### **The Florida Landlord's Manual** Emo Ikede

The legal information and forms every California landlord needs Choosing tenants, raising the rent, returning deposits, and maintaining rental property--these are just a few of the things landlords do that are strictly regulated by California law. To avoid problems and hefty legal fees, property owners and managers need to know and comply with federal, state, and local rules, and use the proper legal forms. Fortunately, everything you need is in this book. Rent control and eviction protections are now a matter of state law, and even small municipalities are enacting their own ordinances that affect rent, terminations, and notices. This book contains a unique rent control chart that explains key provisions and gives information on how to learn more. No California landlord can afford to do business without checking for local ordinances and following them. With *The California Landlord's Law Book: Rights & Responsibilities* you'll learn how to: screen prospective tenants--without discriminating illegally prepare (and enforce) leases and rental agreements apply the state-wide rent control and eviction protection law if it applies to you collect and return security deposits raise the rent and change other terms of the tenancy hire, work with, and fire property managers keep up with repairs and maintenance restrict subletting and short-term rentals act promptly when rent is late, and terminate a tenancy. With *Downloadable forms: Download and customize more than 40 essential legal*

forms, including a lease and rental agreement (in both English and Spanish), tailored to meet California law - details inside.

*California Tenants' Rights* John Wiley & Sons

Protect your investment! Choosing new tenants who will pay on time, respect your property, and stay for an extended period will make your life easier and your business more profitable. This book guides you through the process of attracting, screening, choosing, and getting the best renters possible. Just as important, it shows how to avoid problem tenants. You'll learn how to: avoid discrimination complaints advertise effectively screen tenants over the phone show the unit evaluate applications examine credit reports check references make a rental offer reject applicants and much more. With *Downloadable Forms: includes dozens of forms and checklists that will help you get the information you need without running afoul of the law* available for download (details inside).

**The Landlord's Guide to Minnesota Law** Nolo

Don't feel like selling your house for less than you paid for it? Need to move but can't because you're unable to find a buyer for your home? Join one of the fastest-growing groups this side of the

real estate bubble-the accidental landlord. The low interest rates and double-digit appreciation in the housing market a few years ago have given way to declining home prices, higher rates, more foreclosures, and higher credit standards. Homeowners who need to relocate or want to move are finding it impossible to do so without taking a loss. Many are considering renting their homes until the market rebounds, and this book is for them. The Accidental Landlord helps readers determine if renting is a viable option, and if it is, how to go about the process of being a landlord until it makes sense to sell. In it, readers will learn how to- Determine if it makes financial sense to rent Assess whether or not they have what it takes to be a landlord Decide between the various rental options available Explore different types of rental agreements and decide which is best Prepare the home to be rented Decide if it makes sense to work with a property management company Identify potential renters and market the property Evaluate prospective tenants Collect rent, pay taxes, and change insurance coverage Manage the property and tenants Deal with problems that surface Decide when it's time to sell

*Property Code* Transaction Publishers

The legal forms and state rules every landlord and property manager needs To keep up with the law and make money as a residential landlord, you need a guide you can trust: Every Landlord's Legal Guide. From move-in to move-out, here's help with legal, financial, and day-to-day issues. You'll avoid hassles and headaches—not to mention legal fees and lawsuits. Use this top-selling book to: screen and choose tenants prepare leases and rental agreements avoid discrimination, invasion of privacy,

personal injury, and other lawsuits hire a property manager keep up with repairs and maintenance make security deposit deductions handle broken leases learn how to terminate a tenancy for nonpayment of rent or other lease violations restrict tenants from renting their place on Airbnb, and deal with bedbugs, mold, and lead hazards. The 16th edition is completely revised to provide your state's current laws, covering deposits, rent, entry, termination, late rent notices, and more. Comes With Access to Free Downloadable Forms: includes access to more than 30 essential legal forms including a lease and rental agreement, rental application, notice of entry, tenant repair request, security deposit itemization, property manager agreement, and more. **IMPORTANT NOTE:** You DO NOT have to pay more to use the downloadable forms—please see Appendix B in the book for the link to and instructions for using the downloadable forms that come with the book.

**American Landlord: Everything U Need to Know... about Property Management** Bloomsbury Publishing USA

The Landlord's Guide to Minnesota Law addresses every landlord-tenant legal issue that is likely to arise over the course of a lease. From how to find a tenant to what to do once they leave, it is a practical and thorough legal analysis of what Minnesota landlords need to know about complying with the relevant federal, state and local laws. At the end of each chapter you'll find "Tips from a Tenant Attorney." These tips offer more creative advice on how landlords can solve difficult legal situations or prevent them from ever occurring. Also included is our exclusive line-by-line analysis of

the Minnesota State Bar Association's Model Residential Lease. Instead of guessing what your lease terms mean, this guide tells you why each term exists and how it applies to your situation. This book was written by practicing attorneys in Minnesota who work exclusively in landlord-tenant law. There are dozens of legal guides available online for landlords, but none of them focus on Minnesota statutes and regulations, and when it comes to landlord-tenant legal issues, state law is key. Both authors are currently practicing attorneys with over 25 years of experience in tenant landlord law, advising over 39,000 renters on HOME Line's tenant hotline. They also train a wide variety of audiences in tenant landlord law, including over 100 trainings to landlord groups throughout Minnesota.

The Complete Idiot's Guide to Being a Smart Landlord Simon and Schuster

This book covers the entire cycle of becoming a successful landlord. Written in an accessible format by the entire team of completelandlord.com, this book provides valuable information for landlords from a staff of real estate experts. Readers will find essential information on: What a new landlord can expect How to determine which is the best property to invest in How to keep accurate records, rental agreements and leases How to deal with tenants How to screen tenants How to market your property to tenants How to manage the day-to-day responsibilities of a landlord The Landlords' Rights & Duties in Florida Nolo

No matter how great you are at finding good rental property deals, you could lose everything if you don't manage your properties correctly! But being a landlord doesn't have to mean middle-of-the-night phone calls, costly evictions, or

daily frustrations with ungrateful tenants. Being a landlord can actually be fun IF you do it right. That's why Brandon and Heather Turner put together this comprehensive book that will change the way you think of being a landlord forever. Written with both new and experienced landlords in mind, *The Book on Managing Rental Properties* takes you on an insider tour of the Turners' management business, so you can discover exactly how they've been able to maximize their profit, minimize their stress, and have a blast doing it! Inside, you'll discover:

- The subtle mindset shift that will increase your chance at success 100x!
- Low-cost strategies for attracting the best tenants who won't rip you off.
- 7 tenant types we'll NEVER rent to--and that you shouldn't either!
- 19 provisions that your rental lease should have to protect YOU.
- Practical tips on training your tenant to pay on time and stay long term.
- How to take the pain and stress out of your bookkeeping and taxes.
- And much more!

### **The Book on Managing Rental Properties** NOLO

Landlords want great tenants to rent their properties. One that takes care of the property, pays rent on time and gets along well with the neighbours. In this book, I will show you 11 steps to follow so that you get great tenants. From preparing your property, creating and posting your advertisement, screening you tenants and signing a lease, this book covers important steps you should implement. This book is a summary of what we have learned over the last 14+ years of being a landlord. It is a quick read that gets straight to the point to help you grow your rental business.

[The Southwestern Reporter](#) Law Journal Press

You have a residential investment

property. Perhaps you are already renting it out. But are you doing it like a pro and do you know how to maximise your return from it? In this book, property management expert David Beattie distils two decades of experience into easy-to-implement steps and shows you how to manage your property like a professional landlord. His goal is to help you make more money in less time and with fewer hassles, by showing you how to run your property investment like a business; navigate and comply with South African rental laws with ease; attract, screen, place and keep high-quality tenants; ensure successful and consistent rent collection; and maintain your property with the least effort and money. The book also includes templates for all the documents the prospective landlord needs.

It provides 25 tear-out forms and agreements, including rental applications, leases and rental agreements, 3-day and 30-day notices, sample letters, and more.

**Landlords and Tenants** Express Publishing (CA)

Writing in their famous Harvard Law Review article of 1890, Louis Brandeis and Samuel Warren asserted what many have considered one of the most cherished American values: the right to be let alone. Yet in this post-9/11 world, personal privacy is more threatened than ever. This book provides students and general readers a comprehensive overview of privacy in contemporary America. Included are some 225 alphabetically arranged entries written by more than 100 expert contributors. Entries cover such topics as the USA PATRIOT act, abortion rights, wiretapping, telemarketing, identity theft, DNA databases, Internet and email privacy, and numerous other concerns. Entries cite works for further reading, and the Encyclopedia closes with a bibliography of books, websites, organizations, and films. New threats to privacy have arisen in the face of competing social, political, and economic

demands, rapid technological change, and an intrusive and voyeuristic mass media. Citizens are barraged on a daily basis with stories of corporate data mining, government surveillance programs, identity theft, and computer hacking of personal information. As a result, citizens are becoming increasingly concerned about their personal privacy as well as their privacy rights. This encyclopedia, the first of its kind, comprehensively overviews various aspects of privacy throughout U.S. history, including significant legal cases, events, laws, organizations, individuals, technology, and terms. With some 225 alphabetically arranged entries written by more than 100 leading scholars and experts in the field, this inclusive and authoritative work will appeal to those interested in both historical and contemporary notions of privacy in the United States. Readers will learn of the significance of technology in today's society, its helpful and harmful effects on citizens' privacy, and what to expect in the future. Entries cite print and electronic resources, and the Encyclopedia closes with a listing of books, organizations, websites, films, and other sources of information.
