'His Secret Power' is a bilingual story about a Polish dumpling, who tries his luck competing amongst famous gourmet cuisines in the International Dough Championship. The book helps to gradually introduce the Polish language to young English speaking readers and encourage them to learn simple words and expressions in a fun and enjoyable way.

Hawaii Travelers' Tales

Land use in Hawai'i remains the most

regulated of all the fifty states. According to many sources, the process of going from raw land to the completion of a project may well average ten years given that ninety-five percent of raw land is initially classified by the State Land Use Commission as either conservation or agriculture. How did this happen and to what end? Will it continue? What laws and regulations control the use of land? Is the use of land in Hawai'i a right or a privilege? These questions and others are addressed in this long-overdue second edition of *Regulating Paradise*, a comprehensive and accessible text that will guide readers through the many layers of laws,

plans, and regulations that often determine how land is used in Hawai'i. It provides the tools to analyze an enormously complex process, one that frustrates public and private sectors alike, and will serve as an essential reference for students, planners, regulators, lawyers, land use professionals, environmental and cultural organizations, and others involved with land use and planning.

*Kauai Underground Guide* Fodor's Brand-new to the eighth edition are nearly 40 lodging and dining spots on six islands; late-breaking information on new attractions like the U.S.S. Missouri Museum at Pearl Harbor; and the world's largest maze at the Dole Pineapple Plantation. Color maps. Illustrations.

mouth and throat cancer patients. They  
understand the emotional turmoil  
patients and their families go through  
after a cancer diagnosis, and they know  
how being informed can relieve some of  
that stress. Topics covered in this book  
include how early detection leads to  
high cure rates; symptoms that could

mean cancer; the emotional side of the cancer; how doctors make a diagnosis; staging the cancer and why it so important; surgery, radiation, and chemotherapy-how they kill cancer; reconstructive surgery; and experiment.

*Kaua'I - The Garden Island Rough Guides*  
A river cruise is undoubtedly the most civilized way to see the best of Europe; you can relax in the comfort of a small vessel as you glide through picturesque towns and spectacular scenery. But how do you choose which cruise company, which kind of rivership, and where to go? This thoroughly updated and expanded new edition of the Berlitz guide to River Cruising in Europe will tell you everything you need to know about taking a cruise along Europe's beautiful rivers and waterways. The book cuts through the brochures' hype - almost every river cruise company promises you luxury. But what does 'luxury' really mean? The guide gives you unbiased advice on the different kinds of river vessels and the facilities they offer,

helping you to make an informed choice. We take you on a journey along Europe's rivers and waterways, describing the highlights along the way - the historic cities and majestic scenery of the Danube, the castles and vineyards of the romantic Rhine, and much more. Also included are listings for over 200 riverships, which are described and impartially rated, so that you can easily compare them and their facilities.

An upbeat and whimsical insiders' guide to the Aloha State, Hawaii: *The Best of Paradise* provides a close-up view of Honolulu, plus coverage of the islands of Maui, Kauai, the Big Island, Lanai, and Molokai. "Ten Best" lists in more than 50 categories give visitors all the details

they need to find the very best that Hawaii has to offer. Scores of Hawaii guidebooks have been published, yet no other guide approaches the tropical paradise in this unique, opinionated fashion. Readers can discover at the flip of a page the ten best resorts, attractions, restaurants, nightspots, and shopping areas. For those who want to play in the sun, it lists the ten best beaches and the ten best places to snorkel, dive, hike, and bike. Other lists include the ten best places to take hula lessons and the ten best places to snuggle with your sweetie. For visitors on a budget, a "Proud Paupers" chapter points out the ten best free attractions and the cheapest eats and sleeps. In addition, an "unauthorized history" of Hawaii reviews the islands' controversial

occupation by outsiders.
