Choosing the right school for film or television studies is a

challenge. You must evaluate everything: location, size, academic opportunities, access to equipment, curriculum, general philosophy, and reputation. In this generous guide, distinguished film teacher and director Ernest Pintoff lists 639 undergraduate and graduate schools in America that offers programs in cinema and television. He details curricular emphasis, facilities and equipment, special activities, degrees offered, and the strengths of individual schools, as well as a glossary of technical terms. Including insider advice on how to get the most out of film school from acclaimed directors such as Paul Mazursky and writers such as Stu Silver, as well as from current students and recent graduates, this invaluable guide will steer anyone who wants to get into filmmaking in the right direction. "Like Dr. Johnson's dictionary, Professor Pintoff's book is

a publishing first--all the information that an aspiring film student needs to make an informed decision about his education can now be found between the covers of this book." - Robert Towne, screenwriter "Learning your craft is Priority One if you want to be a filmmaker. This book beckons you to an indispensable first step." - Jack Valenti, President, Motion Pictures Association of America

A lively, comprehensive guide to the southern Appalachians, from Virginia's Blue Ridge Mountains to the Monongahela National Forest of West Virginia. With visitation levels that rival Orlando and New York City, the southern Appalachians draw a huge array of weekenders, adventurers, and long-term visitors. This book

offers historical insight, outdoor adventure, and all the information most travelers need to plan and enjoy their journey. This guide also serves as an insider's handbook to the nine national parks, offering active travelers the best access points and trailheads for kayaking, biking, and hiking excursions. In addition, this comprehensive guide to the region includes opinionated listings of inns, B&Bs, hotels, and vacation cabins; hundreds of dining reviews, from barbecue to four-star cuisine; up-to-date maps; an alphabetical "What's Where" subject guide to aid in trip planning; and handy icons that point out family-friendly establishments, wheelchair access, places of special value, and lodgings that accept pets.

Virginia Adventure Guide Contemporary Books

A psychologist unearths America's darkest secret through the terrors of an asylum in 1933 Virginia, where the elite aim to eliminate millions of "unfit" citizens. The truths that have been erased from history come to life in this thriller about the nation's ugly and forgotten chapter. Still haunted by the death of this wife and son during childbirth, psychologist and WWI vet Samuel Taylor accepts a position at Western Valley Hospital.

Superintendent Joseph DeJarnette leads the movement to purify humanity by exterminating anyone the Society, led by the kings of industry, deemed to be "defective" or "unfit". Sam discovers that his testing often condemns patients simply for being less than the new "American" ideal, yet he learns he cannot quit his job. DeJarnette desires Sam to be his right hand at the asylum but warns him that Sam's deaf brother and new immigrant girlfriend have already been labeled as unfit by the new masterminds of eugenics. Sam begins to question his sanity as

the mysteries of the area emerge from the shadows, compelling him to dig deeper into the horrors of the movement, realizing how complicit he is in the deaths around him. Experiments beyond his worst nightmares occur daily, as citizens from neighboring towns begin disappearing at a frightening rate. Sam devises a bold plan to escape and unleash the truth, but learns that DeJarnette's tendrils reach into every major American city. The proof he ultimately uncovers may doom everyone he holds close while influencing the world's most heinous act in history.

Fear the Reaper Crossroad Press

Originally published in 2004, this second edition (2013) of "Staunton, Virginia: A Treasury of Historic Tales" is a gold mine of information about one of the most beautiful, historic and fascinating cities in the United States. Written by Staunton historian Charles Culbertson, "Treasury" contains 35 chapters that tell little-known stories of the movers, shakers, saints and scalawags who have made Staunton the Queen City of the Shenandoah. Chapters topics include the 1911 fire that all but destroyed Staunton's Wharf district; how schoolmistress Mary Julia Baldwin outfoxed Yankee invaders during the Civil War; the Statler Brothers and their 25-year "Happy Birthday, U.S.A." gift to the city; the shooting death of a Staunton waiter by a Confederate soldier over a plate of oysters; Stuart Hall and its sale of a priceless gift - J.E.B. Stuart's battle flag; the haunting of a Staunton mansion by a Confederate ghost; and much more. Includes preface, more than 100 illustrations, selected bibliography and index.

Popular Science The Countryman Press

In this pioneering work of cultural history, historian Anthony Harkins argues that the hillbilly-in his various guises of "briar hopper," "brush ape," "ridge runner," and "white trash"-has been viewed by mainstream Americans simultaneously as a violent degenerate who threatens the modern order and as a keeper of traditional values of family, home, and physical production, and thus symbolic of a nostalgic past free of the problems of contemporary life. "Hillbilly" signifies both rugged individualism and stubborn backwardness, strong family and kin networks but also inbreeding and bloody feuds. Spanning film, literature, and the entire expanse of American popular culture, from D. W. Griffith to hillbilly music to the Internet, Harkins illustrates how the image of the hillbilly has consistently served as both a marker of social derision and regional pride. He traces the corresponding changes in representations of the hillbilly from late-nineteenth century America, through the great Depression, the mass migrations of Southern Appalachians in the 1940s and 1950s, the War on Poverty in the mid 1960s, and to the present day. Harkins also argues that images of hillbillies have played a critical role in the construction of whiteness and modernity in twentieth century America. Richly illustrated with dozens of photographs, drawings,

and film and television stills, this unique book stands as a testament to the enduring place of the hillbilly in the American imagination. Hillbilly received an Honorable Mention, John G. Cawelti Book Award of the American Culture Association.

G.K. Hall Bibliographic Guide to Theatre Arts Arcadia Publishing

Unlike many small towns in the South that were occupied by the Union army, beautiful Staunton, Virginia, emerged from the Civil War largely unscathed. Join historian Edmund Potter on a walking tour through the many architectural gems and notable buildings of downtown Staunton's five National Historic Districts. From the picturesque Wharf Area to the birthplace of Woodrow Wilson to the town's many historically African American businesses, *A Guide to Historic Staunton* offers visitors and residents alike a deeper appreciation of their remarkable surroundings.

The Official Guide to American Historic Inns Marlor Press

For over a century, Staunton has been known as the "Queen City of the Shenandoah Valley," not only because of its economic and geographic location in the heart of the Shenandoah Valley, but also because of the architectural beauty found in the city. Since the early 1800s, prominent architects and builders have left their mark on the hilly terrain of Staunton, resulting in a rich architectural fabric rarely found in small American towns. Once the largest community in the western part of Virginia, Staunton was located in the center of the state until the creation of West Virginia in 1862. The region was a major economic and transportation hub throughout the 19th and early 20th centuries and was home to an affluent mix of people and businesses with the resources available to build handsome buildings. Two of the

earliest state facilities were built in Staunton--Western State Lunatic Asylum (later Western State Hospital) and the Virginia School for the Deaf and Blind (VSDB). These find structures established a precedence in the city that the rest of the state clamored to follow.
