TACHS Exam Study Guide
Test Prep Books

**Master The(tm) Catholic High
Schools Entrance Exams** Test Prep
Books

6 full-length practice tests with detailed answer explanations for the HSPT® and TACHS exams; complete review of math, verbal, and quantitative reasoning topics.

**Master the Catholic High School
Entrance Exams--Practice Test 2:**

TACHS Independently Published

Last year, nearly 200,000 eighth graders took the entrance exams to get into Catholic high schools. For many, this is their first time taking any kind of standardized entrance exam. To help make the experience a positive one, this valuable guide provides expert advice, practical tips, and lots of practice to help students prepare successfully for test day. It also provides tips for parents to help their children maintain realistic expectations while studying for the exam. Included in Kaplan's Catholic High School Entrance Exams are six full-length practice tests—two for each exam commonly administered—the Cooperative Entrance Examination (COOP), the High School Placement Test (HSPT), and Test for Admission into Catholic High Schools (TACHS). Also included are diagnostic quizzes with targeted feedback; a review of key concepts and material found on tests; and up-to-the-minute test information

and changes. Kaplan's Catholic High School Entrance Exams gives students the study tools and reassurance they need to achieve a high score on this important test.

Complete TACHS! Peterson's

Peterson's Master the Catholic High School Entrance Exams is the best-selling, comprehensive test-prep book for scoring high on the Catholic high school entrance exams. Here, in Practice Test 2: TACHS, readers can take a practice test for the TACHS (New York City Test for Admission into Catholic High Schools), with reading, language, math, and ability questions. Detailed answer explanations help students understand wrong (and correct) answers. Knowing their strengths and weaknesses, students can create their best study plan in order to score high on this Catholic High School entrance exam.

Catholic High School Entrance Exams For Dummies Peterson's

The COOP and HSPT tests are entrance exams given to students applying for admission to most Catholic high schools across the country. In the Archdiocese of New York, student applicants take a slightly different test called the TACHS. This test preparation manual offers: A detailed introduction that thoroughly explains the format of each of these exams and provides test-taking tips and advice Updated general subject reviews with questions and answer explanations covering math, verbal skills, language arts, and reading comprehension Two practice COOPs, two practice HSPTs, and two practice TACHS tests that reflect the most recent exams Every practice test comes with answers and explanations. McGraw Hill's Catholic High School Entrance Exams Simon and Schuster HSPT Practice Questions are the simplest way to prepare for the HSPT. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test, then they are

unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more, or if you're already prepared enough to achieve success on your test day. If you do well on the practice test, then you know you're prepared. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our HSPT Practice Questions give you the opportunity to test your knowledge on a

set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our HSPT Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
