Frank Lloyd Wright Paper Models features step-by-step instructions and templates so you can create beautiful kirigami versions of Frank Lloyd Wright's iconic modernist architecture. Frank Lloyd Wright (1867-1959) is the most renowned and popular architect and designer in America. His buildings, including Fallingwater and New York's Guggenheim Museum, are iconic landmarks. Now you can create 14 of his best-loved buildings using the art of kirigami. Frank Lloyd Wright building kirigami templates included are: • Unity Temple • Frederick C. Robie House • Imperial Hotel • Aline Barnsdall "Hollyhock" House • Millard House (La Miniatura) • John Storer House • Freeman House • Charles Ennis House • National Life Insurance Building • Taliesin West • Herbert And Katherine Jacobs I House • Edgar J. Kaufmann House "Fallingwater" • Johnson Wax Administration Building •

Solomon R. Guggenheim Museum Perfect for those that enjoy origami, each project features a short history of each house, step-by-step instructions and a template that you remove from the book. You follow the lines on the template, cutting and folding to make your own model. All you need is a scalpel, a cutting mat and a ruler. Clear cutting tips help you with the tricky stages, while photos of the finished model show you the final design. To make things easier, the most intricate parts of the templates have been pre-cut. Simply display your finished model and admire your handiwork. Frank Lloyd Wright Paper Models is a must for Wright fans and architectural model enthusiasts. "Kirigami is the elegant Japanese art of folding and cutting paper to create intricate models. It's also the perfect medium for recreating the harmonious architecture of Frank Lloyd Wright." Sunday Express, UK

This important new volume is the most comprehensive critique of the Bible ever written. McKinsey strives to tell both the good and bad of biblical writings with this thoroughly-researched expose of the Bible's errors, contradictions, and fallacies. McKinsey believes that it is important that the Bible's inadequacies and negative teachings be exposed.

Made for Living Random House Books for Young Readers

"Women the world over are brought up to hope, even expect, to find the man of their dreams, marry and live happily ever after. When Stephanie Woods meets a sweet, sophisticated man who owns land and businesses, she embarks on an exhilarating romance with him. He seems compassionate, truthful and loving. He talks about the future with her. She falls in love. She also becomes increasingly beset by anxiety at the lavish three-act plays he offers her in the form of excuses for frequent cancellations and no-shows. She begins to wonder, who is this man? When she ends the relationship Stephanie switches back on her journalistic nous and uncovers a story of mind-boggling duplicity and manipulation. She also finds she is not alone; that the world is full of smart, sassy women who have suffered the attentions of liars, cheats, narcissists, fantasists and phonies, men with dangerously adept abilities to deceive. In this brilliantly acute and broad-

ranging book, Wood, an award-winning writer and journalist, has written a riveting, important account of contemporary love, and the resilience of those who have witnessed its darkest sides." -- Back cover.

NEW YORK TIMES BESTSELLER From the celebrated author of *Inward* comes the second in series, a collection of poetry and short prose focused on understanding how past wounds impact our present relationships. In *Clarity & Connection*, Yung Pueblo describes how intense emotions accumulate in our subconscious and condition us to act and react in certain ways. In his characteristically spare, poetic style, he guides readers through the excavation and release of the past that is required for growth. To be read on its own or as a complement to *Inward*, Yung Pueblo's second work is a powerful resource for those invested in the work of personal transformation, building self-awareness, and deepening their connection with others.

When you raise a girl who likes herself, everything else follows. She will strive for excellence because she has faith in her ability to achieve it and the confidence to pick herself up. She will nurture her physical and mental health because it's natural to care for something you love. She will insist on healthy relationships because she believes she deserves nothing less. She will be joyful and secure, knowing that her greatest friend and most capable ally is herself. *Raising Girls Who Like Themselves* details the seven qualities that enable girls to thrive and arm themselves against a world that tells them they are flawed. Packed with practical, evidence-based advice, it is the indispensable guide to raising a girl who is happy and confident in herself. Free of parental guilt and grounded in research, *Raising Girls Who Like Themselves* is imbued with the warmth and wit of a mum and dad who are in the same parenting trenches as you, fighting for their daughters' futures.

The designer and author of *Habitat* "shares how she imbues any space with warmth and energy" in this elevated yet accessible follow-up (*MarthaStewart.com*). *Down to Earth* picks up right where *Lauren Liess's* critically acclaimed *Habitat* left off. While *Habitat* walked readers through the decorating process step-by-step, *Liess's* latest title takes a step beyond the basics and invites readers to incorporate the main components of her familiar design aesthetic: nature, easy living, and approachability. With evocative photos and substantive design advice, *Down to Earth* focuses on creating a lifestyle that inspires creativity and functionality. Throughout the book, *Liess* shows readers how to incorporate six guiding principles in six unique homes: a new farmhouse, a classic American historical home, a lakeside contemporary house, a modern villa, a turn-of-the-century American Foursquare, and a cedar and glass house on a bluff. While each home has a different architectural style, fingerprints of *Liess's* down-to-earth style are evident throughout. "Full of the stunning images you would expect. They will spark your creativity and inspire your own designs. However, the real beauty comes from Lauren showing readers how to create ease in their own homes." —Ariadne Shoppe "Her style embraces lived-in, vintage-inspired interiors . . . Her philosophy is that if your home is relaxed, then you're relaxed." —One Kings Lane

From the creative minds of the scholarly group behind the groundbreaking *Jesus Seminar* comes this provocative and eye-opening look at the roots of Christianity that offers a thoughtful reconsideration of the first two centuries of the *Jesus* movement, transforming our understanding of the religion and its early dissemination. Christianity has endured for more than two millennia and is practiced by billions worldwide today. Yet that longevity has created difficulties for scholars tracing the religion's roots, distorting much of the historical investigation into the first two centuries of the *Jesus* movement. But what if Christianity died in the fourth or fifth centuries after it began? How would that change how historians see and understand its first two hundred years? Considering these questions, three Bible scholars from the Westar Institute summarize the work of the *Christianity Seminar* and its efforts to offer a new way of thinking about Christianity and its roots. Synthesizing the institute's most recent scholarship—bringing together the many archaeological and textual discoveries over the last twenty years—they have found: There were multiple *Jesus* movements, not a singular one, before the fourth century There was nothing called Christianity until the third century There was much more flexibility and diversity within *Jesus's* movement before it became centralized in Rome, not only regarding the Bible and religious doctrine, but also understandings of gender, sexuality and morality. Exciting and revolutionary, *After Jesus Before Christianity* provides fresh insights into the real history behind how the *Jesus* movement became Christianity. *After Jesus Before Christianity* includes more than a dozen black-and-white images throughout.
