SLADE BECKER

Tennis Fundamentals Penguin
From the bestselling author of *Saban*, *4th and Goal*, and *Sowbelly* comes the thrilling, untold story of the quest for the world record tarpon on a fly rod—a tale that reveals as much about Man as it does about the fish. In the late 1970s and early 1980s, something unique happened in the quiet little town on the west coast of Florida known as Homosassa. The best fly anglers in the world—Lefty Kreh, Stu Apte,

Ted Williams, Tom Evans, Billy Pate and others—all gathered together to chase the same Holy Grail: The world record for the world's most glamorous and sought-after fly rod species, the tarpon. The anglers would meet each morning for breakfast. They would compete out on the water during the day, eat dinner together at night, socialize and party. Some harder than others. The world record fell nearly every year. But records weren't the only things that were broken. Hooks, lines, rods, reels, hearts and marriages didn't survive, either. The egos involved made the atmosphere electric. The difficulty of

the quest made it legitimate. The drugs and romantic entanglements that were swept in with the tide would finally make it all veer out of control. It was a confluence of people and place that had never happened before in the world of fishing and will never happen again. It was a collision of the top anglers and the top species of fish which would lead to smashed lives for nearly all involved, man and fish alike. In *Lords of the Fly*, Burke, an obsessed tarpon fly angler himself, delves into this incredible moment. He examines the growing popularity of the tarpon, an amazing fish has been around

for 50 million years, can live to 80 years old and can grow to 300 pounds in weight. It is a massive, leaping, bullet train of a fish. When hooked in shallow water, it produces "immediate unreality," as the late poet and tarpon obsessive, Richard Brautigan, once described it. Burke also chronicles the heartbreaking destruction that exists as a result—brought on by greed, environmental degradation and the shenanigans of a notorious Miami gangster—and how all of it has shaped our contemporary fishery. Filled with larger-than-life characters and vivid prose, *Lords of the Fly* is not only a must read for anglers of all stripes, but also for those interested in the desperate yearning of the human condition.

Celebrate democracy and the inauguration of America's 46th President, Joe Biden, by reliving his inaugural speech, along with an introductory speech by Senator Amy Klobuchar, the Inaugural Address of President Barack Obama, and the full text of both the Constitution of the United States and the Declaration of Independence. January 20th, 2021 will be

remembered by all Americans as the day of the inauguration of Joe Biden as the 46th President of the United States. His inauguration, and the powerful declaration in his speech—"Democracy Has Prevailed!"—marked the start of a new time of hope and potential change at the end of a dark four years marred by political unrest, economic and social turmoil, and the beginning of the COVID-19 pandemic. Now, readers can remember and relive this incredible day with *Democracy Has Prevailed*. Presenting the full text of President Biden's inaugural speech, as well as Senator Amy Klobuchar's introductory speech, the Inaugural Address of President Barack Obama, and the full text of both the Constitution of the United States and the Declaration of Independence, this commemorative edition is perfect for Biden voters, history fans, and anyone with an interest in US politics and society.

deserted wife's love

This Is the Rope New York : Dodd

If you turn on the evening news or listen to NPR you'll be bombarded with a non-stop parade of commentators pontificating on the ever expanding gap between the rich and the poor. But is the chasm really that wide? In *Rich Man Poor Man*, comedian and bestselling author Adam Carolla exposes the phenomena that are embraced by the really rich and the really poor--but never the middle class--like having an outdoor shower, wearing your pajamas all day, or always having your dog with you. Combining Adam's inimitable comedic voice and four-color illustrations by his friend Michael Narren, *Rich Man Poor Man* is a hilariously accurate look at what the people born with silver spoons in their mouths have in common with the people whose only utensils are plastic sporks stolen from a Shakey's.

The Story of The Streets Yale University Press

-- Jerry Capeci's *The Complete Idiot's Guide "RM"* to the Mafia has already

netted close to 12,000 copies since its publication in December 2001, making it one of Alpha's strongest new titles. -- Jerry Capeci is one of America's most respected experts on the Mafia and organized crime. His Web site, Ganglandnews.com, gets more than 5,000 hits per day. He has appeared twice on Fox-TV promoting *The Complete Idiot's Guide "RM" to the Mafia* and is much in demand on local TV and radio shows. He has been profiled in *People* magazine, the *New York Daily News* (for which he was a longtime columnist), and dozens of other magazines and newspapers. -- John Gotti is terminally ill; when he passes on to that great Mafia in the sky, co-author Capeci will be in great demand for interviews and will plug the book. As he battles terminal cancer in a federal prison in Illinois, John Gotti, still the acting head of the Gambino Mafia family, is constantly in the news. Once Mr. Gotti ascends to Mafia heaven, he will be worldwide news-and Alpha will have the most up-to-date and comprehensive book on the subject. *Amexica* Createspace Independent Publishing Platform
This whimsically illustrated board book

offers a delightful A-to-Z overview of modern design icons for the toddler set. Parents who appreciate architecture and modern design will get a kick out of sharing their passion with little ones. From Frank Lloyd Wright's Fallingwater to Knoll furniture to Noguchi sculptures, *Baby's First Eames* makes timeless structures and styles fun and accessible for aesthetes of all ages.

The Deep Rig Dcs International LLC
Feminist essays for the #MeToo era from "the voice of the resistance," the international bestselling author of *Men Explain Things to Me* (The New York Times Magazine). Who gets to shape the narrative of our times? The current moment is a battle royale over that foundational power, one in which women, people of color, non-straight people are telling other versions, and white people and men and particularly white men are trying to hang onto the old versions and their own centrality. In *Whose Story Is This?* Rebecca Solnit appraises what's emerging and why it matters and what the obstacles are. Praise for Rebecca Solnit and her essays "Rebecca Solnit is essential feminist reading." —The New

Republic "In these times of political turbulence and an increasingly rabid and scrofulous commentariat, the sanity, wisdom and clarity of Rebecca Solnit's writing is a forceful corrective. *Whose Story Is This?* is a scorchingly intelligent collection about the struggle to control narratives in the internet age." —The Guardian "Solnit's passionate, shrewd, and hopeful critiques are a road map for positive change." —Kirkus Reviews "Solnit's exquisite essays move between the political and the personal, the intellectual and the earthy." —Elle "Rebecca Solnit reasserts herself here as one of the most astute cultural critics in progressive discourse." —Publishers Weekly "No writer has better understood the mix of fear and possibility, peril and exuberance that's marked this new millennium." —Bill McKibben, founder of 350.org

The Solarian, or the "Sons of Suns" (designed to resemble the Melanesian Pacific Islanders) are a peaceful people and for years have stood on the outskirts of an intergalactic warfare being waged between the Hyperion Regime and The Feed. The ruthless Void The Sever has claimed the universe as his own and wishes to annihilate the Keystone species (Solarian included) who inhabit it. When young Aether (Greek Deity. name meaning "the air of the gods") and Caelum (Greek Deity name meaning "the heavens") are

separated from the rest of their Solarian tribe, their only hope of getting back to them is to join the fight! Along the way, they discover fascinating worlds and powerful allies from various myths who assist them on their quest to find their family. They quickly find out that freedom is not easily acquired. It must be taken! Lux Nova is set in a universe where science and fantasy collide, featuring a unique and vast collection of characters, creatures and locations.

The Ten Step M.A.N. Harper Collins

In 2001, at the age of only 22, the virtually unknown Mike Skinner was signed for a five album record deal. Since then, Mike Skinner has won a worldwide reputation for fusing home-grown hip-hop with the proud British tradition of observational song writing, which stretches from The Beatles and The Kinks to Blur and the Arctic Monkeys. In the multi-faceted guise of The Streets he, along with the likes of his friend and peer Dizzy Rascal, has been largely responsible for giving British rap its own identity, distinct from that of its American influences. Alternating between spells of reckless indulgence and sardonic commentary on his own excesses, Mike

Skinner has established the kind of instantly accessible pop persona which only comes along once or twice a generation. Now he brings us The Story of the Streets. Moving chronologically through five albums, and the different phases of his life that they represent, Mike shares personal details of his modest upbringing in Birmingham, as well as the wild extravagances of life in the showbiz fast lane. Personal, shocking and funny; but deeply intelligent, insightful, opinionated and searingly honest - this is a lesson in the making of pop history, narrated by a voice that has informed a generation.

In the past decade, from Brighton Beach to Moscow, Toronto to Hong Kong, the Russian mob has become the world's

fastest-growing criminal superpower. Trafficking in prostitutes, heroin, and missiles, the mafiya poses an enormous threat to global stability and safety. Today, the mafiya controls over 80 percent of Russia's banks and has siphoned off billions of dollars in Western loans and aid, almost certainly derailing the chance for a stable democracy there. But that is just the beginning, for the mafiya is now in every corner of the United States and has infiltrated some of the banks and brokerage firms that handle your money. And American law enforcement is just waking up to this staggering problem. No journalist in the world knows more about the mafiya than Friedman, who has covered the Russian mob for *Details*, *Vanity Fair*, and *New York*. At great peril to himself, Friedman interviewed many of the top mobsters, who were stunningly candid about their activities. In their depravity, ruthlessness, and brutality, Russian gangsters make the traditional Mafia look like choirboys. Red Mafiya will appeal to anyone interested in the Mob.

The History of Gangster Rap is a deep dive

into one of the most fascinating subgenres of any music category to date. Sixteen detailed chapters, organized chronologically, examine the evolution of gangster rap, its main players, and the culture that created this revolutionary music. From still-swirling conspiracy theories about the murders of Biggie and Tupac to the release of the 2015 film *Straight Outta Compton*, the era of gangster rap is one that fascinates music junkies and remains at the forefront of pop culture. Filled with interviews with key players such as Snoop Dogg, Ice-T, and dozens more, as well as sidebars, breakout bios of notorious characters, lists, charts, and more, *The History of Gangster Rap* is the be-all-end-all book that contextualizes the importance of gangster rap as a cultural phenomenon.

[Sissy Dreams: From Boyfriend to Girlfriend](#)
U of Nebraska Press
Kidnapped and sold into slavery in the American South, freeman Solomon Northup spent twelve years in bondage before being freed. *Twelve Years a Slave* is Northup's moving memoir, revealing unimaginable details of the horrors he faced as a slave on Southern plantations,

and his unshakable belief that he would return home to his family. Written in the year after Northup was freed and published in the wake of Harriet Beecher Stowe's *Uncle Tom's Cabin*, Northup's story was quickly taken up by abolitionist groups and news organizations as part of the fight against slavery, and continues to resonate more than a century after the end of the American Civil War.

Duck in a Raincoat Farrar, Straus and Giroux
Using everything from sports and history to politics and pop culture, Edward Mulraine's *The Ten Step M.A.N.* seeks to pull out the God-given greatness in men one step at a time. Each step addresses multiple challenges that men face and applies a spiritual principle and practical solution to transform men's personal lives and social perception.

"I want to start conversations, and even better, arguments." - From the Introduction One of the most outspoken and original voices in sports sounds off while revealing his incredible life story. Jalen Rose has never been quiet. Not as a

kid growing up in Detroit in the 70's and 80's. Not as the brash, trash-talking leader of the legendary "Fab Five" at the University of Michigan. Not as the player under the stewardship of Hall of Famers Larry Bird, Isiah Thomas and others throughout his 13-year NBA career. And certainly not as a commentator and analyst on ABC/ESPN and Grantland. In *Got to Give the People What They Want*, no topic is off limits. Honest, unfiltered, unbiased. Raw, refreshing, real. This colorful collection of stories and opinions about basketball and life gives people the kind of insight and understanding they don't get anywhere else in the sports world.

The Five Percenters Harvard Square Editions

From the platinum selling recording artist and New York Times bestselling author of *The Autobiography of Gucci Mane* comes **THE GUCCI MANE GUIDE TO GREATNESS**—an unprecedented look at

Gucci Mane's secrets to success, health, wealth, and self-improvement. From Gucci: "I live by the principles in this book. I wanted to write this book to give you a tool set. This book should touch people who are going through something. It's not going to be easy. But study these words, and put them into action. I want this book to keep you motivated. I want you to keep coming back to it for guidance and inspiration. You can put it on your shelf and keep going to *The Gucci Mane Guide to Greatness*. This book is a challenge. Don't underestimate yourself. Don't think that what you're saying is not important. Don't think you can't achieve the impossible. Everyone needs some game, so here it is. *The Gucci Mane Guide to Greatness* is for the world. Enjoy." In this inspiring follow up to his iconic memoir, Gucci Mane gifts us with his playbook for living your best life. Packed with stunning photographs, *The Gucci Mane Guide to Greatness* distills the legend's timeless

wisdom into a one-of-a-kind motivational guidebook. Gucci Mane emerged transformed after a turbulent life of violence, crime, and addiction to become a dazzling embodiment of the power of positivity, focus, and hard-work. Using examples from his life of unparalleled success, Gucci Mane looks inward and upward to offer his blueprint for greatness. A must read for anyone with big ambitions and bigger dreams.

Love, Life, and Logic Simon and Schuster
This is the memoir of a Sephardic Jewish girl living among Ashkenazi neighbors in the Bronx. She comes down with polio just before her eighth birthday. She begins a fight against immobility set within a cultural realm where Catholic and Jew and Turkish Moslem once met. Where a beautiful aunt could be abducted into a Turkish harem and another aunt could still keep the 400-year-old iron key to the family house in the Cordoba of the Spanish Inquisition.
