The Book Proposal Book Houghton Mifflin Harcourt
 Only one of the plays in two-time Pulitzer Prize winner August Wilson's masterful *The American Century Cycle* has never been seen on Broadway—until now. In his preface to this Broadway edition of *Jitney*, director Ruben Santiago-Hudson writes: "There had been nine jewels placed in August Wilson's formidable crown, each had changed the landscape of Broadway in their respective seasons. Until now, only one gem was missing. With this production of *Jitney* at the Manhattan Theatre Club's Samuel J. Friedman Theatre the final gem is in place.†?Set in the 1970s, this richly textured piece follows a group of men trying to eke out a living by driving unlicensed cabs, or jitneys. When the city threatens to board up the business and the boss's son returns from prison, tempers flare, potent secrets are revealed and the fragile threads binding these people together may come undone at last. In addition to the essential and insightful preface by Ruben Santiago-Hudson, this edition boasts production stills from the Manhattan Theatre Club's Broadway production, directed by

Santiago-Hudson and featuring Harvy Blanks, Anthony Chisholm, Brandon J. Dirden, André Holland, Carra Patterson, Michael Potts, Keith Randolph Smith, Ray Anthony Thomas, and John Douglas Thompson.

The "enlightening" (The Guardian) true story of the last ship to carry enslaved people to America, the remarkable town its survivors' founded after emancipation, and the complicated legacy their descendants carry with them to this day—by the journalist who discovered the ship's remains. Fifty years after the Atlantic slave trade was outlawed, the *Clotilda* became the last ship in history to bring enslaved Africans to the United States. The ship was scuttled and burned on arrival to hide the wealthy perpetrators to escape prosecution. Despite numerous efforts to find the sunken wreck, *Clotilda* remained hidden for the next 160 years. But in 2019, journalist Ben Raines made international news when he successfully concluded his obsessive quest through the swamps of Alabama to uncover one of our nation's most important historical artifacts. Traveling from Alabama to the ancient African kingdom of Dahomey in modern-day Benin, Raines recounts the ship's perilous journey, the story of its rediscovery, and its complex legacy. Against all odds, Africatown, the Alabama community founded by the captives of the *Clotilda*, prospered in the Jim Crow South. Zora Neale Hurston visited in 1927 to interview Cudjo Lewis, telling the story of his enslavement in the New York Times bestseller *Barracoon*. And yet the haunting memory of bondage has been passed on through generations. *Clotilda* is a ghost haunting three communities—the descendants of those transported into slavery, the descendants of their fellow Africans who sold them, and the descendants of their fellow American enslavers. This connection binds these groups together to this day. At the turn of the century, descendants of the captain who financed the *Clotilda*'s journey lived nearby—where, as significant players in the local real estate market, they disenfranchised and impoverished residents of Africatown. From these parallel stories emerges a profound depiction of America as it struggles to grapple with the traumatic past of slavery and the ways in which racial oppression continues to this day. And yet, at its heart, *The Last Slave Ship* remains optimistic—an epic tale of one community's triumphs over great adversity and a celebration of the power of human curiosity to uncover the truth about our past and heal its wounds.

The Eagle and the Elephant Harper Collins

The New York Times bestselling author of *Devil's Bridge* and renowned former Manhattan prosecutor delivers a mesmerizing Alexandra Cooper novel set at the crossroads of big money, high culture, and murder... *The Bone Vault* begins in the Metropolitan Museum of Art's glorious Temple of Dendur, where wealthy donors have gathered to celebrate a controversial new exhibit. An uneasy mix of scholarship, showbiz, and aggressive marketing, "A Modern Bestiary" will be a joint venture of the Met and the American Museum of Natural History. With its IMAX time trips and Rembrandt refrigerator magnets, the "Bestiary" has raised fierce opposition from some of New York's museum elite. Assistant DA Alexandra Cooper, off duty for the evening,

observes the developing tensions with bemused interest until Met director Pierre Thibodaux pulls her aside. He needs her advice. There's an urgent problem out at a loading dock on a New Jersey pier. A Twelfth Dynasty mummified princess, enclosed for eternity in a huge stone sarcophagus, is about to take a long voyage to Cairo as part of a routine museum exchange. But Cleopatra is missing, and in her place is the not-so-mummified body of a woman many centuries younger than her royal predecessor. Who is this woman with the small physique, the dark hair, and the shiny barrette? What is her connection, if any, to the rarefied world of priceless art and objects? And how and when did she become entombed in the sarcophagus? Teaming with cops Mike Chapman and Mercer Wallace, Alex must explore behind the scenes at the elegant but severe Metropolitan, travel uptown to the remote setting of the Cloisters and its medieval trove of funerary art, and on to the massive array of beasts and bones at the Museum of Natural History. Somewhere deep within the bowels of one of these great cultural centers, a killer may wait. Atmospheric, chilling, and rich with the kind of procedural authenticity that only Linda Fairstein can provide, *The Bone Vault* is a page-turning tour de force from one of crime writing's brightest stars.

A trusted economic commentator provides a penetrating account of the threats to China's continued economic rise Under President Xi Jinping, China has become a large and confident power both at home and abroad, but the country also faces serious challenges. In this critical take on China's future, economist George Magnus explores four key traps that China must confront and overcome in order to thrive: debt, middle income, the Renminbi, and an aging population. Looking at the political direction President Xi Jinping is taking, Magnus argues that Xi's authoritarian and repressive philosophy is ultimately not compatible with the country's economic aspirations. Thorough and well researched, the book also investigates the potential for conflicts over trade, China's evolving relationship with Trump, and the country's attempt to win influence and control in Eurasia through the Belt and Road initiative.

Published to commemorate its 75th anniversary, *The World Is Round* brings back into print the classic story created by Gertrude Stein and Clement Hurd. Written in her unique prose style, Gertrude Stein's *The World Is Round* chronicles the adventures of a young girl named Rose—a whimsical tale that delights in wordplay and sound while exploring the ideas of personal identity and individuality. This stunning volume replicates the original 1939 edition to a T, including all of Clement Hurd's original blue-and-white art printed on the rose-pink paper that Stein insisted upon. Also featured here are two essays that provide an inside view to the making of the book. The first, a foreword by Clement Hurd's son, author and illustrator Thacher Hurd, includes previously unpublished photographs and sheds light on a creative family life in Vermont, where his father and mother, author Edith Thacher Hurd, often collaborated on children's books. The second essay, an afterword by Edith Thacher Hurd, takes readers behind the scenes of the making of *The World Is Round*, including the numerous letters exchanged between Hurd and Stein as well as

images of Stein with the real-life Rose and her white poodle, Love.

A step-by-step guide to crafting a compelling scholarly book proposal—and seeing your book through to successful publication. The scholarly book proposal may be academia's most mysterious genre. You have to write one to get published, but most scholars receive no training on how to do so—and you may have never even seen a proposal before you're expected to produce your own. The Book Proposal Book cuts through the mystery and guides prospective authors step by step through the process of crafting a compelling proposal and pitching it to university presses and other academic publishers. Laura Portwood-Stacer, an experienced developmental editor and publishing consultant for academic authors, shows how to select the right presses to target, identify audiences and competing titles, and write a project description that will grab the attention of editors—breaking the entire process into discrete, manageable tasks. The book features over fifty time-tested tips to make your proposal stand out; sample prospectuses, a letter of inquiry, and a response to reader reports from real authors; optional worksheets and checklists; answers to dozens of the most common questions about the scholarly publishing process; and much, much more. Whether you're hoping to publish your first book or you're a seasoned author with an unfinished proposal languishing on your hard drive, The Book Proposal Book provides honest, empathetic, and invaluable advice on how to overcome common sticking points and get your book published. An Enemy of the People ; The Wild Duck Ardent Media

When Cylin Busby was nine years old, she was obsessed with Izod clothing, the Muppets, and a box turtle she kept in a shoebox. Then everything changed overnight. Her police officer father, John, was driving to his shift when someone leveled a shotgun at his window. The blasts that followed left John's jaw on the passenger seat of his car—literally. While clinging to life, he managed to write down the name of the only person he thought could have pulled the trigger. The suspect? A local ex-con with rumored mob connections. The motive? Officer Busby was scheduled to testify against the suspect's family in an upcoming trial. Overnight, the Busbys went from being the "family next door" to one under 24-hour armed guard, with police escorts to school, and no contact with friends. Worse, the shooter was still on the loose, and it seemed only a matter of time before he'd come after John—or someone else in the family—again. With few choices left to them, the Busby family went into hiding, severing all ties to the only life they had known.

Red Flags HTJB, Inc.

A landmark American drama that inspired a classic film and a Broadway revival—featuring an introduction by David Mamet. A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check, *Twelve Angry Men* holds at its core a deeply patriotic faith in the U.S. legal system. The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal

prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, *Twelve Angry Men* had a successful, and award-winning, run on Broadway. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

#1 NEW YORK TIMES BESTSELLER • From the bestselling author and master of narrative nonfiction comes the enthralling story of the sinking of the *Lusitania* “Both terrifying and enthralling.”—Entertainment Weekly “Thrilling, dramatic and powerful.”—NPR “Thoroughly engrossing.”—George R.R. Martin
On May 1, 1915, with WWI entering its tenth month, a luxury ocean liner as richly appointed as an English country house sailed out of New York, bound for Liverpool, carrying a record number of children and infants. The passengers were surprisingly at ease, even though Germany had declared the seas around Britain to be a war zone. For months, German U-boats had brought terror to the North Atlantic. But the *Lusitania* was one of the era's great transatlantic “Greyhounds”—the fastest liner then in service—and her captain, William Thomas Turner, placed tremendous faith in the gentlemanly strictures of warfare that for a century had kept civilian ships safe from attack. Germany, however, was determined to change the rules of the game, and Walther Schwieger, the captain of *Unterseeboot-20*, was happy to oblige. Meanwhile, an ultra-secret British intelligence unit tracked Schwieger's U-boat, but told no one. As U-20 and the *Lusitania* made their way toward Liverpool, an array of forces both grand and achingly small—hubris, a chance fog, a closely guarded secret, and more—all converged to produce one of the great disasters of history. It is a story that many of us think we know but don't, and Erik Larson tells it thrillingly, switching between hunter and hunted while painting a larger portrait of America at the height of the Progressive Era. Full of glamour and suspense, *Dead Wake* brings to life a cast of evocative characters, from famed Boston bookseller Charles Lauriat to pioneering female architect Theodate Pope to President Woodrow Wilson, a man lost to grief, dreading the widening war but also captivated by the prospect of new love. Gripping and important, *Dead Wake* captures the sheer drama and emotional power of a disaster whose intimate details and true meaning have long been obscured by history. Meet the women who wrote. They wrote against all odds. Some wrote defiantly; some wrote desperately. Some wrote while trapped within the confines of status and wealth. Some wrote hand-to-mouth in abject poverty. Some wrote trapped in a room of their father's house, and some went in search of a room of their own. They had lovers and families. They were sometimes lonely. Many wrote anonymously or under a pseudonym for a world not yet ready for their genius and talent. We know many of their names—Austen and Alcott, Brontë and Browning, Wheatley and Woolf—though some may be less familiar. They are here,

waiting to introduce themselves. They marched through the world one by one or in small sisterhoods, speaking to each other and to us over distances of place and time. Pushing back against the boundaries meant to keep us in our place, they carved enough space for themselves to write. They made space for us to follow. Here they are gathered together, an army of women who wrote and an arsenal of words to inspire us. They walk with us as we forge our own paths forward. These women wrote to change the world. "Though I was well aware that Albert Schweitzer preached a great deal both before and after he became a physician, I never encountered any of his sermons until I was privileged to read the present collection prior to publication. What I find in this increases my sense of wonder, though it does not increase my surprise. It pleases me to find that like other speakers and writers, the famous missionary doctor preached many of his ideas before they were cast into essay form, thus following the experimental method...On the whole the sermons seem contemporary... Very early in the twentieth century, he understood that Christianity is not a merely spiritual religion and that the popular arguments against missions are superficial ones... What pleases me most about the new publication is its revelation of the author's deep personal piety..." -- D Elton Trueblood (from the Foreword).
