“Guides readers toward the road less consumptive, offering practical advice and moral support while making a convincing case that individual actions . . . do matter.” —Elizabeth Royte, author, *Garbage Land and Bottlemania*

Like many people, Beth Terry didn't think an individual could have much impact on the environment. But while laid up after surgery, she read an article about the staggering amount of plastic polluting the oceans, and decided then and there to kick her plastic habit. In *Plastic-Free*, she shows you how you can too, providing personal anecdotes, stats about the environmental and health problems

related to plastic, and individual solutions and tips on how to limit your plastic footprint. Presenting both beginner and advanced steps, Terry includes handy checklists and tables for easy reference, ways to get involved in larger community actions, and profiles of individuals—*Plastic-Free Heroes*—who have gone beyond personal solutions to create change on a larger scale. Fully updated

for the paperback edition, Plastic-Free also includes sections on letting go of eco-guilt, strategies for coping with overwhelming problems, and ways to relate to other people who aren't as far along on the plastic-free path. Both a practical guide and the story of a personal journey from helplessness to empowerment, Plastic-Free is a must-read for those concerned about the ongoing health and happiness of themselves, their children, and the planet.

brooding best friend, Billy Fitz. Elyse's body insecurities eventually complicate her relationship with Billy, leaving Jayne and Elyse's exceedingly blunt friend, Lottie, to step in and help Elyse accept herself for who she is, pant size and all.

Megan Ismore's bungalow isn't big enough to house her problems---or her relatives. Married just ten months, Megan's life with Matt would be grand if it weren't for a fast-growing secret she can't bear to share. As if that weren't enough, she's dealing with Matt's belching Uncle Tony, who is residing on an air mattress in the basement, and her sister Andrea, a roving hippie, who is nesting on their couch. Plus dueling mothers-in-law hell-bent on double-booking the

newlyweds, an incontinent terrier, and a randy best friend. As midterm exams are about to begin, Megan's unweaned infant niece (a.k.a. The Pink Tyrant) is left in her care, and there's no time to spare for reexamining her life. Between the demands of her family and a gigantic decision only she and Matt can make, Megan finds herself in a state of marital chaos that she never imagined but must somehow manage. Twenty years ago he returned home to enlist in his childhood goal of the US Marines. He later left his twin homes of Waukegan and the Marines for a new life in Australia. Ten years ago

both his parents died and he returned to Waukegan to bury them and sell their home. He had not returned until the Indian Summer of October 2003.
