This book gives you the exact details on how to finance, find, analyze, manage, and even sell rental properties. Where other books lack the details on how to actually make money in real estate, this book is all

about the details. It is written by someone who has been investing in real estate for over 15 years and is still investing today. If you are having trouble figuring out how to find the right properties, how to finance them, where to buy properties, or how to buy with little cash, this book tells you how to overcome those obstacles. If you can't find your answer in the book,

Mark even gives away his email address where you can ask him directly. Mark is a successful rental property owner, fix and flipper and real estate broker. Mark has sold over 1,000 houses as a broker, flipped over 155 houses, and owns his own office Blue Steel Real Estate. Mark bought his first rental property on his own in December 2010 and now has 19 rentals (commercial and residential).

He has fix and flipped houses since 2001 and been a real estate agent since 2001 as well. Over the years, he has learned the best way to find rentals, get great deals, manage properties, finance properties, find great markets and build wealth with rentals. In this book, Mark gives you all the information you need to be a successful rental property investor. Mark also started

Investfourmore.com, a real estate blog with over 35,000 subscribers and millions of visitors. He is known for his straight to the point writing that is easy to understand and full of insight. This book is not full of theories and made up stories. It contains real-world case studies and information on investing from an investor actively investing in today's market (2017). Here are just a few of the topics

covered: · Why rental properties will help you retire faster than other investments· The risks of investing in rentals· How to determine what a good rental property is· How to determine what type of rental to buy· How to get a great deal on properties· How to finance rentals, even if you have more than 4 or more than 10· How to invest in rentals with less cash· How to repair and

<p>maintain properties· How to manage rentals or find a property manager· What are the best exit strategies· How to buy rental properties when your market is too expensive· This book has been revised a number of times to reflect current market conditions and changes in Mark's strategy.</p> <p><u>Build a Rental Property Empire</u></p> <p>Createspace Independent Publishing</p>	<p>Platform</p> <p>On the surface, being a landlord seems pretty simple-you buy property, find renters, and the money rolls in.</p> <p>However, as all too many people have found out, it takes an incredible amount of know-how and hard work in order to be successful at it.</p> <p>Idiot's Guides: Making Money with Rental Properties is written by experts who have made the mistakes, learned the lessons, and</p>	<p>have become highly successful at spotting properties with high rental potential, buying them at the right price and time, and finding tenants who pay on time and stay for the long haul.</p> <p>Readers will learn not only how to spot the right neighborhood and property, but how to buy it, when not to buy it, how to find the right tenants, how to manage the money flow, and more. GET STARTED TODAY with Residential Property Management for Managers: QuickBooks Desktop. Vacation Rental Success Biggerpockets Publishing, LLC You'll need to wear many hats in the business of property management: advertiser/promoter (in seeking tenants), host (in showing your property), handyman (in keeping up with and arranging repairs), bookkeeper (in maintaining records), and even counselor (in dealing with tenants and their problems). But Property Management For Dummies will help you maintain your sense of humor - and your sanity - as you deal with these challenges and more. You may become an unintentional property owner - someone who inherited a house from a relative and didn't want it to sit idle, or someone who transferred to a job in another city and decided to rent your home rather than sell it - or you may have entered the world of property ownership intentionally. Either way, real estate offers one of the best opportunities to develop a steady stream of residual

income.  
Property Management For Dummies is organized by specific topic areas, so you can easily and quickly scan a topic that interests you, or you can troubleshoot the source of your latest major headache. You'll discover how to Evaluate your skills and personality to see whether you have what it takes to be a landlord Keep your units occupied with paying tenants who don't destroy

your property Move in your new tenants and move them out - and everything in between Assemble the right team of professionals to help you, from employees to contractors Insure your property and understand the taxes that go with it Look for additional sources of income beyond rent, including the opportunities and pitfalls of lease options While many of life's lessons can be uncovered by

trial and error, property management shouldn't be one of them - the mistakes are too costly and the legal ramifications too severe. In this book, you'll find proven strategies to make rental property ownership and management not only profitable but pleasant as well.

The American Dream has shifted...Not long ago, Americans were bent on home ownership. Most viewed it as one of their great life goals and their largest investment. No more. Almost overnight, the demographics have shifted. For an increasing number of Americans of all ages and backgrounds, renting is in, and home ownership is out.

Experienced commercial real estate investors know that the risk profile, returns and tax benefits of large scale multifamily are virtually unmatched. Unfortunately, access to these investments is unavailable to most investors. The author takes you on a journey through his surprising discoveries about the power of this unique asset class. The Perfect Investment teaches you...

The secrets used by the super-wealthy to attain and maintain their wealth over generations (and why you're not invited to their party). Why multifamily investing scored 460% better than the stock market on a key risk vs. reward ratio. Why investing in flips, single family rentals, and small apartments is a not a path to multi-generational wealth for the vast majority of people. Why US demographics,

the economy, and the fallout from the last recession have caused the perfect storm for the success of this asset class. How multifamily investors "partner" with the IRS to reap significant profits while paying virtually no taxes. (Your CPA may not know these tax codes, but you need to!) "The Perfect Investment is extremely compelling. So much so, that as soon as I finished reading the

book, I contacted Paul and said, "I'm in!" As an early stage entrepreneur that is always swinging for the fences on high-risk, high-growth startups, this is a much-needed wakeup call to balance my investment strategy with the highest return/lowest risk investment available. Well done, Paul!"- Wade Myers, Chairman of RealManage (an Inc 5000 tech-enabled real estate management firm), tech

entrepreneur and investor, and Harvard MBA and case study author "Paul Moore has written a terrific book for real estate investors, new or experienced. He explains the benefits and provides a detailed but concise pathway based upon personal experience and in easy to understand language. A great recommendation for getting started in commercial real estate investment."- Allen Smith,

Vice President Investments, Marcus & Millichap (top 10 US commercial brokerage with \$33B in annual sales) "The book is very impressive and complete. It goes beyond the basics and informs investors of all of the opportunities, and pitfalls, of investing in real estate. The ability for a potential investor, at any level of sophistication, to go to one location to access information about investing in multifamily real estate is very unique." - Rick Graf, President & CEO, Pinnacle Property Management Services (top 5 US property management firm with 146,000 apartment units under management) "As an investment advisor I am always seeking investments that will compliment the portfolio of a family or individual looking to grow their wealth without taking extraordinary risks. In this book, Paul builds a strong case for why multifamily housing provides a highly attractive risk to reward ratio on an investment you can actually touch and see!" - Micah Spruill, Managing Partner, Aurora Investment Advisors "The Perfect Investment is a great introduction for anyone looking to venture into commercial multifamily investing.

Paul's approach during each step of the process is well defined and thoroughly explained. A perfect guide for the perfect investment."- Neal Golden, Vice Chairman and Texas Regional President of Newmark Grubb Knight Frank (top 3 US commercial brokerage- \$100B in annual sales) *The Perfect Investment* Mango Media With Spencer-Smith's hands-on know-how and dramatic shift in how to
