to better both ourselves and others? Drawing from stories of her own post-graduate years, the world famous author addresses some of life's most important questions with acuity and emotional force.

Sinners in the Hands of an Angry God Open Road Media

As a result of his visits to classrooms across the nation, Brown has compiled an engaging, thought-provoking collection of classroom vignettes which show the ways in which national, state, and local school politics translate into changed classroom practices. "Captures the breadth, depth, and urgency of education reform."--Bill Clinton.

Thus Spoke Zarathustra United Holdings Group

Though the revised edition of *A Theory of Justice*, published in 1999, is the definitive statement of Rawls's view, so much of the extensive literature on Rawls's theory refers to the first edition. This reissue makes the first edition once again available for scholars and serious students of Rawls's work.

A Raisin in the Sun Anchor Canada

"Thus Spoke Zarathustra", the most famous and controversial book of all the work of Friedrich Nietzsche, makes use of the semi-legendary figure of the Persian philosopher of the 6th century BC. to develop, through a web of narrative, conceptual and lyrical elements, the four great themes that make up his legacy: the superman, the death of God, the will to power and the eternal return of the identical.

A ROOM OF ONE'S OWN Penguin

Strange Case of Dr Jekyll and Mr Hyde is the original title of a novella written by the Scottish author Robert Louis Stevenson that was first published in 1886. The work is commonly known today as *The Strange Case of Dr. Jekyll and Mr. Hyde*, *Dr. Jekyll and Mr. Hyde*, or simply *Jekyll & Hyde*. It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr. Henry Jekyll, and the evil Edward Hyde. The work is commonly associated with the rare mental condition often spuriously called "split personality", referred to in psychiatry as dissociative identity disorder, where within the same body there exists more than one distinct personality. In this case, there are two personalities within Dr Jekyll, one apparently good and the other evil; completely opposite levels of morality. The novella's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" coming to mean a person who is vastly different in moral character from one situation to the next.

Things Fall Apart Library of Alexandria

In this 1905 humorous short story, confusion over what a guinea pig truly is causes trouble for a stubborn railway agent. Mr. Morehouse would very much like to collect his two guinea pigs from the express office of the Interurban Express Company. However, railway agent Mike Flannery wants to

charge him the livestock rate of thirty cents—not the lower pet rate of twenty-five cents. “Pigs is pigs,” he tells an enraged Mr. Morehouse, believing that “guinea” is merely an indication of the pigs’ national origin. With both men refusing to budge, the guinea pigs remain in Flannery’s office where he is forced to feed and care for them. Just when Flannery thinks he’s in the clear, his problems begin to multiply . . .

A clear and concise narrative of all the key elements of President Truman's most controversial decision leading to Japan's surrender.

The Lottery Houghton Mifflin Harcourt

New translation of *The Metamorphosis* by Franz Kafka. Poor Gregor Samsa! This guy wakes up one morning to discover that he's become a "monstrous vermin". The first pages of *The Metamorphosis* where Gregor tries to communicate through the bedroom door with his family, who think he's merely being lazy, is vintage screwball comedy. Indeed, scholars and readers alike have delighted in Kafka's gallows humor and matter-of-fact handling of the absurd and the terrifying. But it is one of the most enigmatic stories of all time, with an opening sentence that's unparalleled in all of literature.

In Cold Blood Univ of California Press

The New York Times bestselling work of undercover reportage from our sharpest and most original social critic, with a new foreword by Matthew Desmond, author of *Evicted* Millions of Americans work full time, year round, for poverty-level wages. In 1998, Barbara Ehrenreich decided to join them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that a job—any job—can be the ticket to a better life. But how does anyone survive, let alone prosper, on \$6 an hour? To find out, Ehrenreich left her home, took the cheapest lodgings she could find, and accepted whatever jobs she was offered. Moving from Florida to Maine to Minnesota, she worked as a waitress, a hotel maid, a cleaning woman, a nursing-home aide, and a Wal-Mart sales clerk. She lived in trailer parks and crumbling residential motels. Very quickly, she discovered that no job is truly "unskilled," that even the lowliest occupations require exhausting mental and muscular effort. She also learned that one job is not enough; you need at least two if you int to live indoors. *Nickel and Dime* reveals low-rent America in all its tenacity, anxiety, and surprising generosity—a land of Big Boxes, fast food, and a thousand desperate stratagems for survival. Read it for the smoldering clarity of Ehrenreich's perspective and for a rare view of how "prosperity" looks from the bottom. And now, in a new foreword, Matthew Desmond, author of *Evicted: Poverty and Profit in the American City*, explains why, twenty years on in America, *Nickel and Dime* is more relevant than ever.

The Strange Case of Dr. Jekyll and Mr. Hyde 1886 University of Michigan Press

Ayn Rand’s complicated notoriety as popular writer, leader of a political and philosophical cult, reviled intellectual, and ostentatious public figure endured beyond her death in 1982. In the twenty-first century, she has been resurrected as a serious reference point for mainstream figures, especially those on the political right from Paul Ryan to Donald Trump. *Mean Girl* follows Rand’s trail through the twentieth century from the Russian Revolution to the Cold War and traces her

posthumous appeal and the influence of her novels via her cruel, surly, sexy heroes. Outlining the impact of Rand’s philosophy of selfishness, *Mean Girl* illuminates the Randian shape of our neoliberal, contemporary culture of greed and the dilemmas we face in our political present.

On the Duty of Civil Disobedience Wildside Press LLC

"One day, very soon after their marriage, Aylmer sat gazing at his wife with a trouble in his countenance that grew stronger until he spoke. "Georgiana," said he, "has it never occurred to you that the mark upon your cheek might be removed?" (*The Birthmark*)_x000D_ *The Birthmark* deals with the husband's deeply negative obsession of his wife's outer appearances and what does that entail for these two young couples. The birthmark represents various things throughout the story. Two of the main representations are imperfection and mortality._x000D_ American novelist and short story writer Nathaniel Hawthorne's (1804-1864) writing centers on New England, many works featuring moral allegories with a Puritan inspiration. Hawthorne has also written a few poems which many people are not aware of. His works are considered to be part of the Romantic movement and, more specifically, Dark romanticism. His themes often centre on the inherent evil and sin of humanity, and his works often have moral messages and deep psychological complexity.

Schools of Thought Modern Library

The works of Friedrich Nietzsche have fascinated readers around the world ever since the publication of his first book more than a hundred years ago. As Walter Kaufmann, one of the world’s leading authorities on Nietzsche, notes in his introduction, “Few writers in any age were so full of ideas,” and few writers have been so consistently misinterpreted. *The Portable Nietzsche* includes Kaufmann’s definitive translations of the complete and unabridged texts of Nietzsche’s four major works: *Twilight of the Idols*, *The Antichrist*, *Nietzsche Contra Wagner* and *Thus Spoke Zarathustra*. In addition, Kaufmann brings together selections from his other books, notes, and letters, to give a full picture of Nietzsche’s development, versatility, and inexhaustibility. “In this volume, one may very conveniently have a rich review of one of the most sensitive, passionate, and misunderstood writers in Western, or any, literature.” —*Newsweek*

Nickel and Dime Penguin UK

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God’s wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon’s conclusion. Edwards puts it this way, “And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners.” While those who would rather ignore God’s justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, “Before the sermon was done there was a great moaning and crying through the whole House, ‘what shall I do to be saved; oh, I am going to hell, etc.’” The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the

scoffers might think or say, “the amazing and astonishing power of God” was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

The Portable Nietzsche Of the Dignity or Meanness of Human Nature

Lamb to the Slaughter is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale. In Lamb to the Slaughter, Roald Dahl, one of the world's favourite authors, tells a twisted story about the darker side of human nature. Here, a wife serves up a dish that utterly baffles the police . . . Lamb to the Slaughter is taken from the short story collection *Someone Like You*, which includes seventeen other devious and shocking stories, featuring the two men who make an unusual and

chilling wager over the provenance of a bottle of wine; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer) This story is also available as a Penguin digital audio download read by Juliet Stevenson. Roald Dahl, the brilliant and worldwide acclaimed author of *Charlie and the Chocolate Factory*, *James and the Giant Peach*, *Matilda*, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, *Roald Dahl's Twisted Tales* by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.
