JUAREZ ASHTYN

For the Dead and the Living We Must Bear Witness SAGE

Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

[The Death Marches](#) CreateSpace

When social psychologist Stanley Milgram invited volunteers to take part in an experiment at Yale in the summer of 1961, none of the participants could have foreseen the worldwide sensation that the published results would cause. Milgram reported that fully 65 percent of the volunteers had repeatedly administered electric shocks of increasing strength to a man they believed to be in severe pain, even suffering a life-threatening heart condition, simply because an authority figure had told them to do so. Such behavior was linked to atrocities committed by ordinary people under the Nazi regime and immediately gripped the public imagination. The experiments remain a source

of controversy and fascination more than fifty years later. In *Behind the Shock Machine*, psychologist and author Gina Perry unearths for the first time the full story of this controversial experiment and its startling repercussions. Interviewing the original participants—many of whom remain haunted to this day about what they did—and delving deep into Milgram's personal archive, she pieces together a more complex picture and much more troubling picture of these experiments than was originally presented by Milgram. Uncovering the details of the experiments leads her to question the validity of that 65 percent statistic and the claims that it revealed something essential about human nature. Fleshed out with dramatic transcripts of the tests themselves, the book puts a human face on the unwitting people who faced the moral test of the shock machine and offers a gripping, unforgettable tale of one man's ambition and an experiment that defined a generation.

- First illustrated biography of Eva Kor - Author was friends with Eva Kor and traveled with her to Poland - Reveals the power of forgiveness in one's own healing process when up against trauma - Eva Kor has a museum and education center in Indiana

Forgiveness BoD – Books on Demand

A tour de force from acclaimed author Alan Gratz (*Prisoner B-3087*), this timely -- and timeless -- novel tells the powerful story of three different children seeking refuge. A *New York Times* bestseller! JOSEF is a Jewish boy living in 1930s Nazi Germany. With the threat of concentration camps looming, he and his family board a ship bound for the other side of the world . . . ISABEL is a Cuban girl in 1994. With riots and unrest plaguing her country, she and her family set out on a raft, hoping to find safety in America . . . MAHMOUD is a Syrian boy in 2015. With his homeland torn apart by violence and destruction, he and his family begin a long trek toward Europe . . . All three kids go on harrowing journeys in search of refuge. All will face unimaginable dangers -- from drownings to bombings to betrayals. But there is always the hope of tomorrow. And although Josef, Isabel, and Mahmoud are separated by continents and decades, shocking connections will tie their stories together in the end. This action-packed novel tackles topics both timely and timeless: courage, survival, and the quest for home.

[The Diary of Anne Frank](#) Souvenir Press

A part of Harper Perennial's special "Resistance Library" highlighting classic works that illuminate

our times: A special edition reissue of Stanley Milgram’s landmark examination of humanity’s susceptibility to authoritarianism. “The classic account of the human tendency to follow orders, no matter who they hurt or what their consequences.” — Washington Post Book World In the 1960s, Yale University psychologist Stanley Milgram famously carried out a series of experiments that forever changed our perceptions of morality and free will. The subjects—or “teachers”—were instructed to administer electroshocks to a human “learner,” with the shocks becoming progressively more powerful and painful. Controversial but now strongly vindicated by the scientific community, these experiments attempted to determine to what extent people will obey orders from authority figures regardless of consequences. “Milgram’s experiments on obedience have made us more aware of the dangers of uncritically accepting authority,” wrote Peter Singer in the New York Times Book Review. With an introduction from Dr. Philip Zimbardo, who conducted the famous Stanford Prison Experiment, Obedience to Authority is Milgram’s fascinating and troubling chronicle of his classic study and a vivid and persuasive explanation of his conclusions. **Behind the Shock Machine** Ballantine Books

When the Nazis occupied Paris, no Jew was safe from arrest and deportation. Few Parisians were willing to risk their own lives to help. Yet during that perilous time, many Jews found refuge in an unlikely place—the sprawling complex of the Grand Mosque of Paris. Not just a place of worship but a community center, this hive of activity was an ideal temporary hiding place for escaped prisoners of war and Jews of all ages, especially children. Beautifully illustrated and thoroughly researched (both authors speak French and conducted first-person interviews and research at archives and libraries), this hopeful, non-fiction book introduces children to a little-known part of history. Perfect for children studying World War II or those seeking a heart-warming, inspiring read that highlights extraordinary heroism across faiths. Includes a bibliography, a recommended list of books and films, and afterword from the authors that gives more details behind the story.

Reproduction of the original: Southern Horrors: Lynch Law in All Its Phases by Ida B. Wells-Barnett *Anne Frank's Tales from the Secret Annexe* Ember

A NATIONAL BOOK AWARD FINALIST "Brilliant, honest, and equal parts heartbreaking and soul-healing." --Laurie Halse Anderson, author of SHOUT "A singular voice in the world of literature." -- Jason Reynolds, author of Long Way Down A powerful coming-of-age story about grief, guilt, and the risks a Filipino-American teenager takes to uncover the truth about his cousin's murder. Jay Reguero plans to spend the last semester of his senior year playing video games before heading to the University of Michigan in the fall. But when he discovers that his Filipino cousin Jun was murdered as part of President Duterte's war on drugs, and no one in the family wants to talk about what happened, Jay travels to the Philippines to find out the real story. Hoping to uncover more about Jun and the events that led to his death, Jay is forced to reckon with the many sides of his cousin before he can face the whole horrible truth -- and the part he played in it. As gripping as it is lyrical, Patron Saints of Nothing is a page-turning portrayal of the struggle to reconcile faith, family, and immigrant identity.

Our Deportment One World

This meditative prose conveys the essence of the human place in the world -- past and present.

All Rivers Run to the Sea Schocken

The classic text of the diary Anne Frank kept during the two years she and her family hid from the Nazis in an Amsterdam attic is a powerful reminder of the horrors of war and an eloquent testament to the human spirit.

Promises to Keep: How Jackie Robinson Changed America Schocken

This comprehensive book of etiquette includes instruction for proper letter writing. The forms of letters covered in this volume include letters of introduction, acceptance and regret, love-letters, invitations, business letters and letters offering a character reference for servants, as well as the type of paper to be used in each instance.

Part of a new collection of literary voices from Gibbs Smith, written by, and for, extraordinary women—to encourage, challenge, and inspire. One of American’s most distinctive poets, Emily Dickinson scorned the conventions of her day in her approach to writing, religion, and society. Hope Is the Thing with Feathers is a collection from her vast archive of poetry to inspire the writers, creatives, and leaders of today. Continue your journey in the Women’s Voices series with

Jane Eyre, by Charlotte Bronte and The Feminist Papers by Mary Wollstonecraft.

Unbroken (Movie Tie-in Edition) Perfection Learning

This novel dramatizes an incident that took place in a California school in 1969. A teacher creates an experimental movement in his class to help students understand how people could have followed Hitler. The results are astounding. The highly disciplined group, modeled on the principles of the Hitler Youth, has its own salute, chants, and special ways of acting as a unit and sweeps beyond the class and throughout the school, evolving into a society willing to give up freedom for regimentation and blind obedience to their leader. All will learn a lesson that will never be forgotten.

Esperanza Rising (Scholastic Gold) Feldheim Publishers

As this concluding volume of his moving and revealing memoirs begins, Elie Wiesel is forty years old, a writer of international repute. Determined to speak out more actively for both Holocaust survivors and the disenfranchised everywhere, he sets himself a challenge: "I will become militant. I will teach, share, bear witness. I will reveal and try to mitigate the victims' solitude." He makes words his weapon, and in these pages we relive with him his unstinting battles. We see him meet with world leaders and travel to regions ruled by war, dictatorship, racism, and exclusion in order to engage the most pressing issues of the day. We see him in the Soviet Union defending persecuted Jews and dissidents; in South Africa battling apartheid and supporting Mandela's ascension; in Cambodia and in Bosnia, calling on the world to face the atrocities; in refugee camps in Albania and Macedonia as an emissary for President Clinton. He chastises Ronald Reagan for his visit to the German military cemetery at Bitburg. He supports Lech Walesa but challenges some of his views. He confronts Francois Mitterrand over the misrepresentation of his activities in Vichy France. He does battle with Holocaust deniers. He joins tens of thousands of young Austrians demonstrating against nascent fascism in their country. He receives the Nobel Peace Prize. Through it all, Wiesel remains deeply involved with his beloved Israel, its leaders and its people, and laments its internal conflicts. He recounts the behind-the-scenes events that led to the establishment of the Holocaust Museum in Washington, D.C. He shares the feelings evoked by his return to Auschwitz, by his recollections of Yitzhak Rabin, and by his memories of his own vanished family. This is the magnificent finale of a historic memoir.

Hope Is the Thing with Feathers National Geographic Books

#1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: 2014’s *Unbroken* and the upcoming *Unbroken: Path to Redemption*. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane’s bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant’s name was Louis Zamperini. In boyhood, he’d been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man’s journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit. Praise for *Unbroken* “Extraordinarily moving . . . a powerfully drawn survival epic.”—The Wall Street Journal “[A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring.”—New York “Staggering . . . mesmerizing . . . Hillenbrand’s writing is so ferociously cinematic, the events she describes so incredible, you don’t dare take your eyes off the page.”—People “A meticulous, soaring and beautifully written account of an extraordinary life.”—The Washington Post “Ambitious and powerful . . . a startling narrative and an inspirational

book.”—The New York Times Book Review “Marvelous . . . *Unbroken* is wonderful twice over, for the tale it tells and for the way it’s told. . . . It manages maximum velocity with no loss of subtlety.”—Newsweek “Moving and, yes, inspirational . . . [Laura] Hillenbrand’s unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time.”—Maureen Corrigan, *Fresh Air* “Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter’s pace.”—Time “*Unbroken* is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it.”—Christopher McDougall, author of *Born to Run* *Social Media Curation* American Library Association

Magnolia Court is not the most magical place in Florida, but to young Georgie Finch, this outsized housing project in the heart of the suburbs is the center of the universe. In this superbly crafted, imaginative, and intelligent novel, Georgie tells us the story of when his father, Jerry, won a competition in 1976 to become the first civilian man on the moon. He also tells us about his beautiful baby-sitter, who has a crush on Jerry; his Jackie O-like mother, Barbara, the long-suffering wife to an everyday genius; Jerry’s high school friend Lyle Barnes, running for local office on his coattails; and the mysterious journalist Bob Nightly, who seems the only person determined to get to the bottom of who Jerry Finch really is. Once Jerry is shot into space, Magnolia Court turns into the worst sort of American media circus, replete with card tables, Winnebagos, cookouts, and telescopes. Georgie tentatively navigates this space, dodging the starstruck commoners who have come to worship at the astronauts’ feet. When Jerry goes missing, the camp turns into a vigil, punctuated by potluck suppers and banners. Eventually the astronauts come back without Jerry and likewise descend on Magnolia Court -- in their spacesuits -- to show their respect. All the while Georgie gets phone calls from his father in space, but no one will believe him. Should we? Or is his entire story just that, a story? A feat of literary ventriloquism, *Gentlemen of Space* is surprising, captivating, and wholly original.

The Wave Dramatists Play Service Inc

Reuven Tamiroff, a Holocaust survivor, has never been able to speak about his past to his son, a young man who yearns to understand his father’s silence. As campuses burn amidst the unrest of the Sixties and his own generation rebels, the son is drawn to his father’s circle of wartime friends in search of clues to the past. Finally discovering that his brooding father has been haunted for years by his role in the murder of a brutal SS officer just after the war, young Tamiroff learns that the Nazi is still alive. Haunting, poetic, and very contemporary, *The Fifth Son* builds to an unforgettable climax as the son sets out to complete his father’s act of revenge. *Anne Frank* Scholastic Inc.

'I am a woman's rights. I have plowed and reaped and husked and chopped and mowed, and can any man do more than that? I am as strong as any man that is now' A former slave and one of the most powerful orators of her time, Sojourner Truth fought for the equal rights of Black women throughout her life. This selection of her impassioned speeches is accompanied by the words of other inspiring African-American female campaigners from the nineteenth century. One of twenty new books in the bestselling Penguin Great Ideas series. This new selection showcases a diverse list of thinkers who have helped shape our world today, from anarchists to stoics, feminists to prophets, satirists to Zen Buddhists.

The Grand Mosque of Paris Scholastic Inc.

Esperanza Rising joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content! *Esperanza* thought she'd always live a privileged life on her family's ranch in Mexico. She'd always have fancy dresses, a beautiful home filled with servants, and Mama, Papa, and Abuelita to care for her. But a sudden tragedy forces *Esperanza* and Mama to flee to California and settle in a Mexican farm labor camp. *Esperanza* isn't ready for the hard work, financial struggles brought on by the Great Depression, or lack of acceptance she now faces. When Mama gets sick and a strike for better working conditions threatens to uproot their new life, *Esperanza* must find a way to rise above her difficult circumstances-because Mama's life, and her own, depend on it.

The Redhead of Auschwitz: A True Story Penguin UK

THE STORY: In this transcendently powerful new adaptation by Wendy Kesselman, Anne Frank emerges from history a living, lyrical, intensely gifted young girl, who confronts her rapidly changing life and the increasing horror of her time with aston
