*They Say It's Spiritual, but What Does the Bible Say?* Holman Bible Publishers

The desire to live an abundant life and to have a good death remains a very contemporary aspiration for all of us in the twenty-first century. This resource addresses that desire as well as the complexities around such pressing issues as martyrdom, abortion, suicide, and capital punishment. The discussion includes references to official church statements as well as to current authors. The themes of life and death pulse throughout the Bible in the lives of individuals and communities. The Creator has empowered humankind to work out their lives and grapple with their deaths, setting before them precepts to follow and people to imitate, preeminently Jesus, risen from the dead. Although the biblical authors do not specifically address such matters as abortion, they do offer perspectives that are relevant to the discussion. Besides this, the Scriptures offer a rich treasury of texts and stories that not only inform but also inspire those who are longing for trustworthy guidance, greater wholeness, and deeper peace in life, as they approach that unknown moment of death that comes for each of us.

*What Did Jesus Look Like?* Christian Focus

The Big Questions series of apologetics booklets are designed to provide readers with straightforward answers to some of the most commonly asked questions about the Christian faith. With a concise and portable format, these booklets are a valuable resource and study tool to equip Christians of all ages to discuss and clearly share the truth, hope, and practical compatibility of Christianity in everyday life. The Big Questions series includes carefully curated, informative articles from leading Christian apologists and worldview scholars, including Andy McLean, J. P. Moreland, Jimmy H. Davis, Stephen C. Meyer, Mark Linville, Walter Bradley, Scott B. Rae, C. John Collins, John A. Bloom, and William A Dembski.

**What the Bible Really Says About Money and Giving** Amg Pubs

Where did we come from? Where are we going? How will the world come to an end? Has God given us clues from which we can deduce an end-time scenario? Will believers be "raptured," spared the tribulation of cataclysmic times? Many Catholics find themselves confused by current speculations among fundamentalist Christians about the end of the world. These scenarios, often based on convoluted and faulty interpretations of Scripture, offer a blow-by-blow account of God's master plan for closing out history. Through a careful examination of key biblical themes, symbols and imagery from Genesis to Revelation, Scripture scholar Father William Kurz demonstrates that "the Bible is not a puzzle...to construct into an end-time scenario." Instead, he leads the reader to a deeper understanding of God's intent in creating humanity, his persistent efforts to rescue us from our sin, and Jesus' final return in glory to judge the living and the dead.

*Big Questions: What Does the Bible Say?* Thomas Nelson Incorporated

Hundreds of everyday topics and cartoons spice up this kid-friendly book to assure 8- to 12-year-olds that God's Word is relevant to their lives. Most kids don't realize it, but God's Word has a lot to say

about the things they care about most-and this lively book leaves no doubt about it. Covering more than 300 everyday topics in conversational, engaging, one-page units, 8- to 12-year-olds will get biblical perspective on such topics as: homework, dieting, anger, sports, classmates, the telephone, puberty, careers, siblings, rules, self-confidence, world events, sleep, friendship, nature, movies, embarrassment, tattoos, integrity, and knowing God, plus many more. Each page of this kid-friendly book illustrates what a particular topic has to do with the Bible, what the Bible says about it, and how the Bible's teaching applies to readers, so that they begin to understand how relevant God's Word is to them. And with 200 original cartoons spicing up the presentation, *What Does the Bible Say about That?* is quite simply an unforgettably fun book for elementary-age kids-and a great conversation-starter for adults who know them.

**What Does the Bible Say About Forgiveness?** New City Press

This fully illustrated volume contains articles on nearly 500 topics that touch on modern life, identifying Bible verses or passages that have relevance to people today. The book catches the reader's attention with words and phrases--such as "ecology" or "the bottom line"--that are more associated with modern life than a 2,000-year-old book.

*What Does the Bible Teach about Lust?* New City Press

70 pages. What does The Bible say about Health and Healing? Read every reference to angels and angelic beings from The Bible, in order from the Book of Genesis to Revelation. Sola Scriptura means "only the Scriptures", and as a concordance lists where in The Bible each keyword appears, this book lists each of those references in full context, so that you can quickly read everything that The Bible itself says about Healing. When you read all of the references to a spiritual topic you will reach the balance point of personal truth and understanding about what The Bible itself says. You can mark or highlight those verses that are of most interest or importance. Look for other topics in this series of booklets, such as Angels, Prayer and The Sabbath. Also look on Amazon for the "Sola Scriptura Topical Bible Top 20 Spiritual Symbols" which features 20 of the most important spiritual topics and symbols from the Bible that every person should know, including Baptism, Commandments, Covenant, Miracles, Heaven, The Holy Spirit, Resurrection, The Son of God, and more...

*A Critical Conversation with Popular Culture in a Biblically Illiterate World* Charles Williams

There is perhaps no more hotly debated issue in the church today than the issue of women serving as pastors. As a result, it is very important to not see this issue as men versus women. There are women who believe women should not serve as pastors and that the Bible places restrictions on the ministry of women, and there are men who believe women can serve as pastors and that there are no restrictions on women in ministry. This is not an issue of chauvinism or discrimination. It is an issue of biblical interpretation. This book is about the truth God is unleashing to those that have been bound by concerns of women pastoring, teaching, and leading a nation. God did not choose men only to the pastor, but women also. This book is a must-read regarding a command that we have been ignoring for years and this command could stop those who really love God from going to heaven. This is how much Jesus Christ loves us all.

*Sola Scriptura Topical Bible: What Does The Bible Say About Healing?* Tate Publishing

This book is a collaboration between a biblical scholar (Mary Ann Beavis) and a practical theologian (HyeRan Kim-Cragg) who are concerned with the way that the Bible is portrayed and interpreted in popular culture, including but not limited to the movies. This concern points to a need for a conversation, examining what the Bible actually says, in order to uncover transformations and distortions of the biblical stories in the wider culture--including Christian culture. Our conversation is counter-cultural, not in an oppositional way, but taking an alternative posture that aims to provide different insights by drawing from and closely looking at the Bible. The chapters take a Christian canonical approach, articulating "what the Bible says" (and doesn't say) with regard to culturally pervasive themes such as sin and salvation, Christ and Antichrist, heaven and hell, in contrast to popular understandings as disseminated in (primarily) film, advertising, television, etc. We hope that together we will open up fertile academic, ecclesial, and secular space for disclosing loaded cultural and ideological views towards offering positive and intriguing insights embedded in the Bible.

*Should Women Become Pastors* New City Press

For many Christians, one of the most frequently first-asked questions on this topic is, "What does the Bible say about attraction to someone of the same sex?" Although it's unlikely that the biblical authors had any notion of sexual orientation (for example, the term homosexual wasn't even coined until the late 19th century) for many people of faith, the Bible is looked to for timeless guidance on what it means to honor God with our lives; and this most certainly includes our sexuality. Before we can jump into how it is that Christians can maintain the authority of the Bible and also affirm sexual diversity, it might be helpful if we started with a brief but clear overview of some of the assumptions informing many Christian approaches to understanding the Bible. This book is an examination of the story of Sodom and Gomorrah and the 12 biblical passages used against gay marriage.

*What Does the Bible Say About...?* WaterBrook

The Bible is considered to be one of the bestselling books of all time, but what is really in it? What does it actually say? *The Bible Says What!?* is a direct and critical look at the Bible itself, exploring some of the most undefendable stories and ideas within it. In this book, you will encounter harsh criticisms and hard truths, looking deeper into the verses that your local pastors refuse to address from the pulpit. This book is for the Christian who is not afraid to take that arduous journey into their own beliefs and challenge them. This book is for the atheist seeking information to use in their everyday conversations with Christians. It's for the casual reader who is merely curious about what is in the book that Christians follow. This book is for you.

**Revelation** New City Press

Does God really care about your sex life? In a culture saturated with sex, many find it hard to believe the Creator of the universe cares about this facet of their lives. Others are confused about where to draw the line to avoid going "too far." Married or single, you need to know what God says about sex. After all, He's the one who designed this priceless gift and set clear boundaries to protect it. This candid study will help you weigh the messages of our culture against the truth of God's Word. As you learn about the Designer's original intent for sex, you'll gain valuable insights to guide your daily choices.

*How should I teach my children about God? What does the Bible say about discipline?* Bloomsbury Publishing

*What Does the Bible Say About--The Ultimate Bible Answer Book* Amg Pubs

*A Short Book on Desire* InterVarsity Press

Everyone thought someone was doing what needed to be done to help the poor and needy, but people were slipping through the cracks. A mother and her children are overlooked, and a child dies. Written for those who believe the Bible is the ultimate authority in all issues of life, this group of Christians feel they totally blew it by replacing God's written instructions with the status quo. Wanting to not make that mistake again, the Reverend Jim Harter leads a faithful few to embark on a one-year Bible study to ensure they apply Christ's model of faith and obedience in all matters of faith, life, business, and love. Sound impossible? It will be without the Holy Spirit's help and a simple question to guide them, "What does the Bible say?" -- but not everyone is happy with the changes. Ten years in the making and reflective of much of the author's 17 years as a Southern Baptist Pastor, *In His Very Steps* is a new Christian fiction series emphasizing seven disciplines around the disciples cross: obedience, witnessing, prayer, worship, fellowship, service, and discipleship. In "What Does the Bible Say?" Dr. Williams applies conservative theology and years of evangelical ministry to address ripped-out-of-the-headlines topics: evolution, professional ethics, pre-marital sex, contemporary theology, social responsibility, Christian division, Christianity and politics, and more. The stunning ending will leave you rejoicing while considering how wonderful the world could be if people lived by God's precepts instead of mankind's good-boy guidelines. In reality, living in the very steps of Jesus is not only possible but it is a promised, future reality (Rev 21).

*A Closer Look* Fairway Press(OH)

The late Billy Graham once said: If a person gets their attitude toward money straight, it will help straighten out almost every other area in their life. God's Word abounds with guidance on just how to do that ... and yet, so little of it is taught from the pulpit or anywhere else. Even on the everyday topic of giving, His guidance is often misrepresented. In addition, there is practical input on borrowing, investing, retirement and even estate planning. More importantly, it is all framed within the overall context of how He wants us, His redeemed people, to truly live life here on earth. Read how this 2,000+ year-old book can provide timely guidance for living our lives today.

**Unfolding God's Plan for Humanity** Servant Publications

Modern western culture seems to find angels, demons, and even dragons irresistible. They are the topic of many books, films, and television series. A recent poll indicated that nearly eighty percent of people believe in such beings. But they are hardly a modern invention. Such creatures that go beyond time and space have been imagined for centuries. The Bible itself addresses the topic with various tales of angels and demons, and yes, even dragons. If you are intrigued about this background, this book is for you. It reveals how thoroughly biblical these creatures are, and what they can still teach us.

*The Ultimate Bible Answer Book* Harvest House Publishers

A guide with 415 categories and 3293 subcategories is as useful a reference tool for people who know nothing about the Bible as it is for those who have a great deal of Bible knowledge

*What Does the Bible Say?* Charisma Media

What Does the Bible Say about Parenting and Children? Every mom and dad wants to be a better parent. Year after year countless experts write books explaining the best ways to raise children, but what does God say about it? Everything the Bible Says About Parenting and Children goes straight to the source of all truth to give insight into raising families God's way. All of the scriptural references on the topic have been collected and explained clearly and concisely, using trustworthy commentaries to give context where needed. The book's length and focus make it perfect for readers on the go who love the Word of God.

*Pain, Suffering and Healing-- what Does the Bible Say?* Sola Scriptura Topical Bible

Anyone can make predictions about the future. The real question is, "What does God have to say about it?" The end times is one of those areas of theology where people have many wild opinions. Don't get caught up in all the internet speculations and doomsday prognostications. The real place to find out about the future is the Word of God. In *What Does the Bible Say About the Future?*, radio host and prophecy expert Dr. Charlie Dyer offers you an insightful look at the end times that's grounded not in human fantasies but in the very revelation of God. The Bible actually does have a lot to say about the future. It's an important topic for you to study. So instead of taking your cues from the self-appointed prophets of today, let Dr. Dyer take you right back to Scripture. You'll get answers to questions like: Are we in the last days right now? Are pandemics like Covid-19 a fulfillment of Bible prophecy? What is the Battle of Armageddon? What is the next event on God's prophetic calendar? Where is the United States in Bible prophecy? And most importantly . . . If prophecy is true, what difference should it make in my life? God didn't give us Bible prophecy to

tickle our imagination or satisfy our intellectual curiosity. Rather, God wants us to know about the end times so we can be confident in His eternal purposes. With a biblical understanding of the future, you'll be powerfully equipped to live with faith and hope today!

**What Does the Bible Really Teach?** Zondervan

I have learned so much in writing this and gained so much knowledge that I did not know and knew with the reinforcement by my reading and searching scriptures from what I've heard preached to me and in Bible study that I feel assured that I am firmly in the one true Church of CHRIST. I must live accordingly for the hope that is mine to gain or lose. Yes, the scripture is right where JESUS CHRIST said he would bring a sword referring that some will believe and some will not. The most important thing I seek is that you read and truly study the Bible and follow that. It is, however, to have the right tool, and the Bible is the right and only source for the truth even more to have the right Bible. I have written that King James Version with thee, thou, yea, and not the New King James Version or others that are written as said for easy reading should be the tool. The new versions have been written with scripture verses left out of them that are in the King James Version. The new versions change the meaning of the scriptures that they say using other words that mean the same thing, but really, they do not and will lead astray. You, if possible, should compare such.

The Ultimate A to Z Resource Fully Illustrated Hypatia Press

From the Foreword by Elisabeth Elliott: "A simple, sane, serious treatment of the subject by a man who loves God, respects women, and takes the inspiration of Scripture and the integrity of the apostles for granted."
