Grace under Pressure: Greyâ (TM)s Anatomy Uncovered is a collection of essays that offers a scholarly, critical analysis of the hit ABC network series. Within these pages, the authors examine various topics in depth, including the making of the series; its marketing and promotion; the creative team behind the show; the role of music within the series; gender and gender roles; family and relationships; and morality.

Broadway in the Box Bloomsbury Publishing USA

David Rowell is a professional journalist and an impassioned amateur musician. He's spent decades behind a drum kit, pondering the musical relationship between equipment and emotion. In *Wherever the Sound Takes You*, he explores the essence of music's meaning with a vast spectrum of players, trying to understand their connection to their chosen instrument, what they've put themselves through for their music, and what they feel when they play. This wide-ranging and openhearted book blossoms outward from there. Rowell visits clubs, concert halls, street corners, and open mics, traveling from the Rock and Roll Hall of Fame in Cleveland to a death metal festival in Maryland, with stops along the way in the Swiss Alps and Appalachia. His keen reportorial eye treats us to in-depth portraits of musicians from platinum-selling legend Peter Frampton to a devout Christian who spends his days alone in a storage unit bashing away on one of the largest drum sets in the world. Rowell illuminates the feelings that both spur music's creation and emerge from its performance, as well as the physical instruments that enables their expression. With an uncommon sensitivity and grace, he charts the pleasure and pain of musicians

consumed with what they do—as all of us listen in.

Caroline, or Change Black Dog & Leventhal

Jamie Dornan came to the role of Christian Grey in the motion picture *Fifty Shades of Grey* as Hollywood's answer to a prayer when the original actor, Charlie Hunnam, left the picture a scant three weeks before production was set to begin. But the reality was that Dornan's being thrust into "Instant" celebrity was more than a decade in the making chronicled in entertaining depth in the *Inside Grey's Anatomy: The Unauthorized Biography of Jamie Dornan* by New York Times best-selling author Marc Shapiro. Dornan's story is ripe with pathos, talent, determination and luck. After losing his mother at an early age, Dornan struggled with frustration and aimlessness as he attempted to find his way in the world. Luck entered the picture when he stumbled into the world of international modeling where, after being dubbed *The Golden Torso*, he reluctantly rode the glitz and glamour, making money, dating the most sought-after women but ultimately chaffing as he dreamed of becoming an actor. His determination finally kicked open the door with important works in both television and film. Finally the phone rang early one morning and Christian Grey was born.

Billboard How to Save a Life

This book is a broad-brush approach describing the realities of life in the American rabbinate. Factual portrayals are supplemented by examples drawn from fiction--primarily novels and short stories. Chapters include: ♣Rabbinic Training ♣Congregational Rabbis and Their Communities ♣Congregants' Views of Their Rabbis ♣Women Rabbis [also including examples from TV and Cinema]

♣Assimilation, Intermarriage, Patrilineality, and Human Sexuality  
 ♣God, Israel, and Tradition This book draws upon sociological data, including the recent Pew Research Center survey on Jewish life in America, and presents a contemporary view of rabbis and their communities. The realities of the American rabbinate are then compared/contrasted with the ways fiction writers present their understanding of rabbinic life. The book explores illustrations from two hundred novels, short stories, and TV/cinema; representing well over 135 authors. From the first real-life women rabbis in the early 1970s to today's statistics of close to 1,600 women rabbis worldwide, major changes have taken place. Women rabbis are transforming the face of Judaism. For example, this newly revised second edition of *American Rabbis: Facts and Fiction* reflects a fivefold increase in terms of examples of fictional women rabbis, from when the book was first published in 1998. There is new and expanded material on some of the challenges in the twenty-first century, women rabbis, human sexuality/LGBTQ matters, trans/post/non-denominational seminaries, and community-based rabbis.

*Anatomy of a Song* Fayetteville Mafia Press

This deluxe collection contains more than 220 pages of piano/vocal sheet music that capture the pop and rock "soundtrack" of 2011 to play and sing for a lifetime. Titles: \* Animal (Neon Trees) \* Best Thing I Never Had (Beyonce) \* Born This Way (Lady Gaga) \* California King Bed (Rihanna) \* Dynamite (Taio Cruz) \* The Edge of Glory (Lady Gaga) \* E.T. ### **Focus On: 100 Most Popular American Romantic Drama Films**

Wise Publications

THE NEW YORK TIMES BESTSELLER The first inside story of one of TV's most popular and beloved dramas, *Grey's Anatomy*. More than fifteen years after its premiere, *Grey's Anatomy* remains one of the most beloved dramas on television and ABC's most important property. It typically wins its time slot and has ranked in the Top 20 most-watched shows in primetime for most of its seventeen-season run. It currently averages more than eight million viewers each week. Beyond that, it's been a cultural touchstone. It introduced the unique voice and vision of Shonda Rhimes; it made Ellen Pompeo, Sandra Oh and T.R. Knight household names; and injected words and phrases into the cultural lexicon, such as "McDreamy," "seriously," and "you're my person." And

the behind-the-scenes drama has always been just as juicy as what was happening in front of the camera, from the controversial departure of Isaiah Washington to Katherine Heigl's fall from grace and Patrick Dempsey's shocking death episode. The show continued to hemorrhage key players, but the beloved hospital series never skipped a beat. Lynette Rice's *How to Save A Life* takes a totally unauthorized deep dive into the show's humble start, while offering exclusive intel on the behind-the-scenes culture, the most heartbreaking departures and the more polarizing plotlines. This exhaustively enthusiastic book is one that no *Grey's Anatomy* fan should be without.

**Taylor Swift** Cambridge Scholars Publishing

With albums and singles that head straight to the top of the charts and a shelf full of awards, Taylor Swift has become a megastar - and all before she turned 20. This book provides her fans with the first detailed biography of the young star, from her childhood in Pennsylvania to her early days trying to land a record deal. Full of full-colour photos, the book details Taylor's songs, albums and tours, her family, friends (including Miley Cyrus and Demi Lovato) and boyfriends (including the Jonas Brothers' Joe) and musical influences.

Atlantic Books

Taylor Swift is taking over the world. Beginning to understand the depth of her mind-boggling popularity takes some doing. But let's try: In November 2014, on the release of single 'Blank Space', her name accounted for a legitimately staggering 10% of all Google searches, globally. Or in other words, she was the subject of one in ten enquiries made by the human race. Aged 25, she is one of the biggest-selling artists of all time,

with 170 million units. This leaves U2, Bruce Springsteen and Paul McCartney in her dust. She has 63 million followers on Twitter (or the population of the UK) and 45 million on Instagram. For perspective, this makes her the 3rd most popular account on Instagram, and 4th on Twitter, just behind Leader of the Free World, President Barack Obama. The best metric of fan passion has always been touring revenue, and Taylor's merch and ticket sales amount to \$30 million - the highest in the music industry, by far.

Lifelong wrestling fan and critic Scarlett Harris uses big ideas, such as #MeToo, the commodification of feminism, and how we tell women's stories to chart the rise and fall and rise of women's wrestling.

**Wherever the Sound Takes You**

Lulu.com

“There are moments in the history of theatre when stagecraft takes a new turn. I like to think that this happened for the American musical last week, when Tony Kushner’s *Caroline, or Change* (at the Public), a collaboration with composer Jeanine Tesori and the director George C. Wolfe, bushwhacked a path beyond the narrative end of the deconstructed, overfreighted musicals of the past thirty years.”—John Lahr, *The New Yorker*

*Louisiana, 1963: A nation reeling from the burgeoning Civil Rights Movement and the Kennedy assassination. Caroline, a black maid, and Noah, the son of the Jewish family she works for, struggle to find an identity for their friendship. Through their intimate story, this beautiful new musical portrays the changing rhythms of a nation. Tony Kushner and composer Jeanine Tesori have created a story that addresses contemporary questions of culture, community, race and class through the lens and musical pulse of the 1960s. Tony Kushner is best known for the two-part masterwork, *Angels in America*, recently produced by HBO as a six-hour television event, directed by Mike Nichols to universal acclaim. His other plays include *Homebody/Kabul*, *A Bright Room Called Day* and *Slavs!*; as well as adaptations of Corneille’s *The Illusion*, Ansky’s *The Dybbuk*, Brecht’s *The Good Person of Szechuan* and Goethe’s *Stella*. Current projects include: *Henry Box Brown* or *The Mirror of Slavery* and *St. Cecilia* or *The Power of Music*. He recently collaborated with Maurice Sendak on an American version of the children’s opera, *Brundibar*. He grew up in Lake Charles, Louisiana, and he lives in New York. Jeanine Tesori wrote the score for *Thoroughly Modern Millie*, which won the 2002 Tony and*

Drama Desk Awards for Best Musical and the multiple-award-winning *Violet*.

The Cool Factor Oxford University Press

A collection of stories and ideas about the life of celebration that God gives us, this book offers a vision of life as a collection of bright and varied glimpses of hope and redemption and celebration, in and among the heartbreak and boredom and broken glass.

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**One-Hit Wonders** St. Martin’s Press

The one-hit wonder has a long and storied history in popular music, exhorting listeners to dance, to teach the world to sing in perfect harmony, to ponder mortality, to get a job, to bask in the sunshine, or just to get up and dance again. Catchy, memorable, irritating, or simply ubiquitous, one-hit wonders capture something of the mood of a time. This collection provides a series of short, sharp chapters focusing on one-hit wonders from the 1950s to the present day, with a view toward understanding both the mechanics of success and the socio-musical contexts within which such songs became hits. Some artists included here might have aspired to success but only managed one hit, while others enjoyed lengthy, if unremarkable, careers after their initial chart success. Put together, these chapters provide not only a capsule history of popular music tastes, but also ruminations on the changing nature of the music industry and the mechanics of fame.

Assemble (soundtrack), A Cinderella Story (soundtrack), Bad Company (soundtrack), Bandslam (soundtrack), Bringing Down the House (soundtrack), Confessions of a Teenage Drama Queen (soundtrack), Ella Enchanted (soundtrack), Flash Gordon (soundtrack), Freaky Friday (soundtrack), Ghosts of the Abyss, Grey's Anatomy (soundtrack), Herbie: Fully Loaded (soundtrack), High Fidelity (film), List of Scrubs soundtracks, Love Don't Cost a Thing (soundtrack), Music from and Inspired by Desperate Housewives, National Treasure (film), Phineas and Ferb (soundtrack), Pootie Tang (soundtrack), Prom (film), Save the Last Dance (soundtrack), See You Again, Signs (soundtrack), SLC Punk!, South Central (soundtrack), Straight Talk (film soundtrack), The 6th Man (soundtrack), The Crow: City of Angels (soundtrack), The Invisible (soundtrack), The Life Aquatic with Steve Zissou (soundtrack), The Patriot (soundtrack), The PJs (soundtrack), Thumbsucker (soundtrack). Excerpt: "See You Again" is a pop song performed by American singer-songwriter Miley Cyrus. The song was composed by Cyrus (credited as Destiny Hope Cyrus), Antonina Armato, and Tim James and produced by Armato and James. It was released on December 19, 2007 by Hollywood Records, as the lead single from Cyrus' debut album Meet Miley Cyrus, the second disc of the dual album Hannah Montana 2: Meet Miley Cyrus. It was remixed by Rock Mafia and re-released to a number of countries on August 11, 2008, as the second single from Cyrus' second studio album Breakout (2008). Musically, the track is a dance-pop number that contains influences from various musical genres, including electronic music. Lyrically, the track speaks of teenage...
