The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use

and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race. *Tourist Guide of the West Michigan Pike* Colchis Books Don't cast this one aside. Anglers now have the ultimate

fishing reference providing complete coverage of new gear, tackle, and equipment from the fishing industry and a directory of more than 1,400 leading fishing guides and charters. Provides fishing license fees and regulations for each state to help enthusiasts eliminate confusion when traveling. This comprehensive catalog lists rods, reels, depth finders, tackle boxes, boats, trailers, and other vital equipment available for fresh water, salt, and deep-sea fishing. It includes essential information for the traveling angler, such as top fishing resorts, state and national parks, and tourism resources for every state. Also included are contact information and brand

names for every major manufacturer in the fishing and boating industries. Entertaining and information-packed articles report on salmon fishing, busting bass on the pro tour, saltwater success, Great Lakes trolling, Canadian getaways, recipes, fly-tying secrets, and more.

The most all-encompassing compendium of truly valuable information on steelhead ever written. —Jack Hemingway There are exceptional chapters on the fish itself; the tackle and techniques used to pursue it under diverse circumstances in such great steelhead rivers as the Deschutes, the Dean, the North Umpqua, the Bulkley, the Rogue and the Babine, and memorable profiles of the modern masters and the fly patterns

they developed.

No other campground guidebook focuses

solely on the Michigan quite like Kevin

Revolinski's. Michigan offers a surprising

array of quiet, out-of-the-way parks replete

with lakes, rivers, rugged hills, and even

rocky cliffs. Camping Michigan opens the

door to these places. It includes: Ø Up-to-date

trail information and route descriptions Ø

Accurate directions to popular as well as less-

traveled trails Ø Difficulty ratings for

each hike Ø Historical highlights Ø Detailed

trail maps Ø Zero-impact camping, and

wilderness safety tips and techniques

Rowman & Littlefield
Newly updated for 2016, the Michigan Northwest Region Fishing Map Guide is a thorough, easy-to-use collection of detailed contour lake maps, fish stocking and survey

data, and the best fishing spots and tips from area experts. Fishing maps, detailed area road maps and exhaustive fishing information are provided in this handy eBook. Includes lakes with public access in Antrim, Benzie, Charlevoix, Cheboygan, Emmet, Grand Traverse, Kalkaska, Leelanau, Otsego Counties. Over 130 lakes, plus Lake Michigan, Lake Huron and stream coverage. Whether you're trolling for trout and salmon on Lake Charlevoix, spearing sturgeon on Black Lake or chasing trophy muskies on Lake Bellaire, you'll find all the information you need to enjoy a successful day out on the water on one of the area's many excellent fisheries. Know your

waters. Catch more fish with the Michigan Northwest Region Fishing Map Guide. *Flyfisher's Guide to Michigan* Penguin
 A brave and beautiful story that will make readers laugh, and break their hearts at the same time. Now with a special note from the author! Steven has a totally normal life (well, almost). He plays drums in the All-City Jazz Band (whose members call him the Peasant), has a crush on the hottest girl in school (who doesn't even know he's alive), and is constantly annoyed by his younger brother, Jeffrey (who is cuter than cute - which is also pretty annoying). But when Jeffrey gets sick, Steven's world is turned upside down,

and he is forced to deal with his brother's illness, his parents' attempts to keep the family in one piece, his homework, the band, girls, and *Dangerous Pie* (yes, you'll have to read the book to find out what that is!). *Drums, Girls, and Dangerous Pie* Sportsman's Connection
 Many birders come to Michigan with the intention of adding Kirtland's Warbler to their life lists - but the state should by no means be dismissed as a one-species wonder. Surrounded by four Great Lakes, Michigan boasts 3,000 miles of shoreline. Add the additional habitat afforded by 11,000 interior lakes, 36,000 miles of rivers and streams, and the largest state forest

system in the nation and it's not surprising that Michigan's official bird list now stands at 421 species. A Birder's Guide to Michigan describes over 200 sites, with details on each site's birds, best seasons, and driving directions, accompanied by 200-plus maps. Thoroughly researched bar graphs describe the seasonal status and abundance of the state's regularly occurring species, and an annotated list of specialties will guide birders to some of North America's most sought-after species. A bonus is an appendix listing the state's amphibians and reptiles, butterflies and dragonflies, mammals, and orchids.

Fusion Fly Tying

Sportsman's
Connection

One of the country's top guides and fly tiers covers how to effectively imitate the baitfish that the premier game fish of the Great Lakes feed on. Stunning photographs of the baitfish underwater, in their habitat, complement the detailed information on presenting the fly and other key tactics.

Matching Baitfish includes guide tips for reading the water, strategies for swinging flies, and 20 guide flies and detailed recipes.

Indispensable information for anglers in Michigan, Minnesota, Wisconsin, Illinois, Ohio, Pennsylvania, and New York, as well as Ontario, Canada.
