Williamsburg (The Story of a Patriot), CIA agent Felix Leiter in the first James Bond movie (Dr. No) and the title character in the cult classic rodeo TV series Stoney Burke. Lord's career culminated in twelve seasons on Hawaii Five-O, where his creative control of the series left an indelible mark on every aspect of its production. This book, the first to draw on Lord's massive personal

archive, gives a behind-the-scenes look into the life and work of a TV legend. *1996-97 V.I.P. Here is the first focused set of research on the marketing of alcoholism treatment services. The authors of this much-needed volume-- reputable marketing and</p>	<p>research scholars-- greatly expand the current base of knowledge concerning the alcohol treatment marketing subdiscipline, including the referral system analyses of market potentials for providers, promotional effort consultation for new providers, and the evolving nature of medical services distribution systems. Through in- depth interviews</p>

Kansas City Star Books
A look inside the subculture of off-grid living, taking readers across the ideological spectrum and across America
Written by a leading authority on living off the grid, this is a fascinating and timely look at one of the fastest growing movements in America. In

researching the stories that would become *Off the Grid*, Nick Rosen traveled from one end of the United States to the other, spending time with all kinds of individuals and families striving to live their lives the way they want to—free from dependence on municipal power and amenities, and free from the inherent dependence on the government and its far-reaching arms. While the people profiled may

not have a lot in common in terms of their daily lives or their personal background, what they do share is an understanding of how unique their lives are, and how much effort and determination is required to maintain the lifestyle in the face of modern America's push toward connectivity and development.

The Working Press of the Nation
FIELD & STREAM, America's largest outdoor sports

magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.
