Below is a short excerpt: It goes without saying that the Mother of the Groom has one of the most difficult jobs in the entire wedding party. Aside from the officiant, and perhaps the best man, the Mother of the Groom duties are by far the most numerous and diverse. From holding rings and coordinating with catering personnel, to handling last minute "fires," and mingling with guests, the title of Mother of the Groom carries with it a long list of responsibilities. Chief among them is your Mother of the Groom speech. For anyone who's attended weddings before, you've probably seen the good, the bad, and the ugly. Some speakers give great speeches that energize the crowd and leave a memory that will last a lifetime. While others fumble through notes and put the audience to sleep. Worst of all is when a speaker fails so epically, that they leave people feeling awkward or uncomfortable. Intentional or not, this can have a long-lasting effect that can ruin the day.

Whether it's malfunctioning microphones, lost note cards, or lack of preparation, there are a million things that can go wrong during a Mother of the Groom speech. The purpose of this book is to help you navigate through the common pitfalls most Mothers of the Groom make and prepare you to give a KILLER Mother of the Groom speech. In this book, I'll teach you how to prepare, brainstorm, outline, rehearse, and execute your speech. This heartbreaking, hilarious, and brutally honest memoir shares the deeply personal life story of a girl next door and her transformation into a household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she's never shared, until now. Of the medium she loves, the one that made her a household name, she says, "Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is." Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn't afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest "get"—often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric's position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later, brought yet more trauma—and an unwavering commitment to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News—a world rife with sexism and misogyny. Her "welcome" was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer—a colleague she had trusted and respected for more than a decade. Couric also talks about

the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly—why her second marriage almost didn't happen. If you thought you knew Katie Couric, think again. Going There is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

A Practical Guide for Delivering an Unforgettable Wedding Speech Your wedding day should be the most important day of your life. It is the day when all your friends and family, as well as the friends and family of your husband-to-be, gather together to celebrate your big day. Unless you are lucky enough to be able to afford a wedding planner, you will have so many things to think about and plan, from the pre-wedding parties to the wedding ceremony and reception, and even the honeymoon. As part of your wedding day, it is expected that certain people in your wedding party give speeches to congratulate you on your newly married status and also to tell a few stories about you and the groom. To a certain extent, you don't need to worry about this aspect of the wedding, unless you intend to make a speech yourself. However, you will want to have an input into who makes the speeches and how long they are because this will have a roll-on effect on everything else that happens at your wedding reception. Who gives the speeches and toasts at your wedding really depends on what you want. It is traditional for the male side of the wedding party only to give speeches. You may even want to cut this down further and just ask the best man and groom to give a speech. Then again, you may want to laugh in the face of tradition and make sure the female side of the wedding party, including yourself, have the chance to say something. Of course, you will need to check with everyone that they are happy to give a speech. The groom and best man probably won't have much choice, but others may prefer to stay quiet and simply listen to what the main members of the wedding party have to say. England, 1819. The Earl of Amhurst has returned to his estate in search of a wife and, more importantly, an heir. Simon Devere isn't interested in some comely, simpering creature. A beautiful woman only brings heartbreak and ruin, and Simon's disfigured visage is proof enough of that. No, he wants a wife who is unattractive and undesirable-and the homelier, the better. But nothing about Lady Henrietta Beauchamp is homely. She is lovely and sweet... and struggles to mix with polite society when she would so much rather have plants for company. And yet Simon is her only hope for keeping Plumburn Castle in her family's possession. Even if it means marrying a man she doesn't love. It's an impossible and unlikely match... unless this awkward beauty can bring hope back into a solitary beast's life.
