Here in this third complete-in-itself novel of the Incarnations of Immortality, Piers Anthony weaves a fascinating plot as tangled as any skein of fate. This is Anthony at his most ingenious, with another gripping fantasy of the struggle of the incarnations against the machinations of Satan. When the man Niobe loved was shot, she learned that she had been the target, in a devious plot of the Devil's. Hoping for revenge. Niobe accepted a position as one of the three Aspects of Fate, only to find that Satan's plots were tangled into the very Tapestry of Fate. Now the Evil One was laying a trap to ruin Niobe's granddaughter Luna, who threatened his plans—and he had tricked her son into Hell. Niobe's only chance to save her son and Luna was to accept a challenge by the Prince of Deceit—a challenge to be decided in Hell and in a maze of Satan's devising!

The WoW Diary (junk) Roberto Ierusalimsky

There are some things which cannot be learned quickly, and time, which is all we have, must be paid heavily for their acquiring. They are the very simplest things, and because it takes a man's life to know them the little new that each man gets from life is very costly and the only heritage he has to leave. In the winter of 1933, Ernest Hemingway and his wife

Pauline set out on a two-month safari in the big-game country of East Africa, camping out on the great Serengeti Plain at the foot of magnificent Mount Kilimanjaro. "I had quite a trip," the author told his friend Philip Percival, with characteristic understatement. Green Hills of Africa is Hemingway's account of that expedition, of what it taught him about Africa and himself. Richly evocative of the region's natural beauty, tremendously alive to its character, culture, and customs, and pregnant with a hard-won wisdom gained from the extraordinary situations it describes, it is widely held to be one of the twentieth century's classic travelogues.
