When Real Estate Investors say, "I wish I'd know that," this is what they are talking about. *Real Estate Investing Calculations* are the Rules of Real Estate Investing, and you must know the rules. *Real Estate Investing* offers you four huge benefits that other forms of investing do not. *Cash Flow. *Asset Appreciation.

*Financial Leverage. *Special Tax Treatment. But your success will depend on how well you estimate these items before you purchase a property, and how well you manage them after you purchase. A basic rule of Business Management is "In order to manage, you must first measure." And that's the purpose of *50 Real Estate Investing Calculations*. This book teaches you how to generate these numbers yourself, and explains their meanings. These Calculations are the tools of your trade.

A new way forward for sustainable quality of life in cities of all sizes *Strong Towns: A Bottom-Up Revolution to Build American Prosperity* is a book of forward-thinking ideas that breaks with modern wisdom to present a new vision of urban development in the United States. Presenting the foundational ideas of the Strong Towns movement he co-founded, Charles Marohn explains why cities of all sizes continue to struggle to meet their basic needs, and reveals the new paradigm that can solve this longstanding problem. Inside, you'll learn why inducing growth and development has been the conventional response to urban financial struggles—and why it just doesn't work. New development and high-risk investing don't generate enough wealth to support itself, and cities continue to struggle. Read this book to find out how cities large and small can focus on bottom-up investments to minimize risk and maximize their ability to strengthen the community financially and improve citizens' quality of life. Develop in-depth knowledge of the underlying logic behind the "traditional" search for never-ending urban growth. Learn practical solutions for ameliorating financial struggles through low-risk investment and a grassroots focus. Gain insights and tools that can stop the vicious cycle of budget shortfalls and unexpected downturns. Become a part of the Strong Towns revolution by shifting the focus away from top-down growth toward rebuilding American prosperity. Strong Towns acknowledges that there is a problem with the American approach to growth and shows community leaders a new way forward. The Strong Towns response is a revolution in how we assemble the places we live.
