For purpose of exam readiness drilling, this product includes questions that have varying numbers of choices. Some have 2 while some have 5 or 6. We want to make sure these questions are tough enough to really test your readiness and draw your focus to the weak areas. Think of these as challenges presented to you so to assess your comprehension of the subject matters. The goal is to reinforce learning, to validate successful transference of knowledge and to identify areas of weakness that require remediation. The questions are NOT designed to "simulate" actual exam questions. "realistic" or actual questions that are for cheating purpose are not available in any of our products.

THE BIG BOOK OF JOBS 2012-2013 Career Examination

We all tell white lies to others and, even worse, to ourselves. We do something wrong and instead of acknowledging it, learning from it, and moving on, we lie, saying it was due to circumstances outside ourselves. Each one should test his own actions. Then he can take pride in himself, without comparing himself to somebody else, for each one should carry his own load. Gal. 6:45 NIV Genesis 3:12 NIV, The man said, The woman you put here with me gave me some fruit from the tree, and I ate it. As long as there has been a record of man, humans have chosen to blame someone else for their wrongdoings. For you and me, it does not have to be that way. We can change and take responsibilities for our own actions.
