Grammar Wars

Carson-Dellosa Publishing

Learn from home with kid-friendly, teacher-

reviewed activities for 1st grade reading success! This colorful workbook is jam-packed with fun games and exercises—perfect for first-graders tackling early reading. Good reading skills are essential for success in 1st grade and beyond. This 128-page workbook is full of engaging activities that strengthen an early reader's ability to recognize and understand a variety of words and text, from phonics to sentences to stories. Each activity focuses on a skill needed to become a superstar reader, such as:

- letter sounds
- short & long vowels
- compound words
- contractions
- syllables
- reading comprehension
- plurals ... and much more!

With vibrant

pages full of games and puzzles, 1st Grade Reading Skill Builders Workbook will help your child catch up, keep up, and get ahead—and best of all, to have lots of fun doing it! ***** Why Sylvan Products Work ***** Sylvan Learning Workbooks won a National Parenting Publications Awards (NAPPA) Honors Award as a top book series for children in the elementary-aged category. NAPPA is the nation's most comprehensive awards program for children's products and parenting resources and has been critically reviewing products since 1990. The Award recognizes Sylvan Learning Workbooks as some of the most innovative and useful products geared to

parents. Sylvan's proven system inspires kids to learn and has helped children nationwide catch up, keep up, and get ahead in school. Sylvan has been a trusted partner for parents for thirty years and has based their supplemental education success on programs developed through a focus on the highest educational standards and detailed research. Sylvan's line of educational products equips families with fun, effective, and grade-appropriate learning tools. Our workbooks and learning kits feature activities, stories, and games to reinforce the skills children need to develop and achieve their academic potential. Students will reap the rewards of

improved confidence and a newfound love of learning.

Crazy Big Book of First Grade Activities

Scholastic Inc.

In Interactive

Notebooks: Language

Arts for second grade, students will complete hands-on activities about consonant digraphs, adjectives and adverbs, compound words, contractions, prefixes, suffixes, and more. The Interactive Notebooks series spans kindergarten to grade 5. Each 96-page book contains a guide for teachers who are new to interactive note taking, lesson plans and reproducibles for creating notebook pages on a variety of topics, and generic reproducibles for creating even more notebook pages. The books focus on grade-specific math or language arts skills and are aligned to current state standards.

The Language Arts Box

National Geographic

Books

Every day, your child encounters language arts in many different situations. The activities in Creative Kids Language Arts make learning language arts fun while also challenging your child to use language arts skills in different subject areas. The activities include stories, games, science experiments, and crafts! In Creative Kids Language Arts, your kindergartner will:

*Practice simple reading comprehension and tracing words

*Identify basic parts of speech and punctuation

*Classify and name scientific objects

*Create fun costumes and write words in sand gardens

2nd Grade Spelling Games & Activities

Mix and Match Games

Sylvan Learning
Publishing

Every class will love playing these bingo games that are especially made for beginning readers and help build important reading, writing, and spelling skills. This one-

of-a-kind collection gives children practice recognizing and identifying upper- and lowercase letters, blends and diagraphs, rhyming word families, sight words, and more. With each reproducible game you'll find teaching tips, skill-building variations, calling cards, and game boards. Bingo's a classroom favorite and a kid-friendly way to make learning fun! For use with Grades K-2.

40 Sensational Sight Word Games Teaching Resources

Sylvan's Second Grade Spelling Games & Activities includes entertaining, grade-appropriate exercises that will help your child improve his or her spelling skills. Rather than using rote memorization as a way to teach spelling, the

games and activities in this workbook provide a fun way for kids to get involved in learning and succeed in school. Spelling and language arts in general are crucial subjects in second grade, and the activities in this workbook are a great supplement to your child's classroom work. Language Arts, Grade 2 Jossey-Bass

This title was first published in 2001: Although 17th- and 18th-century English language theorists claimed to be correcting errors in grammar and preserving the language from corruption, this new study demonstrates how grammar served as an important cultural battlefield where social issues were contested. Author

Linda C. Mitchell situates early modern linguistic discussions, long thought to be of little interest, in their larger cultural and social setting to show the startling degree to which grammar affected, and was affected by, such factors as class and gender. In her examination of the controversies that surrounded the teaching and study of grammar in this period, Mitchell looks especially at changing definitions and standardization of "grammar", how and to whom it was taught, and how grammar marked the social position of marginal groups. Her comprehensive study of the contexts in which grammar was intended or thought to

function is based on her analysis of the ancillary materials - prefaces, introductions, forewords, statements of intent, organization of materials, surrounding materials, and manifestos of pedagogy, philosophy, and social or political goals - of more than 300 grammar texts of the time. The book is intended as a landmark study of an important movement in the foundation of the modern world.
