local drink and dining specialties to try, things to do, and places to eat, drink, and shop by area. + Area maps marked with sights and restaurants. + Detailed city maps include street finder index for easy navigation. + Insights into history and culture to help you understand the stories behind the sights. + Suggested day-trips and itineraries to explore beyond the city. + Hotel and restaurant

listings highlight DK Choice special recommendations. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that illuminate every page, DK Eyewitness Travel Guide: London truly shows you what others only tell you. *A Brit's Guide to New York* 2002 Hachette Tourisme 'In many ways, being a fashion model can be compared to the life of a professional footballer. You

might get signed, but the work doesn't stop there. In fact, it's only just begun.' Interested in working in the fashion industry? Do you want to be a model, designer, photographer or stylist? Want a rare look at the industry from the inside? Supermodel Eunice Olumide MBE was signed when she was just 16. She has since graced catwalks all over the world, working with top

design powerhouses including Christopher Kane, Harris Tweed, Alexander McQueen, and Mulberry. How to Get into Fashion is for you, whether you are looking to become a model or wish to pursue one of the many other careers in fashion – or just want to know what goes on behind the scenes. With stunning photographs and the knowledge of someone who's been there and

done it, this is your essential guide to the industry. Not For Tourists Guide to London 2018 Bloomsbury Publishing This eBook version of the Green Guide London by Michelin features the best of the city's varied cultural character, top attractions, shopping and eating-places. Star-rated attractions, color photographs, maps and an expanded Central London Museums

section allow travelers to plan their trip carefully or be spontaneous. Explore the city's hidden corners on a walking tour, take in the view from Greenwich Observatory, or head out of town to Windsor Castle or Wimbledon. Wherever you go, Michelin's celebrated star-rating system makes sure you see the best. **Collectibles Price Guide 2004** Simon and Schuster Packed with examples from

groundbreaking designers such as Vivienne Westwood, Stella McCartney, Edun and People Tree, A Practical Guide to Sustainable Fashion is a much-needed overview of current models of fashion design and production. Alison Gwilt introduces the key issues associated with the production, use and disposal of fashion clothing and gives step-by-step guidance

on how to identify and evaluate the potential impacts of a garment during the design process. With innovative examples of best practice from international designers and brands, the chapters follow each key stage in the life cycle of a fashion garment and explores approaches such as low-impact textiles techniques, mono-materiality, zero waste techniques, upcycling,

repair and maintenance techniques and closed-loop design systems. New to this edition: More in-depth coverage of design thinking, materials manufacture, practical techniques for creating 'faster' recyclable fashion and new ways forward for fashion, such as including the circular economy and the Sustainable Development Goals. London Guide DK Publishing (Dorling

Kindersley) POCKET ROUGH GUIDE ATHENS Pocket Rough Guide Athens is your essential guide to Greece's capital, with the all the key sights, restaurants, shops and bars. Whether you have an afternoon or a few days at your disposal, our itineraries help you plan your trip, and the Best of section picks out the highlights you won't want to miss, from the cutting-edge Acropolis Museum to vertiginous views from Lykavitós Hill. Divided by area for easy navigation, the Places section is written in Rough Guide's trademark honest and informative style, with listings of the must-see sights and our pick of the places to eat, drink and dance, from lively neighbourhood tavernas to the perfect bars to kick off a night out. · The best of the city's shops, restaurants, bars, clubs and hotels, selected by our expert authors · Tailored itineraries and highlights make trip-planning easy · Inspirational photography brings the city to life · Up-to-date background information, including transport details and a calendar of festivals and events

Not For Tourists Guide to London 2023
Wiley

Features information on style through the decades and tips for budget shopping in a

guide that counsels readers on how to identify a personal image, tailor a look to a particular body type, and prepare for fashion emergencies.

Guide du Routard Londres 2018 Simon and Schuster
Who makes your clothes? This used to be an easy question to answer it was the seamstress next door, or the tailor on the high street—or you made them yourself.

Today, we rarely know the origins of the clothes hanging in our closets. The local shoemaker, dressmaker, and milliner are long gone, replaced a globalized fashion industry worth \$1.5 trillion a year. In *Wardrobe Crisis*, fashion journalist Clare Press explores the history and ethics behind what we wear. Putting her insider status to good use, *Press* examines the entire fashion ecosystem,

from sweatshops to haute couture, unearthing the roots of today's buy-and-discard culture. She traces the origins of icons like Chanel, Dior, and Hermès; charts the rise and fall of the department store; and follows the thread that led us from Marie Antoinette to Carrie Bradshaw. *Wardrobe Crisis* is a witty and persuasive argument for a fashion revolution that will empower

you to feel good about your wardrobe again. [The Rough Guide to Greece](#) *Rough Guides* The *Rough Guide to Vintage London* is your ultimate guide to London's burgeoning vintage scene, that is making the British capital a more exciting place to visit than ever before. Whether you're into fifties fashion or seventies furnishings, old-fashioned beauty parlours, Art Deco cafés or retro

restaurants, *The Rough Guide to Vintage London* will show you where to find the best bargains and the hippest hang-outs. This authoritative illustrated guide casts a discerning eye over the entire city, highlighting the best of vintage London in each area. It covers over 200 budget and luxury attractions, from the East End hotspots of hyper-cool Hoxton and Shoreditch to

the eccentric emporia of the West End, as well as the pick of London's markets and the classiest vintage outlets north and south of the centre, all marked on full-colour maps. Whatever your look or interest - blitz chic, beehive hairdo, forties screen idol, rockabilly, twenties flapper or Edwardian chap - The Rough Guide to Vintage London will tell you where you can enjoy them to the

full. From Consultant-Editor Wayne Hemingway and written by Francis Ambler, Emily Bick, Samantha Cook, Nicholas Jones and Lara Kavanagh. Now available in ePub format. [The Rough Guide to London](#) Michelin Travel & Lifestyle Vivienne Westwood was the Queen of Punk Rock and her fashions have scandalized and fascinated the world since the Sixties. Parading

models bare-breasted down the catwalks of Paris, posing pantiless outside Buckingham Palace - she has an insatiable appetite for anarchic outrageousness. She has never lost her power to shock, and her continued innovations make her one of the most talked-about fashion designers in the world. Vivienne Westwood describes for the first time in detail Westwood's

childhood and early years; it also exposes the inside story of her stormy and bizarre relationship with musician and fashionista Malcolm McLaren. Fred Vermorel looks at the origins of Westwood's witty and erotic sensibility, placing it in the context of the Sixties, and throwing light on the dynamics of punk and on Westwood's later ability to tap into the inner logic of fashion - a

Romantic perversity which is at the heart of mass consumption itself. As a dirty history of the Sixties shared by Westwood, McLaren and the author, and as a story of the triumph of a mad, bad, outrageous girl, Vivienne Westwood succeeds brilliantly. [A Practical Guide to Sustainable Fashion](#) Rough Guides UK It's where everyone remembers your name—and your mistakes. But the quaint

Catskills town of Marsden has a way of inspiring the unlikeliest reunions, flipping the script on the best laid plans, and opening even the most stubborn hearts... Jordan Leigh's always had a reputation for being bad news. So she figured it was only a matter of time before she got into serious trouble. But serving house arrest in her hometown of Marsden is truly cruel and unusual punishment.

Plus she's under police officer Will Nash's up-close-and-all-too-personal supervision... which could make things worse—or more fun. To make amends, Jordan throws herself into making nice with her neighbors, taking in stray animals, and helping teenage girls get back on track. But what she really wants is to get on the right track with Will. To do that, she'll have to show him she's grown up. And

if that means making him break his own rules and face down his own fears, she's up for the challenge ... *DK Eyewitness Travel Guide London* Piatkus 'An inspiring guide to developing your personal brand, achieving your career goals and shaping the future of work' Red 'Everything every career woman needs to know and yet is rarely shared so honestly' Anya Hindmarch 'Refreshingly relevant and

practical' Roksanda Ilincic Women have made great advances in the workplace, but despite that - and the overwhelming amount of career advice out there - the same questions continue to arise: how to succeed in a man's world, how to combine a career with a family, how to be authentic and fit in, and whether it is even possible to achieve a work-life balance while chasing career goals.

Unfortunately, much of the advice women are offered is badly out of date and lacking in 'cut-to-the-chase' strategies that really tally with their experience of the workplace now. What's more, the advice often tends to be defensive, focused on overcoming obstacles rather than drawing upon strengths. Style and Substance starts from a very different perspective. Written by Helena Morrissey,

who has learned through her own experiences as a woman in the workplace and as a business leader, it will help you understand what really matters when it comes to career progression today, whatever your age, situation and aspirations. Style and Substance will show you how to build your own style - your personal brand - and how to have confidence in it, and in

yourself. Once you realise how much agency you have and the steps that you can take to look the part, sound the part, feel the part and therefore be the part, you'll be empowered to achieve your goals in your own way, secure in who you are and what you have to offer.
