Do You Know Your Mom's Story? Random House Large Print Publishing "...wonderful way for adult sons and daughters to hopefully improve relationships with their Dad, learn something new or just have intriguing conversations with their fathers..." Author Christine Jackson What do you really know about your Dad? Do you know much about his childhood? The difficulties he has faced? The fun things he did? The things he wished he had done? Your dad is so much more than the man who raised you. He grew up in a time very different from yours—the beliefs, habits, and expectations were very different, as were the way things were done. Your dad has seen a lot in his life, getting to hear his journey will help you to understand him in a whole new light. Start the conversation with your dad, especially if he is elderly. This book is a guide which provides questions to ask, as well as how and when to ask them. Use this as a way to grow, mend and/or heal the relationship between

you and your dad; preserve this man's journey through life and in particular his role as Dad. His story is his legacy to you. "...this book, *Do You Know Your Dad's Story?* becomes more valuable as the decades slip past, providing a snapshot in time not only of the individuals but also of the era in which they lived..." p.m.terrell, international award-winning, author **The Handbook of Child and Elder Care Resources** Oxford University Press When visiting an elderly relative or friend, are you often at a loss for what to talk about? After the initial pleasantries, do the minutes drag on? You may very well love this person, but find yourself struggling to carry on a conversation. An hour can seem endless. If only you could think of something interesting to talk about! *If Only You Would Ask* transforms this situation! Open to any page and soon find yourself engaged in meaningful conversation. With forty-two topics and over four hundred questions, *If Only You Would Ask* provides a framework for tapping into memories that may not have been thought about or talked about for years! You and the person

you are visiting will both enjoy your time together. In fact, you will look forward to your next get together. Every person has stories to share, *If Only You Would Ask!* About the Author Mother-daughter duo Eileen Opatz Berger and Joan Berger Bachman teamed up for five years to make this timeless resource available for all those who spend time with the elderly. Eileen Opatz Berger graduated from the College of St. Benedict and the University of Wis/River Falls. Presently she teaches English as a second language. Along with her family, foreign students have been the joy of her life. Favorite pastimes include travel, writing, and tennis. She currently divides her time between White Bear Lake, Minnesota and Sun City West, Arizona. Joan Berger Bachman is extremely pleased and proud to be coauthoring a book with her mom! As a teenager, Joan recalls her mother's advice: "When you are in a social situation, always make an effort to ask each person three questions. This shows that you are interested in what they have to say..." In other words, give people the opportunity to talk about

themselves! Generally, people are pleased to share, and you will have deflected the attention from yourself! So it comes as no real surprise that four decades later, she has coauthored a book filled with questions to promote quality conversations! Joan resides with her husband John in Rochester, Minnesota. Proud mother of three grown children and grandmother to five, she is grateful for family, for health, and for friends who continue to enrich her life.

Physical and Financial Abuse of the Elderly Red Wheel/Weiser

One in four American adult face the challenges of caring for an adult friend or relative. Although caregiving can be a richly rewarding and joyful experience, the role comes with enormous responsibilities-- and pressures. This gentle guide provides practical resources and tips that are easy to find when you need them, whether you're caregiving day to day, planning for future needs, or in the middle of a crisis. Goyer offers insight, inspiration, and poignant stories and experiences of caregivers, including her own as a live-in caregiver for her

parents.

Families Caring for an Aging America
Quadessence Press

The Hard Questions for Adult Children and Their Aging Parents Gotham
Health Maintenance Organizations and the Elderly Routledge
From the author of the beloved *30 Lessons for Living* Karl Pillemer's *30 Lessons for Living* first became a hit and then became a classic. Readers loved the sage advice and great stories from extraordinary older Americans who shared what they wish they had known when they were starting out. Now, Pillemer returns with lessons on one of the most talked-about parts of that book—love, relationships, and marriage. Based on the most detailed survey of longmarried people ever conducted, *30 Lessons for Loving* shows the way to lifelong, fulfilling relationships. The author, an internationally renowned gerontologist at Cornell University, offers sage advice from the oldest and wisest Americans on everything from finding a partner, to deciding to commit, to growing old together. Along the way, the book answers questions like these: How do you know if the person you love is the right one? What are the secrets for improving communication and

reducing conflict? What gets you through the major stresses of marriage, such as child-rearing, work, money issues, and in-laws? From interviews with 700 elders, *30 Lessons for Loving* offers unique wisdom that will enrich anyone's relationship life, from people searching for the right partner to those working to keep the spark alive after decades together. Filled with great stories, wise observations, and useful advice, *30 Lessons for Loving* is destined to become another classic.

The Conversation Penguin With 100 questions on topics ranging from the practical to the emotional, Piver makes it possible for adult children and their aging parents to have candid, comforting conversations that will have lasting benefits.

Established Populations for Epidemiologic Studies of the Elderly Mitchell Lane Publishers, Inc.

The book is a concise and comprehensive resource for people who are middle-aged and beyond and are facing the prospects of their own aging and of caring for elderly relatives—an often overwhelming task for which little in life prepares us. Using an

interdisciplinary approach and many personal anecdotes, Professor Hoffman develops recommendations for building sustainable social, legal, medical, and financial support systems for aging and caregiving. *Aging with a Plan* combines thorough research with engaging anecdotes and practical advice. It offers one-stop shopping for anyone in need of guidance without a lot of time for independent research.

The book answers questions such as: What legal documents should you be sure to have? What expenses should you anticipate in retirement and how do you save for them? What do you need to know about medical care as you or your loved ones grow older? How should you approach conversations about the sensitive topic of safe driving with elderly loved ones? What options exist for end-of-life care, and how do you make sure that your wishes will be followed? The book is user-friendly and accessible to a general audience, and each chapter ends with a helpful checklist.

Storying Later Life Quadessence Press

A great conversation can

be invigorating, exciting, comforting, and informative, all at once especially when you're talking with someone with decades of experience, knowledge, and memories to draw on. Our companions often say that getting the chance to speak one-on-one with their senior clients is a highlight of the day, and family caregivers across the country can attest to the power of sharing stories and talking through memories with their elderly loved ones. In fact, making time to connect and share in a conversation can be one of the most enriching, rewarding, and healthy things you can do - especially for older adults. This book grew from ten years of leading groups for older adults in Philadelphia. Each topic page is a guide for discussion of interests or concerns. It will be your roadmap for leading groups in your own community. It also guide you to start a discussion book for older adult.

30 Lessons for Loving Jones & Bartlett Learning Presents the results of the MacArthur Foundation Study of Aging in America, which show how to maintain optimum physical and mental

strength throughout later life.

Old Man Country Cedar Fort Publishing & Media Ask the perfect questions and receive answers full of wisdom with this easy-to-use guide. Aging with a Plan The Hard Questions for Adult Children and Their Aging Parents "...it reaches far beyond dates of birth, marriage and death and into the heart and soul of a woman and her family..." Multi-Award-Winning Author P.M. Terrell What do you really know about your Mom? Do you know what her hopes, dreams and desires were? Did she live them? Your mom is so much more than the woman who raised you. She grew up in a time very different from

yours—there were different beliefs, habits, and ways of doing things. Your mom has seen a lot in her life, getting to hear her journey will help you to understand her in a whole new light. Now is the time get to know her and to document her life. The only way to find out about your mom's story is to ask... because one day she won't be there anymore. When we reach old age we should know our lives mattered, that we mattered, that we are loved, happy and feel connected. This book offers a way to start conversations between you and your mom—in particular, elderly mothers. It is a guide which provides questions to ask, as well as how and when to ask them. Use this as a way to grow, heal and/or mend the relationship between mom and child; preserve this woman's journey through life and in particular her role as Mom. Her story is her legacy to you.

"...insightful questions with thought provoking examples and explanations..." Christine Jackson

Topics in Biomedical Gerontology Hyperion
With forty-two topics and over four hundred

questions, *If Only You Would Ask* provides a framework for tapping into memories that may not have been thought about or talked about for years! You and the person you are visiting will both enjoy your time together. In fact, you will look forward to your next get together.--Back cover.

Do You Know Your Dad's Story? The Unasked Questions Harmony
Designed as a practical guide through the complex world of senior living, this book offers support and guidance for families to collaborate, leverage one another's strengths, and work toward this higher goal of making sure that their loved ones thrive. Read about how to manage difficult conversations with your loved ones, critical questions to ask during a facility tour, financial breakdown including Medicare and Medicaid, overcoming challenging behaviors, the state-survey process, and much more. With limited resources on the market today, planning for Assisted Living can be overwhelming for those who are making difficult choices for their loved ones. Get to know the industry standards and understand the difference

between Assisted Living, Independent Living, and Skilled Nursing. Author and former Community Relations Director at a prestigious assisted living community, Kristi Stalder, offers solutions to almost any situation; financial, behavioral, and emotional, so you can make an educated decision that will be in your loved one's best interest. Ethics in the Practice of Elder Law Gotham

A comprehensive guide to caring for the elderly serves as a record book for keeping track of medical, legal, and financial data and offers advice on assessing the health of an elder, broaching difficult topics, and more.

Multidimensional Functional Assessment of Older Adults National Academies Press

Are you worried about taking care of your elderly parents? Do you know how to select the best facility for their needs and financial situation? Kady Dash shares her experiences of what you must know before

choosing a place for mom or dad. In this book you will learn: - What eighty questions to ask before selecting a facility- Legal advice Kady got about signing forms, including what not to sign- What to do when the savings to pay for room and board run out- Clarifications of questions on Medicaid forms - Medicaid's unwritten rules, including deadlines that are not the

final ones- Specific additional information requests from the caseworker- Concise tips that will save you money- Links to useful websites and vital online formsThe author shares the experience she gained during a two-year journey of moving her mother from independent living to assisted living and then to a nursing home. She details the step-by-step

process of what to do when the money to pay for the facilities ran out. Kady describes the obstacles she had to overcome so you can learn from her mistakes instead of your own. It is easy to feel overwhelmed trying to make the best choices for your parent. This book is specific and detailed. It is the no-nonsense helping hand every caregiver needs.
