Are you truly willing to risk everything? In *Believing Jesus*, Bible teacher and author Lisa Harper retraces the steps of the apostles in the book of Acts, while throwing in a few of her own crazy adventures along the way. The disciples didn't have much of a road map after Jesus ascended to heaven, but God's grace and spirit filled in the gaps as they moved forward. It required their willingness to risk everything to establish a new community that would change the future world. As a regular speaker on the Women of Faith® tour, Lisa has earned a reputation as a true theological scholar and hilarious storyteller—not necessarily in that order! Best-selling author and pastor Max Lucado calls Lisa one of the “best Bible tour guides around.” *Believing Jesus* will highlight both of Lisa's strengths as she tackles every chapter of the Book of Acts with biblical wisdom and modern wit. Lisa keeps it real, telling stories on herself and pointing readers back to Jesus, the only one who can truly lead.

Riots. Intolerance. Accusations. Scandal. Beatings. Plots. Arrests. Executions. Murder...And out of that, the Church was born. Pastor John MacArthur will take you through the story of the earliest Christian movement to show how—even in the midst of persecution and opposition—the early believers were able to rely on God's spirit for direction and divine authority to preach the gospel to all nations. The book of Acts is a carefully-recorded history of the explosive spread of the gospel and the rapid growth of the church after Christ's ascension. In one of the most tumultuous, violent and dramatic books in the entire Bible, Acts starts with the outpouring of the Holy Spirit, without which the young church could never have survived the unleashing of rage and prejudice towards these radical followers of The Way. Throughout Acts, God shows His infinite power regardless of the circumstances, just as He continues to do today. —ABOUT THE SERIES— The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur. Each guide provides intriguing

examinations of the whole of Scripture by examining its parts and incorporates: Extensive, but straight-forward commentary on the text. Detailed observations on overriding themes, timelines, history, and context. Word and phrase studies to help you unlock the broader meaning and apply it to your life. Probing, interactive questions with plenty of space to write down your response and thoughts.

The mysterious presence of Jesus haunts the whole story of Acts. Jesus is announced as King and Lord, not as an increasingly distant memory but as a living and powerful reality, a person who can be known and loved, obeyed and followed, a person who continues to act within the real world. We call the book "The Acts

of the Apostles," but we should think of it as "The Acts of Jesus (II)." These studies from Tom Wright help us to do so, and to see how Jesus' acts through the apostles inform our acts today.

God guides our witness and our walk... Follow Dr. Jeremiah through the book of Acts in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. In the book of Acts, we have a record of the most fertile period of outreach in the history of Christianity. Churches were planted near and far as Jesus' followers proclaimed the message of Christ. Luke's record in Acts reveals that God places a premium on the spread of the gospel. He blesses our efforts to make disciples of all nations, one person at a time, and sends us His Spirit to guide our words, give us wisdom, and bolster our courage. We also learn that God is with us even during times of persecution and opposition--and He uses those times to sharpen us and make us effective instruments for His work. Each of this study's twelve lessons is clearly organized to include: Getting Started: An opening question to introduce you to the lesson. Setting the Stage: A short reflection to explain the context of the study. Exploring the Text: The Scripture reading for the lesson with related study questions. Reviewing the Story: Questions to help you identify key points in the reading. Applying the Message: Questions to help you apply

the key ideas to their lives. Reflecting on the Meaning: A closing reflection on the key teachings in the lesson. —ABOUT THE SERIES— The Jeremiah Bible Study Series captures Dr. David Jeremiah's forty-plus years of commitment in teaching the Word of God. In each study, you'll gain insights into the text, identify key stories and themes, and be challenged to apply the truths you uncover to your life. By the end of each study, you'll come away with a clear and memorable understanding of that Bible book. Each study also contains a Leader's Guide.
