The Women's Army Corps, 1945-1978 Random House
After years out of print, this new and redesigned book brings back the best and most complete history of the Women's Army Corps. Loaded with history, tables, charts, statistics, photos, personalities, and many useful appendices (including a history of WAC uniforms), *The Women's Army Corps, 1945-1978* is must reading for anyone who served those years in the Army as well as for those who want a complete history of the modern-day military. Author Bettie Morden served from 1942-1972 and she used her experience and access to people and records to compile the definitive reference work. Col. Morden is a graduate of the WAC Officers' Advanced Course (1962); Command and General Staff College (1964); and the Army Management School (1965). She has been awarded the Distinguished Service Medal, the Legion of Merit, the Joint Service Commendation Medal, and the Army Commendation Medal with Oak Leaf Cluster.

An American Farm Boy In Search Of Meaning "Life was so short that it meant nothing at all unless it were continually reinforced by something that endured; unless the shadows of individual existence came and went against a background that held together." - Willa Cather, *One of Ours* Claude tries to escape from his family farm grasp who want him pious and working at their family farm in Nebraska. He marries in his attempt to escape only to realize that his wife is not interested at all in him. That's when another opportunity arises: going overseas and fight for the American army in World War One. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents. This eBook also contains a bonus book club leadership guide and discussion questions. We hope you'll share this book with your friends, neighbors and colleagues and can't wait to hear what you have to say about it. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

How Asia Works Dexterity

Since Dr. Brizendine wrote *The Female Brain* ten years ago, the response has been overwhelming. This New York Times bestseller has been translated into more than thirty languages, has sold nearly a million copies between editions, and has most recently inspired a romantic comedy starring Whitney Cummings and Sofia Vergara. And its profound scientific understanding of the nature and experience of the female brain continues to guide women as they pass through life stages, to help men better understand the girls and women in their lives, and to illuminate the delicate emotional machinery of a love relationship. Why are women more verbal than men? Why do women remember details of fights that men can't remember at all? Why do women tend to form deeper bonds with their female friends than men do with their male counterparts? These and other questions have stumped both sexes throughout the ages. Now, pioneering neuropsychiatrist Louann Brizendine, M.D., brings together the latest findings to show how the unique structure of the female brain determines how women think, what they value, how they communicate, and who they love. While doing research as a medical student at Yale and then as a resident and faculty member at Harvard, Louann Brizendine discovered that almost all of the clinical data in existence on neurology, psychology, and neurobiology focused exclusively on males. In response to the overwhelming need for information on the female mind, Brizendine established the first clinic in the country to study and treat women's brain function. In *The Female Brain*, Dr. Brizendine distills all her findings and the latest information from the scientific community in a highly accessible book that educates women about their unique brain/body/behavior. The result: women will come away from this book knowing that they have a lean, mean, communicating machine. Men will develop a serious case of brain envy.

An incredible story of Johnny Agar, born with cerebral palsy and whom doctors thought would never walk, overcoming the odds to compete in Ironman triathlons. Featured on ESPN, NBC Nightly News, The Today Show, and other media outlets, Johnny delivers a moving memoir that is a testament to the power of family, faith, and extraordinary courage. Johnny's story shows the impact of a

life lived to its fullest, from the first difficult steps in training, to becoming a brand ambassador for global apparel company Under Armour. He now serves as an inspiration for not only other professional athletes, but for anyone facing their own impossible mile. Come walk a mile in Johnny's shoes, and realize, as Johnny did, you never walk alone, and anything is possible, if you'll just take on life one step at a time.

NOW WITH A NEW EPILOGUE ON THE 2021 SEASON AND TOM BRADY'S BRIEF RETIREMENT NEW YORK TIMES BESTSELLER SPORTS ILLUSTRATED • NONFICTION BOOK OF THE YEAR National Sports Media Association • Book of the Year Kirkus Reviews • Best Nonfiction of the Year "Seth Wickersham has managed to do the impossible: he has pulled off the definitive document of the Belichick/Brady dynasty." —Bill Simmons, *The Ringer* The explosive, long-awaited account of the making of the greatest dynasty in football history—from the acclaimed ESPN reporter who has been there from the very beginning. Over two unbelievable decades, the New England Patriots were not only the NFL's most dominant team, but also—and by far—the most secretive. How did they achieve and sustain greatness—and what were the costs? In *It's Better to Be Feared*, Seth Wickersham, one of the country's finest long form and investigative sportswriters, tells the full, behind-the-scenes story of the Patriots, capturing the brilliance, ambition, and vanity that powered and ultimately unraveled them. Based on hundreds of interviews conducted since 2001, Wickersham's chronicle is packed with revelations, taking us deep into Bill Belichick's tactical ingenuity and Tom Brady's unique mentality while also reporting on their divergent paths in 2020, including Brady's run to the Super Bowl with the Tampa Bay Buccaneers. Raucous, unvarnished, and definitive, *It's Better to Be Feared* is an instant classic of American sportswriting in the tradition of Michael Lewis, David Maraniss, and David Halberstam.

The Doolittle Family in America American Mathematical Soc. Papa George Halas's last championship team. What quickly followed was a pre-season tragedy (1964), the drafting of 2 legendary players (1965), some lean years before the club drafted an all-world running back from Jackson State (MS). More glory was to come. Included are the following... § Year-end Standings § Club news highlights what happened before and during the season. § Game scores: Each game (yes, all games!) are given a summary that includes yards gained, who scored, and defensive stats. § League news: rule changes, trends, trades, list of rookies and those in their last year § Significant games - noteworthy scores and individual performances, § Leader board: top Rushers, Passers, Receivers, Scorers, and individual defensive stats § Year-end Awards includes those inducted into the Hall of Fame § Championship Game/Super Bowl outcomes
Homo Deus U of Minnesota Press

When local author Dane Starbuck set out several years ago to write the biography of Pierre Goodrich, scion of one of Indiana's most prominent twentieth-century families, he soon discovered that it was impossible to really understand Pierre Goodrich without also closely examining his family. Starbuck's years of research culminated in *The Goodriches: An American Family*, now available from Liberty Fund. This work is a revealing window into the founding ideals of both Indiana and our country, and how our founders meant these ideals to be lived. *The Goodriches: An American Family* begins with the birth of James P. Goodrich in 1864 and continues through the death of his son Pierre F. Goodrich in 1973. As the story of two fascinating and fiercely individualistic men, it is compelling reading, but as author Dane Starbuck says in the preface, "the later chapters of this book are as much a social commentary on American life in the twentieth century as parts of a biography of two accomplished men." In his foreword to *The Goodriches: An American Family*, James M. Buchanan, Nobel laureate in economics and celebrated Liberty Fund author, says, "The Indiana Goodriches are an American family whose leading members, James and Pierre, helped to shape the American century. . . . This biography makes us recognize what is missing from the millennial setting in which we find ourselves. We have lost the 'idea of America,' both as a motivation for action and as a source of emotional self-confidence. We have lost that which the Goodriches possessed."

What did the Goodrich family "possess" which made them so unique? A belief in the power of knowledge, the importance of education, and a strong work ethic combined to imbue the Goodrich family with a distinctive sense of civic duty. James Goodrich served as governor of Indiana from 1917 to 1921 and as adviser to Presidents Warren G. Harding, Calvin Coolidge, and Herbert Hoover. During his eulogy of James Goodrich, the Reverend Gustav Papperman explained, "The Governor felt that he had been given talents that were a trust, that he was to administer them faithfully. . . ." According to author Dane Starbuck, "Education was a large part of the Goodriches' work ethos. . . . The family viewed education as a process by virtue of which the individual remained informed, made better business decisions, learned the importance of citizenship, and was given an opportunity for individual self-improvement. Therefore, work and education became the centerpieces of the Goodrich family's ethical and practical life." In later years, Pierre Goodrich, successful businessman and entrepreneur, would set aside a portion of his estate to found Liberty Fund because he believed that the principles of liberty on which our nation was founded need to be constantly kept before the public.

History of the NFL: the 2022 Season Simon and Schuster
The Baseball is a salute to the ball, filled with insider trivia, anecdotes, and generations of ball-induced insanity—from Zack Hample, the bestselling author of *Watching Baseball Smarter* • Which Hall of Famer once caught a ball dropped from an airplane? • Why do balls get stamped with invisible ink? • What's the best ticket to buy for catching a foul ball? • Which part of the ball once came from dog food companies? • How could a 10,000-year-old glacier help a pitcher grip the ball? In this enlightening, entertaining, and often wildly funny book, Zack Hample shares ballpark legends and lore, explores the history of the baseball souvenir craze, and also details the evolution of the ball. Finally, Hample—who has snagged more than 4,600 balls from 48 different major league stadiums—offers up his secret methods for snagging your own ball from major league games. Features a ballhawk glossary, profiles of legendary ballhawks, top 10 lists, and black-and-white photos throughout.

_____ 'Incredible stories... you don't have to be a boxing fan to enjoy it' SCOTT MILLS, BBC RADIO 1 'One of sport's most heart-warming stories' SUNDAY TIMES, SPORTS BOOK OF THE YEAR 'A must-read for any boxing fan.' WORLD BOXING NEWS 'If you know someone who is a fan of the People's Champion then they'll love this.' TALKSPORT XMAS GIFT GUIDE The extraordinary story of the rise and fall and rise again of Tyson Fury... THE GYPSY KING. A Manchester lad from Irish Traveller stock, born three months premature and weighing just a pound at birth, Tyson (named after his father's boxing hero) grew up to become one of the most unlikely heavyweight champions in history. This 'dream come true' soon turned to nightmare, however, as alcohol and cocaine abuse took hold and Tyson was stripped of his titles. What followed was the darkest moment of his life - detailed in this book for the first time - in which he came within seconds of ending everything. THE PEOPLE'S CHAMPION. Like all the greatest stories, though, there is redemption and Tyson defies all the odds and literally drags himself to his feet. 10 million people around the globe watched Fury fight Wilder in the biggest fight of the boxing calendar. Speaking candidly about his struggles with mental health, this is Tyson Fury as you have never seen him before. A BRITISH ICON.

_____ Behind the Mask is an unflinching autobiography from the greatest boxer of our time and a man who has demonstrated strength of a very different kind by conquering his demons.

_____ 'It's a great book, if I could read, I'd buy it' BILLY JOE SAUNDERS, WBO World Super-Middleweight Champion 'I didn't believe boxers could be role models, but Tyson Fury has changed my mind... This 30-year-old Mancunian has made us all think twice about the possibilities of redemption.' SIMON KELNER, INDEPENDENT 'Tyson Fury has become Britain's most unlikely inspirational figure... the sight of a broken Fury caught a mood with the public. Never was the epithet "People's Champion" more apt' RON LEWIS, THE TIMES 'Tyson Fury is an amazing real-life champion' SYLVESTER STALLONE, star of Rocky 'You may not have any interest in boxing at all and you will find this story about Tyson's life fascinating' BBC RADIO 5 LIVE 'An unusual, heartening story, nicely told. There is much to amaze and admire' SUNDAY TIMES

Mr Five Per Cent Duke University Press

Sixteenth-century Spanish soldiers described Peru as a land filled with gold and silver, a place of untold wealth. Nineteenth-century travelers wrote of soaring Andean peaks plunging into luxuriant Amazonian canyons of orchids, pythons, and jaguars. The early-twentieth-century American adventurer Hiram Bingham told of the raging rivers and the wild jungles he traversed on his way to rediscovering the “Lost City of the Incas,” Machu Picchu. Seventy years later, news crews from ABC and CBS traveled to Peru to report on merciless terrorists, starving peasants, and Colombian drug runners in the “white gold” rush of the coca trade. As often as not, Peru has been portrayed in broad extremes: as the land of the richest treasures, the bloodiest conquest, the most poignant ballads, and the most violent revolutionaries. This revised and updated second edition of the bestselling *Peru Reader* offers a deeper understanding of the complex country that lies behind these claims. Unparalleled in scope, the volume covers Peru’s history from its extraordinary pre-Columbian civilizations to its citizens’ twenty-first-century struggles to achieve dignity and justice in a multicultural nation where Andean, African, Amazonian, Asian, and European traditions meet. The collection presents a vast array of essays, folklore, historical documents, poetry, songs, short stories, autobiographical accounts, and photographs. Works by contemporary Peruvian intellectuals and politicians appear alongside accounts of those whose voices are less often heard—peasants, street vendors, maids, Amazonian Indians, and African-Peruvians. Including some of the most insightful pieces of Western journalism and scholarship about Peru, the selections provide the traveler and specialist alike with a thorough introduction to the country’s astonishing past and challenging present.

The Hidden Game of Football Open Road + Grove/Atlantic
Most historical accounts examine the Viking Age in one part rather than the whole region of the British Isles and Ireland. Very few pay attention to the continued contact between England and Scandinavia in the post-Norman Conquest period. This book aims to offer an alternative approach by presenting a history of the Viking Age which considers the whole area up to and beyond the Norman Conquest of 1066. The Vikings have been traditionally portrayed as brutal barbarians who sailed to Britain and Ireland to loot, rape and pillage. The evidence presented here suggests a considerably less dramatic but no less fascinating picture which

reveals the Vikings' remarkable achievements and their influence in shaping the political history of these islands. Katherine Holman discusses their skills as farmers, their linguistic and artistic contribution, their rituals and customs and the conflict between paganism and Christianity, showing that the Viking cultural impact was complex and often rich. Based on extensive and original research, *The Northern Conquest* presents the available evidence and guides the reader through the process of interpreting it. This is not restricted to historical documents alone, but also includes archaeology, runes, inscriptions, artefacts and linguistic evidence to provide different and complementary types of information. In addition, the book considers the contemporary question of the Vikings' genetic legacy. Interest in the Viking Age is thriving and expanding, both in Britain and in North America. Highly readable and casting new light on the period, this book will appeal to a wide audience.

Ralph Thoresby, the Topographer Anchor
Official U.S. edition with full color illustrations throughout. NEW YORK TIMES BESTSELLER Yuval Noah Harari, author of the critically-acclaimed New York Times bestseller and international phenomenon *Sapiens*, returns with an equally original, compelling, and provocative book, turning his focus toward humanity’s future, and our quest to upgrade humans into gods. Over the past century humankind has managed to do the impossible and rein in famine, plague, and war. This may seem hard to accept, but, as Harari explains in his trademark style—thorough, yet riveting—famine, plague and war have been transformed from incomprehensible and uncontrollable forces of nature into manageable challenges. For the first time ever, more people die from eating too much than from eating too little; more people die from old age than from infectious diseases; and more people commit suicide than are killed by soldiers, terrorists and criminals put together. The average American is a thousand times more likely to die from binging at McDonalds than from being blown up by Al Qaeda. What then will replace famine, plague, and war at the top of the human agenda? As the self-made gods of planet earth, what destinies will we set ourselves, and which quests will we undertake? *Homo Deus* explores the projects, dreams and nightmares that will shape the twenty-first century—from overcoming death to creating artificial life. It asks the fundamental questions: Where do we go from here? And how

will we protect this fragile world from our own destructive powers? This is the next stage of evolution. This is *Homo Deus*. With the same insight and clarity that made *Sapiens* an international hit and a New York Times bestseller, Harari maps out our future.

Testimonios: Stories of Latinx and Hispanic Mathematicians Classic Sports Journal

From three recognized football and statistics experts comes a revealing and lively look at the pro game, with new stats, unusual facts and figures, revolutionary strategies, and keys to picking the winners.

Journal of the American Medical Association Legare Street Press
Testimonios brings together first-person narratives from the vibrant, diverse, and complex Latinx and Hispanic mathematical community. Starting with childhood and family, the authors recount their own individual stories, highlighting their upbringing, education, and career paths. Their particular stories, told in their own voices, from their own perspectives, give visibility to some of the experiences of Latinx/Hispanic mathematicians. *Testimonios* seeks to inspire the next generation of Latinx and Hispanic mathematicians by featuring the stories of people like them, holding a mirror up to our own community. It also aims to provide a window for mathematicians (and aspiring mathematicians) from all ethnicities, with the hope of inspiring a better understanding of the diversity of the mathematical community.

The Crusade for Forgotten Souls History of the Chicago Bears 1983-2022

Winner of the BAC Wadsworth Prize for Business History 2020
When Calouste Gulbenkian died in 1955 at the age of 86, he was the richest man in the world, known as 'Mr Five Per Cent' for his personal share of Middle East oil. The son of a wealthy Armenian merchant in Istanbul, for half a century he brokered top-level oil deals, concealing his mysterious web of business interests and contacts within a labyrinth of Asian and European cartels, and convincing governments and oil barons alike of his impartiality as an 'honest broker'. Today his name is known principally through the Gulbenkian Foundation in Lisbon, to which his spectacular art collection and most of his vast wealth were bequeathed. Gulbenkian's private life was as labyrinthine as his business dealings. He insisted on the highest 'moral values', yet ruthlessly used his wife's charm as a hostess to further his career, and

demanded complete obedience from his family, whom he monitored obsessively. As a young man he lived a champagne lifestyle, escorting actresses and showgirls, and in later life - on doctor's orders - he slept with a succession of discreetly provided young women. Meanwhile he built up a superb art collection which included Rembrandts and other treasures sold to him by Stalin from the Hermitage Museum. Published to mark the 150th anniversary of his birth, Mr Five Per Cent reveals Gulbenkian's complex and many-sided existence. Written with full access to the Gulbenkian Foundation's archives, this is the fascinating story of the man who more than anyone else helped shape the modern oil industry.

Luxury Arts of the Renaissance Rowman & Littlefield

An eighth-grade basketball player has amazing shooting talent but could use a little team spirit in this novel "bound to engage and entertain young readers" (School Library Journal). Richie Mallon is known as "the shooter"—the one on the team who scores most of the baskets. Every day he practices at his driveway hoop, perfecting his technique. Richie never plays any other roles on the court, leaving it to his teammates to do the assisting and rebounding. Under a new coach, Richie makes the team, but isn't given a starting position. Then, when his shooting skills fall into a slump, he must find a way to become a more well-rounded player. With over 440,000 copies sold, Fred Bowen's Sports Story Series continues to deliver play-by-play action that's

sure to keep readers on the edge of their seats.

Behind the Mask Classic Sports Journal

Sometimes going hard means sacrificing the very thing you love the most in order to be at the top. Gwen knows firsthand about this sacrifice as she struggles to get her son back from a heartless killer bent on revenge. Niya, on the other hand, is sitting at the top of the throne. Still, she will have to determine whether she's willing to sacrifice her girls' lives in order to make MHB a dominant force in North Carolina's drug trade. She's about to find out that playing with the big boys has its consequences, unless you are really about that life. Put ya seat belts on and get ready to ride into the next chapter of MHB. Trust and believe that everybody is bound to crash on the road to the top and the fall to the bottom. Blake Karrington takes you back down the Southern streets that made him the literary king of the Dirty South.

It's Better to Be Feared: The New England Patriots Dynasty and the Pursuit of Greatness Harmony

During the Cold War, freedom of expression was vaunted as liberal democracy's most cherished possession—but such freedom was put in service of a hidden agenda. In *The Cultural Cold War*, Frances Stonor Saunders reveals the extraordinary efforts of a secret campaign in which some of the most vocal exponents of intellectual freedom in the West were working for or subsidized by the CIA—whether they knew it or not. Called "the most comprehensive account yet of the [CIA's] activities between 1947 and 1967" by the *New York Times*, the book presents shocking evidence of the CIA's undercover program of cultural interventions in Western Europe and at home, drawing together declassified documents and exclusive interviews to expose the CIA's astonishing campaign to deploy the likes of Hannah Arendt, Isaiah Berlin, Leonard Bernstein, Robert Lowell, George Orwell, and Jackson Pollock as weapons in the Cold War. Translated into ten languages, this classic work—now with a new preface by the author—is "a real contribution to popular understanding of the postwar period" (*The Wall Street Journal*), and its story of covert cultural efforts to win hearts and minds continues to be relevant today.
