When we think of "heaven," we generally conjure up positive, blissful images. Heaven is, after all, where God is and where good people go after death to receive their reward. But how and why did Western cultures come to imagine the heavenly realm in such terms? Why is heaven usually thought to be "up there,"

far beyond the visible sky? And what is the source of the idea that the post mortem abode of the righteous is in this heavenly realm with God? Seeking to discover the roots of these familiar notions, this volume traces the backgrounds, origin, and development of early Jewish and Christian speculation about the heavenly realm -- where it is, what it looks like, and who its inhabitants are. Wright begins his study with an examination of the beliefs of ancient Israel's neighbors Egypt and Mesopotamia, reconstructing the intellectual context in which the earliest biblical images of heaven arose. A detailed

analysis of the Hebrew biblical texts themselves then reveals that the Israelites were deeply influenced by images drawn from the surrounding cultures. Wright goes on to examine Persian and Greco-Roman beliefs, thus setting the stage for his consideration of early Jewish and Christian images, which he shows to have been formed in the struggle to integrate traditional biblical imagery with the newer Hellenistic ideas about the cosmos. In a final chapter Wright offers a brief survey of how later Jewish, Christian, and Islamic traditions envisioned the heavenly realms. Accessible to a wide range of readers, this

provocative book will interest anyone who is curious about the origins of this extraordinarily pervasive and influential idea.

#### Heaven Misplaced Penguin

Those who know Lewis's work will enjoy Martindale's thorough examination of the powerful images of Heaven and Hell found in Lewis's fiction, and all readers can appreciate Martindale's scholarly yet accessible tone. Read this book, and you will see afresh the wonder of what lies beyond the Shadowlands.

#### **A History of Heaven** Routledge

In these masterfully written letters to heaven, Calvin Miller thanks, lovingly reflects on-and sometimes confesses his regrets to -the departed influences in his life. Some are names familiar to us all (C. S. Lewis, Todd Beamer, Oscar Wilde); others he knew well; and some he only admired from a distance. But all brought a brightness to his life or challenged him to live more fully in some way. Aware that eternity for any of us is only a step away, Miller has sought to complete the unfinished business of life by writing letters to the great beyond. This moving work will not only elicit a desire in readers

to reconcile all things unfinished, but teach the living about the importance of people and the treasure of faith while holding out for us all the hope that awaits..

The Business of HeavenHarperCollins  
The Early History of Heaven Canon Press & Book Service

Are you struggling to find success in business and asking God, "What's wrong? Why isn't it working?" Author Jeff Ahern offers practical advice using biblical principles on how to bring the abundant life Jesus promised into your business and personal life. In Kingdom Business Success, you'll learn: How to bring the Kingdom of Heaven into your business How to make the paradigm shift necessary to see the abundant life Jesus promised operate in your life and business How to partner with God for success in your life and business How to stop working for God, and start working with Him How to stop chasing money, and have money chase you How to determine your Kingdom assignment and the Kingdom purpose for your business How to implement Kingdom principles of success into your business If

you thought you were doing "all the right things," but still haven't seen the success you were expecting, or felt like you were a branch disconnected from the vine with very little fruit to show for your efforts, then this book will transform your personal life and business.

#### **Letters to Malcolm: Chiefly on Prayer**

Wipf and Stock Publishers

This book gives the testimonies and thoughts of men and women who have plumbed the depths of despair in prison and outside, then found hope through the love of God. They were first published in the Epistle magazine, volumes 1 to 16. Epistle was founded by Brigadier Victor Pedersen in October 1981. It circulated in the prisons of Australia and New Zealand and in the Criminal Justice System until 1986. Many of the writers have a "notorious" reputation, they all wrote of their feelings and experience at that time.

*Operating in the Courts of Heaven (Revised and Expanded)* Tyndale House Publishers, Inc.

Well known for his historical accounts of Satan and hell, Jeffrey Burton Russell explores the brighter side of eternity: heaven. He not only examines concepts

found among Jews, Greeks and Romans, but asks how time 'passes' in eternity.

**The Other Side of Heaven** DigiCat  
Of Edmund Spenser, C. S. Lewis wrote, "his work is one, like a growing thing, a tree with branches to heaven and roots to hell. And in between these two extremes comes all the multiplicity of human life." This book seeks to demonstrate the aptness of that quotation when applied to Lewis himself. From his deepest emotional and psychological landscape, to his prevailing temperament, and then to his training, Lewis marshaled his magnificent rhetorical skills on behalf of his vocation: to make Christianity a reasonable and inviting alternative to doubters. In this-- and through the many genres of which he was a master--he never wavered. These are the branches--"the available means of persuasion," as Aristotle put it. Sources, influences, experience and his very self: these are the roots. A close look at these, with a combination of argument, critical analysis, and some fresh connections, finally yield an unexpected portrait. C. S. Lewis and his work are indeed one, with deeper roots and loftier branches than the current reputation of the master and his

avuncular persona suggest.

*God Gave Us Heaven* Houghton Mifflin Harcourt P

In this unique book, Sidney Dekker tackles a largely unexplored dilemma. Our scientific age has equipped us ever better to explain why things go wrong. But this increasing sophistication actually makes it harder to explain why we suffer. Accidents and disasters have become technical problems without inherent purpose. When told of a disaster, we easily feel lost in the steely emptiness of technical languages of engineering or medicine. Or, in our drive to pinpoint the source of suffering, we

succumb to the hunt for a scapegoat, possibly inflicting even greater suffering on others around us. How can we satisfactorily deal with suffering when the disaster that caused it is no more than the dispassionate sum of utterly mundane, imperfect human decisions and technical failures? Broad in its historical sweep and ambition, *The End of Heaven* is also Dekker's most personal book to date.

**El libro de la luz** Harper Collins

Why should we care about heaven? -- What is heaven like? -- When does a person go to heaven? -- Where is heaven? -- Who goes to heaven?

Letters to Heaven Tor Books

A repackaged edition of Lewis's classic reading collection—reminiscent of the bestselling *A Year with C. S. Lewis*—featuring 365 selections from his writings that explore our connection to God. C. S. Lewis, author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics, considers humankind's spiritual journey in this collection of wise, meditative excerpts and writings. In these daily reflections, the great British writer, scholar, lay

theologian, broadcaster, and Christian apologist, explores a range of connected themes, including "the serious business of heaven," "Nearness to God," "Heaven and Sexuality," and "Two Kinds of Good and Bad."

### **One Thing You Can't Do in Heaven**

HarperCollins

Millions of Christians have struggled with how to reconcile God's love and God's judgment: Has God created billions of people over thousands of years only to select a few to go to heaven and everyone else to suffer forever in hell? Is this acceptable to God? How is this "good news"? Troubling questions—so troubling that many have lost their faith because of them. Others only whisper the questions to themselves, fearing or being taught that they might lose their faith and their church if they ask them out loud. But what if these questions trouble us for good reason? What if the story of heaven and hell we have been taught is not, in fact, what the Bible teaches? What if what Jesus meant by heaven, hell, and salvation are very different from how we have come to understand them? What if it is God who wants us to face these questions? Author,

pastor, and innovative teacher Rob Bell presents a deeply biblical vision for rediscovering a richer, grander, truer, and more spiritually satisfying way of understanding heaven, hell, God, Jesus, salvation, and repentance. The result is the discovery that the "good news" is much, much better than we ever imagined. Love wins.

**The End of Heaven** Bethany House Publishers

**The Business of Heaven** The Business of Heaven

Selections from the writings of C.S. Lewis provide meditations for each day of the year, including special religious holidays. *Branches to Heaven* Charisma Media Though most Christians refrain from predicting exactly when our world will end, many believe that when earth's finale does arrive, it will be a catastrophe. They expect that before Christ comes back to reclaim His own, Satan will escape his chains and return to wreak havoc on our planet. Details vary, but the general assumption is the same: things will get

much, much worse before they get better. But is this really what the Bible teaches? Leaving aside the theological terms that often confuse and muddle this question, Douglas Wilson instead explains eschatology as the end of the greatest story in the world - the story of humanity. He turns our attention back to the stories and prophecies of Scripture and argues for "hopeful optimism": the belief that God will be true to His promises, that His will shall be done on earth as it is in heaven, and that the peace and good will we sing about at Christmas will one day be a reality here on earth.

[The Business of Heaven](#) Harper Collins Beloved author C. S. Lewis is our trusted guide in this intimate day-by-day companion offering his distinctive and celebrated wisdom. Amidst the bustle of our daily experience, *A Year with C. S. Lewis* provides the necessary respite and inspiration to meet the many challenges we face in our lives. Ruminating on such themes as the nature of love, the existence of miracles, overcoming a devastating loss, and discovering a profound faith, Lewis offers unflinchingly honest insight for each day of the year.

These daily meditations have been culled from Lewis's celebrated Signature Classics: Mere Christianity, The Screwtape Letters, The Great Divorce, The Problem of Pain, Miracles, and A Grief Observed, as well as from the distinguished works The Weight of Glory and The Abolition of Man. Throughout this elegant daybook the reader will find poignant biographical commentary about C. S. Lewis's life that offers a remarkable portrait of Lewis in the context of his work. As each day unfolds, we embark on a path of discovery with a friend by your side. A Year with C. S. Lewis is the perfect companion for everyone who cherishes Lewis's timeless words. *Building Your Business with the Blueprint of Heaven* Princeton University Press

Are you ready for eternity? If so, are you helping others get ready for that journey into eternity that each of us must take? As believers, we all know we should tell others about the Lord, but we often don't know how. This practical book will give you ideas for starting conversations, examples of witnessing situations, and answers to common questions. It will help motivate and equip you to reach both friends and strangers for Jesus for the rest of your life!
