Maybe in Another Life Farrar, Straus and Giroux

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

How to Write One Song SAGE

'What's Mine and Yours is a book about parents who try and fail and then try again. An extraordinary cast of characters, nuanced and full of insight. Read this book.' -ANGIE CRUZ, author of *Dominicana*
 In the Piedmont of North Carolina, two

families' paths become unexpectedly intertwined over twenty years. Jade and Lacey May are two mothers determined to give their children the opportunities they never had. After a harrowing loss, Jade wants to hand down the tools her son, Gee, will need to survive in America as a sensitive young Black man. Meanwhile, Lacey May, having left the husband she loves, strives to protect her three half-Latina daughters from their charming father's influence. When a county initiative draws students from the largely Black east side of town into a predominantly white high school on the west, each mother stands on different sides of the integration debate. Gee meets Lacey May's daughter Noelle during the school play, and their families begin to form deeply knotted, messy ties that will shape the trajectory of their adult lives. And their mothers make choices that will haunt them for decades

to come. *What's Mine and Yours* is an expansive yet intimate multigenerational tapestry of motherhood, identity, and the legacies we inherit. It explores the unique organism that is every family: what breaks them apart and how they come back together.

Introduction to Applied Linear Algebra
Simon and Schuster

There are few creative acts more mysterious and magical than writing a song. But what if the goal wasn't so mysterious and was actually achievable for anyone who wants to experience more magic and creativity in their life? That's something that anyone will be inspired to do after reading Jeff Tweedy's *How to Write One Song*. Why one song? Because the difference between one song and many songs isn't a cute semantic trick—it's an important distinction that can simplify a notoriously confusing art form. The idea of becoming a capital-S songwriter can seem daunting, but approached as a focused, self-contained event, the mystery and fear subsides, and songwriting becomes an exciting pursuit. And then there is the energizing, nourishing creativity that can open up. *How to Write One Song* brings readers into the intimate process of writing one song—lyrics, music, and putting it all together—and accesses the deep sense of wonder that remains at the heart of this curious, yet incredibly fulfilling, artistic act. But it's equally about the importance of making creativity part of your life every day, and of experiencing the hope, inspiration, and joy available to anyone who's willing to get started.

What's Mine and Yours McFarland
Known as a writer whose stories “balanced romance, scandal, and a considerable amount of heart” (A.V. Club), New York Times bestselling author Eric Jerome Dickey fearlessly explores how bad even good people can sometimes behave in the game of love.... Stephan loves 'em and leaves 'em, just like his dad. Chanté thinks she's found her dream man—until his wife and kids come banging on her door. Jake is a player—left with bad dreams he just can't shake. Darnell is true to his wife...but the temptation's getting tougher every day. Tammy is caught between the man she loves, and the woman he's promised to. And while Karen lectures her friends about fooling around, she may not live up to her own high standards.... This is the world of Eric Jerome Dickey. It's heart-wrenching and hilarious, smart and soulful, and as honest and recognizable as your own—and that of everyone who never loved you back.

Twelve shocking paintings. Eleven famous murders. One missing artist . . . and one woman driven to find her—this Reese's

Book Club x Hello Sunshine Selection is a “stunning achievement” (Los Angeles Times). Kim Lord is an avant-garde figure, feminist icon, and agent provocateur in the L.A. art scene. Her groundbreaking new exhibition *Still Lives* is comprised of self-portraits depicting herself as famous, murdered women—the Black Dahlia, Chandra Levy, Nicole Brown Simpson, among many others—and the works are as compelling as they are disturbing, implicating a culture that is too accustomed to violence against women. As the city's richest art patrons pour into the Rocque Museum's opening night, all the staff, including editor Maggie Richter, hope the event will be enough to save the historic institution's flailing finances. Except Kim Lord never shows up to her own gala. Fear mounts as the hours and days drag on and Lord remains missing. Suspicion falls on the up-and-coming gallerist Greg Shaw Ferguson, who happens to be Maggie's ex. A rogue's gallery of eccentric art world figures could also have motive for the act, and as Maggie gets drawn into her own investigation of Lord's disappearance, she'll come to suspect all of those closest to her. Set against a culture that often fetishizes violence, *Still Lives* is a page-turning exodus into the art world's hall of mirrors, and one woman's journey into the belly of an industry flooded with money and secrets. “It's a thrilling mystery that will leave you wondering which characters you can and can't trust . . . There's a twist at the end that still keeps us up at night, it's THAT good.”

—Reese Witherspoon (A Reese's Book Club x Hello Sunshine Selection)

Pan's Realm Simon and Schuster

The period in film history between the regimentation of the Edison Trust and the vertical integration of the Studio System—roughly 1916 through 1920—was a time of structural and artistic experimentation for the American film industry. As the nature of the industry was evolving, society around it was changing as well; arts, politics and society were in a state of flux between old and new. Before the major studios dominated the industry, droves of smaller companies competed for the attention of the independent exhibitor, their gateway to the movie-goer. Their arena was in the pages of the trade press, and their weapons were their advertisements, often bold and eye-catching. The reporting of the trade

journals, as they witnessed the evolution of the industry from its infancy towards the future, is the basis of this history. Pulled from the pages of the journals themselves as archived by the Media History Digital Library, the observations of the trade press writers are accompanied by cleaned and restored advertisements used in the battle among the young film companies. They offer a unique and vital look at this formative period of film history.

#1 NEW YORK TIMES BESTSELLER • A powerful, blazingly honest memoir: the story of an eleven-hundred-mile solo hike that broke down a young woman reeling from catastrophe—and built her back up again. At twenty-two, Cheryl Strayed thought she had lost everything. In the wake of her mother's death, her family scattered and her own marriage was soon destroyed. Four years later, with nothing more to lose, she made the most impulsive decision of her life. With no experience or training, driven only by blind will, she would hike more than a thousand miles of the Pacific Crest Trail from the Mojave Desert through California and Oregon to Washington State—and she would do it alone. Told with suspense and style, sparkling with warmth and humor, Wild powerfully captures the terrors and pleasures of one young woman forging ahead against all odds on a journey that maddened, strengthened, and ultimately healed her.] Oprah's Book Club 2.0 selection: This special eBook edition of Cheryl Strayed's national best seller, Wild, features exclusive content, including Oprah's personal notes highlighted within the text, and a reading group guide.

NATIONAL BOOK AWARD FINALIST • One of the first undocumented immigrants to graduate from Harvard reveals the hidden lives of her fellow undocumented Americans in this deeply personal and groundbreaking portrait of a nation. "Karla's book sheds light on people's personal experiences and allows their stories to be told and their voices to be

heard."—Selena Gomez FINALIST FOR THE NBCC JOHN LEONARD AWARD • NAMED A BEST BOOK OF THE YEAR BY THE LOS ANGELES TIMES, THE NEW YORK TIMES BOOK REVIEW, NPR, THE NEW YORK PUBLIC LIBRARY, BOOK RIOT, LIBRARY JOURNAL, AND TIME Writer Karla Cornejo Villavicencio was on DACA when she decided to write about being undocumented for the first time using her own name. It was right after the election of 2016, the day she realized the story she'd tried to steer clear of was the only one she wanted to tell. So she wrote her immigration lawyer's phone number on her hand in Sharpie and embarked on a trip across the country to tell the stories of her fellow undocumented immigrants—and to find the hidden key to her own. Looking beyond the flashpoints of the border or the activism of the DREAMers, Cornejo Villavicencio explores the lives of the undocumented—and the mysteries of her own life. She finds the singular, effervescent characters across the nation often reduced in the media to political pawns or nameless laborers. The stories she tells are not deferential or naively inspirational but show the love, magic, heartbreak, insanity, and vulgarity that infuse the day-to-day lives of her subjects. In New York, we meet the undocumented workers who were recruited into the federally funded Ground Zero cleanup after 9/11. In Miami, we enter the ubiquitous botanicas, which offer medicinal herbs and potions to those whose status blocks them from any other healthcare options. In Flint, Michigan, we learn of demands for state ID in order to receive life-saving clean water. In Connecticut, Cornejo Villavicencio, childless by choice, finds family in two teenage girls whose father is in sanctuary. And through it all we see the author grappling with the biggest questions of love, duty, family, and survival. In her incandescent, relentlessly probing voice, Karla Cornejo Villavicencio combines sensitive reporting and powerful personal narratives to bring to light remarkable stories of resilience, madness, and death. Through these stories we come to understand what it truly means to be a stray. An expendable. A hero. An American.

From the New York Times bestselling author of *The Seven Husbands of Evelyn Hugo* A People Magazine Pick * US Weekly "Must" Pick * Named "Best Book of the Summer" by Glamour * Good Housekeeping * USA TODAY *

Cosmopolitan * PopSugar * Working Mother * Bustle * Goodreads A breathtaking new novel about a young woman whose fate hinges on the choice she makes after bumping into an old flame; in alternating chapters, we see two possible scenarios unfold—with stunningly different results. At the age of twenty-nine, Hannah Martin still has no idea what she wants to do with her life. She has lived in six different cities and held countless meaningless jobs since graduating college. On the heels of leaving yet another city, Hannah moves back to her hometown of Los Angeles and takes up residence in her best friend Gabby's guestroom. Shortly after getting back to town, Hannah goes out to a bar one night with Gabby and meets up with her high school boyfriend, Ethan. Just after midnight, Gabby asks Hannah if she's ready to go. A moment later, Ethan offers to give her a ride later if she wants to stay. Hannah hesitates. What happens if she leaves with Gabby? What happens if she leaves with Ethan? In concurrent storylines, Hannah lives out the effects of each decision. Quickly, these parallel universes develop into radically different stories with large-scale consequences for Hannah, as well as the people around her. As the two alternate realities run their course, *Maybe in Another Life* raises questions about fate and true love: Is anything meant to be? How much in our life is determined by chance? And perhaps, most compellingly: Is there such a thing as a soul mate? Hannah believes there is. And, in both worlds, she believes she's found him. Promises I Made My Mother Simon and Schuster

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being

micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford

professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* *The Concise New Partridge Dictionary of Slang and Unconventional English* W. [The Hollywood Reporter](#) Open Road Media A true crime podcast sets a trophy wife's present life on a collision course with her secret past in this "blazingly intense" Reese Witherspoon book club pick and New York Times Best Crime Novel of the Year (A. J. Finn). The day Anna McDonald's quiet, respectable life exploded started off like all the days before: Packing up the kids for school, making breakfast, listening

to yet another true crime podcast. Then her husband comes downstairs with an announcement, and Anna is suddenly, shockingly alone. Reeling, desperate for distraction, Anna returns to the podcast. Other people's problems are much better than one's own -- a sunken yacht, a murdered family, a hint of international conspiracy. But this case actually is Anna's problem. She knows one of the victims from an earlier life, a life she's taken great pains to leave behind. And she is convinced that she knows what really happened. Then an unexpected visitor arrives on her front stoop, a meddling neighbor intervenes, and life as Anna knows it is well and truly over. The devils of her past are awakened -- and they're in hot pursuit. Convinced she has no other options, Anna goes on the run, and in pursuit of the truth, with a washed-up musician at her side and the podcast as her guide. Conviction is "daredevil storytelling at its finest" (NPR's Fresh Air), a breathtaking thriller from one of the most "superbly talented" writers of our time (Hank Phillippi Ryan, bestselling author of Trust Me).
